Like Leonardo, we care intensely about it.

Five hundred years ago a man called Leonardo da Vinci turned his bountiful genius to the task of achieving man-made flight. To Leonardo, the flight of a bird was an inspiration, a marvel, a riddle he was never to solve. The science of aerodynamics defied even Leonardo's ingenuity. It was left to men of other generations to unlock the secrets of the bird's wings, to discover the aerofoil section, to

separate the functions of lift and thrust between wings and engines, to fly higher and faster than the bird. And having created the marvel for ourselves, still some of us stand in awe of it, as Leonardo did.

We count the people of our airline among these. For us, flight is a phenomenon full of wonder. We want to share it with you the first time or the next time you fly.

**We know
about flight.**

If you're on a diet, you need protein without the fat:

Even when you're on a diet, there are things the body must have for normal daily living. Vitamins and minerals, for instance. And protein. Protein is a complete food, the nearest thing to the life-giving force.

Diploma Instant dry non-fat milk is extremely rich in protein—37% compared with only 19.7% in an equivalent weight of lean red beef. Diploma also has vitamins of the important B2 complex, lactose, and about 8% minerals (most foods have about 1%). In fact, Diploma dry non-fat milk contains 11 times more of these vital factors than pure fresh milk itself.

You get them all without unwanted fat, yet Diploma Instant has the full-bodied flavour of ordinary milk. So supplement your diet with fat-free Diploma, for drinking and cooking.

Diploma instant.

A SPECIAL PRIZE of \$21, donated by the VICTORIAN DAIRYFARMERS' ASSOCIATION, 576 St. Kilda Rd., Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 1,400 kg. b./f. production class) gaining the highest combined points for butter fat production and type.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 5 kg. of butter fat over 160 kg. (with allowance for age) produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1971, and 31st August, 1972.

The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

JERSEY SIRES' MEMORIAL

A Prize of \$10.50, donated by THE AUSTRALIAN JERSEY HERD SOCIETY (VICTORIAN BRANCH), will be awarded annually for the Most Successful Sire in the above classes, other than special classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all classes other than specials. In the event of a tie, three points will be awarded for each Championship, and two points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

The names of the winning sire for the year and the names of the owner and breeder will be recorded upon the permanent Honour Board of the Victorian Branch of The Australian Jersey Herd Society. This Board will be displayed in the Jersey Cattle Pavilion during the Show — each sire's name to be inscribed permanently on the Honour Board.

Steel Strand cattle yards

- HORSE YARDS • FEED LOTS • DAIRY YARDS
- SALE YARDS • A.I. YARDS

WARATAH
FENCING PRODUCTS

Any shape or size yard can be erected with Waratah Cattle Steel Strand. Existing yards can be easily modified or enlarged. And they're strong. Maximum strength comes from seven heavily galvanised 12 gauge wires twisted together. They have been proven successfully both here and in the USA. Stock work more readily and with less fuss in Waratah Steel strand cattle yards. And you've an uninterrupted view of the stock. Material costs are less, erection takes a fraction of the time, maintenance is minimal. And the larger the yard the more economical Waratah Steel strand cattle yards become.

FRIESIAN CHAMPIONS' MEMORIAL.—

2877 TROPHIES in the form of "True Type" Models of a Friesian Bull and Cow, valued at \$12 each presented by THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH), will be awarded annually to the owners of the Champion Friesian Bull and of the Champion Friesian Cow or Heifer. The names of the winning animals each year, and of the owners and breeders, will be recorded upon an Honour Board, which will be displayed in the Friesian Cattle Pavilion. Special prizes of \$2.10 each, also presented by THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH), will be awarded to the owners of the Reserve Champion Bull and the Reserve Champion Cow.

CHAMPION DAIRY COW

(To be judged on type.)

A trophy order valued at \$50 together with a cash prize of \$50, both presented by the Dairy-ing and Wholemilk Sections of the Victorian Farmer's Union for the Champion Dairy Cow of the Australian Illawarra Shorthorn, Ayrshire, Dairy Shorthorn, Friesian, Guernsey, Jersey, and Red Poll breeds.

The successful exhibitor will also receive the Society's Championship Sash.

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, then precludes the Judge of that breed from adjudicating to determine the award.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

In the 1,400 kg. butter fat production class, it is not necessary for cows to have gained a certificate during the aforementioned period.

Exhibitors are reminded that the Society's General Regulations apply to all Sections of the Show and that the Special Regulations hereunder apply to this section only and are merely supplementary to the General Regulations.

Exhibitors must attach a tag showing name and address and class number to each fleece and also to the wrapping used.

If exhibits are sent by rail, address to the Director (Wool Exhibition), Royal Agricultural Society of Victoria, Spencer Street Railway Station, Melbourne, Vic.

All exhibitors are requested to include precise instructions as to the desired method of disposal at the conclusion of the Show. The Society will re-pack and re-address or deliver exhibits to any nominated authorised Wool Broker in Melbourne or Geelong if so instructed, or re-address to place of origin. In this regard no responsibility will be accepted for loss or damage in transit.

All entries must be accompanied by the full entry fee.
