CRA

Australia at work.

When you're developing vast mineral deposits in the outback you need some of those traditional Australian qualities: vision, inventiveness and tenacity. That's why CRA is proud to be able to foster some of those traditional Australian skills by sponsoring the camp drafting events at this year's Royal Show.

Show Visitors welcomed to our Display Pavilions.

You'd be surprised at what we'd do for $100.

At the CBA, we show a lot of interest in $100.

In fact, right now, our interest rate for Savings Investment Accounts (30 days withdrawal notice) is a high 10.5% p.a. on a minimum investment of $100, with interest calculated daily.

Many other banks demand that you start with $200 or $500 before you can earn that kind of interest in a 30 days' notice account.

So if you can't wait to earn 10.5% p.a., come and talk to the CBA about a Savings Investment Account.

WHO'S THE NAME BEHIND THE HIGHLAND BANDS?

It's James Hardie, of course.

Once again James Hardie Industries, founded by a Scot in 1888, is proud to sponsor the performances of the 18 Highland bands from all over Australia who will play for your enjoyment at this year's Royal Show.

The range of music is as broad as ever, with something for just about every musical taste.

James Hardie Industries invite you to experience the spectacle of the Highland bands on the 19th & 26th at 8.00p.m.

JAMES HARDIE INDUSTRIES LIMITED.
THE NAME BEHIND THE NAMES.

Whatever skin you're in, UV lets you stay out there.

Imagine your family totally free from the risk of sunburn all summer long. Protection from the sun's harmful UVB rays is an essential component of good skin care to lessen the risk of permanent skin damage and premature ageing and wrinkling of the skin.

With UV everyone's free to stay out there and enjoy every minute of the fun because all UV products are formulated to screen out 99% of the sun's most harmful ultra-violet rays.

Choose the right UV for you:

UV SunFilter Cream:
A non-greasy, moisturising, vanishing cream that protects against burning and peeling and allows your body's own natural healthy colour to develop in the sun.

UV SunFilter Lotion:
A similar formulation to our cream, but in a clear alcohol based lotion, so it's suited to quick, easy coverage of large skin areas.

UV SunBlock Milk:
A brand-new UV protective *milk*. Designed to provide an extremely high level of protection in a creamy, moisturising base to help prevent sun drying skin damage.

UV SunBlock Stick:
A convenient push-up stick for on-the-spot protection of sensitive areas like lips, noses, cheeks and foreheads.

UV UltraBlock:
New UltraBlock broad spectrum cream is recommended for people who suffer serious skin problems and for whom *maximum* protection is critical. The two active ingredients in UltraBlock are effective against the broad spectrum of both UVB and UVA rays.

AMP's new money management plan opens up previously unavailable opportunities.

It's called the AMP Portfolio Plan. In a nutshell, it offers you AMP's guiding managerial hand for your personal investment or retirement plan plus a flexible term insurance based protection package.

Investment opportunity not previously available to the individual.

You can now link your investment dollars with AMP – Australia's largest investor of longer-term savings – and benefit in the most direct way possible from their expertise.

You will effectively own a part of AMP's portfolio. Your investment holding is expressed in Portfolio Units and the value of these moves each week in relation to underlying asset values.

AMP has a multi-million dollar portfolio of assets which currently backs the trustees of some of the largest investment-linked private superannuation schemes in Australia. The investments are spread right around Australia in Government stock, in equities, in fixed interest securities, in property and direct resources projects.

Through AMP's new Portfolio Plan, this portfolio of assets is now open to include individual superannuation arrangements. A completely new portfolio is being established for non-superannuation contracts.

Flexibility for optimum efficiency.

The AMP Portfolio Plan works with total efficiency because it adapts to each individual's insurance needs and financial circumstances. For example: if you already have adequate insurance cover, your payments can if desired be applied towards the investment portfolio. The inclusion of the term insurance based protection package is completely optional.

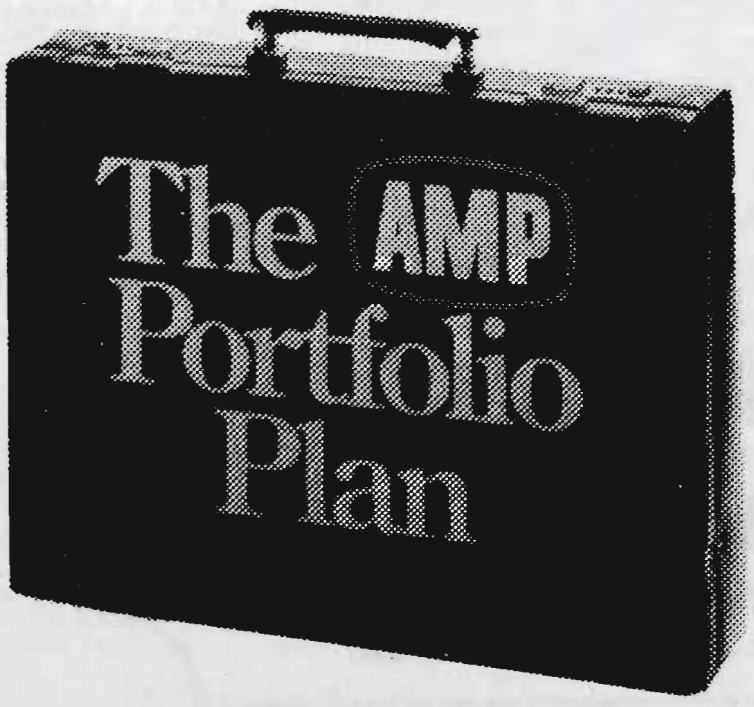

Are there any restrictions?

There are no hard and fast restrictions on eligibility for AMP's Portfolio Plan. It has in fact been created for multi-purpose investment and insurance protection. But naturally, there are some guidelines as to who is best suited to utilise the plan. For instance, you need some degree of personal liquidity (e.g. your payment would be at least $600 annually or a lump sum of $3,000).

Talk to your AMP Agent.*

If you are interested in the idea of sharing in the portfolio of a leading Australian investor – and utilising the opportunities previously unavailable to the individual – give your AMP agent a call – or call into any AMP office – or simply return the coupon below.

***If you are self employed or without employer assisted superannuation the Portfolio Plan may provide you with a tax deduction of up to $1,200.**

Lindeman Island.
70kms as the crows and locals fly.
Just a few miles out to sea, in the clear, warm waters of the Whitsunday Passage, lies Lindeman Island.
It has everything you could want in a holiday resort, plus one other feature no other island has got.
It's surrounded by nearly 100 other tropical islands just as lush, just as beautiful, and totally uninhabited.
So why share a resort, when you can have an island all to yourself.
For more information on a get-away weekend or a longer holiday, contact your local travel agent.
Lindeman Island. It's a hundred islands for the price of one.

THE BEST LEGS IN THE BUSINESS.

DANDY

We don't mind lifting our skirts in public, because we're proud of our legs. In fact, we're proud of our bacon and smallgoods as well.

Quality is the secret in our business.

And if we want to produce the best quality goods, we have to purchase the best quality pigs.

And for them we rely heavily on you, the pig farmer.

Between us we must be doing something right, because Dandy keep getting curtain calls from Australians hungry for more.

And now that we're eating into the export market, we'll need yet more pigs. More 'quality' pigs, that is.

So Dandy's reputation for the best legs in the business is travelling. And that's not doing anyone any harm.

DANDY PRODUCTS. NOW YOU NO LONGER HAVE TO GUESS WHICH IS BEST.
