## R.A.S.V. BEEF CATTLE JUDGING CHAMPIONSHIP

**A Beef Cattle Judging Demonstration and Competition will take place on the Triangular Lawn, on Wednesday, 21st September, 1983, commencing at 10.30 a.m.**

The Demonstration and Competition will be conducted on Herefords and Poll Herefords this year. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. System as to the reasons for their placements when determining the ultimate winner of the competition.

Entrants should bear in mind that the judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the judges' panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the judges' reasoning.

This will be a post entry competition and there is no entry fee.

The philosophy of Air New Zealand in respect to its Economy Class passengers has always been clear: offer them a standard of service and comfort that is unsurpassed by any other airline.

From the moment you receive a warm welcome aboard, it is evident that our cabin staff genuinely value you choosing to fly Air New Zealand.

You'll be shown to a reclining seat that has its own stereo entertainment centre with a variety of programmes ranging from humour to the classics. (You'll be pleased to hear we make no charge for our head-sets.)

After take-off we will whet your appetite with pre-dinner drinks that will be prepared to your taste at your table.

Your meal will be accompanied by the finest New Zealand wines, many of them winners of international awards.

And like all our drinks, whether they be cocktails, beers or champagnes, they're all on the house.

For our little guests we provide playpacks to keep them entertained.

While in our rest rooms you'll find we've provided after-shave, cologne, splash-on, moisturiser and hand cream.

There are also individual refresher towels, shoe-shiners and if you've forgotten your toothbrush and toothpaste, or for that matter even your razor, all you need do is ask.

And if you're flying with us over the Pacific you'll see movies so new, chances are they're probably not yet playing back home.

So as you can see, although we call our Economy Class, Economy Class, no one could possibly call it Second Class.

## How to fly economy without going second class.

Prize winning wines are the norm on Air New Zealand.

A typical meal: Tender roast chicken with a Marsellaise sauce, accompanied by the freshest of vegetables.

The dessert of the day: delicious Mango souffle topped with fresh cream.

Our salads are always crisp and tossed in an authentic French dressing.

No plastic please! Your meal is served on deep brown earthenware along with shining stainless steel cutlery.

# The Codepak shearing shed system.

The system is Cyclone Codepak. Modular building components designed to provide traditional Cyclone quality farm buildings at off-the-shelf economy prices.

Clear span trusses, lattice braced columns and under floor stumps are galvanized for durability.

The Codepak Shearing Shed system has special features developed from Cyclone's extensive experience in shearing shed design and include as standard, head plank columns for electric gear, skylights and louvre windows.

The benefits are smooth, efficient sheep handling without excess labour or excess noise and full length main pen posts are set in

concrete. Standard designs include across the board, centre board and raised board layouts. Curved raised board layouts with front fill catch pens are also available.

Optional innovations include the drop-chute system of sheep disposal and the unique slide-swing gate which allows you to slide the gate through the sheep and swing the gate in behind them.

You won't beat the system for traditional Cyclone quality at an economical price. Modular construction keeps our costs down. We pass the savings onto you and ensure speedy delivery.

# Visit Europe and see the Ginza.

Japan Air Lines can fly you to Europe by two routes that are very different to those offered by other airlines.

Because both our routes are via Tokyo.

It's a very fast way of getting there. If you take our Tuesday, Thursday or Saturday evening flight from Sydney, you arrive in Europe via Moscow the following evening.

Or you can take the spectacular North Pole flight.

Both routes to Europe are available on excursion fares. So if you want to stopover in Tokyo you can take advantage of economical Tokyo Thriftstay, Stopover and Mini Tour packages that include hotel accommodation and airport transfers.

When you fly to Europe, fly the different way as our honoured guest.

And see Tokyo on the way. It'll make a world of difference to your trip.

For details on stopovers in Tokyo contact your Travel Agent or Japan Air Lines - Sydney 232 8655, Melbourne 63 6326, Brisbane 31 3045, Adelaide 216 1911.

  - (ii) Prohibit the participation by any person or exhibit in any event or class for which it is entered.
  - (iii) Cancel any event or class.
  - (iv) Alter the time at which any class or event is to take place.
  - (v) Alter the conditions of any event.
  - (vi) Remove any exhibit from the Show Grounds.

  - (a) the loss or death of any animal;
  - (b) any damage or injury occasioned to or by any animal.
  - (c) any loss, damage or injury occasioned to or by any exhibitor or any person acting on his behalf.
4. The exhibitor enters entirely at his own risk. In case any exhibit whilst on the Society's Show Grounds shall cause or be the cause of injury or damage to any other exhibit or exhibitor or to the person or property of any member of the Society or the general public, the owner of such exhibit shall indemnify and keep indemnified the Society, its officers, officials and members from and against all damages, costs, claims, expenses or liabilities incurred in connection with such exhibits. The exhibitor shall be liable to the Society and its employees, officers and officials for any damage or loss occasioned to any of them by the exhibit or exhibitor or his agent.
5. The exhibitor shall at all times comply with the directions or requests of the Council of the Society or the Director. This shall, without limiting the generality of the foregoing, apply to the entry of the animal, the exhibitor, the conditions of event, the conduct of the exhibitor, the conducting of the event, the decisions of the Judge and the awarding of the prize.
6. The Council of the Society and the Director reserve the right to adjudicate on any entry or upon any question in dispute or doubt and to make any determination upon any matter whether covered by the conditions of entry or not and the decision so made shall be final and binding and the Society and the Director shall thereby have sole and absolute control of all matters affecting the conduct of the Show and the exhibits and exhibitors. There shall be no right of appeal to any court of law or other body from any decision made by the Council of the Society or the Director.

8. Unless otherwise stated all exhibits must be the bona-fide property of the exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Council of the Society or the Director shall have the power to recognise or reject such lease as it deems fit. The owner or lessee hereby indemnifies the Society against all claims from any cause made against the Society in respect of such animal at the instance of any other person.

9. An exhibit sold after the date of entry and before the time of judging shall not be entitled to compete unless with the approval of the Council of the Society or the Director.

10. No entry can be changed by the exhibitor after entries close. The Director and the Society shall however have the power to do as at any time and in so doing may without limiting the generality of the foregoing alter the class for which the animal is entered.

11. All entries must be made in writing on forms supplied by the Society unless otherwise permitted by the Director.

12. The appropriate entry fee as set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found at the heading of each Section. No rebate of fees for withdrawn exhibits will be made.

13. All entry forms must be signed by the exhibitor or his authorised agent.

- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

A healthy respect for the comfort and privacy of our first-class passengers has always been shown by Air New Zealand.

As you'd expect, our service is certainly attentive, but never, never, intrusive.

However, what may come as a surprise, is that our sixteen first-class seats are not placed in the usual airline configuration, they're staggered for a greater feeling of space and more important, seclusion.

And at a cost of around \$8,000, they afford such a degree of comfort that the 'Times' of London dubbed our first-class service as the "Ritz of the skies".

In fact not only have our Dream Chairs by Recaro of West Germany sent journalists searching for superlative phrases, they've also gained the approval of the medical profession as well.

Apart from eliminating the uncomfortable bump

between the base of the seat and the back, which incidentally plagues many other airlines' sleepers, the Dream Chair when fully reclined, also leaves the passengers' feet almost level with the heart.

This, as any doctor will inform you, is the ideal position for rest.

So the next time you're flying, think of the airline that has put so much thought into something as simple as a seat. And then think of the thought they must have given to everything else.

# You'll be staggered with our first-class.

*A Dream Chair gives the ideal position for rest.*

*Note the unique First Class seating configuration.*

*Each sheepskin covered seat gives 5' of leg room alone.*

*The cost of every Recaro Dream Chair? Around \$8,000.*

# We're rolling our sleeves up.

This country was built on a tradition of rolling the sleeves up and getting on with the job.

At Westpac, we see our job as backing that way of thinking as much as we possibly can.

We're behind more than 100,000 small businesses that are determined to make a go of things in these tough times.

And this year, we'll help more than 200,000 Australians buy their own homes.

We're working towards

making our bank the kind of bank you want behind you, with a brand new spirit of competition that will bring more and more benefits your way.

At Westpac, we're rolling our sleeves up.

The owner or lessee hereby indemnifies the Society against all claims from any cause made against the Society in respect of such animal at the instance of any other person.

9. An exhibit sold after the date of entry and before the time of judging shall not be entitled to compete unless with the approval of the Council of the Society or the Director.

10. No entry can be changed by the exhibitor after entries close. The Director and the Society shall however have the power to do as at any time and in so doing may without limiting the generality of the foregoing alter the class for which the animal is entered.

11. All entries must be made in writing on forms supplied by the Society unless otherwise permitted by the Director.

12. The appropriate entry fee as set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found at the heading of each Section. No rebate of fees for withdrawn exhibits will be made.

compete on one of the following grounds:

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.
- (v) After arrival at the Show Grounds an animal may be scratched from competing in an event if it has become unfit to compete.

**Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibitions conducted by the Society.**

#### ENTRY TICKETS

18. An entry ticket will be issued by the Society for each exhibit unless the Director otherwise determines. The entry ticket will state thereon the number of the exhibit and the exhibit number shall, in the case of animals, correspond with the pen or stall allotted to the exhibit where practicable. The exhibit ticket must be produced whenever required by the Society or the Director.

#### EXHIBIT NUMBERS

19. Exhibit numbers for goats shall be worn by handlers whilst judging is in progress and these must be collected by the exhibitor from the appropriate Superintendent's Office.

Persons in charge of exhibits must not leave their exhibits unattended and such persons or exhibitors shall not address the Judge unless authorised by the Steward in Charge of the class or the Judge himself.

27. The Judge may award a second or third prize instead of a first, or may withhold a prize altogether where he considers the exhibits are not of sufficient merit.

28. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

# Visit Europe and see the Ginza.

Japan Air Lines can fly you to Europe by two routes that are very different to those offered by other airlines.

Because both our routes are via Tokyo.

It's a very fast way of getting there. If you take our Tuesday, Thursday or Saturday evening flight from Sydney, you arrive in Europe via Moscow the following evening.

Or you can take the spectacular North Pole flight.

Both routes to Europe are available on excursion fares. So if you want to stopover in Tokyo you can take advantage of economical Tokyo Thriftstay, Stopover and Mini Tour packages that include hotel accommodation and airport transfers.

When you fly to Europe, fly the different way as our honoured guest.

And see Tokyo on the way. It'll make a world of difference to your trip.

For details on stopovers in Tokyo contact your Travel Agent or Japan Air Lines -- Sydney 232 8655, Melbourne 63 6326, Brisbane 31 3045, Adelaide 216 1911.

# We'd like to cultivate your business.

There are plenty of good reasons to consider the State Bank as your business bank.

One good reason is because of our ability to grant overdrafts.

Another is the loan packaging we have available for farming needs.

The State Bank grants loans to purchase farms or extend them, to buy stock, plant and

equipment, from the smallest to the largest sizes.

And when you have money to invest, come and see us, we can assure you of very competitive rates of interest.

So when you think business, think State Bank.

# We're rolling our sleeves up.

This country was built on a tradition of rolling the sleeves up and getting on with the job.

At Westpac, we see our job as backing that way of thinking as much as we possibly can.

We're behind more than 100,000 small businesses that are determined to make a go of things in these tough times.

And this year, we'll help more than 200,000 Australians buy their own homes.

We're working towards

making our bank the kind of bank you want behind you, with a brand new spirit of competition that will bring more and more benefits your way.

A healthy respect for the comfort and privacy of our first-class passengers has always been shown by Air New Zealand.

As you'd expect, our service is certainly attentive, but never, never, intrusive.

However, what may come as a surprise, is that our sixteen first-class seats are not placed in the usual airline configuration, they're staggered for a greater feeling of space and more important, seclusion.

And at a cost of around \$8,000, they afford such a degree of comfort that the 'Times' of London dubbed our first-class service as the "Ritz of the skies".

In fact not only have our Dream Chairs by Recaro of West Germany sent journalists searching for superlative phrases, they've also gained the approval of the medical profession as well.

Apart from eliminating the uncomfortable bump

between the base of the seat and the back, which incidentally plagues many other airlines' sleepers, the Dream Chair when fully reclined, also leaves the passengers' feet almost level with the heart.

This, as any doctor will inform you, is the ideal position for rest.

So the next time you're flying, think of the airline that has put so much thought into something as simple as a seat. And then think of the thought they must have given to everything else.

# You'll be staggered with our first-class.

*A Dream Chair gives the ideal position for rest.*

*Note the unique First Class seating configuration.*

*Each sheepskin covered seat gives 5' of leg room alone.*

*The cost of every Recaro Dream Chair? Around \$8,000.*

# Visit Europe and see the Ginza.

Japan Air Lines can fly you to Europe by two routes that are very different to those offered by other airlines.

Because both our routes are via Tokyo.

It's a very fast way of getting there. If you take our Tuesday, Thursday or Saturday evening flight from Sydney, you arrive in Europe via Moscow the following evening.

Or you can take the spectacular North Pole flight.

Both routes to Europe are available on excursion fares. So if you want to stopover in Tokyo you can take advantage of economical Tokyo Thriftstay, Stopover and Mini Tour packages that include hotel accommodation and airport transfers.

When you fly to Europe, fly the different way as our honoured guest.

And see Tokyo on the way. It'll make a world of difference to your trip.

For details on stopovers in Tokyo contact your Travel Agent or Japan Air Lines - Sydney 2328655, Melbourne 636326, Brisbane 313045, Adelaide 2161911.

## Relax. You're flying JAL.

# Mecadox\* A.F.250

# Mecadox\* 25

Mecadox\* feed supplements are recommended for addition to creep, weaner and grower rations for use up to 12 weeks of age to improve growth rate, feed conversion efficiency and for the prevention and control of swine dysentery.

Mecadox\* AF 250 provides superior control of scours due to the addition of antibacterial agents, furazolidone and arsanilic acid. It is particularly useful in the control of troublesome E. coli and is therefore the ideal additive to use up to 5-6 weeks of age, or all the way to 12 weeks if scours persist.

Mecadox\* 25 alone is an economical alternative to Mecadox\* AF 250 to feed from 6-12 weeks or whenever a growth promotant is required without the need for extra scour protection.

International trials have proven Mecadox\* fed pigs utilise more protein for growth. That's a protein bonus which will help lower your feed costs.

**Mecadox\* AF 250 — for growth and scour control**

**Mecadox\* 25 — for continued growth**

# We'd like to cultivate your business.

There are plenty of good reasons to consider the State Bank as your business bank.

One good reason is because of our ability to grant overdrafts.

Another is the loan packaging we have available for farming needs.

The State Bank grants loans to purchase farms or extend them, to buy stock, plant and

equipment, from the smallest to the largest sizes.

And when you have money to invest, come and see us, we can assure you of very competitive rates of interest.

So when you think business, think State Bank.

# We're rolling our sleeves up.

This country was built on a tradition of rolling the sleeves up and getting on with the job.

At Westpac, we see our job as backing that way of thinking as much as we possibly can.

We're behind more than 100,000 small businesses that are determined to make a go of things in these tough times.

And this year, we'll help more than 200,000 Australians buy their own homes.

We're working towards

making our bank the kind of bank you want behind you, with a brand new spirit of competition that will bring more and more benefits your way.

At Westpac, we're rolling our sleeves up.

# Visit Europe and see the Ginza.

Japan Air Lines can fly you to Europe by two routes that are very different to those offered by other airlines.

Because both our routes are via Tokyo.

It's a very fast way of getting there. If you take our Tuesday, Thursday or Saturday evening flight from Sydney, you arrive in Europe via Moscow the following evening.

Or you can take the spectacular North Pole flight.

Both routes to Europe are available on excursion fares. So if you want to stopover in Tokyo you can take advantage of economical Tokyo Thriftstay, Stopover and Mini Tour packages that include hotel accommodation and airport transfers.

When you fly to Europe, fly the different way as our honoured guest.

And see Tokyo on the way. It'll make a world of difference to your trip.

For details on stopovers in Tokyo contact your Travel Agent or Japan Air Lines – Sydney 232 8655, Melbourne 63 6326, Brisbane 31 3045, Adelaide 21 61911.

## New Nissan 1 Tonne\* Range.

NISSAN 4WD DUAL CAB

NISSAN 4WD CAB-CHASSIS

NISSAN 2WD KING CAB

NISSAN 2WD PICK-UP

For power and versatility in 1 tonne\* trucks you just can't beat Nissan. You won't find a gutsier range in Australia. Pick-Ups, Cab-Chassis, King Cabs, Dual Cabs, 2-wheel drive, 4-wheel drive, diesel and petrol, 13 models in all.

The new 4WD Dual Cab is powered by a 2.5 litre diesel. Only Nissan can give you a Dual Cab with the biggest diesel engine, the most power and the most torque. In the back, you can carry up to 770kg. In the 4-door Cab you can cruise 5 people in comfort. With this combination of sedan and truck, when the work stops – the fun starts.

The new King Cab is unique. Its .25 m<sup>3</sup> (9 cu.ft.) extra cabin storage space means that you can lock up valuables and extra gear.

The ½ Tonne King Cab Sports Pick-Up with 5-speed transmission delivers top performance and economy, while its luxury features set an

unmatched standard in pick-ups. The 4WD model has a 2.2 litre OHC petrol engine which delivers all the torque and guts you need.

Every vehicle in the range delivers sedan-like fuel economy, whether you choose a new 2.5 litre diesel – the most powerful in its class, the 2.3 litre diesel, the 2.2 litre petrol or the highly efficient 1.8 litre petrol.

See them and other Nissan vehicles at Stand B.16 on the corner of McCrocin Avenue and Lobb Street.

\* Actual load capacity varies by model and weight of custom fitted body on cab-chassis.

A healthy respect for the comfort and privacy of our first-class passengers has always been shown by Air New Zealand.

As you'd expect, our service is certainly attentive, but never, never, intrusive.

However, what may come as a surprise, is that our sixteen first-class seats are not placed in the usual airline configuration, they're staggered for a greater feeling of space and more important, seclusion.

And at a cost of around \$8,000, they afford such a degree of comfort that the 'Times' of London dubbed our first-class service as the "Ritz of the skies".

In fact not only have our Dream Chairs by Recaro of West Germany sent journalists searching for superlative phrases, they've also gained the approval of the medical profession as well.

Apart from eliminating the uncomfortable bump

between the base of the seat and the back, which incidentally plagues many other airlines' sleepers, the Dream Chair when fully reclined, also leaves the passengers' feet almost level with the heart.

This, as any doctor will inform you, is the ideal position for rest.

So the next time you're flying, think of the airline that has put so much thought into something as simple as a seat. And then think of the thought they must have given to everything else.

# You'll be staggered with our first-class.

*A Dream Chair gives the ideal position for rest.*

*Note the unique First Class seating configuration.*

*Each sheepskin covered seat gives 5' of leg room alone.*

*The cost of every Recaro Dream Chair? Around \$8,000.*
