Meet the new Massey 542 PTO Header

A logical development from the popular self-propelled machine, the new MF542 pto brings to the power-take-off man, a big capacity header plus a host of new ideas that pay off with faster, more economical harvesting.

The MF542 pto has the size and capacity to match the power output of modern tractors up to 150 hp. It can be offset to operate behind big tractors with large tyres (not duals) without risk of the tyres running into the uncut crop. The left-hand tandem wheel arrangement is another excellent feature that smooths out the bumps of rough operating to help stabilise the wide 18 ft. comb for efficient gathering at all times.

The high lift front is an outstanding feature in

pto design. When transporting between paddocks it will lift over most posts regardless of gate size. Further, for the first time, here's a pto front that is really a "quick attach" type, that's easy to handle and with simple transport kit, easy to tow.

You can use the MF542 pto with tractors fitted with air-conditioned cabs.

Simply invert the header gearbox for operating with 540 or 1000 rpm pto speeds.

There's much more you'll appreciate about the MF542 pto, but why not take the first step now towards making your next harvest the best ever by finding out more from your Massey dealer. He's ready to give you the full story. MF77032

Guest Speaker & Commentator: J. R. ALLEN, Esq.

A Beef Cattle Judging Demonstration and Competition will take place on the Main Arena, on Sunday, 18th September, 1977, commencing at 10.00 a.m.

The Demonstration and Competition will be conducted on Hereford and Poll Hereford bulls this year. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The two prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ringcraft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

Dual Purpose Breeds

Judging of Dairy Shorthorns will commence at 8.30 a.m. and Red Polls at 8.45 a.m. on Thursday, 15th September. Judging to determine the award of Champion Dairy Cow will take place at 11.00 a.m. on Friday, 16th September, in the Jersey Judging Ring.

An animal shall not be admitted to the Show Grounds unless it is entered for exhibition, but a calf of the exhibit in a beef or dual purpose breed class may be admitted if born on or after 16th March, 1977, and is being suckled by the exhibit.

Presentations to the winners of the United Dairy farmers' of Victoria special prizes will commence at 10.30 a.m. on Friday, 16th September, in the Jersey ring and will be followed by the judging of the Champion Dairy Cow at approximately 11.00 a.m.

The breeding year for dairy cattle dates from 1st July in each year.

THE NAME, DATE OF BIRTH, HERD BOOK NUMBER AND BREEDING PARTICULARS OF AN EXHIBIT IN THE DIARY CATTLE SECTION OVER 2½ YEARS OLD MUST BE SUPPLIED AT THE TIME OF ENTRY. ANIMALS ENTERED UNDER THE AGE OF 2½ YEARS, WILL BE ACCEPTED FOR ENTRY WITHOUT NAME AND PARTICULARS OF BREEDING, BUT SUCH INFORMATION MUST BE SUPPLIED TWENTY-ONE (21) DAYS PRIOR TO THE OPENING DAY OF THE SHOW.

A maximum number of two (2) entries will be accepted from any one exhibitor in the Ordinary Classes for animals 2½ years old and under, except where transferred from another Class.

Judging will be in catalogue order and will commence at 9 a.m. on Thursday, 15th September.

Cattle entered in this Section must be registered in the Australian Illawarra Shorthorn Herd Book.  Stewards: LINDSAY G. C. NICHOLAS, Esq.
 A.P. MOORE, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding that Section.

There is no restriction on the number of animals entered for the Dairy Cattle Section in the ordinary Classes over 2½ years old but balloting may be necessary following the closing of entries. Cows which fail to yield 2 kg. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

The Judge of Jerseys will not penalise exhibits if they are dehorned.

FRIESIANS—GOVERNMENT HERD TEST PRIZES

1 point will be allotted for every 5 kg. of butter fat over 160 kg. (with allowance for age) produced under Government Herd Test, the Herd Improvement Organisation of Victoria or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1975, and 31st August, 1976.

The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility Classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

FRIESIAN CHAMPIONS' MEMORIAL.—Trophies, valued at \$15 each, presented by **THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH)**, will be awarded annually to the owners of the Champion Friesian Bull and of the Champion Friesian Cow or Heifer. CHAMPION DAIRY COW

(To be judged on type.)

A trophy order valued at \$65 together with a cash prize of \$65, both presented by the **Dairying and Wholemilk Sections of the Victorian Farmer's Union** for the **Champion Dairy Cow of the Australian Illawarra Shorthorn, Ayrshire, Dairy Shorthorn, Friesian, Guernsey, Jersey, and Red Poll breeds.**

The successful exhibitor will also receive the Society's Championship Sash.

The Reserve Champion Dairy Cow will receive the Society's Reserve Championship Sash.

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, then precludes the Judge of that breed from adjudicating to determine the award.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

Each judge shall only allocate points to animals other than his own breed.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

4 year olds	180 kg.
Mature cows	200 kg.

The specified quantities of butter fat must have been produced under Government Herd Test, the Herd Improvement Organisation of Victoria, or any other recognised testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1975, and 31st August, 1976.

In the 1,400 kg. butter fat production class, it is not necessary for cows to have gained a certificate during the aforementioned period.

In all cases where the tests are other than those of the Victorian Government Herd Test or Accreditation Schemes, certificates issued by the Department or organisation which conducted the tests, must accompany the entry forms, except in the instance of the H.I.O.V. when unit number, herd number and cow number are to be stated.

The H.I.O.V. now recognizes the Farmer Collection System but for the purposes of entry in these Classes only supervised testing will be recognized.

Judging will be on a type basis only.

No points will be allotted either for production or type.

Competition is restricted to animals entered in the ordinary Classes.

Middle East Sheep Market On Display

A comprehensive display on the Middle East market for sheep and sheep meat will be a major feature at this year's Royal Show.

This is the first time such an extensive display has been arranged in Victoria.

The display has been organised by Meridian Livestock Co. Pty. Ltd., the livestock buying and coordinating subsidiary of Austlran Ltd. Austlran is the biggest single supplier of Australian sheep meat, both live and frozen, to Iran.

DISPLAY

The Royal Show display will comprise:—

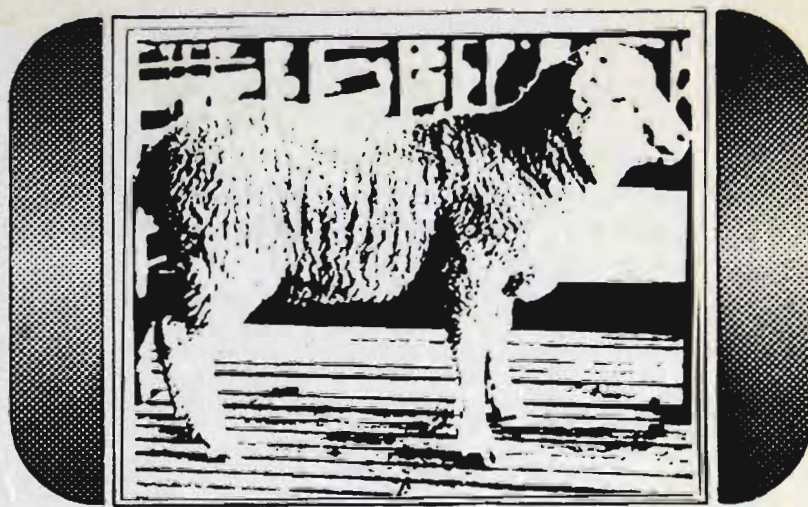

- * A 20 minute Audio Visual explaining the requirements of the Middle East market and its full potential to the Australian sheep producer.
- * Three pens of live sheep, as a practical example of the type of sheep the Middle East requires. These pens cover typical lambs, hoggets and young sheep, the three classes required by the Middle East for slaughter sheep.
- * Frozen carcasses to practically illustrate the lean nature of carcass required.

The Audio Visual and live sheep displays will be in the Sheep Pavilion while the carcass display will be situated in the Meat Hall.

The frozen carcasses, which are also in the three classes of lamb, hogget and young sheep, are the winners in the Middle East Carcass Competition which was sponsored by Austlran and held in conjunction with the R.A.S. Carcass Competition.

MARKET POTENTIAL

The potential of the Middle East market for Australian sheep producers is very real and an assured one providing the type of sheep required can be supplied in sufficient numbers.

Typical lamb suitable for export as a carcass.

Austlran Ltd. currently holds firm contracts to supply a minimum 20,000 tonnes of lamb meat a year plus 600,000 live wethers a year. This represents a requirement of approximately 2 million sheep a year, of which 1,400,000 would be slaughtered in Australia.

Research by a group of European banks indicates that Iran is likely to increase its total food imports by five times in the next decade. Therefore, the already contracted quantities, although immense by themselves, are expected to escalate rapidly to meet the huge demand in the Middle East in the future.

SPECIFICATIONS

The specifications of sheep suitable for the Middle East market are:—

- * Sheep from practically any breed are suitable for slaughter providing they are in a lean condition.
- * Legs must be well-fleshed and muscle colour light and fresh.
- * There must be no grass seed infestation in the meat.
- * Lambs: Any age up to 2 teeth. Carcass dressed weight 12 kg to 16.5 kg. The ideal lamb would be a bit lean for the current domestic market.
- * Hoggets: 2 teeth. Carcass dressed weight 14.5 kg to 21 kg.
- * Young Sheep: Up to four teeth cut, third and fourth teeth not fully grown. Carcass dressed weight 16.5 kg to 21 kg maximum.
- * Young Merino Rams: Merino rams under the age of 15 months are acceptable for slaughter as long as they still have lamb's teeth when delivered.
- * Wethers for live export: 1½ to 4 years old. Heavy, with a liveweight of 50 kg upwards. Must not carry lumpy excess fat. Sound mouth. Wool not longer than three quarters of an inch (2 cm) at time of delivery.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

CONDITIONS OF ENTRY AND EXHIBITION

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 9 p.m. on Friday, 23rd September. Pigs entered in Section 101 to 105 must be penned not later than 12 noon on Wednesday, 14th September.

Any animals not removed before 9 a.m. on Saturday, 24th September must remain on exhibition until 9 p.m. that night.

If they are still on the Showgrounds at 9 a.m. on Sunday, 25th September, they will have to remain until 9 p.m. that night.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032, before 4.30 p.m., Wednesday, 20th July. Entry fee must accompany each entry.

The Australian Pig Breeders' Society has requested that each exhibitor be required to pay 25 cents per entry towards the cost of the Pig Society's new Club Building. The Royal Agricultural Society of Victoria has agreed to this request and it is therefore a condition of entry that each exhibitor shall pay a fee of 25 cents per entry. This amount to be sent to the Royal Agricultural Society of Victoria with the entry.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

All sows 9 months old or over must, in the Judges opinion, be visibly in pig or have produced a recorded litter within 6 months prior to 15th September, 1976.

All boars over 12 months old must have had their tusks cut back to gum level two weeks prior to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

No pig shall be transferred from its numbered pen without the sanction of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Breeders' Society. All pigs entered for exhibition, except in the Carcase Competitions, must be from herds accredited as Brucellosis-free by the Department of Agriculture.

- (c) any loss, damage or injury occasioned to or by any exhibitor or any person acting on his behalf.

4. The exhibitor enters entirely at his own risk. 16. Restrictions or limitations on the number of entries in any section may be made by the Society or the Director.

24. In appropriate cases exhibits shall enter the judging ring immediately upon request by the appropriate Steward.

25. No person shall in any way consult or interfere with or attempt to interfere with the Judge or endeavour to interfere with his freedom of choice or judgement.

In appropriate cases persons in charge of exhibits must not leave their exhibits unattended and such persons or exhibitors shall not address the Judge unless authorised by the Steward-in-Charge of the class or the Judge himself.

26. The Judge may award a second or third prize instead of a first, or may withhold a prize altogether where he considers the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he may also give commendations when deserved.

28. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit.

29. All exhibitors and competitors shall accept the decision of the Judge as final as to the merits of the exhibit or competitor and no appeal shall be allowed therefrom to any court of law or other body on the question of merit of the exhibit.

All birds will be benched by Stewards only.

Exhibitors must provide "standard" cages with "standard" drinkers for their birds. Gummed labels to be affixed thereto will be supplied by the Society, and no addition must be made to these labels by exhibitors. In the event of an exhibitor adding to the information included on the label by the Society, the bird to whose cage this label is attached will be disqualified.

During the Show the birds will be in the custody of the Society, and must not be touched or handled by the owner or any person, on any pretence whatever, without the permission of the Superintendent.

Exhibitors will only be permitted to remove their birds after 9 p.m. on Saturday, 17th September, 1977, and between 9 a.m. and 11 a.m. on Sunday, 18th September, 1977.

The Society will arrange for a competent person to feed and otherwise attend to the birds and caretakers will be on duty in the Pavilion night and day during the currency of the Show.

The greatest care will be taken of the exhibits, but the Society will not be responsible for any accident, mistake, loss or damage, from whatever cause arising, the exhibits

dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

38. Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

39. Ribbons will be issued in the judging rings as an indication to the spectators of the Judges' awards — blue for first, red for second and white for third, and in addition a yellow for fourth and a green for fifth ribbon will be awarded where there are at least ten dogs exhibited in the class.

Kennel Control Council Challenge Certificates, and RASV Inscribed Blue Sashes with Medallions, are offered at this Show, one for each sex of every breed, at the discretion of the Judge.

WITHDRAWAL OF ENTRY.—Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.
