MUSICAL CHAIRS CONDITIONS

Oil drums (one less than the number of competitors) are placed in the centre of a circle, approximately 15 metres (50 ft.) in diameter marked out with stakes or flags or whitewash. Competitors must, when mounted, canter around the circle.

Competitors must keep to outside of the circle whilst music is being played.

When the music stops, all competitors dismount and run in to the centre leading their mounts, and sit on the drums. The competitor left without a seat retires, and the same process is continued until the ultimate winner is decided.

As each competitor is eliminated, one drum is removed from the ring.

Competitors may be disqualified for unnecessary roughness. Reins must be joined and of conventional length.

PENALTIES

FAULTS

1. Mistakes are scored in faults or seconds according to the tables in this chapter.

2. All mistakes committed between the starting and finishing lines are counted if an obstacle falls after the competitor has crossed the finishing line and disobedience during interrupted time.

TABLE A

1. First disobedience	3 faults
Obstacle knocked down while jumping	4 faults
One or more feet in the water or on the marking strip or suitable material of a water jump	4 faults
Second disobedience	6 faults
Fall of a horse or rider or both	8 faults
Disobedience plus knocking down an obstacle	3 or 6 faults + 6, 8 or 10 seconds
Third disobedience or for any of the actions listed in article 241	Elimination
Exceeding the time allowed for each commenced second	¼ fault

2. Faults for disobedience are cumulative both if they are incurred at the same obstacle and throughout the same round.

3. Faults for a fall are in addition to any other faults incurred at the same time.

4. In some competitions the conditions may lay down that exceeding the time allowed incurs elimination.

SCORING UNDER TABLE A

1. The jumping and time faults added together give the competitor's score for his round. The time taken by competitors to complete their rounds may be taken into consideration to decide cases of equality of faults for first and/or subsequent places, according to the conditions laid down for the competition.

2. In cases of equality of faults for first place only, there may be one or more compulsory jumps off against the clock or not, according to the conditions laid down for the competition.

TABLE B

1. An obstacle knocked down while jumping	10 seconds
One or more feet in the water or on the marking strip or suitable material at a water jump	10 seconds

Third disobedience or for any of the actions listed in article 241	Elimination

2. This table may not be used if the length of the course is less than 700 m (765 yards).

3. Falls, and the first two disobediences are penalised by the extra time taken by the competitor.

TABLE C

1. Penalties under Table C are scored in seconds added to the time of the round. The number of penalty seconds for each jumping mistake is worked out in relation to the length of the course and the number of times a horse is required to jump in the round.

2. A table showing the penalty seconds to be awarded for different lengths of courses and different numbers of obstacles is printed below.

3. Exceeding the time allowed is penalised by one second for each second commenced.

All other penalties are the same as for Table B.

DEFINITIONS, GENERAL RULES AND PENALTIES

OBSTACLE KNOCKED DOWN

1. An obstacle is considered to have been knocked down when, through a mistake of the horse or rider:
   (a) the whole, or any part or element of it is knocked down or dislodged even should the falling part be arrested in its fall by any other portion of the obstacle;
   (b) when at least one of the ends of a horizontal element is dislodged from its support;
   (c) any framework intended to maintain the solidity of the obstacle and forming an integral part of its support ,falls.

2. If the Jury is in doubt it should favour the competitor. Touches and displacements in whatever direction do not count.

3. If an obstacle which has been dislodged does not actually fall until after the competitor has crossed the finishing line, it does not count as a mistake (see a).

4. The penalty for knocking down an obstacle is set out in Tables A, B and C (Articles 236-240).

VERTICAL OBSTACLES:

When an obstacle or part of an obstacle is composed of several elements placed one above the other and in the same vertical plane (straight obstacle), only knocking down the top element is penalised.

OBSTACLES WITH SEVERAL ELEMENTS:

1. When an obstacle to be taken in one jump is composed of several elements not fixed in the same

BANKS, SLOPES AND RAMPS:

foot in the water when a strip or other suitable vertical plane (spread obstacle or water jump) knocking down one or more of the top elements, or a material is used, is counted as one mistake only, irrespective of the number of seperate elements knocked down.

2. If any element of an obstacle, which has been knocked down prevents a competitor from jumping another obstacle, or part of a multiple obstacle, it must be removed. The time required to do this is deducted from the total time for the round.

JUMPING

DISOBEDIENCE

1. The following are considered as disobedience and penalised as such:
(a) rectified deviation from the course;
(b) refusal;
(c) run out;
(d) resistance;
(e) any form of circle or series of circles in any part of the course for any reason, except that a horse may circle without penalty in order to get into position to jump after a run out or a refusal.

2. Unless it is specifically allowed by the plan of the course or by the Jury, any circle, whereby the horse crosses its original track, between any two consecutive obstacles anywhere on the course, is a disobedience and penalised as such.

3. Approaching an obstacle sideways, zig-zagging or turning sharply towards it, do not constitute a disobedience, provided the horse has not passed the obstacle.

DEVIATION FROM THE COURSE

A deviation from the course occurs when a competitor:
(a) does not follow the plan of the course as shown on the diagram posted up;
(b) goes the wrong side of a flag indicating the course to be followed;
(c) does not jump the obstacles in the prescribed order;
(d) jumps an obstacle outside the course or misses one on the course.

CORRECTION OF DEVIATION

1. In order to rectify a deviation from the course, the competitor must return to the course at the point where the error was committed.

2. A deviation from the course which is rectified before jumping the next obstacle is penalised as a disobedience.

3. A deviation from the course which is not immediately rectified, or rectified only after jumping the next obstacle, whether this forms part of the course or not, incurs the penalty of elimination.

4. Officials or others in the arena who draw the attention of competitors to a deviation from the course are giving unauthorised assistance.

REFUSAL

1. A refusal consists of stopping in front of an obstacle to be jumped, whether or not the horse knocks it down or displaces it.

2. If a horse stops at an obstacle without knocking it down and without reining back, followed immediately by a standing jump, it does not count as a refusal.

3. If the stop is prolonged or if the horse steps back even a single pace, voluntarily or not, or if it takes more room to jump it counts as a refusal.

4. If a competitor knocks down an obstacle while stopping and then jumps the obstacle before it has been re-erected, he is eliminated.

5. If a horse slides through an obstacle, the officiating judge must decide immediately whether it is to count as a refusal or as an obstacle knocked down. If he decides that it is a refusal the bell is sounded at once and the competitor must be ready to attempt the obstacle again as soon as it has been rebuilt. Should the judge decide that it was not a refusal he will not ring the bell and the competitor should continue his round. The competitor is penalised as for an obstacle knocked down.

6. A rider who shows an obstacle to his horse after a refusal and before resuming the course will be eliminated.

RUNNING OUT:

1. A horse is considered to have run out if it is not under the full control of its rider and avoids the obstacle it should have jumped.

2. A horse which jumps an obstacle outside the boundary flags which mark its limits, is considered to have run out and is penalised accordingly.

3. If the rider does not bring his horse back to jump the obstacle properly he is eliminated.

RESISTANCE:

1. A horse is considered to offer resistance if at any time it refuses to go forward (stops, goes backwards, turns round more or less completely, rears, etc.).

2. Horses will be eliminated for resistance when they:
(a) resist their riders for a period of 60 consecutive seconds during their round;
(b) take more than 60 seconds to jump an obstacle — except in the case of a fall;
(c) have not passed the starting line within 60 seconds of the signal to start.

FALLS:

1. A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way that he has to remount or vault into the saddle.

2. A horse is considered to have fallen when the shoulder and quarters have touched the ground or the obstacle and the ground.

3. A fall of a horse or rider or both is penalised wherever it takes place within the course and whatever the cause. After a fall the competitor must continue the course from the point where the fall occurred or from any other point provided he does not reduce the length of the course. Failure to do so entails elimination.

4. The penalty for a fall is set out in Tables A, B and C.

5. When a horse or rider falls in knocking down an obstacle or in refusing to jump an obstacle, or following any other disobedience, the penalties for both faults are added together.

6. Should a loose horse fall, jump an obstacle, go the wrong side of a flag, or pass through the starting or finishing line it will not be penalised.

7. Should a loose horse get out of the arena, it will be eliminated.

UNAUTHORISED ASSISTANCE:

1. Any intervention by a third party during the course of a round, whether solicited or not, with the object of helping the rider or his horse is considered to be unauthorised assistance. Any form of unauthorised assistance will be penalised by elimination at the discretion of the jury.

2. Handing a whip which has been dropped to a competitor during the round constitutes unauthorised assistance and the competitor will be eliminated.

3. Bringing back a runaway horse, helping a rider to re-adjust his saddlery or to remount after a fall is not considered to be unauthorised assistance.

JUMPING

MULTIPLE OBSTACLES:

1. A multiple obstacle is one composed of two (double), three (treble) or more (quadruple) fences or parts which must be taken in two, three or more successive jumps. The minimum distance between any two parts is 7 m. (23 ft.) and the maximum 12 m. (39 ft. 4 ins.) (except in Hunting competitions under table B and C or where the obstacles are permanent fixtures in the arena, when the minimum distance may be less than 7 m.). The distance is measured from the base of the fence on the landing side to the base of the next fence on the take off side.

2. In multiple fences each fence or part of the whole must be jumped separately and consecutively on penalty of elimination. If there is a refusal, run-out or fall at any one of the parts, the competitor must take the whole obstacle again, or he will be eliminated. (For closed obstacles see Article 213).

3. All the faults for mistakes or disobediences made at each part during each attempt are counted separately and added together, but should a refusal be due to a fall between two of the fences, the refusal will not be penalised.

BANKS, SLOPES AND RAMPS:

1. Banks, slopes, ramps and sunken roads irrespective of whether they include any sort of fence and whatever direction in which they should be taken, are to be regarded as multiple or closed obstacles. Each part must be jumped separately and faults are penalised as for those obstacles.

2. The Jury must decide before the competition whether an obstacle of this type is to be considered as a closed, or as a multiple obstacle and their decision must be shown on the plan of the course. Any such obstacle which is not described as closed on the plan should be considered to be a multiple obstacle.

3. A bank or platform (butte) without the addition of a fence, or with only one pole, may be taken in one jump without incurring any penalties.

CLOSED OBSTACLES:

1. A completely closed obstacle is one where a competitor having jumped the first part cannot get out without jumping out.

2. A closed obstacle can be in the form of an in-and-out, sheep pen, square or hexagonal or any similar obstacle which the Jury decides shall be considered as such.

3. If a competitor having jumped into the obstacle leaves the enclosure by the wrong side, he is considered to have jumped an obstacle that is not part of the course and is eliminated.

4. If the competitor having jumped into the obstacle refuses to jump out, or there is a fall inside the obstacle, the competitor must attempt to jump out in the correct direction. If he is unable to do so within 60 seconds of entering or after several attempts ,making in all three refusals during the round, he is eliminated.

5. If a competitor deliberately displaces or causes to be displaced, or in any way modifies any of the elements of the obstacle without attempting to jump out he is eliminated.

TIME:

(a) Unless otherwise stated in the conditions of the Class the "Time Allowed" for the course will be announced before each event.

(b) THE "TIME LIMIT" IS TWICE THE "TIME ALLOWED".

(c) FAULTS FOR TIME:—FOR EVERY SECOND OR PART OF A SECOND EXCEEDING THE "TIME ALLOWED" ¼ FAULT. EXCEEDING THE "TIME LIMIT". ELIMINATED.

JUMPING-OFF:

the winner will be decided by one of the following methods (to be indicated in the competition concerned).

Table "A1". In the event of equality of faults for first place in the second Jump-off the prize will be divided.

Table "A2". In the event of equality of faults for first place in the second Jump-off time will decide.

Table "A3". In the event of equality of faults for first place in the first Jump-off time will decide.

Table "A4". In the event of equality of faults for any award in the first round of the Competition time will decide. In the event of equality of faults and time for first place there may be one Jump-off at the discretion of the Judge.

DEFINITION OF JUMPING ARENA:

The Jumping Arena will, when practicable, be entirely enclosed, but if not, will be clearly marked with flags or some other easily recognised indicator. At all times the Trotting Track will be taken as off the Jumping Arena. It will be the responsibility of all competitors to acquaint themselves with the extent of the arena and its markings before competing.

THE COUNCIL RESERVES THE RIGHT TO INTRODUCE A STANDARD AT ANY TIME.

CRUELTY TO HORSES is forbidden either in the arena, exercise area or elsewhere. A competitor found guilty of committing a definite act of cruelty will be disallowed from taking part in any further competitions at the Show where the offence was committed. The decision rests with the Judge and no appeal will be considered.

GROUP A

Competition in classes in this group is open only to horses over 14.2 hands whose past performances, in the opinion of the committee, warrant their inclusion in the group.

From the entries received, the Council will select the horses with the best performances (up to a maximum of 20 horses) to compete in DIVISION I, and the next best (up to a maximum of 20) to compete in DIVISION II.

In the event of a tie for first place only, there will be compulsory successive jumps-off (4 at the maximum) over a reduced number of obstacles which have been raised and/or increased in width. The number of obstacles must not be less than 2, one of which must be straight and the other a spread fence (but not a water jump).

If there is no decisive result after the third jump-off the Jury may end the competition. After the fourth jump-off the Jury must end the competition. The competitors who are eligible to jump again are then placed equal first.

Difference in time does not count in the case of equality of jumping faults provided it is within the limit laid down. There is no speed limit in a jump-off.

The competitors are otherwise judged under Table A.

Melbourne's Hotel Southern Cross announces a special deal for country visitors.

If you plan to spend some time in Melbourne, the Hotel Southern Cross will drop its normal rate to $16.50 a night for a single room, especially for you.

If your wife comes along too, she can go shopping, bring the kids, or see friends in town. You can go to a show together (we'll book your tickets).

And if you take a twin room — you pay only $19.50. Anyone else would pay the normal tariff.

There are just two conditions to this offer: one is that you stay for at least two consecutive nights. The other is that the special rate applies from Friday to Sunday nights only, every week.

Why are you so special?

Because we don't see enough of you. And we'd like to. Because the Hotel Southern Cross is the most logical place to stay when you come to Melbourne. You see, we're the one international hotel in the heart of the city—towards the Spring St. end of Bourke St.

The live theatres are across the road. There are three cinemas immediately opposite and all the others are close enough to reach on foot.

When you want to eat, there are four speciality restaurants, plus friendly bars to choose from, without you ever having to set foot outside your hotel.

Another thing you'll find very convenient about us is our working hours. 24 hours a day.

Our licensed Coolibah Coffee Shop stays open until 1.00am. Room service is round the clock.

Why not make your reservation now? The number is 63 0221. Or ask your local Travel Agent to book you in. Just remember to ask for our 'holiday from the country' weekend rate.

We'll look after you from there on.

If by his refusal he has knocked down the obstacle he must at once proceed to another obstacle. The obstacle will not be rebuilt during the round. There is no elimination for three refusals; these are penalised automatically by loss of time.

—First prize, $52; Second prize, $32; Third, prize, $20; Fourth prize, $12; Fifth prize, $8; Sixth prize, $6.

CONDITIONS

This Competition takes place over medium sized obstacles and is a timed Competition for which the Order of Jumping must be drawn. Combination obstacles are not permitted.

Each Competitor will jump the course in the correct order for one minute and will gain three points for each obstacle jumped clear and one point for any obstacle knocked down. An obstacle is not considered to have been jumped until the horse's fore feet have touched the ground on landing.

First and second disobediences over the course or fall of Horse and/or Rider do not count as they will increase the time. At the third disobedience the Competitor will be eliminated.

If an obstacle is displaced as the result of a disobedience, even if the displacement is of a lower element in the same vertical plane, it will count as a knockdown and the Competitor must proceed to the next obstacle.

The winner will be the one with the greatest number of points and, in the event of equality of points, time decides. When the time limit is reached, the bell will be sounded and the Competitor must go through the Finish from either direction. The Finish will be as near the centre of the Ring as possible.

315. THE "COLES STORES" FAULT AND OUT RELAY. (Teams of two.)

F.E.I. Rules.

Speed: 400 metres per minute.

SPECIAL PRIZES: $200 (which is presented by G. J. COLES & CO. LTD., MELBOURNE).—First prize, $80; Second prize, $50; Third prize, $30; Fourth prize, $20; Fifth prize, $12; Sixth prize, $8.

CONDITIONS

Owners are permitted to pair, and pairs must be declared to the jumping stewards (at the ring stewards box) one hour before event is scheduled to commence, after which the draw will be posted. In the event of a pair separately owned winning, the prize will be shared.

The course will not contain combination obstacles.

Competitors will jump as many obstacles (in the correct order) as possible within 90 seconds, the competitors changing over as many times as there is reason to do so until they are stopped by the clock.

The horse jumping the course when the time is sounded must then jump the following obstacle. The time will be taken when the horse's forelegs touch the ground; this obstacle does NOT count in classification. If for any reason the rider does not jump the obstacle at which the clock is stopped he is gonged and the clock stopped. The team will then be placed last of those gaining an equal number of points.

In the course of the competition the rider will be always gonged at the first fault committed no matter what this may be. The partner takes over immediately and continues the course. If it was a jumping fault, the partner takes over the round and jumps the obstacle following that where the fault was incurred.

If the fault was a disobedience, the partner takes over the round and must jump the obstacle where the disobedience occurred.

Notwithstanding the conditions above, if a rider completes one circuit of the course without fault, the other member of the team MUST take over the jumping. The competition then proceeds in accordance with the conditions as previously detailed.

CLASSIFICATION:

In this competition, two points will be awarded for each obstacle jumped clear and one point for each obstacle knocked down.

From the total number of points scored by a team the following are deducted: 1 point for the first disobedience (or fall); 2 points for the second disobedience (or fall); 2 points for the third disobedience (or fall). The fourth disobedience entails elimination of the team.

A ¼ of a point is deducted for every commenced second exceeding the time limit.

In the case of equality of time and points there is a compulsory jump-off for first place only, over the same or a reduced course.

For horses and galloways over 14.2 hands.

Entry fee (per single entry): $7; R.A.S. of V. Members, $5.

323. THE "NATIONAL BANK" INTERNATIONAL AND INTERSTATE TEAMS' JUMPING CONTEST.

SPECIAL PRIZES, $250 (presented by THE NATIONAL BANK OF AUSTRALASIA LTD., 271 COLLINS STREET, MELBOURNE).—First, $120; Second, $80; Third, $50.

This contest will be restricted to teams of four horses over 14.2 hands and riders from each State of the Commonwealth of Australia, the Dominion of New Zealand or any country within the British Commonwealth of Nations. Should a team be able to produce only three riders the team captain must enter only three horses and riders. Each State, Dominion or Country will be limited to a maximum of two teams each. In the event of teams from four or more States, Dominions or Countries being nominated, one team only from each State, Dominion or Country will be eligible to compete. Teams will be selected by their respective State Branches of the E.F.A. or their National Federation from horses already nominated and which have competed in jumping events in Group "A". One reserve horse and rider for each team may also be nominated. The reserve horse can only take part if one of the four horses is ill or the victim of an accident and this is confirmed by the official Veterinary Surgeon at least thirty minutes before the start of the competition. The reserve horse must be ridden by the rider of the horse which is ill or injured. Once a final selection of riders and horses has been submitted to the Director no substitution will be allowed even from reserve horses and riders except on production of an approved medical or veterinary certificate as the case may be.

Riders may ride in one team only and may ride only one horse in that team. In the case of a State, Dominion or Country nominating more than one team they are required to be nominated as the State, Dominion or Country's "A" and "B" team. No rider may be nominated for any State, Dominion or Country other than that in which he or she is resident and no horse may be nominated for any State, Dominion or Country except that in which its nominator is resident. The committee may in its absolute discretion accept the nomination of a composite team from States, Dominions or Countries provided that such team does not consist of more than 50% of horses and/or riders from any one State, Dominion or Country.

Nominations must be submitted to the Director in writing not later than 6 p.m. on the day preceding the day on which the event is scheduled to be contested.

Each team is required to jump two distinct rounds over the same course at a rate of 400 metres per minute. To be tried over a course as stipulated by the Committee.

The classification of the teams is established by totalling the faults over the jumps and those for time incurred by the three best horses of each team in each round. If, for any reason, a competitor does not finish the course at any stage of the competition the team is not thereby eliminated, but can continue. But each horse eliminated or withdrawn during a round is penalised by 20 faults added to the faults incurred by the competitor belonging to any team who has the most faults over the same course during the same round. The actual faults made by the horse that was stopped do not count; they are replaced by those of the horse which had the worst round, unless he himself had the most faults, in spite of having been eliminated or withdrawn.

The prize money will be divided among the owners of the horses in the winning teams. Riders must be 15 years of age or over on the first day of the Show. Should a team win this contest after its third horse has completed its second round then the fourth horse may be withdrawn. The order in which the horses compete will be decided by lot. The MF52 can tackle your toughest mowing problems

The MF52 is an ideal machine for tackling your toughest mowing problems. Like tough, matted grass . . . at speeds up to 12 m.p.h. in good conditions! You can slice through damp, tangled crops without clogging up this machine. Output can average twice that of conventional mowers—up to 3 acres an hour! Cutting discs set above a slim cutter bar contra-rotate in pairs slicing through crops to leave an even stubble. Rotating divider on the outside disc, together with adjustable deflector, forms the crop into a neat, aerated swath. You don't have to spend valuable time making adjustments to this mower. There's no knife sharpening, no need to set up the cutter bar! Choose from 5 ft. 5 in. or 7 ft. cutting widths.
