Get the jump on resistant worms.

In a recent University survey of 39 horse studs, 62% were found to have BZ resistant worms. BZ resistance was confirmed in 65% of all horses tested.

If you are routinely using a BZ wormer (e.g. Camben,* Telmin,* Rintal,* Panacur*) you could be risking the development of similar resistant strains of worms in your horses.

Now's the time to change to chemically different Equiban.* Equiban* is not only effective against worms which have developed resistance to BZ wormers, but it also knocks out the other important worms.

pfizer

Get the jump on resistant worms. Use Equiban* every 6-8 weeks.

Lindeman Island.
70 kms as the crows and locals fly.
Just a few miles out to sea, in the clear, warm waters of the Whitsunday Passage, lies Lindeman Island.
It has everything you could want in a holiday resort, plus one other feature no other island has got.
It's surrounded by nearly 100 other tropical islands just as lush, just as beautiful, and totally uninhabited.
So why share a resort, when you can have an island all to yourself.
For more information on a get-away weekend or a longer holiday, contact your local travel agent.
Lindeman Island. It's a hundred islands for the price of one:

TAA AIRBUS
Exclusive to TAA

Only TAA can offer you the experience of international standards of comfort and in-flight service, on Australia's first wide-bodied domestic jet — the TAA Airbus.

There's more overhead locker space for each passenger, more toilets, more galleys. And the wider entry door, two wide aisles and colour-coded boarding passes for each seating section means boarding and disembarking are an easy manouevre.

And all those benefits are just the inside story. There's another story, the steamlining of our service on the ground; queueing has now practically disappeared at departure lounges and baggage handling has been streamlined.

Ask your Travel Agent or TAA to book you Airbus.

AMP – Creating Jobs

"When AMP last talked to Anne she was a recent widow.

"She'll never forget Bob, but life goes on... and twins grow up.

"That's why Anne now has AMP insurance.

"It does more than protect Anne and the twins – the money goes out to work developing Australia, creating more jobs...

"To some degree this very job that Linda is starting today...because these are the things that make every Australian family's life a richer one"*

Extraordinary advantages from your ordinary savings.

Now your ordinary at-call savings can attract extraordinary advantages.

With Advantage Saver.

It's much the same as a normal savings account, except it offers more advantages.

Higher Interest.

12.5% P.A.*

For a start, it safely offers higher interest. Once your savings reach $2,000 or more, you'll earn 12.5% p.a.* on your full account balance.* On savings of $500 to $1,999, you'll earn 10% p.a.*

Even with less than $500, you'll earn 5% p.a.* And, all you need to operate the account is a Handycard.

After you open your Advantage Saver Account, you'll receive your Handycard, and a wallet containing your deposit and withdrawal forms, and a record book for your transactions.

Immediate Withdrawals.

High interest isn't the only advantage.

With Advantage Saver your money is always available without notice.

You can withdraw or deposit quickly and simply across the counter, at your own CBA/Wales Bank, or at any other nominated CBA/Wales Bank.

All you do is hand the teller your Handycard along with a deposit or withdrawal slip.

It's that easy.

Direct Credits. Direct Payments.

And then, of course, there are these added advantages.

You can also arrange to have credits such as salaries and pensions paid directly into your Advantage Saver Account or regular periodical payments (e.g., insurance premiums, hire purchase, or mortgage) made for you. A statement of your account will be sent to you every 3 months, or monthly if you prefer.

Handybank Access.

You can also operate your Advantage Saver Account through any Handybank around Australia, any day or night, from 7 am till 11 pm.

There are even more advantages, but probably the biggest one is that the Wales/CBA group is behind you.

If you'd like your ordinary savings to attract extraordinary advantages, call in to any CBA/Wales Bank and ask about Advantage Saver. It'll be more to your advantage.

*Interest rate as at 14 May 1982 and calculated on minimum monthly balance.

TAA AIRBUS Exclusive to TAA

Only TAA can offer you the experience of international standards of comfort and in-flight service, on Australia's first wide-bodied domestic jet — the TAA Airbus.

There's more overhead locker space for each passenger, more toilets, more galleys. And the wider entry door, two wide aisles and colour-coded boarding passes for each seating section means boarding and disembarking are an easy manouevre.

And all those benefits are just the inside story. There's another story, the steamlining of our service on the ground; queueing has now practically disappeared at departure lounges and baggage handling has been streamlined.

Ask your Travel Agent or TAA to book you Airbus.

The Demonstration and Competition will be conducted on Herefords and Poll Herefords this year. In future years different breeds will be used.

Competitiors will be asked to place six bulls in the order they fancy.

The three prominent breed judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. System as to the reasons for their placements when determining the ultimate winner of the competition.

Entrants should bear in mind that the judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the judges' panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the judges' reasoning.

This will be a post entry competition and there is no entry fee.
