AMP – So much a part of our life

"Pete has always used AMP to chart his family's course..."

"But not even Pete knows the extent to which AMP is woven into our daily lives.

"The building Pete works in belongs to AMP policyholders – all two million of them – including himself.

AMP also have major investments in the company who made his phone, his note paper, even his fruit juice.

2. The Council of the Society or the Director shall have the power without assigning any reason to:

- (i) Reject or cancel any entry at any time.
- (ii) Prohibit the participation by any person or exhibit in any event or class for which it is entered.
- (iii) Cancel any event or class.
- (iv) Alter the time at which any class or event is to take place.
- (v) Alter the conditions of any event.
- (vi) Remove any exhibit from the Show Grounds.
- (vii) Alter the date or time for the closing of entries for any section or class or for any particular entry.
- (viii) Transfer an exhibit or exhibitor from any class to any other class.

3. The Society or any official Judge, Steward, Officer or employee shall under no circumstances be responsible for:

- (a) the loss or death of any animal;
- (b) any damage or injury occasioned to or by any animal.
- (c) any loss, damage or injury occasioned to or by any exhibitor or any person acting on his behalf.

4. The exhibitor enters entirely at his own risk. In case any exhibit whilst on the Society's Show Grounds shall cause or be the cause of injury or damage to any other exhibit or exhibitor or to the person or property of any member of the Society or the general public, the owner of such exhibit shall indemnify and keep indemnified the Society, its officers, officials and members from and against all damages, costs, claims, expenses or liabilities incurred in connection with such exhibits. The exhibitor shall be liable to the Society and its employees, officers and officials for any damage or loss occasioned to any of them by the exhibit or exhibitor or his agent.

5. The exhibitor shall at all times comply with the directions or requests of the Council of the Society or the Director. This shall, without limiting the generality of the foregoing, apply to the entry of the animal, the exhibitor, the conditions of event, the conduct of the exhibitor, the conducting of the event, the decisions of the Judge and the awarding of the prize.

6. The Council of the Society and the Director reserve the right to adjudicate on any entry or upon any question in dispute or doubt and to make any determination upon any matter whether covered by the conditions of entry or not and the decision so made shall be final and binding and the Society and the Director shall thereby have sole and absolute control of all matters affecting the conduct of the Show and the exhibits and exhibitors. There shall be no right of appeal to any court of law or other body from any decision made by the Council of the Society or the Director.

7. An exhibit or exhibitor shall not be eligible to compete in any class by reason of the Society's acceptance of the entry

and/or the inclusion of the exhibit or exhibitor in the Society's catalogue or by reason of an Exhibit Entry Ticket or number or other document having been printed, allotted or issued by the Society.

8. Unless otherwise stated all exhibits must be the bona fide property of the exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Council of the Society or the Director shall have the power to recognise or reject such lease as it deems fit. The owner or lessee hereby indemnifies the Society against all claims from any cause made against the Society in respect of such animal at the instance of any other person.

9. An exhibit sold after the date of entry and before the time of judging shall not be entitled to compete unless with the approval of the Council of the Society or the Director.

10. No entry can be changed by the exhibitor after entries close. The Director and the Society shall however have the power to do as at any time and in so doing may without limiting the generality of the foregoing alter the class for which the animal is entered.

11. All entries must be made in writing on forms supplied by the Society unless otherwise permitted by the Director.

12. The appropriate entry fee as set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found at the heading of each Section. No rebate of fees for withdrawn exhibits will be made.

13. All entry forms must be signed by the exhibitor or his authorised agent.

14. No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the Section. Sweepstakes, special classes or championships do not count as ordinary classes. Throughout the Schedule special classes are designated with a star (*). Should any exhibit be incorrectly entered in more than one ordinary class such exhibit shall compete in the first class in which its name appears in the Society's Catalogue unless the Director otherwise directs.

ARRIVAL OF EXHIBITS

15. Exhibits shall be placed where directed by the Director.

ACCOMMODATION

16. Restrictions or limitations on the number of entries in any section or class may be made by the Society or the Director.

ABSENCE OF EXHIBIT

17. Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.

- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.
- (v) After arrival at the Show Grounds an animal may be scratched from competing in an event if it has become unfit to compete.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibitions conducted by the Society.

ENTRY TICKETS

18. An entry ticket will be issued by the Society for each exhibit unless the Director otherwise determines. The entry ticket will state thereon the number of the exhibit and the exhibit number shall, in the case of animals, correspond with the pen or stall allotted to the exhibit where practicable. The exhibit ticket must be produced whenever required by the Society or the Director.

26. No person shall in any way consult or interfere with or attempt to interfere with the Judge or endeavour to interfere with his freedom of choice or judgement.

Persons in charge of exhibits must not leave their exhibits unattended and such persons or exhibitors shall not address the Judge unless authorised by the Steward in Charge of the class or the Judge himself.

27. The Judge may award a second or third prize instead of a first, or may withhold a prize altogether where he considers the exhibits are not of sufficient merit.

28. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

OVINE BRUCELLOSIS TEST

9. Ram entries will only accepted from:—
 - (a) Ovine Brucellosis accredited free flocks, or
 - (b) Rams and ram lambs, over the age of 4 months on the 1st September, which have proved negative to a test involving both manual examination and a laboratory blood examination carried out not more than 60 days prior to the exhibition, and which have since testing been kept in isolation from all untested rams.

The ear tag or tattoo numbers of rams and ram lambs tested and examined must be included in the certificate.

Owners should particularly note:—

- (1) that blood sampling should be carried out early in the prescribed period to avoid congestion and delay in the testing laboratory at the end of the period.
- (2) That a sufficient number of rams and ram lambs should be tested to ensure that all possible exhibits finally forwarded to the Show are included in this number.

If exhibitors produce evidence that their flocks have been accredited free of Ovine Brucellosis a veterinary certificate will not be required.

INTERSTATE EXHIBITORS must conform with the **Stock Diseases Regulations 1970** which require that rams for breeding must be accompanied by a Third Schedule to the above Regulations.

This includes a declaration by a Government Veterinary Officer to the effect that the rams:

- (a) have been manually examined and found to be free of clinical evidence of epididymitis, and
- (b) originate from an accredited ovine brucellosis free flock or each animal in the consignment has been subjected to a blood test for ovine brucellosis with negative results within the period of 30 DAYS immediately preceding the date the certificate is issued.

SOUTH AUSTRALIAN EXHIBITORS

South Australian sheep may return without restriction on Form 2 provided the owner submits a written statement to the Chief Inspector of Stock, Adelaide, within seven (7) days of return, that throughout the absence from South Australia the sheep have been treated at 3-day intervals against foot-rot by immersion of each foot in 10% formalin solution and that at unloading on return a further immersion has been done.

All entries must be accompanied by the full entry fee.

No fleece will be accepted unless full freight has been prepaid.

Judges must be satisfied that all fleeces are exhibited in their correct classes and unskirted or insufficiently skirted fleeces will be correctly skirted under direction of the Chief Steward or Supervisor in charge.

Fleeces, which in the opinion of the Judges are overgrown, will be judged accordingly.

All fleeces are to be shorn from sheep that are the bona fide property of the exhibitors.

No championship award need be made if, in the opinion of the Chief Judge, the standard does not warrant a championship being awarded.

The Society reserves the right to draw a 200 gram sample from each fleece and retain it for future reference and to display an amount of wool necessary to form a comprehensive display.

The Society shall not be responsible for the loss of or damage to any exhibit irrespective of the cause of such loss or damage.

REGULATIONS

Entry Forms and Exhibits must be in the hands of the Director before 10 a.m. on Monday, 6th September, 1982.

Exhibitors must clearly indicate their name and address and class number on the wrapping or container in which the exhibit is forwarded.

If exhibits are sent by rail, address to the Director, WOOL Exhibition, Royal Agricultural Society of Victoria, Spencer Street Railway Station, Melbourne, Victoria.

New Zealand Exhibitors are especially reminded that wool from New Zealand must be accompanied by a Health Certificate from the N.Z. Department of Agriculture.

No exhibit will be accepted unless full freight has been pre-paid.

The Judges will transfer any exhibit to the class to which it rightfully belongs.

Intending Exhibitors may request their wool brokers to draw samples from the grower's clip and forward the exhibit to the Society under the grower's name.

Exhibitors are requested to forward exhibits in a small cardboard carton with their name and address clearly marked on same.

All samples to be shorn from lambs which are the bona fide property of the Exhibitor.

This competition offers an excellent opportunity to woolgrowers to show the public the types of lambs' wool that are grown in Australia and New Zealand, and every grower is cordially invited to exhibit samples, and by so doing permit the Society to stage a display in September which will help further the public's interest in wool.

No limit to the number of exhibits from any one grower and all proceeds from the sale of samples will be donated to Legacy.

District Fleece Championships

Prizes available to all Country Agricultural Societies

THE COMMERCIAL BANK OF AUSTRALIA LTD. will provide trophies for local Agricultural Societies and the District winners in accordance with the following:—

1. Any Agricultural Society may hold a Fleece Competition for fleeces grown in their District and the **COMMERCIAL BANK OF AUSTRALIA LTD.** will present a trophy for each of the following two Classes:—

(A) BEST MERINO FLEECE.

(B) BEST OTHER THAN
MERINO FLEECE.

2. An Agricultural Society desiring to participate should advise the Royal Agricultural Society in writing at least 14 days prior to the date of their local Fleece Competition. (This clause is inserted so that trophies will be available on the day of the local Show).
3. Country Show Societies participating in this Competition must forward the prize winning fleeces to the Royal Agricultural Society of Victoria within 14 days of their Show and advise of the winner's names and addresses. Failure to conform with this regulation could prevent such winners from competing for the substantial trophies which are awarded to the District winners. The R.A.S. may also decline to accept entries from such Country Societies in subsequent competitions. The winner of the district award will be the Championship Fleece for that District.
4. In addition to the above the Royal Agricultural Society of Victoria will present a Championship Sash for the Merino Champion and Other than Merino Champion of each District.
5. All fleeces become the property of the Royal Agricultural Society of Victoria and after exhibition will be sold and the proceeds donated to Legacy.
6. District Show Societies shall pack and despatch all entries to the Director, Royal Agricultural Society, Melbourne,

immediately after their Show. If entries are forwarded by rail, address to Royal Agricultural Society of Victoria, Spencer Street Railway Station, Melbourne, Vic.

27. The Judge may award a second or third prize instead of a first, or may withhold a prize altogether where he considers the exhibits are not of sufficient merit.

28. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

ROYAL MELBOURNE SHOW
PIG CATALOGUE**

THE BEST LEGS IN THE BUSINESS.

We don't mind lifting our skirts in public, because we're proud of our legs. In fact, we're proud of our bacon and smallgoods as well.

Quality is the secret in our business.

And if we want to produce the best quality goods, we have to purchase the best quality pigs.

And for them we rely heavily on you, the pig farmer.

Between us we must be doing something right, because Dandy keep getting curtain calls from Australians hungry for more.

And now that we're eating into the export market, we'll need yet more pigs. More 'quality' pigs, that is.

So Dandy's reputation for the best legs in the business is travelling. And that's not doing anyone any harm.

DANDY PRODUCTS. NOW YOU NO LONGER HAVE TO GUESS WHICH IS BEST.

26. The Judge may award a second or third prize, instead of a first, or may withhold a prize altogether, where he considers the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he may also give commendations when deserved.

28. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit.

BRIEF REPORT ON WINE

JUDGING

by W.B. Chambers

Exhibits in all Australian wine shows are in the main judged on a comparative basis, i.e. all the entries in the class are judged at the same time. The other method used in the Varietal Classes in Adelaide and Perth, is the International system, where the wines are judged and pointed individually.

Exhibits are judged on a point score with a maximum of 20 points. On the judging sheets, this is divided into:

1. Three points for colour and condition (freedom from haze). In general wines with poor colour are rejected for defects on both the nose and the palate.
2. Seven points for nose. Different judges vary in their sensitivity and tolerance to SO², Hydrogen Sulphide, volatility, diacetyl and wood flavours.
3. Ten points for palate. A wine with an excellent nose may pull down on the palate due to excessive acidity, tannin or lactic defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

18.5—20 — Gold Medal

17.0—18.4 — Silver Medal

15.5—16.9 — Bronze Medal.

All exhibits are judged on the blind. Judges do not handle bottles.

In Melbourne, the judges are arranged into three groups, each of three judges with a Chairman of Judges who arranges the groups of judges, divides the classes to be judged between the three groups, gives guidance, and occasionally resolves disagreements.

Each class is set up and poured by associate judges, who also have a set of glasses and assess the classes with judges.

The judges assess the wines, then consult and discard those with obvious faults. The remainder are then pointed, the points of the three judges averaged, and medals awarded. If there is serious disagreement, the Chairman may be called in to adjudicate.

Judges are generally selected from those who work with or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society, and are given experience as associate judges. New judges are selected from the best performers.

The following definitions of the various wine types may be some help to those unfamiliar with them. These are taken from the specifications in the Adelaide Show Schedule. I have altered them somewhat to fit in with the R.A.S. schedule.

Dry White Hock:

Should be in brilliant condition, pale to light straw in colour, preferably with a slight greenish tinge, light to medium bodied, medium to high acidity and

yet soft, with a fresh and flowery bouquet and a clean aftertaste free of bitterness or lingering sweetness. Alcoholic strength should be between 8% and 14% alcohol by volume.

Dry White Chablis or White Burgundy:

Should be in brilliant condition light to medium straw in colour. Medium to full bodied and yet delicate with medium to high acidity and fresh bouquet. The bouquet may show evidence of maturation in oak casks. Its aftertaste may be a little more pronounced than in Dry White Hock even with a very slight bitterness but no lingering sweetness, oak tannin from maturing wood should not predominate. Alcoholic strength should be between 8% and 14% alcohol by volume.

Medium Dry White Moselle:

Specification similar to Dry White Hock but with some sweetness not exceeding 1 degree baume.

Sauternes:

A white table wine of straw to light golden colour. It should be in brilliant condition, medium to full bodied with a bouquet which is dramatic or flowery and distinctly sweet in flavour. Alcoholic strength should not exceed 14% alcohol by volume, and should not show excessive SO². Baume should exceed 1½ degrees.

Rose:

A still, light and tart table wine, with a slight tannin finish and a fresh fruity flavour but without muscat character. Colour pink but may have a trace of apricot or amber tint.

Varietal Wines:

Should comprise at least 80% of the specified variety.

Dry Red Burgundy:

Colour medium to deep red. According to age a blue or purple tint may be present in a young wine, or a light brown edge may be present in an aged wine. Aroma and bouquet — varietal aroma may occur in varying degrees. It should be fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines bottle age. Palate soft and round. Body may be medium or full and in balance with the acidity. Finish clean and soft with low to moderate astringency. The alcoholic strength should be between 9% and 14.5% by volume.

Dry Red Claret:

Colour medium to deep red. According to age a blue or purple tint may be present in a young wine or a light brown edge may be present in an aged wine. Aroma and bouquet — varietal aroma may occur in

varying degrees. It should be fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines bottle age. Body should be full with acidity in balance. Finish, clean with a firm astringent grape tannin, oak tannin from the maturing wood should not predominate. The alcoholic strength should be between 8% and 14.5% by volume.

Sparkling White Wine, not bottle fermented:

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh and fruity. Pressure not exceeding 3 atmospheres at 10°C. Not bottle fermented.

Sweet White Dessert:

Golden to dark brown in colour depending on age. Must now show muscat character but have fruity and aromatic bouquet. It must be full bodied, soft and luscious. Strength not to exceed 20.5% alcohol by volume.

Muscat:

Colour golden to red. Distinct muscat bouquet and palate. Full bodied soft and luscious. Strength not to exceed 20.5% alcohol by volume.

Sweet Red:

Colour medium to dark red. Bouquet and palate full and fruity. Excessive astringency is not acceptable. Strength not to exceed 20.5% alcohol by volume, and baume not to exceed 6 degrees.

Tawny Port:

Colour pale red with distinct amber tinge to deep amber with reddish tinge. Bouquet fruity and aromatic, palate full and soft with distinct dryness on the finish. Some flavour of oak tannin from the maturing wood is desirable. A lingering sweetness on the after palate is undesirable. Strength not to exceed 20.5% alcohol by volume, and baume not to exceed 6 degrees.

Vintage Port:

Colour deep ruby to light ruby, possibly with slight amber tint, depending on age. Bouquet fruity and characteristic of bottle aged vintage port. Should not show wood character. Flavour full and soft with firm astringent finish and no lingering sweetness. Strength not to exceed 20.5% alcohol by volume and baume not to exceed 6 degrees.

Sherry, Pale, Dry, Fino:

Colour straw to pale golden. Bouquet characteristic of flor sherry. Flavour light and dry without excessive acidity or astringency, but some oak character. Finish, dry, aromatic with distinct 'nutty' aftertaste of flor sherry. Strength not to exceed 20.5% alcohol by volume.

Sherry, Amontillado:

Colour golden to light amber. Bouquet showing more age than Fino sherry. Palate fuller and softer than Fino with some oak astringency showing through. Finish dry and aromatic with characteristic

'nutty' aftertaste of sherry. Strength not to exceed 20.5% alcohol by volume.

Sherry, Oloroso:

Colour amber to brown. Bouquet fruity and aromatic and showing both oak and sherry character. Palate soft and round but with a dry finish. Strength not to exceed 20.5% alcohol by volume and baume not to exceed 3 degrees.

Champagne:

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh but without particular varietal character and should indicate some years in the bottle. The wine should be fairly dry but show no astringent finish. Bubbles should be fine and persistent.

Sparkling Burgundy:

colour should be light to medium ruby. Older wines may show a trace of amber but not more than a trace. Bouquet fruity but should show bottle age. Fairly pronounced acidity. Full flavour and body, some sweetness but with dry finish. May show slight oak character. Bubbles should be fine and persistent.

Vermouth:

Vermouths should be distinctly aromatic clearly showing their herbal character. Little or no grape character should be evident and the complex character and aroma arising from the mixture of herbs used in their infusion should be harmonious.

Dry French Style Vermouth:

Should be very pale to light straw in colour, delicate in character, dry and yet soft on the palate. It should not show any bitterness or be aggressively dominated by any particular herb.

Sweet Italian Style Vermouth:

May be pale to red in colour, delicate to bold in its character, sweet but not excessively so on the palate. It should not show any bitterness or be aggressively dominated by any particular herb.

Two Year Old Brandy:

Entries in this class should be representative of popular commercial brandies, but should avoid fruitiness. The brandy should be a well balanced distillate of wine made from neutral grape varieties. It should avoid excessive heads or tails and should not show varietal character (e.g. Muscat). It should be smooth but without evident sweetness. A clear balanced bouquet is essential. Colour light amber.

Old Brandy:

Colour may be somewhat darker than in the young brandy class. Well matured oak should be distinguishable on both bouquet and flavour. Bouquet should be clean and somewhat ethereal but well balanced showing no particular constituent to excess. Flavour should be full smooth and aromatic. Finish aromatic without trace of fusel oil. No varietal character or fruitiness should be evident. Some slight sweetness is acceptable.

Participants are required to be students of Primary or Secondary schools, (full-time); and they must indicate their date of birth on the entry.

WORKING ARRANGEMENTS:

Each Agricultural Society participating will conduct an Art (Poster) Competition in conjunction with its annual Show, and in this regard the services of Regional Art Advisors of the Education Department will be available to assist with the competition and the judging.

All entries should be exhibited at their respective local Shows, from which, at each Show, three exhibits will be selected to receive special prizes and ribbons. the three entries so chosen shall then compete in the State Final at the Royal Melbourne Show.
