A Beef Cattle Judging Demonstration and Competition will take place on the Triangular Lawn, opposite No. 3 Cattle Pavilion, on Sunday, 22nd September, 1974, commencing at 10.00 a.m.

The Demonstration and Competition will be conducted on Hereford and Poll Hereford bulls this year. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ringcraft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

Prizes: First: Bronze Medallion. Second: Bronze Medallion. Third: Bronze Medallion. Fourth to Sixth: One year's free subscription to "The Pastoral Review", to which also the first three placegetters will be entitled. Prizes donated by THE PASTORAL REVIEW AUSTRALIA PTY. Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Beef Cattle Section and also the inspection regulations preceding that Section.

The Director may in his discretion permit an animal to be withdrawn without the imposition of any penalty provided that the exhibitor advises the Society or the Director of his desire to withdraw such animal not less than 14 days prior to the commencement of the Show.

A combined total of 4 animals — irrespective of sex — is the maximum number any exhibitor may exhibit in the yearling and 18 months old Classes, but not more than 2 animals in any one Class.

The cows eligible to compete for this prize shall be brought together at 9.30 a.m. on Friday, 20th September, in the Jersey judging ring for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

If you're on a diet, you need protein without the fat:

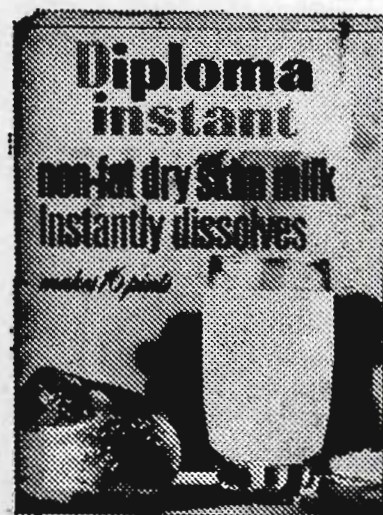

Even when you're on a diet, there are things the body must have for normal daily living.

Vitamins and minerals, for instance. And protein. Protein is a complete food, the nearest thing to the life-giving force.

Diploma Instant dry non-fat milk is extremely rich in protein—37% compared with only 19.7% in an equivalent weight of lean red beef. Diploma also has vitamins of the Important B2 complex, lactose, and about 8% minerals (most foods have about 1%). In fact, Diploma dry non-fat milk contains 11 times more of these vital factors than pure fresh milk itself.

You get them all without unwanted fat, yet Diploma Instant has the full-bodied flavour of ordinary milk. So supplement your diet with fat-free Diploma, for drinking and cooking.

A SPECIAL PRIZE of \$21, donated by the VICTORIAN DAIRYFARMERS' ASSOCIATION, 576 St. Kilda Rd., Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 1,400 kg. b./f. production class) gaining the highest combined points for butter fat production and type.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 5 kg. of butter fat over 160 kg. (with allowance for age) produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1972, and 31st August, 1973.

The cows eligible to compete for this prize shall be brought together at the conclusion of the judging of the Type and Utility classes for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

JERSEY SIRES' MEMORIAL

A Prize of \$10.50, donated by THE AUSTRALIAN JERSEY HERD SOCIETY (VICTORIAN BRANCH), will be awarded annually for the Most Successful Sire in the above classes, other than special classes.

The prize will be awarded to the breeder who owned the bull when the prize-winning stock were sired.

Three points will be awarded for a first prize, two points for a second, and one point for a third prize in all ordinary Classes, Classes 304 and 306. In the event of a tie, three points will be awarded for each Championship, and two points for each Reserve Championship. These additional points will be awarded only to those bulls which tied in the original allocation.

The names of the winning sire for the year and the names of the owner and breeder will be recorded upon the permanent Honour Board of the Victorian Branch of The Australian Jersey Herd Society. This Board will be displayed in the Jersey Cattle Pavilion during the Show — each sire's name to be inscribed permanently on the Honour Board.

A SPECIAL PRIZE of \$21, donated by the VICTORIAN DAIRYFARMERS' ASSOCIATION, 576 St. Kilda Rd., Melbourne, will be awarded to the cow or heifer of the 1st, 2nd and 3rd prize winners in the specified Type and Utility classes (excluding the 1,400 kg. b./f. production class) gaining the highest combined points for butter fat production and type.

In Type and Utility Classes where 10 or more animals actually compete, the six highest pointed animals shall be eligible to compete for the prize.

1 point will be allotted for every 5 kg. of butter fat over 160 kg. (with allowance for age) produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised Testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1972, and 31st August, 1973.

The cows eligible to compete for this prize shall be brought together at 9.30 a.m. on Friday, 20th September in the Jersey judging ring for the purpose of being allotted points on type, with a maximum of 100.

Both production and type points shall then be added to determine the winner.

The names of the winning animals each year, and of the owners and breeders, will be recorded upon an Honour Board, which will be displayed in the Friesian Cattle Pavilion. Special prizes of \$2.10 each, also presented by **THE FRIESIAN CATTLE CLUB OF AUSTRALIA (VICTORIAN BRANCH)**, will be awarded to the owners of the Reserve Champion Bull and the Reserve Champion Cow.

CHAMPION DAIRY COW**(To be judged on type.)**

3202 ← A trophy order valued at \$50 together with a cash prize of \$50, both presented by the **Dairying and Wholemilk Sections of the Victorian Farmer's Union** for the **Champion Dairy Cow of the Australian Illawarra Shorthorn, Ayrshire, Dairy Shorthorn, Friesian, Guernsey, Jersey, and Red Poll breeds.**

The successful exhibitor will also receive the Society's Championship Sash.

The Reserve Champion Dairy Cow will receive the Society's Reserve Championship Sash.

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, then precludes the Judge of that breed from adjudicating to determine the award.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

Section 43 — Government Herd Test Prizes

TYPE AND UTILITY CLASSES

Prizes are presented by the Government of Victoria.

SPECIAL TYPE AND UTILITY CLASSES are provided in each Dual Purpose and Dairy Breed Section. They will be judged according to the following conditions:—

As a basis of qualification cows competing in these classes must have produced the following amounts of butter fat:—

2 year olds	135 kg.
3 "	"	160 "
4 "	"	180 "
Mature cows	200 "

The specified quantities of butter fat must have been produced under Government Herd Test, the Victorian Herd Improvement Association, or any other recognised testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1972, and 31st August, 1973.

In the 1,400 kg. butter fat production class, it is not necessary for cows to have gained a certificate during the aforementioned period.

In all cases where the tests are other than those of the Victorian Government Herd Test or Accreditation Schemes, certificates issued by the Department or organisation which conducted the tests, must accompany the entry forms, except in the instance of the V.H.I.A. when unit number, herd number and cow number are to be stated.

Judging will be on a type basis only.

No points will be allotted either for production or type.

Competition is restricted to animals entered in the ordinary Classes.

Section 65 — Goats

CONDITIONS OF ENTRY

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

All goats entered in this Section must be registered in a herd book recognised by the Society or recorded in the appendix sections.

For particulars of registration of Dairy and Angora Goats in the Goat Herd Book of Australia, apply to the Secretary, The Goat Breeders' Society of Australia, Box 4317, G.P.O., Sydney, N.S.W., 2001.

For particulars of registration in the Herd Book for Angora Goats in Australia, apply to the Secretary, Australian Mohair Association, 11 Bank Place, Melbourne, Vic., 3000.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until 11 p.m. on Saturday, 28th September.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Director, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, 3032, on or before the time stated at head of this section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are indicated by a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.

(iii) The animal has become ineligible for the class entered.

(iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

The decision of the inspector(s) shall be final subject only to appeal to the Chief Steward in the Sheep and Goat Section and his opinion shall be final.

The inspector(s) or Chief Steward shall not be required to furnish to the exhibitor any reasons for their decision.

Notwithstanding anything contained in these regulations the Director shall have the right to declare any animal ineligible to compete because of the health of any such animal or for any other reason which the Director deems fit. The Director shall thereupon have the right to order the removal of such animal from the Show Grounds or in default thereof remove such animal at the expense and risk of the exhibitor.

Exhibitors of stock shall if requested by the Director submit his exhibit for inspection by one of the Society's Veterinarians.

CONDITIONS OF ENTRY AND EXHIBITION

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11 p.m. on Saturday, 28th September. Pigs entered in Sections 66 to 70 must be penned not later than 12 noon on Wednesday, 18th September.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032, before 4.30 p.m., Wednesday, 24th July. Entry fee must accompany each entry.

The Australian Pig Breeders' Society has requested that each exhibitor be required to pay 25 cents per entry towards the cost of the Pig Society's new Club Building. The Royal Agricultural Society of Victoria has agreed to this request and it is therefore a condition of entry that each exhibitor shall pay a fee of 25 cents per entry. This amount to be sent to the Royal Agricultural Society of Victoria with the entry.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.

CONDITIONS

(Classes 61 to 63)

1. The competition is open to all pig farmers and not limited to breeders of stud pigs only.
2. Entries will be accepted only from owners of the pigs entered, who must also be their breeders, that is, the owners of the sows when their progeny (the entered pigs) were born.
3. Pigs entered must have been sired by a pure-bred boar (not necessarily registered) and need not necessarily have had a pure-bred dam.
4. No restrictions are placed on feeding or management but these must be declared on request by the Royal Agricultural Society of Victoria.
5. An entry shall comprise one pig (one sow or one barrow).
6. No exhibitor may make more than two entries in each class.
7. The entered pigs shall be delivered to the Victorian Inland Meat Authority, Charleston Road, Bendigo East on Sunday, 1st September, 1974, between 10 a.m. and 8.30 p.m. The pigs will be treated as soon as practicable after arrival. The carcasses will be stored until they are judged and the prizes awarded. Competitors will be paid for their pigs at current market values.
8. The carcase of each pig entered will be submitted to the usual inspection for export by the Commonwealth Meat Inspectors at the time of slaughter and any carcase which is not passed as fit for export by those inspectors shall be automatically disqualified from the competition. The Judge shall have the power to disqualify any carcase which, in his opinion, is unsuited for the market by virtue of seedy cut, excessively soft fat, yellow fat, or other serious blemish.
9. The Judge will be appointed by the Royal Agricultural Society of Victoria and his decision regarding awards shall be final.
10. An endeavour will be made to display the best of the carcasses in the refrigerated case in the Meat Hall.

11. All entries must be made in writing on forms supplied by the Society and must be in the hands of the Director at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032 before 4.30 p.m., Wednesday, 14th August. Entry fee must accompany each entry.
12. Each competitor shall be responsible for marking his pigs in such a manner that they are identifiable both on arrival at the Bendigo factory of V.I.M.A. and after slaughter. This requires a paint brand and/or hair clip for easy identification on delivery and a body or rump tattoo for easy identification after slaughter. Such identification marks must differ for each pig and be clearly stated on the entry form. Particulars of the brands must also be supplied when the pigs are delivered. The Council shall reserve the right to refuse to accept an entry which is not clearly identifiable.
13. It is desired that advice be given by each competitor, not less than 7 days before delivery, to the Manager, V.I.M.A., Charleston Road, Bendigo East, of the time and method by which his pigs are to be delivered to the works.

- (c) any loss, damage or injury occasioned to or by any exhibitor or any person acting on his behalf.

4. The exhibitor enters entirely at his own risk. In case any exhibit whilst on the Society's Show Grounds shall cause or be the cause of injury or damage to any other exhibit or exhibitor or to the person or property of any member of the Society or the general public, the owner of such exhibit shall indemnify and keep indemnified the Society, its officers, officials and members from and against all damages, costs, claims, expenses or liabilities incurred in connection with such exhibits. 8. Unless otherwise stated all exhibits must be the bona fide property of the exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Council of the Society or the Director shall have the power to recognise or reject such lease as it deems fit. 26. The Judge may award a second or third prize instead of a first, or may withhold a prize altogether where he considers the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he may also give commendations when deserved.

28. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit.
