When the bands come marching in, it'll be with a little help from us.

Our founder, James Hardie, was a Scotsman; so it's perhaps not surprising that our involvement in this year's Royal Show has a definite Scottish flavour. It is with great pleasure that the James Hardie Group is sponsoring the performances of 18 Highland Bands from all over Australia. They will be playing a wide range of music that includes traditional Scottish airs and even some Jazz.

The James Hardie Group helps the Highland Bands play the pipes for you on the 22nd and 29th at 8.00 pm.

The Protectors. Your exhibit needs them.

Overnight pilferage and wanton damage to valuable machinery threatens every R.A.S. exhibitor. You need The Protectors — Wormald — for peace of mind. Every year since 1946, Wormald teams of watchmen and patrolmen have provided security for goods and machinery worth millions of dollars. These teams operate on tight schedules with carefully planned overlapping rounds. This surveillance is backed by a wide range of alarms, safes and bolts. The economies of this large-scale operation means you get protection and peace of mind at a very nominal cost.

All tests may be called. Callers should note that any variation from the printed text shall incur elimination.

A whip may be carried in the Elementary Dressage tests, but not in any other tests.

Deposits will not be refunded in respect of non-starters save by the production of a veterinary and/or medical certificate which supports such scratching.

Competitors must report to the Marshal and be prepared to compete at least 20 minutes prior to their advertised starting time for gear inspection. Failure to do so will entail elimination.

1643 THE "GOOD HANDS" CHALLENGE TROPHY FOR BOYS.

Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.

483 D Mann

QUALIFYING COMPETITIONS.

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch) and each Country Agricultural Society in Victoria is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 years and under 15 years of age on the day of its show.

IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. a plain snaffle with a straight bar or jointed in the centre. The mouthpiece must be smooth).

2. Each Society conducting qualifying competitions is required to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions," and the Royal Agricultural Society of Victoria to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability — mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the mount or mounts selected by the Society. (See regulation regarding saddlery in 1).

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

13. All entries must be lodged with the Society by 5 p.m. on Wednesday, September 19th.

DRESS

All competitors must wear white shirts and jodhpurs or white shirt, breeches and boots. Ties must be worn in cool weather. Riding boots must be worn in all events other than those which incur foot running by the competitors. Gymnasium boots or sand shoes are allowed for these events, but crepe or ripple soled shoes are banned (for safety's sake), in all events.

ENTRY FEES: \$10; R.A.S. of V. Members, \$5.

PRIZES: \$30, \$20, \$10, \$5 (unless otherwise stated).

FLAG RACE CONDITIONS

Four barrels to be placed in a straight line 10 yards apart, the outside barrels at least 10 yards from the nearest fence or obstacle.

Flags to be placed nine yards (27 ft.) apart in straight rows of six (6). Each row to be 10 yards apart.

First flag to be nine yards from the barrel. Each measured position of blocks and barrels to be marked with substance provided. Blocks to be placed on appropriate spots, with rods in place in drilled holes.

RULES FOR FLAG RACE COMPETITION

1. Competitors to start on left hand side of barrel and turn their horses on the right (off side) rein.

2. Competitors must place each flag in the barrel before the next flag is picked up. The farthest flag should be picked up first. If missed, competitor may pick up another flag on the way back to the barrel, but must return to the first flag next time.
3. Horses will start on left side of barrel and will finish immediately the competitor places the last (6th) flag in the barrel and horse crosses the finish line.
4. (a) A competitor may use the full distance between lanes, but will be disqualified for crossing another competitor's row of flags.
(b) Competitors who knock down another competitor's flags or barrel will be disqualified and must withdraw immediately.
(c) If a competitor's flag or barrel is knocked down by another competitor, these must be immediately placed upright by the lane stewards. If the stewards have insufficient time to do so, and the competitor had a good chance of being placed first, the Judge shall decide whether to allow him another start in a heat or put him into the semi-final or final, as the case may be.
(d) If there are less than four (4) starters in a heat, the vacant row of flags must be left in position, and the competitor in the adjoining row must not cross over these.
(e) If a competitor is disqualified for breaking this rule, that competitor should retire from the course without causing further interference to the other competitors.
5. (a) If a competitor knocks over his or her own barrel, it must be placed upright by said competitor before any more flags are placed in it.
(b) If the flags that were already in the barrel fall out when the barrel is knocked over, they may be placed back in by the competitor without having to remount.
(c) If a competitor drops a flag or knocks down his or her barrel, that competitor may not use any outside assistance or property of the event to (1) pick up flag; (2) replace barrel; or (3) remount horse.
(d) All flags must be placed in the barrel with the competitor mounted. If a competitor can pick up a dropped flag without dismounting, he may do so, but if not, they must dismount and pick up the flag, mount, and place it in the barrel.
6. (a) If a competitor's flag stick breaks, one broken piece may be placed in the barrel and counted as a complete flag.
(b) If the flag material comes apart from the stick, the broken stick rule will apply, and the flag material may be placed in the barrel and counted as a flag.
7. If a flag lands horizontally on top of the barrel, it shall be judged out of the barrel, and must be placed in same by the competitor, but if any portion of the flag stick, except the material, is inside the barrel, although it may be protruding at an acute angle, it shall be judged in and not need to be touched by the competitor. However, if that competitor tries to rectify the position and the flag falls out before the last competitor has completed the course or retired, that flag shall be judged out, and the course incomplete.

8. After a flag race is finished, the judge must inspect the barrels and make sure that all six (6) flags have been placed in each barrel. If any flags are found to be out, that competitor will be disqualified or given the chance to complete the course if the placings depend on that course being completed.
9. Competitors in outside lanes will be disqualified if they exceed the distance allotted between lanes.

T. KING, Esq.

Commentator: P. HEAGNEY, Esq.

The Classes in this Section are arranged in groups to facilitate the various gradings of horses, types of events and age of riders.

In this Section "Horse" includes Pony and Gallopway as appropriate.

For horses entered in jumping competitions conducted under F.E.I. Rules, particulars of performance must be furnished on the appropriate form, extra copies of which are available from this office on request. **The performance card (or preferably a photostat of same) must be forwarded with the Entry Form.**

After the close of entries, the Committee will determine which entries will be accepted and for which animals accommodation will be provided. All entrants will be notified of the Committee's decision, and any fees paid on entries not accepted will be refunded.

Owners nominating for Group A, which consists of three divisions (Classes 1811 to 1825) should indicate the Division in which they anticipate the horse concerned is likely to compete.

The entry fee for Group A is \$40 for R.A.S.V. Members or \$80 for Non-Members. (Horses accepted for Group A may compete in a total of five classes in any or all of the Divisions, in accordance with the next clause.)

Accepted horses must nominate for any class in these divisions by 4.00 p.m. on the day prior to the conduct of the event concerned. The order of competition will be posted in the Assembly area at the appropriate time.

Should entrants in any competition exceed 20, the Council reserves the right to reject or transfer any entry.

Owners nominating for Group B (for riders under 17 years of age) should indicate Group B in the appropriate place on the entry form.

Entry fee Group B: \$21 for R.A.S.V. Members; \$42 Non-Members.

In Group C, only the Masters of Hunt Clubs may nominate on behalf of owners.

However, horses nominated for Groups A, B and C are permitted to nominate for certain classes in other Groups as detailed in the regulations.

All horses entered in this Section must be registered in the Register of the Equestrian Federation of Australia. For particulars of registration apply to the Equestrian Federation, C/o Royal Agricultural Society in State concerned.

Riders of horses in Groups A and D must be financial members of the Equestrian Federation of Australia.

Riders of horses in Group B must be Junior Members of the Equestrian Federation of Australia.

The Council of the Society shall appoint a Ground Jury to act as a Jury of Appeal and with whom the judge shall consult on matters of interpretation of Rules.

The Steward in charge has been authorised to scratch any horse if it is not ready to compete at the time directed by the stewards.

Owners desirous of scratching their horses for any event must do so with the Horse Superintendent at least two hours before the advertised time of starting. Failure to comply with this regulation will render exhibitors liable to a penalty of \$2 for the first offence and \$5 for second or later offences.

WEIGHT

No minimum weights in Classes where age of rider is restricted.

In Classes open to all riders over the age of 15 years all riders must carry 75 kgs (165 lbs.).

The loss of weight during a Competition entails elimination.

Weighing is obligatory after each Competition and must be carried out in the presence of an official especially appointed for this purpose.

It is absolutely forbidden for a rider to dismount until he has received permission from the Steward in charge of the Weighing Enclosure. Any infringement of this Rule entails elimination.

Riders may weigh in with their saddles, weight cloths and numbers, but NOT whips.

In the event of a competitor being unable to make the weight, up to 2 kgs. will be allowed for the bridle, martingale and any other form of equipment carried by the horse.

Riders are responsible for the provision of any necessary weights and weight cloth.

There is no minimum weight provision for competitors in Groups B and C and Section Fours.

All jumping competitions are for amateur or professional riders unless otherwise stated.

Owners entering their horses or ponies do so entirely at their own risk, and it is a condition of entry that no liability of any kind attaches itself to the Society, its Council officers, officials or members in any respect whatsoever, other than the liability for refund of entry fees in the event of abandonment of any competition.

Male or Female riders may take part in all events unless otherwise stated.

All events to be run over course and obstacles as the Council may decide.

Conditions

1. In this competition, each obstacle is allotted a number of points, from 10 to 120 according to its difficulty. A water jump may be included but no combinations are allowed.
2. Competitors are credited with the number of points allotted to each obstacle provided it is jumped clear. No point is awarded for an obstacle knocked down.
3. Each competitor is allowed a time allowed of from 60 seconds. During this time, he can jump all the obstacles he chooses in the order and the direction that he desires. The starting line is obligatory and can be taken in either direction.
4. A bell will indicate the end of the course. The competitor must then cross the finishing line, from whatever direction so that the Jury can register the time.

If an obstacle is displaced as the result of a disobedience, even if the displacement is of a lower element in the same vertical plane, it will count as a knockdown and the Competitor must proceed to the next obstacle.

Phase II. Jumping under F.E.I. Rules.

Unsaddle and Harness.

Phase III. Obstacle Driving Course under F.E.I. Rules for Obstacle Driving.

Time competition unless otherwise stated.

Phase I. Time Competition

From a standing start in the enclosure the Competitor will go through the start to drive an obstacle course.

There will be a maximum of eight (8) obstacles and a minimum of six (6). There may not be more than one multiple. Penalty for knocking down an obstacle will be ten (10) seconds.

Having driven the obstacle course the competitor will return to the marked enclosure (7 x 7 metres). The Competitor will unharness, saddle up (it will not be permissible to wear saddle under harness) and the rider mount within the enclosure and start Phase II as soon as he is ready (i.e., Horse saddled and Rider mounted).

Should any part of the horse or vehicle go outside the marked enclosure after entering it and before the competitor is ready to start Phase II he will be penalised as follows:

- First occasion -- 5 seconds
- Second occasion -- 10 seconds
- Third occasion -- Elimination

Phase II. Speed Competition

The competitor will be required to ride the horse over a course of six obstacles. (The rider may be the driver or the passenger.) No fence will exceed 3ft in height. Penalty for knock down will be 10 seconds. Having jumped the course the rider will return to the enclosure. The competitor will unsaddle, re-harness and start Phase III when he is ready (i.e., properly harnessed and the driver and passenger seated in the vehicle). The grooms must be within the vehicle before leaving the marked enclosure. Should any part of the horse or vehicle go outside the marked enclosure after entering it and before he is ready to start Phase III the competitor will be penalised as follows:

- First occasion -- 5 seconds
- Second occasion -- 10 seconds
- Third occasion -- Elimination

Phase III. Time Competition

The competitor will drive through a course of not more than five (5) obstacles and one multiple, and return over the finishing line. Penalty for knocking down an obstacle will be 10 seconds. The winner will be the competitor completing the course, both driving and jumping, in the fastest time with the penalty seconds added. In the event of equality for first place there will be a drive off over Phase I.

Dress

Competitors should be properly dressed for both riding and driving.

The driver must carry the whip in hand during Phase I until he re-enters the Box, and in Phase III until he is through the finish.

To be driven in a two or four wheeled vehicle. Pneumatic tyres will not be permitted. Competitors should be warned that harness equipment may be subject to inspection for safety prior to the competition.

of the competition. The reserve horse must be ridden by the rider of the horse which is ill or injured. Once a final selection of riders and horses has been submitted to the Director no substitution will be allowed even from reserve horses and riders except on production of an approved medical or veterinary certificate as the case may be.

Riders may ride in one team only and may ride only one horse in that team. In the case of a State, Dominion or Country nominating more than one team they are required to be nominated as the State, Dominion or Country's "A" and "B" team. No rider may be nominated for any State, Dominion or Country other than that in which he or she is resident and no horse may be nominated for any State, Dominion or Country except that in which its nominator is resident. The committee may in its absolute discretion accept the nomination of a composite team from States, Dominions or Countries provided that such team does not consist of more than 50% of horses and/or riders from any one State, Dominion or Country.

Nominations must be submitted to the Director in writing not later than 6 p.m. on the day preceding the day on which the event is scheduled to be contested.

Each team is required to jump two distinct rounds over the same course at a rate of 400 metres per minute. To be tried over a course as stipulated by the Committee.

The classification of the teams is established by totalling the faults over the jumps and those for time incurred by the three best horses of each team in each round.

If, for any reason, a competitor does not finish the course at any stage of the competition the team is not thereby eliminated, but can continue. But each horse eliminated or withdrawn during a round is penalised by 20 faults added to the faults incurred by the competitor belonging to any team who has the most faults over the same course during the same round. The actual faults made by the horse that was stopped do not count; they are replaced by those of the horse which had the worst round, unless he himself had the most faults, in spite of having been eliminated or withdrawn.

The prize money will be divided among the owners of the horses in the winning teams. Riders must be 15 years of age or over on the first day of the Show. Should a team win this contest after its third horse has completed its second round then the fourth horse may be withdrawn. The order in which the horses compete will be decided by lot. The captain of each team then decides the order in which he wants his riders to start. All those numbered one go first, then all those numbered two, and so on.

All the horses in the team may take part in the jump-off, if there is one. In case of equality for first place, the time of the three best horses of each team in this jump-off decides.

The Committee reserves the right to invite riders from overseas countries not specifically mentioned herein to take part in this contest either as a team or as a member/or members of a composite team.

Specified rate — 400 metres per minute.

THE PAPER CYCLE

The re-use of paper and paperboard collected from sources outside the industry has been a feature of the Australian paper industry since its beginnings more than a century ago. A.P.M. Ltd., Australia's largest producer of papers and paperboards for the packaging and building industries, is the largest collector and user of wastepaper in Australia. The quantity collected is some 400,000 tonnes each year and this provides more than 50% of the Company's total fibrous raw materials. Wastepaper is collected from industries, warehouses, large retailers and supermarkets, offices, shops and households. The Community benefits from this recovery activity because a valuable resource is separated and collected, and disposal by other means is not required. The material recycled by A.P.M. together with other new pulps, produces paper and paperboard to be used in the preparation, distribution and storage of many of the goods used by Australians.

actions

grow better than words

When it comes to conservation many people simply use words. Some others take action—positive, constructive, meaningful action.

And that's what APPM has been doing in forestry, long before the conservation cry was heard near and far. APPM's forest management began in the 40's and has continued with such outstanding examples as the Associated Tree Farmers Scheme, launched in 1975.

It is a partnership in conservation for the benefit of individual landowners, Associated Pulp and Paper Mills, Tasmania itself and in the end all Australians. There are three main objectives:

- To contribute to the conservation of Tasmania's private forests;
- To demonstrate to farmers that, with proper management, silviculture in Tasmania is a sound economic proposition; and
- To ensure the continuing supply of wood fibre as a raw material.

The ATF Scheme, which is unique in Australia, has received considerable favourable comment. The most significant was made in 1977 by the Board of Enquiry into Private Forestry Development. As one of the ATF members, Mr. Harold Davey, put it: "It is certain that in many cases reforestation would not take place but for the Tree Farmer Scheme. This responsible attitude by APPM must surely refute criticism of wood-chipping in itself. ...This property is open for inspection by anyone interested and I wish to thank APPM for the Scheme and for being able to take advantage of it."

This is conservation in action. While others talk, Associated Pulp and Paper Mills is helping to grow better forests for the future benefit of us all.

MONEY ISN'T EVERYTHING.

Showgrounds Branch
39 Plummer Avenue
Telephone No: 376 7443
Manager: Noel Pidgeon

It's not how much you've got, but what you do with your money that's important.

Your CBA Manager can show you ways of making more of what you have.

Come in, have a talk (you don't have to be a customer) and find out the services we offer at the CBA.

Things like advice on Savings Investment Accounts, Term Deposit schemes, loans (including hire purchase and leasing), investment management, corporate and international banking, merchant banking, travel and holidays. Of course, we have full facilities for savings and cheque accounts.

You'll discover that there's more to the CBA than just deposits and withdrawals.

When the bands come marching in, it'll be with a little help from us.

Our founder, James Hardie, was a Scotsman; so it's perhaps not surprising that our involvement in this year's Royal Show has a definite Scottish flavour. It is with great pleasure that the James Hardie Group is sponsoring the performances of 18 Highland Bands from all over Australia. They will be playing a wide range of music that includes traditional Scottish airs and even some Jazz.

The James Hardie Group helps the Highland Bands play the pipes for you on the 22nd and 29th at 8.00 pm.

When the bands come marching in, it'll be with a little help from us.

Our founder, James Hardie, was a Scotsman; so it's perhaps not surprising that our involvement in this year's Royal Show has a definite Scottish flavour. It is with great pleasure that the James Hardie Group is sponsoring the performances of 18 Highland Bands from all over Australia. They will be playing a wide range of music that includes traditional Scottish airs and even some Jazz.

The James Hardie Group helps the Highland Bands play the pipes for you on the 22nd and 29th at 8.00 pm.

A Beef Cattle Judging Demonstration and Competition will take place on the Triangular Lawn, on Sunday, 23rd September, 1979, commencing at 10.30 a.m.

The Demonstration and Competition will be conducted on Murray Grey this year. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

Dual Purpose Breeds

Judging of Dairy Shorthorns will commence at 8.30 a.m. and Red Polls at 8.45 a.m. on Thursday, 29th September. Judging to determine the award of Champion Dairy Cow will take place at 11.00 a.m. on Friday, 21st September, in the Jersey Judging Ring, and the Dairy Shorthorn Champion Cow and Reserve Champion Cow are eligible to compete.

An animal shall not be admitted to the Show Grounds unless it is entered for exhibition, but a calf of the exhibit in a beef or dual purpose breed class may be admitted if born on or after 21st March, 1979 and is being suckled by the exhibit.

Prize money in Dual Purpose Cattle Classes 4811 and 4815 in the Dairy Shorthorn Section is presented by UNIGATE AUSTRALIA PTY. LTD., BRIDGE ROAD, DANDENONG, 3175.

It's not how much you've got, but what you do with your money that's important.

Your CBA Manager can show you ways of making more of what you have.

Come in, have a talk (you don't have to be a customer) and find out the services we offer at the CBA.

Things like advice on Savings Investment Accounts, Term Deposit schemes, loans (including hire purchase and leasing), investment management, corporate and international banking, merchant banking, travel and holidays. Of course, we have full facilities for savings and cheque accounts.

You'll discover that there's more to the CBA than just deposits and withdrawals.
