A Beef Cattle Judging Demonstration and Competition will take place on the Main Arena, on Sunday, 19th September, 1976, commencing at 10.00 a.m.

The Demonstration and Competition will be conducted on Beef Shorthorn and Poll Shorthorn bulls this year. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

## Your passport to banking services with a difference.

The CBC, like all Australian banks, is as safe as Australia itself. But we like to think that CBC offers some good sound banking services that give you a little more!

We pay a little more Savings Account interest than most banks. You can earn 8% p.a. on a CBC Savings Investment Account, on a lower minimum deposit than most banks. You can earn up to 9% p.a. on a CBC Interest Bearing Deposit. And if you're an active cheque account user, you could save money on CBC charges — because we don't charge collection fees on cheques deposited!

There are many other good sound reasons why you should look into banking CBC. Spend a few minutes in your nearest CBC branch, and make your own comparisons.

A SPECIAL PRIZE of \$25, donated by the UNITED DAIRYFARMERS OF VICTORIA, 576 St. Kilda Road, Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 1,400 kg. b./f. production class) gaining the highest combined points for butter fat production and type.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 5 kg. of butter fat over 160 kg. (with allowance for age) produced under Government Herd Test, the Herd Improvement Organisation of Victoria or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1974, and 31st August, 1975.

The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

## JERSEY SIRES' MEMORIAL

A Prize of \$10.50, donated by THE AUSTRALIAN JERSEY HERD SOCIETY (VICTORIAN BRANCH), will be awarded annually for the Most Successful Sire in the above classes, other than special classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all ordinary Classes, Classes 28 and 30. In the event of a tie, three points will be awarded for each Championship, and two points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

The names of the winning sire for the year and the names of the owner and breeder will be recorded upon the permanent Honour Board of the Victorian Branch of The Australian Jersey Herd Society. This Board will be displayed in the Jersey Cattle Pavilion during the Show — each sire's name to be inscribed permanently on the Honour Board.

Exhibitors are advised that, in addition to reading the following conditions, they should

There is no restriction on the number of animals entered for the Dairy Cattle Section in any ordinary Class. But not more than two (2) animals shall be eligible for exhibition in any one Class, except where transferred from another Class.

Judging will be in catalogue order and will commence at 8.30 a.m. on Thursday, 16th September.

Cattle entered in this Section must be registered in the Friesian Herd Book of Australia or in an approved Friesian Herd Book outside the Commonwealth. For particulars of registration in the Friesian Herd Book of Australia, apply to the Secretary, Friesian Cattle Club of Australia, Victorian Branch, 504 Racecourse Road, Flemington, Victoria, 3031. Females recorded in the Appendices to the F.H.B. of A. will not be eligible to compete in this Section.

Cattle entered in this Section will be identified by the photographs appearing on the Certificates of Registration. Exhibitors must bring the Certificates of Registration with photographs thereon, to the Show Grounds, and produce them to the Inspectors. Tattoo numbers will not be accepted for identification. Any cattle for which Certificates of Registration bearing photographs are not produced may be disqualified.

Cows which fail to yield 2 kg. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

The Judge of Friesians will not penalise exhibits if they are dehorned.

## FRIESIANS—GOVERNMENT HERD TEST PRIZES

A SPECIAL PRIZE of \$25, donated by the **UNITED DAIRYFARMERS OF VICTORIA**, 576 St. Kilda Road, Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 1,400 kg. b./f. production class) gaining the highest combined points for butter fat production and type.

2223 In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 5 kg. of butter fat over 160 kg. (with allowance for age) produced under Government Herd Test, the Herd Improvement Organisation of Victoria or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1974, and 31st August, 1975.

The cows eligible to compete for this prize shall be brought together at 9.30 a.m. on Friday, 17th September in the Jersey judging ring for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

## FRIESIAN CHAMPIONS' MEMORIAL.—

2376 Trophies, valued at \$15 each, presented by **THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH)**, will be awarded annually to the owners of the Champion Friesian Bull and of the Champion Friesian Cow or Heifer. The names of the winning animals each year, and of the owners and breeders, will be recorded upon an Honour Board, which will be displayed in the Friesian Cattle Pavilion. Special prizes of \$2.10 each, also presented by **THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH)**, will be awarded to the owners of the Reserve Champion Bull and the Reserve Champion Cow.

## CHAMPION DAIRY COW

(To be judged on type.)

A trophy order valued at \$65 together with a cash prize of \$65, both presented by the **Dairying and Wholemilk Sections of the Victorian Farmer's Union for the Champion Dairy Cow of the Australian Illawarra Shorthorn, Ayrshire, Dairy Shorthorn, Friesian, Guernsey, Jersey, and Red Poll breeds.**

The successful exhibitor will also receive the Society's Championship Sash.

The Reserve Champion Dairy Cow will receive the Society's Reserve Championship Sash.

## CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, then precludes the Judge of that breed from adjudicating to determine the award.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

Each judge shall only allocate points to animals other than his own breed.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

## Government Herd Test Prizes

## TYPE AND UTILITY CLASSES

Prizes are presented by the Government of Victoria.

**SPECIAL TYPE AND UTILITY CLASSES** are provided in each Dual Purpose and Dairy Breed Section. They will be judged according to the following conditions:—

As a basis of qualification cows competing in these classes must have produced the following amounts of butter fat:—

|             |         |
|-------------|---------|
| 2 year olds | 135 kg. |
| 3 " "       | 160 "   |
| 4 " "       | 180 "   |
| Mature cows | 200 "   |

The specified quantities of butter fat must have been produced under Government Herd Test, the Herd Improvement Organisation of Victoria, or any other recognised testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1974, and 31st August, 1975.

In the 1,400 kg. butter fat production class, it is not necessary for cows to have gained a certificate during the aforementioned period.

In all cases where the tests are other than those of the Victorian Government Herd Test or Accreditation Schemes, certificates issued by the Department or organisation which conducted the tests, must accompany the entry forms, except in the instance of the H.I.O.V. when unit number, herd number and cow number are to be stated.

Judging will be on a type basis only.

No points will be allotted either for production or type.

Competition is restricted to animals entered in the ordinary Classes.

The eartag or tattoo numbers of rams and ram lambs tested and examined must be included in the certificate.

Owners should particularly note:—

- (1) That blood sampling should be carried out early in the prescribed period to avoid congestion and delay in the testing laboratory at the end of the period.
- (2) That a sufficient number of rams and ram lambs should be tested to ensure that all possible exhibits finally forwarded to the Show are included in this number.

If exhibitors produce evidence that their flocks have been accredited free of Ovine Brucellosis a veterinary certificate will not be required.

All entry forms and exhibits must be in the hands of the Director before 10.00 a.m. on Friday, 20th August, 1976.

Exhibitors are reminded that the Society's General Regulations apply to all Sections of the Show and that the Special Regulations hereunder apply to this section only and are merely supplementary to the General Regulations.

Exhibitors must attach a tag showing name and address and class number to each fleece and also to the wrapping used.

If exhibits are sent by rail, address to the Director (Wool Exhibition), Royal Agricultural Society of Victoria, Spencer Street Railway Station, Melbourne, Vic.

All exhibitors are requested to include precise instructions, as to the desired method of disposal at the conclusion of the Show. The Society will re-pack and re-address or deliver exhibits to any nominated authorised Wool Broker in Melbourne or Geelong if so instructed, or re-address to place of origin. In this regard no responsibility will be accepted for loss or damage in transit.

All entries must be accompanied by the full entry fee.

No fleece will be accepted unless full freight has been prepaid.

Judges must be satisfied that all fleeces are exhibited in their correct classes and unskirted or insufficiently skirted fleeces will be correctly skirted under direction of the Chief Steward or Supervisor in charge.

Fleeces, which in the opinion of the Judges are overgrown, will be judged accordingly.

All fleeces are to be shorn from sheep that are the bona fide property of the exhibitors.

No championship award need be made if, in the opinion of the Chief Judge, the standard does not warrant a championship being awarded.

The Society reserves the right to draw a 200 gram sample from each fleece and retain it for future reference and to display an amount of wool necessary to form a comprehensive display.

The Society shall not be responsible for the loss of or damage to any exhibit irrespective of the cause of such loss or damage.

Throughout the schedule special classes are indicated by a star (\*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

#### **"IN MILK" AND "DRY" CLASSES AND SUCKLED KIDS**

Prize-winning Angoras may also be paraded provided they can be suitably led. ## CONDITIONS OF ENTRY AND EXHIBITION

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 9 p.m. on Friday, 24th September. Pigs entered in Sections 101 to 105 must be penned not later than 12 noon on Wednesday, 15th September.

Any animals not removed before 9 a.m. on Saturday, 25th September must remain on exhibition until 9 p.m. that night.

If they are still on the Showgrounds at 9 a.m. on Sunday, 26th September, they will have to remain until 9 p.m. that night.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (\*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032, before 4.30 p.m., Wednesday, 21st July. Entry fee must accompany each entry.

The Australian Pig Breeders' Society has requested that each exhibitor be required to pay 25 cents per entry towards the cost of the Pig Society's new Club Building. The Royal Agricultural Society of Victoria has agreed to this request and it is therefore a condition of entry that each exhibitor shall pay a fee of 25 cents per entry. This amount to be sent to the Royal Agricultural Society of Victoria with the entry.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

All sows 9 months old or over must, in the Judges opinion, be visibly in pig or have produced a recorded litter within 6 months prior to 15th September, 1975.

All boars over 12 months old must have had their tusks cut back to gum level two weeks prior to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

No pig shall be transferred from its numbered pen without the sanction of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Breeders' Society. All pigs entered for exhibition, except in the Carcase Competitions, must be from herds accredited as Brucellosis-free by the Department of Agriculture.

# CBC.

## Your passport to banking services with a difference.

The CBC, like all Australian banks, is as safe as Australia itself. But we like to think that CBC offers some good sound banking services that give you a little more!

We pay a little more Savings Account interest than most banks. You can earn 8% p.a. on a CBC Savings Investment Account, on a lower minimum deposit than most banks. You can earn up to 9% p.a. on a CBC Interest Bearing Deposit. And if you're an active cheque account user, you could save money on CBC charges — because we don't charge collection fees on cheques deposited!

There are many other good sound reasons why you should look into banking CBC. Spend a few minutes in your nearest CBC branch, and make your own comparisons.

# It's not what you put into a bank that counts.

# It's what you get out of it.

We pay up to 9% p.a. on term deposits. Savings Investment Accounts earn 8% p.a. and our minimum deposit is lower than most other banks.

CBC Passbook Savings Accounts could earn you a little more interest.

Active cheque account users could save money on charges because CBC does not charge collection fees on cheques deposited.

There are other things that CBC can offer, corporate and investment services; travel, and a range of other personal banking services.

Spend a few minutes in your nearest CBC branch and make your own comparisons. We'd like to think you get a little more out of the CBC.

# YOUR BANK FOR ALL SEASONS

Every man on the land knows that each season is something of a gamble.

But your CBA manager can show you ways of hedging your bets.

For instance, he can give you some interesting facts on savings investment accounts, or term deposit schemes that will not only give you security against next season's harvest, but can also make sure you get the most from this year's income.

That's not all. The CBA is a total Services Group.

Not only for general banking and finance, but also for import-export business, investment, leasing, insurance—even travel and holidays.

Your CBA manager is a specialist in all these. You don't even have to be a customer to discuss them with him.

# It's not what you put into a bank that counts.

# It's what you get out of it.

We pay up to 9% p.a. on term deposits. Savings Investment Accounts earn 8% p.a. and our minimum deposit is lower than most other banks.

CBC Passbook Savings Accounts could earn you a little more interest.

Active cheque account users could save money on charges because CBC does not charge collection fees on cheques deposited.

There are other things that CBC can offer, corporate and investment services; travel, and a range of other personal banking services.

Spend a few minutes in your nearest CBC branch and make your own comparisons. We'd like to think you get a little more out of the CBC.

# YOUR BANK FOR ALL SEASONS

Every man on the land knows that each season is something of a gamble.

But your CBA manager can show you ways of hedging your bets.

For instance, he can give you some interesting facts on savings investment accounts, or term deposit schemes that will not only give you security against next season's harvest, but can also make sure you get the most from this year's income.

That's not all. The CBA is a total Services Group.

Not only for general banking and finance, but also for import-export business, investment, leasing, insurance—even travel and holidays.

Your CBA manager is a specialist in all these. You don't even have to be a customer to discuss them with him.

# YOUR BANK FOR ALL SEASONS

Every man on the land knows that each season is something of a gamble.

But your CBA manager can show you ways of hedging your bets.

For instance, he can give you some interesting facts on savings investment accounts, or term deposit schemes that will not only give you security against next season's harvest, but can also make sure you get the most from this year's income.

That's not all. The CBA is a total Services Group.

Not only for general banking and finance, but also for import-export business, investment, leasing, insurance—even travel and holidays.

Your CBA manager is a specialist in all these. You don't even have to be a customer to discuss them with him.
