1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch) and each Country Agricultural Society in Victoria is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 years and under 15 years of age on the day of its show.

2. Each Society conducting qualifying competitions is required to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the mount or mounts selected by the Society. (See regulation regarding saddlery in 1).

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies.

First flag to be nine yards from the barrel. Each measured position of blocks and barrels to be marked with substance provided. Blocks to be placed on appropriate spots, with rods in place in drilled holes.

### RULES FOR FLAG RACE COMPETITION

1. Competitors to start on left hand side of barrel and turn their horses on the right (off side) rein.
2. Competitors must place each flag in the barrel before the next flag is picked up. The farthest flag should be picked up first. If missed, competitor may pick up another flag on the way back to the barrel, but must return to the first flag next time.

3. Horses will start on left side of barrel and will finish immediately the competitor places the last (6th) flag in the barrel and horse crosses the finish line.
4. (a) A competitor may use the full distance between lanes, but will be disqualified for crossing another competitor's row of flags.  
(b) Competitors who knock down another competitor's flags or barrel will be disqualified and must withdraw immediately.  
(c) If a competitor's flag or barrel is knocked down by another competitor, these must be immediately placed upright by the lane stewards. If the stewards have insufficient time to do so, and the competitor had a good chance of being placed first, the Judge shall decide whether to allow him another start in a heat or put him into the semi-final or final, as the case may be.  
(d) If there are less than four (4) starters in a heat, the vacant row of flags must be left in position, and the competitor in the adjoining row must not cross over these.  
(e) If a competitor is disqualified for breaking this rule, that competitor should retire from the course without causing further interference to the other competitors.
5. (a) If a competitor knocks over his or her own barrel, it must be placed upright by said competitor before any more flags are placed in it.  
(b) If the flags that were already in the barrel fall out when the barrel is knocked over, they may be placed back in by the competitor without having to remount.  
(c) If a competitor drops a flag or knocks down his or her barrel, that competitor may not use any outside assistance or property of the event to (1) pick up flag; (2) replace barrel; or (3) remount horse.  
(d) All flags must be placed in the barrel with the competitor mounted. If a competitor can pick up a dropped flag without dismounting, he may do so, but if not, they must dismount and pick up the flag, mount, and place it in the barrel.
6. (a) If a competitor's flag stick breaks, one broken piece may be placed in the barrel and counted as a complete flag.  
(b) If the flag material comes apart from the stick, the broken stick rule will apply, and the flag material may be placed in the barrel and counted as a flag.
7. If a flag lands horizontally on top of the barrel, it shall be judged out of the barrel, and must be placed in same by the competitor, but if any portion of the flag stick, except the material, is inside the barrel, although it may be protruding at an acute angle, it shall be judged in and not need to be touched by the competitor. However, if that competitor tries to rectify the position and the flag falls out before the last competitor has completed the course or retired, that flag shall be judged out, and the course incomplete.
8. After a flag race is finished, the judge must inspect the barrels and make sure that all six (6) flags have been placed in each barrel. If any flags are found to be out, that competitor will be disqualified or given the chance to complete the course if the placings depend on that course being completed.

# You'll Always Win!

When you protect your horse with RUGDUX

Bradmill's RUGDUX is a blended fabric which combines the tradition of flax, with the comfort of polyester/cotton. RUGDUX is therefore a natural cover and it breathes. Animals wearing RUGDUX don't sweat as they do under synthetics.

RUGDUX fabric has been specially designed for horses and cattle. If your animals spend time rugged up, its time you gave them the best - RUGDUX from Bradmill.

**Breathes Easier Naturally.**

Manufacturers of Australia's  
Best-Known Canvas. Superdux and  
Kordux.

# Bloodworms kill horses.

The following quotes are from a paper written by Dr. Wayne O. Kester, Executive Director of the American Association of Equine Practitioners.

## **90% of Colic cases are caused by Bloodworm Larvae**

"Strongylus vulgaris (bloodworm, redworm, one of the 3 large strongyles) is the most devastating of all parasites; 90% of all colics are believed to result from damage done by Strongyle larvae."

"Dr. Drudge, whose professional life has been the study of equine parasites, believes that virtually 100% of all horses are infected, with varying damage to intestinal arteries, and that the occurrence of colics is directly related to Strongylus larvae."

## **Redworms, Pinworms, Bots and Roundworms**

"Broad spectrum drugs or combinations can be included as needed to remove ascarids, bots and others, but the prime target is always Strongylus vulgaris."

## **Prevention is better than cure**

"The target in treatment is to prevent worm egg production within the horse by eliminating the adult worm population from the horse's intestinal tract."

"The interval between treatments for Strongylus should be no longer than 6 to 8 weeks because migrating larvae return to the intestinal tract, mature, and can produce eggs within 5 to 8 weeks."

"No single drug or combination should be used continuously because drug-resistant strains of Strongyles may develop."

## **Equiban\* kills Bloodworms**

Equiban\* is highly effective against bloodworms and also knocks out the other important worm parasites, including those which have become resistant to the BZ wormers.

Equiban\* is available in palatable, aniseed flavoured paste and granules.

Equiban\* is safe, effective and should be a part of your worm control programme.

**Equiban\* every 6-8 weeks.**

Gut damage caused by the bloodworm, Strongylus vulgaris.

A non-greasy, moisturising, vanishing cream that protects against burning and peeling and allows your body's own natural healthy colour to develop in the sun.

## **UV SunFilter Lotion:**

A similar formulation to our cream, but in a clear alcohol based lotion, so it's suited to quick, easy coverage of large skin areas.

## **UV SunBlock Milk:**

A brand-new UV protective *milk*. Designed to provide an extremely high level of protection in a creamy, moisturising base to help prevent sun drying skin damage.

## **UV SunBlock Stick:**

A convenient push-up stick for on-the-spot protection of sensitive areas like lips, noses, cheeks and foreheads.

## **UV UltraBlock:**

New UltraBlock broad spectrum cream is recommended for people who suffer serious skin problems and for whom *maximum* protection is critical. The two active ingredients in UltraBlock are effective against the broad spectrum of both UVB and UVA rays.

# You'd be surprised at what we'd do for \$100.

At the CBA, we show a lot of interest in \$100.

In fact, right now, our interest rate for Savings Investment Accounts (30 days withdrawal notice) is a high 10.5% p.a. on a minimum investment of \$100, with interest calculated daily.

Many other banks demand that you start with \$200 or \$500 before you can earn that kind of interest in a 30 days' notice account.

So if you can't wait to earn 10.5% p.a., come and talk to the CBA about a Savings Investment Account.

Just call in or phone your local CBA branch

## Lindeman Island. 70 kms as the crows and locals fly.

Just a few miles out to sea, in the clear, warm waters of the Whitsunday Passage, lies Lindeman Island.

It has everything you could want in a holiday resort, plus one other feature no other island has got.

It's surrounded by nearly 100 other tropical islands just as lush, just as beautiful, and

totally uninhabited.

So why share a resort, when you can have an island all to yourself.

For more information on a get-away weekend or a longer holiday, contact your local travel agent.

Lindeman Island. It's a hundred islands for the price of one:

# AMP's new money management plan opens up previously unavailable opportunities.

It's called the AMP Portfolio Plan. In a nutshell, it offers you AMP's guiding managerial hand for your personal investment or retirement plan plus a flexible term insurance based protection package.

## **Investment opportunity not previously available to the individual.**

You can now link your investment dollars with AMP – Australia's largest investor of longer-term savings – and benefit in the most direct way possible from their expertise.

You will effectively own a part of AMP's portfolio. Your investment holding is expressed in Portfolio Units and the value of these moves each week in relation to underlying asset values.

AMP has a multi-million dollar portfolio of assets which currently backs the trustees of some of the largest investment-linked private superannuation schemes in Australia. The investments are spread right around Australia in Government stock, in equities, in fixed interest securities, in property and direct resources projects.

Through AMP's new Portfolio Plan, this portfolio of assets is now open to include individual superannuation arrangements. A completely new portfolio is being established for non-superannuation contracts.

## **Flexibility for optimum efficiency.**

The AMP Portfolio Plan works with total efficiency because it adapts to each individual's insurance needs and financial circumstances. For example: if you already have adequate insurance cover, your payments can if desired be applied towards the investment portfolio. The inclusion of the term insurance based protection package is completely optional.

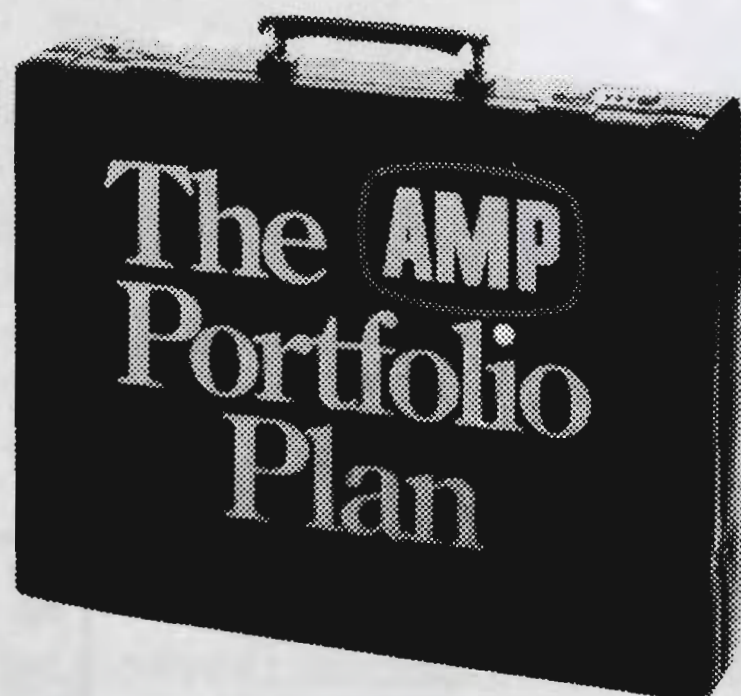

## **Are there any restrictions?**

There are no hard and fast restrictions on eligibility for AMP's Portfolio Plan. It has in fact been created for multi-purpose investment and insurance protection. But naturally, there are some guidelines as to who is best suited to utilise the plan. For instance, you need some degree of personal liquidity (e.g. your payment would be at least \$600 annually or a lump sum of \$3,000).

## **Talk to your AMP Agent.\***

If you are interested in the idea of sharing in the portfolio of a leading Australian investor – and utilising the opportunities previously unavailable to the individual – give your AMP agent a call – or call into any AMP office – or simply return the coupon below.

**\*If you are self employed or without employer assisted superannuation the Portfolio Plan may provide you with a tax deduction of up to \$1,200.**

Competitors must wear Pony Club uniform; Pony Club jumper in the colours of the Club, uniform shirt and tie, jodhpurs and short boots. Hard hats must be worn. Only blunt spurs without rowels may be worn. If the spur is curved, the curve must be downwards. Whips carried must not exceed 30 inches in length overall.

Teams will be selected by the Association on performance in the pre-selection event at the Zone Competitions, conducted prior to the Show. **Entry Fee: \$7 per team.**

## 2327 THE "NATIONAL BANK" INTERNATIONAL AND INTERSTATE TEAMS' JUMPING CONTEST.

**SPECIAL PRIZES.** \$1,000 of which \$500 is presented by THE NATIONAL BANK OF AUSTRALASIA LTD., 217 COLLINS STREET, MELBOURNE. — Prizes: First, \$500; Second, \$300; Third, \$200.

This contest will be restricted to teams of four horses over 14.2 hands and riders from each State of the Commonwealth of Australia, the Dominion of New Zealand or any country within the British Commonwealth of Nations. Should a team be able to produce only three riders the team captain must enter only three horses and riders. Each State, Dominion or Country will be limited to a maximum of two teams each. In the event of teams from four or more States, Dominions or Countries being nominated, one team only from each State, Dominion or Country will be eligible to compete. Teams will be selected by their respective State Branches of the E.F.A. or their National Federation from horses already nominated and which have competed in jumping events in Group "A". One reserve horse and rider for each team may also be nominated. The reserve horse can only take part if one of the four horses is ill or the victim of an accident and this is confirmed by the official Veterinary Surgeon at least thirty minutes before the start of the competition. The reserve horse must be ridden by the rider of the horse which is ill or injured. Once a final selection of riders and horses has been submitted to the Director no substitution will be allowed even from reserve horses and riders except on production of an approved medical or veterinary certificate as the case may be.

Riders may ride in one team only and may ride only one horse in that team. In the case of a State, Dominion or Country nominating more than one team they are required to be nominated as the State, Dominion or Country's "A" and "B" team. No rider may be nominated for any State, Dominion or Country other than that in which he or she is resident and no horse may be nominated for any State, Dominion or Country except that in which its nominator is resident. The committee may in its absolute discretion accept the nomination of a composite team from States, Dominions or Countries provided that such team does not consist of more than 50% of horses and/or riders from any one State, Dominion or Country.

Nominations must be submitted to the Director in writing not later than 6 p.m. on the day preceding the day on which the event is scheduled to be contested.

Each team is required to jump two distinct rounds over the same course at a rate of 400 metres per minute. To be tried over a course as stipulated by the Committee.

The classification of the teams is established by totalling the faults over the jumps and those for time incurred by the three best horses of each team in each round. If, for any reason, a competitor does not finish the course at any stage of the competition the team is not thereby eliminated, but can continue. But each horse eliminated or withdrawn during a round is penalised by 20 faults added to the faults incurred by the competitor belonging to any team who has the most faults over the same course during the same round. The actual faults made by the horse that was stopped do not count; they are replaced by those of the horse which had the worst round, unless he himself had the most faults, in spite of having been eliminated or withdrawn.

The prize money will be divided among the owners of the horses in the winning teams. Riders must be 15 years of age or over on the first day of the Show. Should a team win this contest after its third horse has completed its second round then the fourth horse may be withdrawn. The order in which the horses compete will be decided by lot. The captain of each team then decides the order in which he wants his riders to start. All those numbered one go first, then all those numbered two, and so on.

All the horses in the team may take part in the jump-off, if there is one. In case of equality for first place the time of the three best horses of each team in this jump-off decides.

The Committee reserves the right to invite riders from overseas countries not specifically mentioned herein to take part in this contest either as a team or as a member/or members of a composite team.

Specified rate — 400 metres per minute.

**INDIVIDUAL** — A special trophy to be awarded to the competitor scoring the highest number of points during the Gold Cup Competition. The trophy will remain the property of the winner. In addition, an engraved Tankard will be presented to all team members competing.

**ELIGIBILITY** — The Society will accept five teams to compete in the Gold Cup Competition, three of which to be nominated by the Victorian Tent Pegging Association and two from interstate associations.

### GENERAL REGULATIONS

The undermentioned are rules which apply to Section Tentpegging for either sword or lance.

1. A Section shall consist of 4 similarly uniformed mounted male or female competitors. The minimum age for competitors will be 17 years.
2. All members of the Section shall be similarly armed with either sword or lance. These weapons will be of a type approved by the Association. The lance used in competitions shall not be shorter than 2.5 metres, and shall not exceed 2.75 metres.
3. The peg shall be of approved softwood measuring 30 cm X 7.5 cm, and shall be bound in two places by wire. It should be painted white on one side. The reverse side is left unpainted to allow pegs to be thoroughly soaked before use. Each peg is to be identified on the reverse side.
4. The minimum height of horses used shall be 14.2 hands, with all horses to be measured by an official measurer, the Judge or his deputy, prior to any major competition. The registration of horses is optional.
5. A competitive event shall consist of at least 1 run in single file, followed by 1 run in line abreast, to be termed 1 "round".
6. The terms of scoring points shall be:  
 "Carry"—6-Peg removed 20 metres or more, distance to be measured from a point midway between No. 2 and 3 peg in single file. The peg is to be removed by point of weapon.  
 "Draw"—4-Peg removed from the ground by the point of weapon, but not carried 20 metres.  
 "Strike"—2-Peg struck by point of the weapon, but not removed from the position in the ground.  
 Pegs must be struck on the face of the peg by the point of the lance or sword.
7. The Judge may allot up to 8 points for each round for drill, pace or style of the run. The judging of drill will commence from the time of salute at the beginning of the round until the completion of the round.
8. Pegs shall be placed in the ground 2 metres distance from each other in single file and at 3 metres intervals in line abreast.
9. Each member shall retain their numerical position in the Section throughout the contest in both Single File and Line Abreast. The Section will be numbered from

the right, and the run in Single File must be carried out in numerical sequence and at approximately 20 metres distance between files. Similarly, No. 1 must be on the right of his Section for the run in Line Abreast. Horses may not be exchanged within the team during the currency of a contest.

10. Each competitor must engage in his own Peg. In Single File No. 1 takes the 1st peg he meets, No. 2 the second peg, etc. In Line, No. 1 takes the right-hand peg, No. 2 the 2nd from the right, etc. If a man takes another's peg, he loses any score achieved and prevents the other man from scoring as well. He will also lose points for drill. If he engages another's peg but misses it, points are deducted for drill.
11. A team may consist of 4 left-handers, or 4 right-handers, or 3 right-handers and 1 left-hander, provided he rides No. 1, or 3 left-handers and 1 right-hander, provided he rides No. 4.
12. A disarmed competitor shall be one who loses his weapon at any time from the commencement of his run, until the completion of the round (as per Rule 5). He will not be re-armed before the completion of the round, but may score points prior to being disarmed or during the process. He will be penalised for faulty weapon handling.
13. No competitor who breaks his weapon may be granted a re-run. In the case of a split peg, provided it is struck in excess of 2 cm from either side, full points should be awarded at the discretion of the Judge.
14. The pace required shall be full-gallop, which must be attained prior to reaching the 20 metres "Present" Marker and maintained until reaching the 20 metre "Carry" Marker.
15. The time limit in which a team must complete the 2 runs will be advised, if applicable.
16. Team in competitions may comprise 4 men; 4 women; 2 men and 2 women; 1 man and 3 women; 1 woman and 3 men.
17. The changing of a horse or a man in a team throughout the competition shall not be allowed, except on presentation of a veterinary or doctor's certificate respectively, or Judge's authority if others are not available.
18. Pegging up will be carried out by either the reserves of competing teams or by the stewards appointed by the controlling body. Judges will be responsible that pegging up is carried out correctly.
19. In the approach to a peg in either "Single File" or "Line Abreast", a "Marker" peg is to be placed 20 metres from the 1st peg in line. Upon a competitor reaching this marker the lance is to be presented, by thrusting smartly forward in a vertical position, approximately midway along the horse's neck, prior to the lance being lowered to engage the competitor's respective peg. The lance to be carried in a uniform position at the carry or at the trail on the approach to the "Marker" peg, prior to being presented.
20. Provision to be made for half-points when allotting drill points, with automatic loss of 3 points for any team member disarmed or dismounted.
  1. A competitor who is dismounted whether by his mount falling or stumbling, etc. at the commencement or during a run is disqualified until the completion of the round (see Rule 5). However, he may score points prior to being dismounted or during the process.
22. Officials in the centre of the ring should be limited to an absolute minimum.
23. Broken gear — no time off will be allowed and a competitor must carry on.
24. Dress — appropriate Military and Police Tunics, uniform club jackets or jumpers, safety helmets, boots and breeches.

**ENTRY:** Entries should be made in writing to the Royal Agricultural Society of Victoria, Showgrounds, Epsom Road, Ascot Vale, 3032. The name and address of each team member to be shown.

## R.A.S.V. BEEF CATTLE JUDGING CHAMPIONSHIP

A Beef Cattle Judging Demonstration and Competition will take place on the Triangular Lawn, on Sunday, 20th September, 1981, commencing at 10.30 a.m.

The Demonstration and Competition will be conducted on Poll and Beef Shorthorns this year. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, then precludes the Judge of that breed from adjudicating to determine the award.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

Each judge shall only allocate points to animals other than his own breed.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

## Government Herd Test Prizes

### TYPE AND UTILITY CLASSES

Prizes are presented by the Government of Victoria.

SPECIAL TYPE AND UTILITY CLASSES are provided in each Dual Purpose and Dairy Breed Section. They will be judged according to the following conditions:—

As a basis of qualification cows competing in these classes must have produced the following amount of butter fat:—

|             |         |
|-------------|---------|
| 2 year olds | 135 kg. |
| 3 " "       | 160 "   |
| 4 " "       | 180 "   |
| Mature cows | 200 "   |

The specified quantities of butter fat must have been produced under Government Herd Test, the Herd Improvement Organisation of Victoria, or any other recognised testing organisation during a lactation period of 300 days that followed the calving on, between or including 1st September, 1979, and 31st August, 1980.

In the 1,400 kg. butter fat production class, it is not necessary for cows to have gained a certificate during the aforementioned period.

In all cases where the tests are other than those of the Victorian Government Herd Test or Accreditation Schemes, certificates issued by the Department or organisation which conducted the tests, must accompany the entry forms, except in the instance of the H.I.O.V. when unit number, herd number and cow number are to be stated.

The Farmer Collection (Monthly) Method of testing will be recognised for the purposes of entry in the Production Classes, provided a certificate is obtained by the exhibitor from the Department of Agriculture verifying that his herd has been monitored three times during the year by his local centre and the stock concerned have been certified for identification. Such certificates to be forwarded to the R.A.S. of V. at least 21 days prior to the opening day of the show.

Judging will be on a type basis only.

No points will be allotted either for production or type.

Competition is restricted to animals entered in the ordinary Classes.
