# IMPORTANT INFORMATION
## for every horse owner

**Speed-O-Vit Meal Ration**
Whether your horse is out to grass or is stalled, SPEED-O-VIT STANDARD OR HORSE POWER Meal ration can provide his total nutritional needs or supplement available grazing and hay. Ingredients are selected from Oats, Barley, Sorghum, Maize, Bran, Pollard, Wheat Germ, Lucerne Meal, Lucerne Chaff, Oaten Chaff, Wheaten Chaff, Peanut Meal, Linseed Meal, Cottonseed Meal, Molasses, Salt and a Mineral/Vitamin Premix containing Vitamins A and $D_3$, Copper, Iron, Zinc, Calcium and Phosphorus.

**Grass is no longer enough**
The nutritional variation in grasses makes them unsuitable as the sole ingredient in the diet of your hack or pony. SPEED-O-VIT WORKING HORSE PELLETED ration can balance the diet or be used as a complete ration.

**Speed-O-Vit horse block** has been formulated to stimulate digestion and encourage best use of paddock feed. It supplies true protein and essential minerals and vitamins necessary for growth and development of young horses and overall health and condition of all horses, bringing out the bloom in their coats.

SPEED-O-VIT feeds offer you consistency, ease of handling and completely balanced supplement. We hope you agree that this information is important.

# "GOOD HANDS" COMPETITIONS

**1742 THE "GOOD HANDS" CHALLENGE TROPHY FOR GIRLS.**
**Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.**

**1743 THE "GOOD HANDS" CHALLENGE TROPHY FOR BOYS.**
**Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.**

## QUALIFYING COMPETITIONS.

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch) and each Country Agricultural Society in Victoria is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 years and under 15 years of age on the day of its show.

IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. a plain snaffle with a straight bar or jointed in the centre. The mouthpiece must be smooth).

2. Each Society conducting qualifying competitions is required to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions," and the Royal Agricultural Society of Victoria to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability — mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

## CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the mount or mounts selected by the Society. (See regulation regarding saddlery in 1).

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

13. All entries must be lodged with the Society by 5 p.m. on Wednesday, 14th September.

**PRIZES: $30, $20, $10, $5 (unless otherwise stated).**

First flag to be nine yards from the barrel. Each measured position of blocks and barrels to be marked with substance provided. Blocks to be placed on appropriate spots, with rods in place in drilled holes.

**RULES FOR FLAG RACE COMPETITION**

1. Competitors to start on left hand side of barrel and turn their horses on the right (off side) rein.
2. Competitors must place each flag in the barrel before the next flag is picked up. The farthest flag should be picked up first. If missed, competitor may pick up another flag on the way back to the barrel, but must return to the first flag next time.
3. Horses will start on left side of barrel and will finish immediately the competitor places the last (6th) flag in the barrel and horse crosses the finish line.
4. (a) A competitor may use the full distance between lanes, but will be disqualified for crossing another competitor's row of flags.
   (b) Competitors who knock down another competitor's flags or barrel will be disqualified and must withdraw immediately.
   (c) If a competitor's flag or barrel is knocked down by another competitor, these must be be immediately placed upright by the lane stewards. If the stewards have insufficient time to do so, and the competitor had a good chance of being placed first, the Judge shall decide whether to allow him another start in a heat or put him into the semi-final or final, as the case may be.
   (d) If there are less than four (4) starters in a heat, the vacant row of flags must be left in position, and the competitor in the adjoining row must not cross over these.
   (e) If a competitor is disqualified for breaking this rule, that competitor should retire from the course without causing further interference to the other competitors.
5. (a) If a competitor knocks over his or her own barrel, it must be placed upright by said competitor before any more flags are placed in it.
   (b) If the flags that were already in the barrel fall out when the barrel is knocked over, they may be placed back in by the competitor without having to remount.
   (c) If a competitor drops a flag or knocks down his or her barrel, that competitor may not use any outside assistance or property of the event to (1) pick up flag; (2) replace barrel; or (3) remount horse.
   (d) All flags must be placed in the barrel with the competitor mounted. If a competitor can pick up a dropped flag without dismounting, he may do so, but if not, they must dismount and pick up the flag, mount, and place it in the barrel.
6. (a) If a competitor's flag stick breaks, one broken piece may be placed in the barrel and counted as a complete flag.
   (b) If the flag material comes apart from the stick, the broken stick rule will apply, and the flag material may be placed in the barrel and counted as a flag.
7. If a flag lands horizontally on top of the barrel, it shall be judged out of the barrel, and must be placed in same by the competitor, but if any portion of the flag stick, except the material, is inside the barrel, although it may be protruding at an acute angle, it shall be judged in and not need to be touched by the competitor. However, if that competitor tries to rectify the position and the flag falls out before the last competitor has completed the course or retired, that flag shall be judged out, and the course incomplete.
8. After a flag race is finished, the judge must inspect the barrels and make sure that all six (6) flags have been placed in each barrel. If any flags are found to be out, that competitor will be disqualified or given the chance to complete the course if the placings depend on that course being completed.
9. Competitors in outside lanes will be disqualified if they exceed the distance allotted between lanes.

**1915 THE "OLYMPIC TYRE" TOP SCORE STAKES.**

**F.E.I. Rules.**

**SPECIAL PRIZES, $300 (of which $260 is presented by THE OLYMPIC TYRE & RUBBER CO. PTY. LTD., CROSS ST., WEST FOOTSCRAY.**—First prize, $110; Second prize, $75; Third prize, $50; Fourth prize, $30; Fifth prize, $20; Sixth prize, $15.

In this competition, each obstacle is allotted a number of points, from 10 to 120 according to its difficulty. A water jump may be included but no combinations are allowed.

Competitors are credited with the number of points allotted to each obstacle provided it is jumped clear. No point is awarded for an obstacle knocked down.

Each competitor is allowed a time of 60 seconds. During this time, he can jump all the obstacles he chooses in the order and the direction that he desires. The starting line is obligatory and can be taken in either direction.

A bell will indicate the end of the course. The competitor must then cross the finishing line, from whatever direction so that the Jury can register the time.

At the expiration of the time allowed for the course, the competitor will be credited with the number of points allotted at the last obstacle if it is jumped clear and if the forelegs of his horse have touched the ground on landing when the bell sounds.

An obstacle which is knocked down for any reason will not be rebuilt.

Each obstacle can be jumped twice to count. Jumping, voluntarily or not, an obstacle for the third time or passing through the flags of an obstacle already knocked down, entails no elimination but scores no points.

The disobediences and falls are penalised by loss of time.

The competitor with the greatest number of points is the winner. In case of equality of points for first place, there will be a jump-off according to the same formula with a time allowed of 40 seconds.

Equality for other placings, take time into consideration.

Each obstacle can be jumped twice to count. Jumping, voluntarily or not, an obstacle for the third time or passing through the flags of an obstacle already knocked down, entails no elimination but scores no points.

The disobediences and falls are penalised by loss of time.

The competitor with the greatest number of points is the winner. In case of equality of points for first place, there will be a jump-off according to the same formula with a time allowed of 40 seconds.

Equality for other placings, take time into consideration.

Special Rules.

CONDITIONS

This Competition takes place over medium sized obstacles and is a timed Competition for which the Order of Jumping must be drawn. Combination obstacles are not permitted.
Each Competitor will jump the course in the correct order for one minute and will gain three points for each obstacle jumped clear and one point for any obstacle knocked down. An obstacle is not considered to have been jumped until the horse's fore feet have touched the ground on landing.
First and second disobediences over the course or fall of Horse and/or Rider do not count as they will increase the time. At the third disobedience the Competitor will be eliminated. If an obstacle is displaced as the result of a disobedience, even if the displacement is of a lower element in the same vertical plane, it will count as a knockdown and the Competitor must proceed to the next obstacle.
The winner will be the one with the greatest number of points and, in the event of equality of points, time decides. When the time limit is reached, the bell will be sounded and the Competitor must go through the Finish from either direction. The Finish will be as near the centre of the Ring as possible.
If the time allowed expires during a disobedience, the Competitor must continue to attempt to jump the obstacle before proceeding to the finish.
If a Competitor takes the wrong course he will be eliminated.

# Meet the new Massey 542 PTO Header

A logical development from the popular self-propelled machine, the new MF542 pto brings to the power-take-off man, a big capacity header plus a host of new ideas that pay off with faster, more economical harvesting.

The MF542 pto has the size and capacity to match the power output of modern tractors up to 150 hp. It can be offset to operate behind big tractors with large tyres (not duals) without risk of the tyres running into the uncut crop. The left-hand tandem wheel arrangement is another excellent feature that smooths out the bumps of rough operating to help stabilise the wide 18 ft. comb for efficient gathering at all times.

The high lift front is an outstanding feature in pto design. When transporting between paddocks it will lift over most posts regardless of gate size. Further, for the first time, here's a pto front that is really a "quick attach" type, that's easy to handle and with simple transport kit, easy to tow.

You can use the MF542 pto with tractors fitted with air-conditioned cabs.

Simply invert the header gearbox for operating with 540 or 1000 rpm pto speeds.

There's much more you'll appreciate about the MF542 pto, but why not take the first step now towards making your next harvest the best ever by finding out more from your Massey dealer. He's ready to give you the full story. MF77032

**1926 THE "COLES STORES" FAULT AND OUT SUCCESSIVE RELAY. (Teams of two).**

F.E.I. Rules.

Speed: 400 metres per minute.

**SPECIAL PRIZES, $300 (which is presented by G. J. COLES & CO. LTD., MELBOURNE).**—First prize, $100; Second prize, $80; Third prize, $50; Fourth prize, $30; Fifth prize, $25; Sixth prize, $15.

**CONDITIONS**

Owners are permitted to pair, and pairs must be declared to the jumping stewards (at the ring stewards box) one hour before event is scheduled to commence, after which the draw will be posted. In the event of a pair separately owned winning, the prize will be shared.

JUMPING

The course will not contain combination obstacles.

(a) These competitions take place in accordance with the same general principles governing the fault and out competition (article 269) but with teams of two or more competitors.
(b) The course, indicated on the plan, must be completed consecutively according to the number of team competitors. The principle is that, when the first competitor has completed his course without any penalty and on landing after jumping his last obstacle, the second competitor takes over. If a competitor commits a fault, the next competitor takes over and so on, until the course has been completed a number of times equivalent to the number of competitors composing each team.

(c) A ¼ of a point is deducted for every commenced second exceeding the time allowed. One point is deducted for the first disobedience or fall, 2 points for the second disobedience or fall, 2 points for the third disobedience or fall. The fourth disobedience or fall entails the elimination of the team.

**CLASSIFICATION:**

In this competition, two points will be awarded for each obstacle jumped clear and one point for each obstacle knocked down.

From the total number of points scored by a team the following are deducted: 1 point for the first disobedience (or fall); 2 points for the second disobedience (or fall); 2 points for the third disobedience (or fall). The fourth disobedience (or fall) entails the elimination of the team.

A ¼ of a point is deducted for every commenced second exceeding the time allowed.

In the case of equality of time and points there is a compulsory jump-off for first place only, over the same or a reduced course.

This contest will be restricted to teams of four horses over 14.2 hands and riders from each State of the Commonwealth of Australia, the Dominion of New Zealand or any country within the British Commonwealth of Nations Should a team be able to produce only three riders the team captain must enter only three horses and riders. Each State, Dominion or Country will be limited to a maximum of two teams each In the event of teams from four or more States, Dominions or Countries being nominated, one team only from each State, Dominion or Country will be eligible to compete. Teams will be selected by their respective State Branches of the E.F.A. or their National Federation from horses already nominated and which have competed in jumping events in Group "A" One reserve horse and rider for each team may also be nominated. The reserve horse can only take part if one of the four horses is ill or the victim of an accident and this is confirmed by the official Veterinary Surgeon at least thirty minutes before the start of the competition. Once a final selection of riders and horses has been submitted to the Director no substitution will be allowed even from reserve horses and riders except on production of an approved medical or veterinary certificate as the case may be
Riders may ride in one team only and may ride only one horse in that team. In the case of a State, Dominion or Country nominating more than one team they are required to be nominated as the State, Dominion or Country's "A" and "B" team. No rider may be nominated for any State, Dominion or Country other than that in which he or she is resident and no horse may be nominated for any State, Dominion or Country except that in which its nominator is resident

Nominations must be submitted to the Director in writing not later than 6 p.m. on the day preceding the day on which the event is scheduled to be contested.
**Each team is required to jump two distinct rounds over the same course at a rate of 400 metres per minute. To be tried over a course as stipulated by the Committee.**
The classification of the teams is established by totalling the faults over the jumps and those for time incurred by the three best horses of each team in each round
If, for any reason, a competitor does not finish the course at any stage of the competition the team is not thereby eliminated, but can continue. But each horse eliminated or withdrawn during a round is penalised by 20 faults added to the faults incurred by the competitor belonging to any team who has the most faults over the same course during the same round. The prize money will be divided among the owners of the horses in the winning teams. Riders must be 15 years of age or over on the first day of the Show
Should a team win this contest after its third horse has

completed its second round then the fourth horse may be withdrawn. The order in which the horses compete will be decided by lot. The captain of each team then decides the order in which he wants his riders to start. All those numbered one go first, then all those numbered two, and so on.
All the horses in the team may take part in the jump-off, if there is one. In case of equality for first place, the time of the three best horses of each team in this jump-off decides.

In the event of equality in the best four, the selection will be determined on a count-back. There will be a draw to decide the order of starting of the riders.
Each rider must jump a round of the course on each of the horses that have qualified, starting with his own.
If a rider does not finish one of the rounds, he/she will be penalised with 20 faults added to the faults incurred by the horse with the highest number of faults during the same round.
Except for his own horse, each rider may practice for three minutes on the horse that he/she is to ride, and may jump, under supervision, over two obstacles, the same for all. The trial obstacles which must be on the arena may not exceed 1.30 metres in height and 1.40 metres in width. The riders may change the saddle, but the horses must always be ridden in the same bit, boots and bandages that they had for the first round.
The Championship will be awarded to the rider who obtains the lowest total of faults. In the case of equality for first place, there will be a jump-off against the clock over the same course, each rider being on his own horse.
This competition will be judged under Table A, Speed 350 metres per minute.

**ACCIDENTS.**

1. Accidents before the commencement of the event:—
(a) If one of the four riders or one of the four horses has an accident before the start of the event, it will be replaced by the pair of rider and horse classified next in the qualification.
2. Accidents during the event:—
(a) **Rider.** A rider who has an accident during the event can never be replaced. However, his horse must take part in all the rounds with the other riders.
(b) **Horse.**
(i) In the case of an accident during the first round, this round must be considered as valid. The rider will be penalised 20 faults added to the faults incurred by the competitor with the highest number of faults during the same round. The rider will not ride the fourth horse and the classification will be based on three rounds and not four.
(ii) If a horse has an accident in the second or third round, the rounds it has completed, except the first, will not count. The classification will be based on three rounds. The rider of the horse that had the accident will not ride the horse that he was due to ride in the fourth round. The rider thus retains the advantage of his round on his own horse. Each rider will therefore have ridden his own horse and two others.
(iii) If a horse has an accident during its fourth round, it will be penalised as in (b) i.

In all circumstances not covered by the existing rules, the organisers being guided by the General Regulations of the F.E.I., will give such decisions as they consider will best produce a fair classification for the event.
