A Beef Cattle Judging Demonstration and Competition will take place on the Triangular Lawn, opposite No. 3 Cattle Pavilion, on Sunday, 21st September, 1975, commencing at 10.00 a.m.

The Demonstration and Competition will be conducted on Angus bulls this year. In future years different breeds will be used.

## BEEF CATTLE HERDSMEN'S COMPETITION—RED POLLS

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

Prizes: First: Bronze Medallion. Second: Bronze Medallion. Third: Bronze Medallion. Fourth to Sixth: One year's free subscription to "The Pastoral Review", to which also the first three placegetters will be entitled. Prizes donated by THE PASTORAL REVIEW AUSTRALIA PTY. LTD., 26 Beatty Ave., Armadale, 3143.

# An organ makes it "home-ier" on the range.

Hammond  
Concorde  
\$7,949  
(price  
at time of  
printing).

If you think you're not musical, chances are you haven't tried to play an organ. A Hammond organ is perhaps one of the easiest instruments to learn. And so rewarding. Not only because you're making music, but because you can make it together. As a family.

An organ lets you have the kind

of old-fashioned family fun we haven't seen since before television. Come and tinkle on the keys and talk to the guys at Allans. We're distributors for the entire Hammond range from cheap to not-so-cheap.

We'll happily deliver an organ from our range to your range, any time.

# Clay Bakers

Our bakers are brick and tile makers, pottery and earthenware pipe makers. The art of ceramics is one of man's greatest achievements and we at Brick and Pipe Industries work with some of the richest clay deposits in the world. Out of our kilns come strong and sturdy building products. Only 20 years ago a small percentage of homes had brick walls. Today over 90 per cent are brick. All kinds of brick. Old world, antique and clean cut, smooth styles. Designers and builders of houses have over 50 brick styles and textures to use in many creative ways.

Baking roofing tiles, although old fashioned, is still the best way to keep the weather out. Our Terra Cotta Roofing Tiles hold their colour better than competitive roofing materials. We also make and bake strong, walkable floor tiles. Through one of our subsidiary

companies, we are the largest stoneware pipe manufacturer in Australia. Pipes that go deep under the ground and have the longest life due to the high firing of the clay.

In Victoria, Nubrik produce about 7 million bricks a week through 9 plants. Our new plant at Scoresby is recognized as the largest brick plant in the Southern Hemisphere. Its huge kilns produce more than one million high quality bricks each week.

Just like the ancient art of baking bread, clay baking needs technique, knowledge, and research. Brick and Pipe are professional clay bakers — making better products to 'build your dreams on'.

## JERSEYS—GUERNSEYS

The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

## JERSEY SIRES' MEMORIAL

A Prize of \$10.50, donated by **THE AUSTRALIAN JERSEY HERD SOCIETY (VICTORIAN BRANCH)**, will be awarded annually for the Most Successful Sire in the above classes, other than special classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all ordinary Classes, Classes 309 and 311. In the event of a tie, three points will be awarded for each Championship, and two points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

The names of the winning sire for the year and the names of the owner and breeder will be recorded upon the permanent Honour Board of the Victorian Branch of The Australian Jersey Herd Society. This Board will be displayed in the Jersey Cattle Pavilion during the Show — each sire's name to be inscribed permanently on the Honour Board.

# Clay Bakers

Our bakers are brick and tile makers, pottery and earthenware pipe makers. The art of ceramics is one of man's greatest achievements and we at Brick and Pipe Industries work with some of the richest clay deposits in the world. Out of our kilns come strong and sturdy building products. Only 20 years ago a small percentage of homes had brick walls. Today over 90 per cent are brick. All kinds of brick. Old world, antique and clean cut, smooth styles. Designers and builders of houses have over 50 brick styles and textures to use in many creative ways.

Baking roofing tiles, although old fashioned, is still the best way to keep the weather out. Our Terra Cotta Roofing Tiles hold their colour better than competitive roofing materials. We also make and bake strong, walkable floor tiles. Through one of our subsidiary

companies, we are the largest stoneware pipe manufacturer in Australia. Pipes that go deep under the ground and have the longest life due to the high firing of the clay.

In Victoria, Nubrik produce about 7 million bricks a week through 9 plants. Our new plant at Scoresby is recognized as the largest brick plant in the Southern Hemisphere. Its huge kilns produce more than one million high quality bricks each week.

Just like the ancient art of baking bread, clay baking needs technique, knowledge, and research. Brick and Pipe are professional clay bakers — making better products to 'build your dreams on'.

All entry forms and exhibits must be in the hands of the Director before 10.00 a.m. on Monday, 8th September, 1975.

Exhibitors are reminded that the Society's General Regulations apply to all Sections of the Show and that the Special Regulations hereunder apply to this section only and are merely supplementary to the General Regulations.

Exhibitors must attach a tag showing name and address and class number to each fleece and also to the wrapping used.

If exhibits are sent by rail, address to the Director (Wool Exhibition), Royal Agricultural Society of Victoria, Spencer Street Railway Station, Melbourne, Vic.

All exhibitors are requested to include precise instructions, as to the desired method of disposal at the conclusion of the Show. The Society will re-pack and re-address or deliver exhibits to any nominated authorised Wool Broker in Melbourne or Geelong if so instructed, or re-address to place of origin. In this regard no responsibility will be accepted for loss or damage in transit.

All entries must be accompanied by the full entry fee.

No fleece will be accepted unless full freight has been prepaid.

Judges must be satisfied that all fleeces are exhibited in their correct classes and unskirted or insufficiently skirted fleeces will be correctly skirted under direction of the Chief Steward or Supervisor in charge.

Fleeces, which in the opinion of the Judges are overgrown, will be judged accordingly.

All fleeces are to be shorn from sheep that are the bona fide property of the exhibitors.

## CONDITIONS OF ENTRY

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

All goats entered in this Section must be registered in a herd book recognised by the Society or recorded in the appendix sections.

For particulars of registration of Dairy and Angora Goats in the Goat Herd Book of Australia, apply to the Secretary, The Goat Breeders' Society of Australia, Box 4317, G.P.O., Sydney, N.S.W., 2001.

For particulars of registration in the Herd Book for Angora Goats in Australia, apply to the Secretary, Australian Mohair Association, 11 Bank Place, Melbourne, Vic., 3000.

For particulars of registration in the Angora Goat Breeders Society Herd Book, apply to the Secretary, The Angora Goat Breeders, Foott Road, Upper Beaconsfield, Vic., 3808.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until 11 p.m. on Saturday, 27th September.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Director, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, 3032, on or before the time stated at head of this section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are indicated by a star (\*). Should an exhibit be incorrectly entered in more than one ordinary class, such

exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

### "IN MILK" AND "DRY" CLASSES AND SUCKLED KIDS

Doe entered as "in milk" can be transferred to a "dry" or un-kidded class, whichever is applicable, if she has not kidded prior to judging day, or vice versa.

Does in milk must be at the Grounds on Wednesday, 17th September. They will be fully milked out and stripped dry between 8 p.m. and 9 p.m. in the presence of the Stewards or whom they may appoint. (See Classes 14 and 15 for 24-hour milk production record). They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out.

Kids not entered for competition will not be permitted in the Show Grounds unless actually being suckled by their mothers, which must be entered for competition.

Judges have the right to order any Doe competing for Championships to be milked dry before finally awarding the prizes.

upon receipt of such notice shall forthwith remove such animal and failing such removal by him within the time prescribed by the Director the Director may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the exhibitor and shall be refunded to the Society. Each such animal shall at all times be at the sole risk and responsibility of the exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the exhibitor who shall indemnify and hold indemnified the Society its servants and agents from all claims whatsoever in respect of the animal whether by reason of any loss or injury to or caused by the animal or because of transportation, feeding or housing or otherwise howsoever.

The decision of the inspector(s) shall be final subject only to appeal to the Chief Steward in the Sheep and Goat Section and his opinion shall be final.

The inspector(s) or Chief Steward shall not be required to furnish to the exhibitor any reasons for their decision.

Notwithstanding anything contained in these regulations the Director shall have the right to declare any animal ineligible to compete because of the health of any such animal or for any other reason which the Director deems fit. ## CONDITIONS OF ENTRY AND EXHIBITION

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11 p.m. on Saturday, 27th September. Pigs entered in Sections 66 to 70 must be penned not later than 12 noon on Wednesday, 17th September.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (\*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032, before 4.30 p.m., Wednesday, 23rd July. Entry fee must accompany each entry.

The Australian Pig Breeders' Society has requested that each exhibitor be required to pay 25 cents per entry towards the cost of the Pig Society's new Club Building. The Royal Agricultural Society of Victoria has agreed to this request and it is therefore a condition of entry that each exhibitor shall pay a fee of 25 cents per entry. This amount to be sent to the Royal Agricultural Society of Victoria with the entry.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

All sows 9 months old or over must, in the Judges opinion, be visibly in pig or have produced a recorded litter within 6 months prior to 15th September, 1974.

All boars over 12 months old must have had their tusks cut back to gum level two weeks prior to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

No pig shall be transferred from its numbered pen without the sanction of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Breeders' Society. All pigs entered for exhibition, except in the Carcase Competitions, must be from herds accredited as Brucellosis-free by the Department of Agriculture.

The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. ### CONDITIONS

(Classes 62 and 63)

1. The competition is open to all pig farmers and not limited to breeders of stud pigs only.
2. Entries will be accepted only from owners of the pigs entered, who must also be their breeders, that is, the owners of the sows when their progeny (the entered pigs) were born.
3. Pigs entered must have been sired by a pure-bred boar (not necessarily registered) and need not necessarily have had a pure-bred dam.

4. No restrictions are placed on feeding or management but these must be declared on request by the Royal Agricultural Society of Victoria.
5. An entry shall comprise one pig (one sow or one barrow).
6. No exhibitor may make more than two entries in each class.
7. The entered pigs shall be delivered to the Farmers & Graziers' Co-op. Co. Ltd., Charleston Road, Bendigo East on Sunday, 31st August, 1975, between 10 a.m. and 8.30 p.m. The pigs will be treated as soon as practicable after arrival. The carcasses will be stored until they are judged and the prizes awarded. Competitors will be paid for their pigs at current market values.
8. The carcase of each pig entered will be submitted to the usual inspection for export by the Commonwealth Meat Inspectors at the time of slaughter and any carcase which is not passed as fit for export by those inspectors shall be automatically disqualified from the competition. The Judge shall have the power to disqualify any carcase which, in his opinion, is unsuited for the market by virtue of seedy cut, excessively soft fat, yellow fat, or other serious blemish.
9. The Judge will be appointed by the Royal Agricultural Society of Victoria and his decision regarding awards shall be final.
10. An endeavour will be made to display the best of the carcasses in the refrigerated case in the Meat Hall.
11. All entries must be made in writing on forms supplied by the Society and must be in the hands of the Director at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032 before 4.30 p.m., Wednesday, 13th August. Entry fee must accompany each entry.
12. Each competitor shall be responsible for marking his pigs in such a manner that they are identifiable both on arrival at the Bendigo factory of Farmers & Graziers' Co-op. Co. Ltd. and after slaughter. This requires a paint brand and/or hair clip for easy identification on delivery and a body or rump tattoo for easy identification after slaughter. Such identification marks must differ for each pig and be clearly stated on the entry form. Particulars of the brands must also be supplied when the pigs are delivered. The Council shall reserve the right to refuse to accept an entry which is not clearly identifiable.
13. It is desired that advice be given by each competitor, not less than 7 days before delivery, to the Manager, Farmers & Graziers' Co-op. Co. Ltd., Charleston Road, Bendigo East, of the time and method by which pigs are to be delivered to the works.
