THE ROYAL AGRICULTURAL SOCIETY OF VICTORIA

World's First.

Westpac has introduced the world's first National Electronic Banking System. It's good news for Australians because it makes our banking and shopping a whole lot easier and faster — through Westpac branches, Handyway terminals and the largest network of Handybanks in the country. And all you need to operate this new system is a Westpac Card or a Westpac MasterCard.

The card is the Bank. And the bank is Westpac.

How to start your Japan holiday on the right foot

Congratulations. You've discovered the last of the world's great holiday bargains.

You're about to explore the possibilities of Japan: all its delicacy and drama, its contrast, its sheer mind-blinding beauty.

Well, consider this logic:

To enjoy more of Japan,
fly Japan. The sheer
pleasure of flying
with Japan
Air Lines

is built on the very traditions that make Japan such a rewarding place to visit.

But also, there are very practical reasons for choosing JAL to help you on your way.

Just ask your travel agent.

About special-price packages only JAL can offer: like the unique Thrift-stay and Japaneasy holidays.

How you can cut hotel costs through JAL's own excellent hotel chain.

About the remarkable Japan holiday rail-pass you can organise right now. And much much more.

With JAL, the good things all start here.

JAL gives you more of what you're going to Japan for.

And there are more worldly reasons to fly JAL too. Did you know JAL's fleet of Jumbos is the world's most advanced? And will shortly be the world's largest. Touching down somewhere in the world about every 4 minutes.

It's too beautiful an opportunity to miss: discover Japan before the rest of the world does. And discover one of the world's great airlines, at the same time.

It's always a pleasure

REGULATIONS

Entry Forms and Exhibits must be in the hands of the Director before 10 a.m. on Monday, 10th September, 1984.

Exhibitors must clearly indicate their name and address and class number on the wrapping or container in which the exhibit is forwarded.

If exhibits are sent by rail, address to the Director, WOOL Exhibition, Royal Agricultural Society of Victoria, Spencer Street Railway Station, Melbourne, Victoria.

New Zealand Exhibitors are especially reminded that wool from New Zealand must be accompanied by a Health Certificate from the N.Z. Department of Agriculture.

No exhibit will be accepted unless full freight has been pre-paid.

The Judges will transfer any exhibit to the class to which it rightfully belongs.

Intending Exhibitors may request their wool brokers to draw samples from the grower's clip and forward the exhibit to the Society under the grower's name.

Exhibitors are requested to forward exhibits in a small cardboard carton with their name and address clearly marked on same.

All samples to be shorn from lambs which are the bona fide property of the Exhibitor.

This competition offers an excellent opportunity to woolgrowers to show the public the types of lambs' wool that are grown in Australia and New Zealand, and every grower is cordially invited to exhibit samples, and by so doing permit the Society to stage a display in September which will help further the public's interest in wool.

No limit to the number of exhibits from any one grower and all proceeds from the sale of samples will be donated to Legacy.

The exhibition of fleeces will be housed in the Westpac Pavilion and the Society reserves the right to only exhibit fleeces which are class placegetters.

 - (c) any loss, damage or injury occasioned to or by any exhibitor or any person acting on his behalf.
4. The exhibitor enters entirely at his own risk. In case any exhibit whilst on the Society's Show Grounds shall cause or be the cause of injury or damage to any other exhibit or exhibitor or to the person or property of any member of the Society or the general public, the owner of such exhibit shall indemnify and keep indemnified the Society, its officers, officials and members from and against all damages, costs, claims, expenses or liabilities incurred in connection with such exhibits. The exhibitor shall be liable to the Society and its employees, officers and officials for any damage or loss occasioned to any of them by the exhibit or exhibitor or his agent.
5. The exhibitor shall at all times comply with the directions or requests of the Council of the Society or the Director. This shall, without limiting the generality of the foregoing, apply to the entry of the animal, the exhibitor, the conditions of event, the conduct of the exhibitor, the conducting of the event, the decisions of the Judge and the awarding of the prize.
6. The Council of the Society and the Director reserve the right to adjudicate on any entry or upon any question in dispute or doubt and to make any determination upon any matter whether covered by the conditions of entry or not and the decision so made shall be final and binding and the Society and the Director shall thereby have sole and absolute control of all matters affecting the conduct of the Show and the exhibits and exhibitors. There shall be no right of appeal to any court of law or other body from any decision made by the Council of the Society or the Director.

7. 10. No entry can be changed by the exhibitor after entries close. The Director and the Society shall however have the power to do so at any time and in so doing may without limiting the generality of the foregoing alter the class for which the animal is entered.

11. All entries must be made in writing on forms supplied by the Society unless otherwise permitted by the Director.

12. The appropriate entry fee as set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found at the heading of each Section. No rebate of fees for withdrawn exhibits will be made.

13. All entry forms must be signed by the exhibitor or his authorised agent.

- (c) any loss, damage or injury occasioned to or by any exhibitor or any person acting on his behalf.

4. The exhibitor enters entirely at his own risk. In case any exhibit whilst on the Society's Show Grounds shall cause or be the cause of injury or damage to any other exhibit or exhibitor or to the person or property of any member of the Society or the general public, the owner of such exhibit shall indemnify and keep indemnified the Society, its officers, officials and members from and against all damages, costs, claims, expenses or liabilities incurred in connection with such exhibits. The exhibitor shall be liable to the Society and its employees, officers and officials for any damage or loss occasioned to any of them by the exhibit or exhibitor or his agent.

5. The exhibitor shall at all times comply with the directions or requests of the Council of the Society or the Director. ACCOMMODATION

16. Restrictions or limitations on the number of entries in any section or class may be made by the Society or the Director.

ABSENCE OF EXHIBIT

17. Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.
- (v) After arrival at the Show Grounds an animal may be scratched from competing in an event if it has become unfit to compete.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibitions conducted by the Society.

ENTRY TICKETS

18. An entry ticket will be issued by the Society for each exhibit unless the Director otherwise determines. The entry ticket will state thereon the number of the exhibit and the exhibit number shall, in the case of animals, correspond with the pen or stall allotted to the exhibit where practicable. The exhibit ticket must be produced whenever required by the Society or the Director.

Persons in charge of exhibits must not leave their exhibits unattended and such persons or exhibitors shall not address the Judge unless authorised by the Steward in Charge of the class or the Judge himself.

26. The Judge may award a second or third prize instead of a first, or may withhold a prize altogether where he considers the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

28. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit.

29. All exhibitors and competitors shall accept the decision of the Judge as final as to the merits of the exhibit or competitor.

30. All prize cards awarded at the Show shall be exhibited in the stall or box for the duration of the Show.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032, before 4.30 p.m. Wednesday, 25th July. Entry fee must accompany each entry.

The Australian Pig Breeders' Society has requested that each exhibitor be required to pay 25 cents per entry towards the cost of the Pig Society's Club Building. The Royal Agricultural Society of Victoria has agreed to this request and it is therefore a condition of entry that each exhibitor shall pay a fee of 25 cents per entry. This amount to be sent to the Royal Agricultural Society of Victoria with the entry.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

No exhibitor shall transfer any pig from the space allocated to such exhibitor without the approval of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Breeders' Society. Accreditation for freedom from Swine Brucellosis is no longer a condition of entry.

STANDARD OF EXHIBITS

The Australian Pig Breeders' Society (Victorian Branch) may nominate to the R.A.S. an inspector or inspectors of animals in the Pig Section.

The Council of the R.A.S. may appoint such person or persons as an inspector or inspectors who on appointment shall inspect each animal entered in the relevant breed. Such inspections shall be carried out on Saturday, 22nd September, commencing at 12 noon. Exhibitors are required to have their stock attended and in readiness for inspection. The inspector(s) shall on that day submit their report before 5 p.m. to the Director.

If in the majority opinion of the inspector(s) any animal:

- (a) is not true to type or
- (b) is not of sufficient merit as to be worthy of exhibit in the class or classes for which it is entered or
- (c) has not been adequately prepared for the Show or

Each such animal shall at all times be at the sole risk and responsibility of the exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the exhibitor who shall indemnify and hold indemnified the Society its servants and agents from all claims whatsoever in respect of the animal whether by reason of any

loss or injury to or caused by the animal or because of transportation, feeding or housing or otherwise howsoever.

The decision of the inspector(s) shall be final subject only to appeal to the Chief Steward in the Pig Section and his opinion shall be final.

The inspector(s) or Chief Steward shall not be required to furnish to the exhibitor any reasons for their decision.

Notwithstanding anything contained in these regulations the Director shall have the right to declare any animal ineligible to compete because of the health of any such animal or for any other reason which the Director deems fit. The Director shall thereupon have the right to order the removal of such animal from the Show Grounds or in default thereof remove such animal at the expense and risk of the exhibitor.

Exhibitors of stock shall if requested by the Director submit his exhibit for inspection by one of the Society's Veterinarians.

Which airline is a good sport about group travel discounts?

'Our TAA'

Maybe you're a footy club looking for a few kicks at the end of the season. Or a bridge club that's a little tired of table talk.

Whatever your group's special interest, you'll be more than interested in TAA's group travel package discounts.

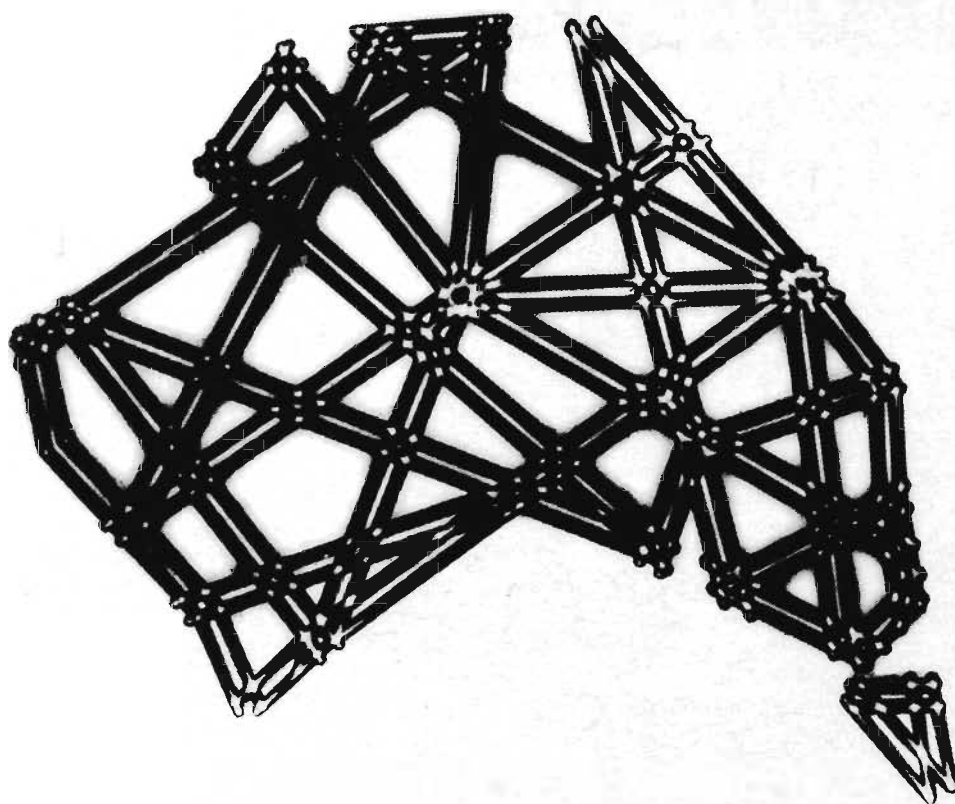

From Surfers to Tassie's Casinos. Your group preferences can be arranged to a schedule and price that'll give your group more than just a sporting chance at a great time.

For more information on TAA's airfare and accommodation discounts as well as the package that'll suit you, contact your TAA Group Travel Consultant. Then put your group where they belong.

'On Our TAA'.

World's First.

Westpac has introduced the world's first National Electronic Banking System. It's good news for Australians because it makes our banking and shopping a whole lot easier and faster — through Westpac branches, Handyway terminals and the largest network of Handybanks in the country. And all you need to operate this new system is a Westpac Card or a Westpac MasterCard.

The card is the Bank. And the bank is Westpac.

Three points will be allotted for a first, two points for a second and one point for a third award in each class. In the event of a tie, two points will be allotted for Champion awards and one point for Reserve Champion awards.

SPECIAL PERFORMANCE CLASS

Performance Tested Boars

Entry Fee: Free

This class will feature Boars which have successfully completed the 8th Test at the Victorian Australian Pig Breeders Society Boar Testing Station at Toolleen.

The Judge will visually assess the exhibits, irrespective of breeding, for those characteristics which he believes to be the most valuable needed in breeding stock for present day commercial conditions.

The "B. & D. HAMBLIN" Trophy donated by Mr. & Mrs. B. Hamblin will be awarded to this winner.

THE AUSTRALIAN PIG BREEDERS SOCIETY (Victorian Branch) will donate a trophy to the exhibit which scores the highest index in the Test.

(This index will be calculated using a formula combining growth rate over the test period, with the measurement of fat at the P2 position, using an ultrasonic measuring device. For Boars to pass the test, they must achieve an above average score in growth rate and back fat measurement).

Investment Insurance

**It's not so much a matter
of earning more money-
it's a matter of
keeping more.**

You don't pay tax on your earnings from AMP contracts—it has already been paid.

So what you get is what you keep.

Not only does your AMP investment insurance afford you high returns net after tax, but it can offer you, in addition, the extra security and cover of life insurance, if you would like it.

World's First.

Westpac has introduced the world's first National Electronic Banking System. It's good news for Australians because it makes our banking and shopping a whole lot easier and faster — through Westpac branches, Handyway terminals and the largest network of Handybanks in the country. And all you need to operate this new system is a Westpac Card or a Westpac MasterCard.

The card is the Bank. And the bank is Westpac.

Round up the sheep on the cheap.

For most jobs on the property two Suzuki wheels are more efficient than any big 4 wheel vehicle.

The Suzuki DR 250 F, pictured here, is just one of the motorcycles specially built by Suzuki to take the hard yakka on the property.

Suzuki TF 100, TF 125 and TF 185 have trouble-free, 2 stroke engines which are unaffected by the hottest conditions.

The DR 250 F is a specially farm-equipped version of the most versatile and durable 4 stroke bike Suzuki has yet designed.

For shock-free riding, the 4 strokes all have Suzuki's Full Floater suspension.

The lightweight 4 stroke DF 125 is just as tough, and even more economical.

All Suzuki farm bikes have heavy duty skid plates, clutch and brake lever protectors, and big carry racks.

For efficiency on the farm, no machine beats a Suzuki.

Westpac has introduced the world's first National Electronic Banking System. It's good news for Australians because it makes our banking and shopping a whole lot easier and faster — through Westpac branches, Handyway terminals and the largest network of Handybanks in the country. And all you need to operate this new system is a Westpac Card or a Westpac MasterCard.

The card is the Bank. And the bank is Westpac.

BRIEF REPORT ON WINE JUDGING

by W.B. Chambers

Exhibits in all Australian wine shows are in the main judged on a comparative basis, i.e. all the entries in the class are judged at the same time. The other method used in the Varietal Classes in Adelaide and Perth, is the International system, where the wines are judged and pointed individually.

Exhibits are judged on a point score with a maximum of 20 points. On the judging sheets, this is divided into:

1. Three points for colour and condition (freedom from haze). In general wines with poor colour are rejected for defects on both the nose and the palate.
2. Seven points for nose. Different judges vary in their sensitivity and tolerance to SO², Hydrogen Sulphide, volatility, diacetyl and wood flavours.
3. Ten points for palate. A wine with an excellent nose may pull down on the palate due to excessive acidity, tannin or lactic defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

18.5—20 — Gold Medal

17.0—18.4 — Silver Medal

15.5—16.9 — Bronze Medal.

All exhibits are judged on the blind. Judges do not handle bottles.

In Melbourne, the judges are arranged into three groups, each of three judges with a Chairman of Judges who arranges the groups of judges, divides the classes to be judged between the three groups, gives guidance, and occasionally resolves disagreements.

Each class is set up and poured by associate judges, who also have a set of glasses and assess the classes with judges.

The judges assess the wines, then consult and discard those with obvious faults. The remainder are then pointed, the points of the three judges averaged, and medals awarded. If there is serious disagreement, the Chairman may be called in to adjudicate.

Judges are generally selected from those who work with or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society, and are given experience as associate judges. New judges are selected from the best performers.

The following definitions of the various wine types may be some help to those unfamiliar with them. These are taken from the specifications in the Adelaide Show Schedule. I have altered them somewhat to fit in with the R.A.S. schedule.

Dry White Hock:

Should be in brilliant condition, pale to light straw in colour, preferably with a slight greenish tinge, light to medium bodied, medium to high acidity and

yet soft, with a fresh and flowery bouquet and a clean aftertaste free of bitterness or lingering sweetness. Alcoholic strength should be between 8% and 14% alcohol by volume.

Dry White Chablis or White Burgundy:

Should be in brilliant condition light to medium straw in colour. Medium to full bodied and yet delicate with medium to high acidity and fresh bouquet. The bouquet may show evidence of maturation in oak casks. Its aftertaste may be a little more pronounced than in Dry White Hock even with a very slight bitterness but no lingering sweetness, oak tannin from maturing wood should not predominate. Alcoholic strength should be between 8% and 14% alcohol by volume.

Medium Dry White Moselle:

Specification similar to Dry White Hock but with some sweetness not exceeding 1 degree baume.

Sauternes:

A white table wine of straw to light golden colour. It should be in brilliant condition, medium to full bodied with a bouquet which is dramatic or flowery and distinctly sweet in flavour. Alcoholic strength should not exceed 14% alcohol by volume, and should not show excessive SO². Baume should exceed 1½ degrees.

Rose:

A still, light and tart table wine, with a slight tannin finish and a fresh fruity flavour but without muscat character. Colour pink but may have a trace of apricot or amber tint.

Varietal Wines:

Should comprise at least 80% of the specified variety.

Dry Red Burgundy:

Colour medium to deep red. According to age a blue or purple tint may be present in a young wine, or a light brown edge may be present in an aged wine. Aroma and bouquet — varietal aroma may occur in varying degrees. It should be fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines bottle age. Palate soft and round. Body may be medium or full and in balance with the acidity. Finish clean and soft with low to moderate astringency. The alcoholic strength should be between 9% and 14.5% by volume.

Dry Red Claret:

Colour medium to deep red. According to age a blue or purple tint may be present in a young wine or a light brown edge may be present in an aged wine. Aroma and bouquet — varietal aroma may occur in

varying degrees. It should be fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines bottle age. Body should be full with acidity in balance. Finish, clean with a firm astringent grape tannin, oak tannin from the maturing wood should not predominate. The alcoholic strength should be between 8% and 14.5% by volume.

Sparkling White Wine, not bottle fermented:

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh and fruity. Pressure not exceeding 3 atmospheres at 10°C. Not bottle fermented.

Sweet White Dessert:

Golden to dark brown in colour depending on age. Must now show muscat character but have fruity and aromatic bouquet. It must be full bodied, soft and luscious. Strength not to exceed 20.5% alcohol by volume.

Muscat:

Colour golden to red. Distinct muscat bouquet and palate. Full bodied soft and luscious. Strength not to exceed 20.5% alcohol by volume.

Sweet Red:

Colour medium to dark red. Bouquet and palate full and fruity. Excessive astringency is not acceptable. Strength not to exceed 20.5% alcohol by volume, and baume not to exceed 6 degrees.

Tawny Port:

Colour pale red with distinct amber tinge to deep amber with reddish tinge. Bouquet fruity and aromatic, palate full and soft with distinct dryness on the finish. Some flavour of oak tannin from the maturing wood is desirable. A lingering sweetness on the after palate is undesirable. Strength not to exceed 20.5% alcohol by volume, and baume not to exceed 6 degrees.

Vintage Port:

Colour deep ruby to light ruby, possibly with slight amber tint, depending on age. Bouquet fruity and characteristic of bottle aged vintage port. Should not show wood character. Flavour full and soft with firm astringent finish and no lingering sweetness. Strength not to exceed 20.5% alcohol by volume and baume not to exceed 6 degrees.

Sherry, Pale, Dry, Fino:

Colour straw to pale golden. Bouquet characteristic of flor sherry. Flavour light and dry without excessive acidity or astringency, but some oak character. Finish, dry, aromatic with distinct 'nutty' aftertaste of flor sherry. Strength not to exceed 20.5% alcohol by volume.

Sherry, Amontillado:

Colour golden to light amber. Bouquet showing more age than Fino sherry. Palate fuller and softer than Fino with some oak astringency showing through. Finish dry and aromatic with characteristic

'nutty' aftertaste of sherry. Strength not to exceed 20.5% alcohol by volume.

Sherry, Oloroso:

Colour amber to brown. Bouquet fruity and aromatic and showing both oak and sherry character. Palate soft and round but with a dry finish. Strength not to exceed 20.5% alcohol by volume and baume not to exceed 3 degrees.

Champagne:

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh but without particular varietal character and should indicate some years in the bottle. The wine should be fairly dry but show no astringent finish. Bubbles should be fine and persistent.

Sparkling Burgundy:

Colour should be light to medium ruby. Older wines may show a trace of amber but not more than a trace. Bouquet fruity but should show bottle age. Fairly pronounced acidity. Full flavour and body, some sweetness but with dry finish. May show slight oak character. Bubbles should be fine and persistent.

Vermouth:

Vermouths should be distinctly aromatic clearly showing their herbal character. Little or no grape character should be evident and the complex character and aroma arising from the mixture of herbs used in their infusion should be harmonious.

Dry French Style Vermouth:

Should be very pale to light straw in colour, delicate in character, dry and yet soft on the palate. It should not show any bitterness or be aggressively dominated by any particular herb.

Sweet Italian Style Vermouth:

May be pale to red in colour, delicate to bold in its character, sweet but not excessively so on the palate. It should not show any bitterness or be aggressively dominated by any particular herb.

Two Year Old Brandy:

Entries in this class should be representative of popular commercial brandies, but should avoid fruitiness. The brandy should be a well balanced distillate of wine made from neutral grape varieties. It should avoid excessive heads or tails and should not show varietal character (e.g. Muscat). It should be smooth but without evident sweetness. A clear balanced bouquet is essential. Colour light amber.

Old Brandy:

Colour may be somewhat darker than in the young brandy class. Well matured oak should be distinguishable on both bouquet and flavour. Bouquet should be clean and somewhat ethereal but well balanced showing no particular constituent to excess. Flavour should be full smooth and aromatic. Finish aromatic without trace of fusel oil. No varietal character or fruitiness should be evident. Some slight sweetness is acceptable.

World's First.

Westpac has introduced the world's first National Electronic Banking System. It's good news for Australians because it makes our banking and shopping a whole lot easier and faster — through Westpac branches, Handyway terminals and the largest network of Handybanks in the country. And all you need to operate this new system is a Westpac Card or a Westpac MasterCard.

The card is the Bank. And the bank is Westpac.

Forget about making mistakes. The compact Nikon One-Touch® takes high quality pictures quickly and easily.

SIMPLE. With automatic focus, auto exposure, auto flash and auto film advance, you really do only have to press one button.

Worry free pictures are assured with auto loading and rewind. And a built-in light tells you when to turn on the flash.

INEXPENSIVE. Surprisingly, with all of these features, the Nikon

One-Touch is remarkably inexpensive. And the One-Touch has one feature no competitor can match:

NIKON QUALITY—which means it's built with all the quality, precision and durability that has made Nikon the choice of professionals throughout the world.
