A Beef Cattle Judging Demonstration and Competition will take place on the Triangular Lawn, on Sunday, 24th September, 1978, commencing at 10.30 a.m.

The Demonstration and Competition will be conducted on Angus bulls this year. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

Dual Purpose Breeds

Judging of Dairy Shorthorns will commence at 8.30 a.m. and Red Polls at 8.45 a.m. on Thursday, 21st September. Judging to determine the award of Champion Dairy Cow will take place at 11.00 a.m. on Friday, 22nd September, in the Jersey Judging Ring, and the Dairy Shorthorn Champion Cow and Reserve Champion Cow are eligible to compete.

An animal shall not be admitted to the Show Grounds unless it is entered for exhibition, but a calf of the exhibit in a beef or dual purpose breed class may be admitted if born on or after 22nd March, 1978 and is being suckled by the exhibit.

Prize money in Dual Purpose Cattle Classes 4811 and 4815 in the Dairy Shorthorn Section is presented by UNIGATE AUSTRALIA PTY. LTD., BRIDGE ROAD, DANDENONG, 3175.

Judging in Dairy Cattle Sections (except Friesians) will be in catalogue order and commence at 9 a.m. on Thursday, 21st September.

Presentations to the winners of the United Dairy-farmers of Victoria special prizes will commence at 10.00 a.m. on Friday, 22nd September, in the Jersey ring and will be followed by the judging of the Champion Dairy Cow at approximately 10.30 a.m.

The breeding year for dairy cattle dates from 1st July in each year.

The Farm Collection (Monthly) Method of testing will be recognized for the purposes of entry in the Production Classes, provided a certificate is obtained by the exhibitor from the Department of Agriculture verifying that this herd has been monitored 3 times during the year by his local centre and the stock concerned have been certified for identification.

Such certificates to be forwarded by exhibitors to the R.A.S. of V. at least 21 days prior to the opening day of the show.

THE NAME, DATE OF BIRTH, HERD BOOK NUMBER AND BREEDING PARTICULARS OF AN EXHIBIT IN THE DAIRY CATTLE SECTION OVER 2½ YEARS OLD MUST BE SUPPLIED AT THE TIME OF ENTRY. ANIMALS ENTERED UNDER THE AGE OF 2½ YEARS WILL BE ACCEPTED FOR ENTRY WITHOUT NAME AND PARTICULARS OF BREEDING, BUT SUCH INFORMATION MUST BE SUPPLIED TWENTY-ONE (21) DAYS PRIOR TO THE OPENING DAY OF THE SHOW.

Judging will be on points, 50 points being allowed for type and 50 for production, on the basis of one point for every 2 kg. of butter-fat actually produced by the bull's dam, over and above the amount set by the Victorian Standard Herd Test Scheme for production according to age. The basis for calculation of test records will be a 300-day lactation period and if records are for a longer period points will be allotted pro rata. Certificates of tests other than the Victorian Government Herd Test or Accreditation Schemes must accompany the entry form except in the instance of the H.I.O.V. when the herd test, unit number, herd number and cow number are to be stated. The owners of exhibits in this Class have the option of stating on their entry forms the prices at which they are prepared to sell exhibits. Prices so given are to be published in the Catalogue, and when a price has been published, the owner shall be compelled to accept such price, except in the event of two or more persons claiming the bull, at the published price. Prizes: \$10, \$5, \$3.

A SPECIAL PRIZE of \$25, donated by the UNITED DAIRYFARMERS OF VICTORIA, 24 Collins Street, Melbourne will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 1,400 kg. b./f. production class) gaining the highest combined points for butter fat production and type.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 5 kg. of butter fat over 160 kg. (with allowance for age) produced under Government Herd Test, the Herd Improvement Organisation of Victoria or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1976, and 31st August, 1977.

The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner. 2226 - S.C. WALKER

JERSEY SIRES' MEMORIAL

A Prize of \$10.50, donated by THE AUSTRALIAN JERSEY HERD SOCIETY (VICTORIAN BRANCH), will be awarded annually for the Most Successful Sire in the above classes, other than special classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all ordinary Classes, Classes 18 and 20. In the event of a tie, three points will be awarded for each Championship, and two points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

The names of the winning sire for the year and the names of the owner and breeder will be recorded upon the permanent Honour Board of the Victorian Branch of The Australian Jersey Herd Society. This Board will be displayed in the Jersey Cattle Pavilion during the Show — each sire's name to be inscribed permanently on the Honour Board.

***TYPE AND UTILITY COW, any age, in milk or dry which, prior to 1st July preceding the Show, has produced 1,400 kg. or more butter fat in her lifetime.—Prizes: \$8, \$4, \$2.**

NO ENTRY

A SPECIAL PRIZE of \$25, donated by the **UNITED DAIRYFARMERS OF VICTORIA**, 24 Collins Street, Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 1,400 kg. b./f. production class) gaining the highest combined points for butter fat production and type.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 5 kg. of butter fat over 160 kg. (with allowance for age) produced under Government Herd Test, the Herd Improvement Organisation of Victoria or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1976, and 31st August, 1977.

2710 - GALAVIEW PAST. CO.

The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility Classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

FRIESIAN CHAMPIONS' MEMORIAL.—

Trophies, valued at \$15 each, presented by **THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH)**, will be awarded annually to the owners of the Champion Friesian Bull and of the Champion Friesian Cow or Heifer. The names of the winning animals each year, and of the owners and breeders, will be recorded upon an Honour Board, which will be displayed in the Friesian Cattle Pavilion. Special prizes of \$2.10 each, also presented by **THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH)**, will be awarded to the owners of the Reserve Champion Bull and the Reserve Champion Cow.

CHAMPION DAIRY COW

(To be judged on type.)

A trophy order valued at \$65 together with a cash prize of \$65, both presented by the **Dairying and Wholemilk Sections of the Victorian Farmer's Union for the Champion Dairy Cow of the Australian Illawarra Shorthorn, Ayrshire, Dairy Shorthorn, Friesian, Guernsey, and Jersey breeds.**

The successful exhibitor will also receive the Society's Championship Sash.

The Reserve Champion Dairy Cow will receive the Society's Reserve Championship Sash.

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes, and must be milked for the production of dairy produce. Any cows rearing calves are ineligible to compete for this award.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, then precludes the Judge of that breed from adjudicating to determine the award.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

Each judge shall only allocate points to animals other than his own breed.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

Government Herd Test Prizes

TYPE AND UTILITY CLASSES

Prizes are presented by the Government of Victoria.

SPECIAL TYPE AND UTILITY CLASSES are provided in each Dual Purpose and Dairy Breed Section. They will be judged according to the following conditions:—

As a basis of qualification cows competing in these classes must have produced the following amounts of butter fat:—

2 year olds	135 kg.
3 " "	160 "
4 " "	180 "
Mature cows	200 "

The specified quantities of butter fat must have been produced under Government Herd Test, the Herd Improvement Organisation of Victoria, or any other recognised testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1976, and 31st August, 1977.

In the 1,400 kg. butter fat production class, it is not necessary for cows to have gained a certificate during the aforementioned period.

In all cases where the tests are other than those of the Victorian Government Herd Test or Accreditation Schemes, certificates issued by the Department or organisation which conducted the tests, must accompany the entry forms, except in the instance of the H.I.O.V. when unit number, herd number and cow number are to be stated.

The Farmer Collection (Monthly) Method of testing will be recognised for the purposes of entry in the Production Classes, provided a certificate is obtained by the exhibitor from the Department of Agriculture verifying that his herd has been monitored three times during the year by his local centre and the stock concerned have been certified for identification. Such certificates to be forwarded to the R.A.S. of V. at least 21 days prior to the opening day of the show.

The H.I.O.V. now recognizes the Farmer Collection System but for the purposes of entry in these Classes only supervised testing will be recognized.

Judging will be on a type basis only.

No points will be allotted either for production or type.

Competition is restricted to animals entered in the ordinary Classes.

Index to Exhibitors in Dairy Cattle Section

The number following the name of exhibitor is the Catalogue number allotted to each animal.

Good beers don't just happen!

The brewing of good beers requires many things.

The best of ingredients, the most advanced equipment, and a highly-trained technical and scientific staff are just some of the requirements.

Carlton & United has all these things. And more. Victorians have developed their taste for Carlton beers over more than 100 years.

A taste for "good beers that don't just happen".

MIDDLE EAST TRADE CARCASS COMPETITION

JUDGE'S COMMENTS

JUDGE - D.C. Harris, Prime Lamb Specialist, N.S.W. Department of Agriculture.

Our forty pens of lambs were judged in some very strong classes. Many of the lambs were transferred to the Middle East Section from the local trade classes and unfortunately some of these were too fat for good Middle East carcasses.

The champion pen came from the 14 to 21 Kg. class and were ideal high yielding carcasses, evenly covered with a thin 2 millimetre covering of selvidge and well fleshed throughout.

My reserve champions were a light weight pen of lambs averaging around 15 kg. These carcasses were ideal for the iron trade, being light in weight, but well muscled with a thin fat covering.

Amongst many of the pens there were one or two exceptional lambs with a third carcass that let the others down.

Overall there was strong evidence that many breeders, especially in an excellent season like we are having, have difficulty judging how live lambs will perform on the hook. This was particularly obvious regards weight estimates and fat.

Of course, with classification, this problem will become more obvious.

It is a major advantage of these competitions, that producers get a chance to see for themselves just how accurate they themselves are in selecting stock for slaughter.

The Royal Agricultural Society deserves congratulations for taking such initiatives.

Any animals not removed before 9 a.m. on Saturday, 30th September, must remain on exhibition until 9 p.m. that night.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Director, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, 3032, on or before the time stated at head of this section.

Throughout the schedule special classes are indicated by a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 17) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

Any animals not removed before 9 a.m. on Saturday 30th September must remain on exhibition until 9 p.m. that night.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032. before 4.30 p.m., Wednesday, 26th July. Entry fee must accompany each entry.

The Australian Pig Breeders' Society has requested that each exhibitor be required to pay 25 cents per entry towards the cost of the Pig Society's new Club Building. The Royal Agricultural Society of Victoria has agreed to this request and it is therefore a condition of entry that each exhibitor shall pay a fee of 25 cents per entry. This amount to be sent to the Royal Agricultural Society of Victoria with the entry.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

All sows 9 months old or over must, in the Judges opinion, be visibly in pig or have produced a recorded litter within 6 months prior to 15th September, 1977.

All boars over 12 months old must have had their tusks cut back to gum level two weeks prior to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

No pig shall be transferred from its numbered pen without the sanction of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Each such animal shall at all times be at the sole risk and responsibility of the exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the exhibitor who shall indemnify and hold indemnified the Society its servants and agents from all claims whatsoever in respect of the animal whether by reason of any loss or injury to or caused by the animal or because of transportation, feeding or housing or otherwise howsoever.

The decision of the inspector(s) shall be final subject only to appeal to the Chief Steward in the Pig Section and his opinion shall be final.

The inspector(s) or Chief Steward shall not be required to furnish to the exhibitor any reasons for their decision.

Notwithstanding anything contained in these regulations the Director shall have the right to declare any animal ineligible to compete because of the health of any such animal or for any other reason which the Director deems fit. MOST SUCCESSFUL AWARD ^{D.G. GRAYSON}

A prize of \$75 will be presented by LIENERT AUSTRALIA, BOX 11, SHEOAK LOG, S.A. 5371, for the most successful exhibitor in the Bacon and Pork Pig Carcase Competitions.

This award will be determined from the total of the highest aggregate six (6) pigs.

In the event of a tie, the award will be made to the exhibitor of the Pig with the highest individual score.

CONDITIONS

(Classes 10612 and 10613)

1. The competition is open to all pig farmers and not limited to breeders of stud pigs only.
2. Entries will be accepted only from owners of the pigs entered, who must also be their breeders, that is, the owners of the sows when their progeny (the entered pigs) were born.
3. Entries are open to all pig breeders irrespective of whether they use pure-bred stock or not. Boars will NOT be eligible to compete for these Competitions. However, breeding of entries must be stated on entry form.
4. No restrictions are placed on feeding or management but these must be declared on request by the Royal Agricultural Society of Victoria.
5. An entry shall comprise one pig (one sow or one barrow).
6. No exhibitor may make more than two entries in each class.
7. Carcases shall be penalised two points for each half kilogram outside the weight range.
- 8.(a) The entered pigs shall be delivered to the Mayfair Hams & Bacon Co., Strickland Road, Bendigo East on Sunday, 17th September 1978 between 10 a.m. and 4.30 p.m.
- (b) Exhibitors in Stud Classes, who have entered in these competitions, may deliver their exhibits to the Showgrounds with their Stud Pigs and arrangements will be made to transport entries to Bendigo.
- (c) All Pigs delivered to the Royal Show Grounds must be from herds accredited as Brucellosis-free by the Department of Agriculture. All Pigs must be received on or before 1.00 p.m. Sunday, 17th September, 1978; they will then be transported free of charge to the killing works.
- (d) The pigs will be treated as soon as practicable after arrival. The carcasses will be stored until they are judged and the prizes awarded. Competitors will be paid for the pigs at current market values.

A duplicate copy of the Entry Form for identification purposes must be handed to the receiving Stewards when pigs are delivered.

9. The carcase of each pig entered will be submitted to the usual inspection for export by the Commonwealth Meat Inspectors at the time of slaughter and any carcase which is not passed as fit for export by those inspectors shall be automatically disqualified from the competition. The Judge shall have the power to disqualify any carcase which, in his opinion, is unsuited for the market by virtue of seedy cut, excessively soft fat, yellow fat, or other serious blemish.
 10. Male pigs castrated less than 6 weeks prior to slaughter may be condemned.
 11. The Judge will be appointed by the Royal Agricultural Society of Victoria and his decision regarding awards shall be final.
 12. Prize winning carcasses will be displayed in the Pig Pavilion.
 13. All entries must be made in writing on forms supplied by the Society and must be in the hands of the Director at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032 before 4.30 p.m., Wednesday, 16th August. Entry fee must accompany each entry.
- A duplicate copy of the Entry Form must be retained by the exhibitor and handed to the receiving Stewards when pigs are delivered to the abattoirs.**
14. Each competitor shall be responsible for marking his pigs in such a manner that they are identifiable both on arrival at the Bendigo factory of Mayfair Hams & Bacon Co. and after slaughter. This requires a paint brand and/or hair clip for easy identification on delivery. Each pig must be branded in the appropriate place with the Producer's own registered tattoo brand and four (4) body tattoo numbers' one on each rump and one on each shoulder for easy identification after slaughter. **Such identification marks must differ for each pig and be clearly stated on the entry form.** Particulars of the brands must also be supplied when the pigs are delivered. The Council shall reserve the right to refuse or accept an entry which is not clearly identifiable.

An exhibit or exhibitor shall not be eligible to compete in any class by reason of the Society's acceptance of the entry and/or the inclusion of the exhibit or exhibitor in the Society's catalogue or by reason of an Exhibit Entry Ticket or number or other document having been printed, allotted or issued by the Society.

8. Unless otherwise stated all exhibits must be the bona fide property of the exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Council of the Society or the Director shall have the power to recognise or reject such lease as it deems fit. 14. No exhibit may be entered in more than one Ordinary Class unless otherwise stated at the head of the section. Sweepstakes, special classes or championships do not count as ordinary classes. Throughout the Schedule special classes are designated with a star (*). Should any exhibit be incorrectly entered in more than one ordinary class such exhibit shall compete in the first class in which its name appears in the Society's Catalogue unless the Director otherwise directs.

ARRIVAL OF EXHIBITS

ACCOMMODATION

16. Restrictions or limitations on the number of entries in any section may be made by the Society or the Director.

- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

ENTRY TICKETS

18. An entry ticket will be issued by the Society for each exhibit unless the Director otherwise determines. 24. In appropriate cases exhibits shall enter the judging ring immediately upon request by the appropriate Steward.

25. No person shall in any way consult or interfere with or attempt to interfere with the Judge or endeavour to interfere with his freedom of choice or judgement.

In appropriate cases persons in charge of exhibits must not leave their exhibits unattended and such persons or exhibitors shall not address the Judge unless authorised by the Steward-in-Charge of the class or the Judge himself.

26. The Judge may award a second or third prize instead of a first, or may withhold a prize altogether where he considers the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he may also give commendations when deserved.

28. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit.

29. All exhibitors and competitors shall accept the decision of the Judge as final as to the merits of the exhibit or competitor and no appeal shall be allowed therefrom to any court of law or other body on the question of merit of the exhibit.

30. All prize cards awarded at the Show shall be exhibited in the stall or box for the duration of the Show.

33. Such protest shall be addressed to the Director and be lodged at his office at the 1st Floor, Administrative Building, cnr. Degraes Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made. Such protest shall be accompanied with a deposit of \$5.00 which may be forfeited to the Society if the protest be found to be unfounded or frivolous.

34. Should any exhibit which has been awarded a prize be disqualified the next in order of award does not necessarily become entitled to the prize.

35. The protest and all matters arising therefrom shall be determined by either the Council of the Society or the Director.

- (b) Should an animal become ill or suffer an injury then one of the Society's Veterinary Surgeons may attend to and treat such animal in the absence of any authority from the owner and the Society or its Veterinary Surgeon shall not be liable in any way for any loss arising out of such treatment.

36. Exhibitors may employ a Veterinary Surgeon who is not a member of the Society's panel but in such instances must inform the appropriate Superintendent of the stock concerned.

37. The Society's Veterinary Surgeons may refuse to attend an animal previously examined and treated by a Veterinary Surgeon who is not a member of the Society's Panel.

38. Unless otherwise specifically stated, only members of the Society's Veterinary Panel may give Veterinary Certificates required by the Society.

39. If in the opinion of one of the Society's Veterinary Surgeons an animal on the Show Grounds should be destroyed or removed from the Show Grounds the Society or the Director shall be entitled to have the animal destroyed and/or removed from the Show Grounds or shall be entitled to require the owner or his deputy at the Show Grounds to forthwith remove the animal from the Show Grounds. The whole of the Show, the events thereat, the exhibits and exhibitors and their agents shall be under the complete control of and subject to the decisions and directions of the Council of the Society and/or the Director. Good beers don't just happen!

The brewing of good beers requires many things.

The best of ingredients, the most advanced equipment, and a highly-trained technical and scientific staff are just some of the requirements.

Carlton & United has all these things. And more. Victorians have developed their taste for Carlton beers over more than 100 years.

A taste for "good beers that don't just happen".

CARLTON & UNITED BREWERIES LIMITED

Carlton Draught, Foster's Lager, Victoria Bitter, Melbourne Bitter, Abbots Lager, Carlton Pilsener, Carlton Crown Lager, Carlton Dietale, Carlton Malt Ale.
