It's not what you put into a bank that counts.

It's what you get out of it.

We pay up to 9% p.a. on term deposits. Savings Investment Accounts earn 8% p.a. and our minimum deposit is lower than most other banks.

CBC Passbook Savings Accounts could earn you a little more interest.

Active cheque account users could save money on charges because CBC does not charge collection fees on cheques deposited.

There are other things that CBC can offer, corporate and investment services; travel, and a range of other personal banking services.

Spend a few minutes in your nearest CBC branch and make your own comparisons. We'd like to think you get a little more out of the CBC.

CBC.

Your passport to banking services with a difference.

The CBC, like all Australian banks, is as safe as Australia itself. But we like to think that CBC offers some good sound banking services that give you a little more!

We pay a little more Savings Account interest than most banks. You can earn 8% p.a. on a CBC Savings Investment Account, on a lower minimum deposit than most banks. You can earn up to 9% p.a. on a CBC Interest Bearing Deposit. And if you're an active cheque account user, you could save money on CBC charges — because we don't charge collection fees on cheques deposited!

There are many other good sound reasons why you should look into banking CBC. Spend a few minutes in your nearest CBC branch, and make your own comparisons.

RIDING COMPETITIONS—NOVELTY EVENTS

CLASS

43. THE "GOOD HANDS" CHALLENGE TROPHY FOR BOYS.
Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.

1 — 716. HAYDON. M SHIPARD

QUALIFYING COMPETITIONS.

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch) and each Country Agricultural Society in Victoria is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 years and under 15 years of age on the day of its show.

IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. a plain snaffle with a straight bar or jointed in the centre. The mouthpiece must be smooth).

2. Each Society conducting qualifying competitions is required to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions," and the Royal Agricultural Society of Victoria to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability — mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the mount or mounts selected by the Society. (See regulation regarding saddlery in 1).

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

13. All entries must be lodged with the Society by 5 p.m. on Wednesday, 15th September.

RULES FOR FLAG RACE COMPETITION

1. Competitors to start on left hand side of barrel and turn their horses on the right (off side) rein.

2. Competitors must place each flag in the barrel before the next flag is picked up. The farthest flag should be picked up first. If missed, competitor may pick up another flag on the way back to the barrel, but must return to the first flag next time.

3. Horses will start on left side of barrel and will finish immediately the competitor places the last (6th) flag in the barrel and horse crosses the finish line.

4. (a) A competitor may use the full distance between lanes, but will be disqualified for crossing another competitor's row of flags.
   (b) Competitors who knock down another competitor's flags or barrel will be disqualified and must withdraw immediately.
   (c) If a competitor's flag or barrel is knocked down by another competitor, these must be be immediately placed upright by the lane stewards. If the stewards have insufficient time to do so, and the competitor had a good chance of being placed first, the Judge shall decide whether to allow him another start in a heat or put him into the semi-final or final, as the case may be.
   (d) If there are less than four (4) starters in a heat, the vacant row of flags must be left in position, and the competitor in the adjoining row must not cross over these.
   (e) If a competitor is disqualified for breaking this rule, that competitor should retire from the course without causing further interference to the other competitors.

5. (a) If a competitor knocks over his or her own barrel, it must be placed upright by said competitor before any more flags are placed in it.
   (b) If the flags that were already in the barrel fall out when the barrel is knocked over, they may be placed back in by the competitor without having to remount.
   (c) If a competitor drops a flag or knocks down his or her barrel, that competitor may not use any outside assistance or property of the event to (1) pick up flag; (2) replace barrel; or (3) remount horse.
   (d) All flags must be placed in the barrel with the competitor mounted. If a competitor can pick up a dropped flag without dismounting, he may do so, but if not, they must dismount and pick up the flag, mount, and place it in the barrel.

6. (a) If a competitor's flag stick breaks, one broken piece may be placed in the barrel and counted as a complete flag.
   (b) If the flag material comes apart from the stick, the broken stick rule will apply, and the flag material may be placed in the barrel and counted as a flag.

7. If a flag lands horizontally on top of the barrel, it shall be judged out of the barrel, and must be placed in same by the competitor, but if any portion of the flag stick, except the material, is inside the barrel, although it may be protruding at an acute angle, it shall be judged in and not need to be touched by the competitor. However, if that competitor tries to rectify the position and the flag falls out before the last competitor has completed the course or retired, that flag shall be judged out, and the course incomplete.
8. After a flag race is finished, the judge must inspect the barrels and make sure that all six (6) flags have been placed in each barrel. If any flags are found to be out, that competitor will be disqualified or given the chance to complete the course if the placings depend on that course being completed.
9. Competitors in outside lanes will be disqualified if they exceed the distance allotted between lanes.

15. THE "OLYMPIC TYRE" TOP SCORE STAKES.

F.E.I. Rules.

SPECIAL PRIZES, $300 (of which $260 is presented by THE OLYMPIC TYRE & RUBBER CO. PTY. LTD., CROSS ST., WEST FOOTSCRAY.—First prize, $110; Second prize, $75; Third prize, $50; Fourth prize, $30; Fifth prize, $20; Sixth prize, $15.

For horses and galloways over 14.2 hands.

The course will consist of twelve obstacles. Each obstacle is allotted a number of points according to its difficulty, namely, six obstacles valued respectively 100, 90, 80, 70, 60 and 50 points and two sets of obstacles valued respectively 40 and 30, and one obstacle at 20 and one at 10 points.

Each rider is allowed 60 seconds for the course. During this time the competitor may jump any obstacle in any order or direction in the time of 60 seconds which begins from the moment when the horse crosses the start line. The starting line is obligatory and may be crossed in either direction.

A bell will indicate the end of the time allowed. An obstacle will not be considered as having been jumped and points scored until the horse's forelegs touch the ground on landing, within the expiry of the time allowed when the bell will be sounded.

Each obstacle may be jumped twice only for scoring purposes. The jumping of an obstacle for the third time does not entail elimination of the rider concerned; however no points are gained for doing so.

An obstacle refused does not have to be jumped. If, after the refusal the rider wishes to jump this obstacle he is free to do so. If by his refusal he has knocked down the obstacle he must at once proceed to another obstacle. The obstacle will not be rebuilt during the round. There is no elimination for three refusals; these are penalised automatically by loss of time.

The horse gaining the most points is winner of this competition. In case of equality of points and time, for first place only there will be a single jump-off according to the same formula with the time limited to 40 seconds.

F.E.I. Rules.

SPECIAL PRIZES, $250 (of which $208 is presented by JAMES McEWAN & CO. PTY. LTD., BOURKE STREET, MELBOURNE).—First prize, $100; Second prize, $60; Third prize, $30; Fourth prize, $$25; Fifth prize, $20; Sixth prize, $15.

For horses and galloways over 14.2 hands.

The course will consist of twelve obstacles.

Each obstacle is allotted a number of points according to its difficulty, namely, six obstacles valued respectively 100, 90, 80, 70, 60 and 50 points and two sets of obstacles valued respectively 40 and 30, and one obstacle at 20 and one at 10 points.

JUMPING

Each rider is allowed 60 seconds for the course. During thi stime the competitor may jump any obstacle in any order or direction in the time of 60 seconds which begins from the moment when the horse crosses the start line. The starting line is obligatory and may be crossed in either direction.

A bell will indicate the end of the time allowed. An obstacle will not be considered as having been jumped and points scored until the horse's forelegs touch the ground on landing, within the expiry of the time allowed when the bell will be sounded.

Each obstacle may be jumped twice only for scoring purposes. The jumping of an obstacle for the third time does not entail elimination of the rider concerned; however no points are gained for doing so.

An obstacle refused does not have to be jumped. If, after the refusal the rider wishes to jump this obstacle he is free to do so. If by his refusal he has knocked down the obstacle he must at once proceed to another obstacle. The obstacle will not be rebuilt during the round. There is no elimination for three refusals; these are penalised automatically by loss of time.

The horse gaining the most points is winner of this competition. In case of equality of points and time, for first place only there will be a single jump-off according to the same formula with time limited to 40 seconds.

Entry Fee: $10; R.A.S. of V. Members, $6.

SPECIAL PRIZES, $300 (which is presented by G. J. COLES & CO. LTD., MELBOURNE).—First prize, $100; Second prize, $80; Third prize, $50; Fourth prize, $30; Fifth prize, $25; Sixth prize, $15.

CONDITIONS

Owners are permitted to pair, and pairs must be declared to the jumping stewards (at the ring stewards box) one hour before event is scheduled to commence, after which the draw will be posted. In the event of a pair separately owned winning, the prize will be shared.

The course will not contain combination obstacles.

The course must be completed consecutively according to the number of riders in the team. In the course of the competition the rider will be always gonged at the first fault committed no matter what this may be. The partner takes over immediately and continues the course. If it was a jumping fault, the partner takes over the round and jumps the obstacle following that where the fault was incurred.

If the fault was a disobedience, the partner takes over the round and must jump the obstacle where the disobedience occurred.

Notwithstanding the conditions above, if a rider completes one circuit of the course without fault, the other member of the team MUST take over the jumping. The competition then proceeds in accordance with the conditions as previously detailed.

CLASSIFICATION:

In this competition, two points will be awarded for each obstacle jumped clear and one point for each obstacle knocked down.

From the total number of points scored by a team the following are deducted: 1 point for the first disobedience (or fall); 2 points for the second disobedience (or fall); 2 points for the third disobedience (or fall). A total of four disobediences or falls entails the elimination of the team.

A ¼ of a point is deducted for every commenced second exceeding the time limit.

Zealand or any country within the British Commonwealth of Nations. Should a team be able to produce only three riders the team captain must enter only three horses and riders. Each State, Dominion or Country will be limited to a maximum of two teams each In the event of teams from four or more States, Dominions or Countries being nominated, one team only from each State, Dominion or Country will be eligible to compete. Teams will be selected by their respective State Branches of the E.F.A. or their National Federation from horses already nominated and which have competed in jumping events in Group "A" One reserve horse and rider for each team may also be nominated. The reserve horse can only take part if one of the four horses is ill or the victim of an accident and this is confirmed by the official Veterinary Surgeon at least thirty minutes before the start of the competition. The reserve horse must be ridden by the rider of the horse which is ill or injured. Once a final selection of riders and horses has been submitted to the Director no substitution will be allowed even from reserve horses and riders except on production of an approved medical or veterinary certificate as the case may be

Riders may ride in one team only and may ride only one horse in that team. In the case of a State, Dominion or Country nominating more than one team they are required to be nominated as the State, Dominion or Country's "A" and "B" team. No rider may be nominated for any State, Dominion or Country other than that in which he or she is resident and no horse may be nominated for any State, Dominion or Country except that in which its nominator is resident. The committee may in its absolute discretion accept the nomination of a composite team from States, Dominions or Countries provided that such team does not consist of more than 50% of horses and/or riders from any one State, Dominion or Country.

Nominations must be submitted to the Director in writing not later than 6 p.m. on the day preceding the day on which the event is scheduled to be contested.

Each team is required to jump two distinct rounds over the same course at a rate of 400 metres per minute. To be tried over a course as stipulated by the Committee.

The classification of the teams is established by totalling the faults over the jumps and those for time incurred by the three best horses of each team in each round. If, for any reason, a competitor does not finish the course at any stage of the competition the team is not thereby eliminated, but can continue. But each horse eliminated or withdrawn during a round is penalised by 20 faults added to the faults incurred by the competitor belonging to any team who has the most faults over the same course during the same round. The actual faults made by the horse that was stopped do not count; they are replaced by those of the horse which had the worst round, unless he himself had the most faults, in spite of having been eliminated or withdrawn.

The prize money will be divided among the owners of the horses in the winning teams. Riders must be 15 years of age or over on the first day of the Show. Should a team win this contest after its third horse has completed its second round then the fourth horse may be withdrawn. The order in which the horses compete will be decided by lot. The captain of each team then decides the order in which he wants his riders to start. All those numbered one go first, then all those numbered two, and so on.

All the horses in the team may take part in the jump-off, if there is one. In case of equality for first place, the time of the three best horses of each team in this jump-off decides.

The Committee reserves the right to invite riders from overseas countries not specifically mentioned herein to take part in this contest either as a team or as a member/or members of a composite team.

42. ROYAL MELBOURNE SHOW JUMPING CHAMPIONSHIP.

F.E.I. Rules — Table A4.

SPECIAL PRIZES, $200, donated by HORSELAND, The Basement, 175 FLINDERS LANE, MELBOURNE. Phone: 63 8974. — Prizes: First, $80 and Special Sash; Second, $60; Third, $40; Fourth, $20.

CONDITIONS

Four riders and horses will be invited to compete for this award.

The riders and horses selected will be the top scoring four, calculated on the following basis:—

(a) Points will be awarded in selected Classes as under:

Class 13. Myer Emporium Stakes, Table A4.

Class 35. Age Puissance Championship.

Class 14. A.N.Z. Bank Grand Prix.

The winning combination in each of these Classes receives 6 points, second placing 5 points, third placing 4 points, fourth placing 3 points, fifth placing 2 points, sixth placing 1 point.

In the event of equality in the best four, the selection will be determined on a count-back. There will be a draw to decide the order of starting of the riders.

Each rider must jump a round of the course on each of the horses that have qualified, starting with his own.

If a rider does not finish one of the rounds, he/she will be penalised with 20 faults added to the faults incurred by the horse with the highest number of faults during the same round.

Except for his own horse, each rider may practice for three minutes on the horse that he/she is to ride, and may jump, under supervision, over two obstacles, the same for all. The trial obstacles which must be on the arena may not exceed 1.30 metres in height and 1.40 metres in width. The riders may

change the saddle, but the horses must always be ridden in the same bit, boots and bandages that they had for the first round.

The Championship will be awarded to the rider who obtains the lowest total of faults.

In the case of equality for first place, there will be a jump-off against the clock over the same course, each rider being on his own horse.

This competition will be judged under Table A, Speed 350 metres per minute.

ACCIDENTS.

1. Accidents before the commencement of the event:—

(a) If one of the four riders or one of the four horses has an accident before the start of the event, it will be replaced by the pair of rider and horse classified next in the qualification.

2. Accidents during the event:—

(a) **Rider.** A rider who has an accident during the event can never be replaced. However, his horse must take part in all the rounds with the other riders.

(b) **Horse.**

(i) In the case of an accident during the first round, this round must be considered as valid. The rider will be penalised 20 faults added to the faults incurred by the competitor with the highest number of faults during the same round. The rider will not ride the fourth horse and the classification will be based on three rounds and not four.

(ii) If a horse has an accident in the second or third round, the rounds it has completed, except the first, will not count. The classification will be based on three rounds. The rider of the horse that had the accident will not ride the horse that he was due to ride in the fourth round. The rider thus retains the advantage of his round on his own horse. Each rider will therefore have ridden his own horse and two others.

(iii) If a horse has an accident during its fourth round, it will be penalised as in (b) i.

In all circumstances not covered by the existing rules, the organisers being guided by the General Regulations of the F.E.I., will give such decisions as they consider will best produce a fair classification for the event.
Entry free.

Time N.T

we turn trees into timber that lasts...

When nature gave us trees, she gave us protection, comfort and an immensely variable material from which to fashion many of the articles we need for everyday living. timber is nearby, ask for it by name.
But she also created borers, termites and the elements which cause eventual decay. And so it was left to man to either live with them — or overcome them.

As a result of intensive testing and research, "Tanalith"* wood preservatives were born — many years ago. Service records, both in Australia and all around the world prove the effectiveness of "Tanalith"* as a wood preservative. Now made by Koppers in Victoria under conditions of vigorous quality control, it is supplied to over 140 treatment plants throughout the Commonwealth.

So when it comes to specifiying materials on the job, whether its a fence post or a grandstand, a barn pole or a pier, insist on "Tanalised"* timber. It keeps good sound structures that way, year after year.

No matter where you are in Australia, "Tanalised"* timber is nearby, ask for it by name.

It's not what you put into a bank that counts.

It's what you get out of it.

We pay up to 9% p.a. on term deposits. Savings Investment Accounts earn 8% p.a. and our minimum deposit is lower than most other banks.

CBC Passbook Savings Accounts could earn you a little more interest.

Active cheque account users could save money on charges because CBC does not charge collection fees on cheques deposited.

There are other things that CBC can offer, corporate and investment services; travel, and a range of other personal banking services.

Spend a few minutes in your nearest CBC branch and make your own comparisons. We'd like to think you get a little more out of the CBC.

CBC.

Your passport to banking services with a difference.

The CBC, like all Australian banks, is as safe as Australia itself. But we like to think that CBC offers some good sound banking services that give you a little more!

We pay a little more Savings Account interest than most banks. You can earn 8% p.a. on a CBC Savings Investment Account, on a lower minimum deposit than most banks. You can earn up to 9% p.a. on a CBC Interest Bearing Deposit. And if you're an active cheque account user, you could save money on CBC charges — because we don't charge collection fees on cheques deposited!

There are many other good sound reasons why you should look into banking CBC. Spend a few minutes in your nearest CBC branch, and make your own comparisons.

YOUR BANK FOR ALL SEASONS

Every man on the land knows that each season is something of a gamble.

But your CBA manager can show you ways of hedging your bets.

For instance, he can give you some interesting facts on savings investment accounts, or term deposit schemes that will not only give you security against next season's harvest, but can also make sure you get the most from this year's income.

That's not all. The CBA is a total Services Group.

Not only for general banking and finance, but also for import-export business, investment, leasing, insurance – even travel and holidays.

Your CBA manager is a specialist in all these. You don't even have to be a customer to discuss them with him.

What's this bull worth?

★ Information supplied by the Australian Meat Board shows that bruising is causing losses averaging over 22 million dollars annually in Australia. Of this amount it is estimated 6 million dollars was lost due to the presence of horns or approximately $1.80 per head lost because of horned animals slaughtered.

★ Canada imposes a tax of $2.00 per head for handling horned cattle sent to slaughter.

★ South Africa has an incentive payment for horniess cattle sent to slaughter.

★ New Zealand has a recommendation from a Royal Commission into the meat industry held in 1974 banning all horned cattle from slaughter.

★ In Australia some meat companies are investigating the possibility of paying a bonus for poll cattle or imposing a penalty on horned cattle sent to slaughter.

★ Co-operative trials with the Australian Meat Board, C.S.I.R.O. and the Qld. Department of Primary Industry found that where horns were present 50% of the bruising can be attributed to horns.
