World's First.

Westpac has introduced the world's first National Electronic Banking System. It's good news for Australians because it makes our banking and shopping a whole lot easier and faster — through Westpac branches, Handyway terminals and the largest network of Handybanks in the country. And all you need to operate this new system is a Westpac Card or a Westpac MasterCard.

The card is the Bank. And the bank is Westpac.

How to start your Japan holiday on the right foot

Congratulations. You've discovered the last of the world's great holiday bargains.

You're about to explore the possibilities of Japan: all its delicacy and drama, its contrast, its sheer mind-blinding beauty.

Well, consider this logic:

To enjoy more of Japan, fly Japan. The sheer pleasure of flying with Japan Air Lines

is built on the very traditions that make Japan such a rewarding place to visit.

But also, there are very practical reasons for choosing JAL to help you on your way.

Just ask your travel agent.

About special-price packages only JAL can offer: like the unique Thrift-stay and Japaneasy holidays.

How you can cut hotel costs through JAL's own excellent hotel chain.

About the remarkable Japan holiday rail-pass you can organise right now. And much much more.

With JAL, the good things all start here.

JAL gives you more of what you're going to Japan for.

And there are more worldly reasons to fly JAL too. Did you know JAL's fleet of Jumbos is the world's most advanced? And will shortly be the world's largest. Touching down somewhere in the world about every 4 minutes.

It's too beautiful an opportunity to miss: discover Japan before the rest of the world does. And discover one of the world's great airlines, at the same time.

It's always a pleasure

World's First.

Westpac has introduced the world's first National Electronic Banking System. It's good news for Australians because it makes our banking and shopping a whole lot easier and faster — through Westpac branches, Handyway terminals and the largest network of Handybanks in the country. And all you need to operate this new system is a Westpac Card or a Westpac MasterCard.

The card is the Bank. And the bank is Westpac.

Flying Overseas - Relax With Japan Airlines

How to start your Japan holiday on the right foot

Congratulations. You've discovered the last of the world's great holiday bargains.

You're about to explore the possibilities of Japan: all its delicacy and drama, its contrast, its sheer mind-blinding beauty.

Well, consider this logic:
To enjoy more of Japan, fly Japan. The sheer pleasure of flying with Japan Air Lines is built on the very traditions that make Japan such a rewarding place to visit.

But also, there are very practical reasons for choosing JAL to help you on your way.

Just ask your travel agent.

About special-price packages only JAL can offer: like the unique Thrift-stay and Japaneasy holidays.

How you can cut hotel costs through JAL's own excellent hotel chain.

About the remarkable Japan holiday rail-pass you can organise right now. And much much more.

With JAL, the good things all start here.

JAL gives you more of what you're going to Japan for.

And there are more worldly reasons to fly JAL too. Did you know JAL's fleet of Jumbos is the world's most advanced? And will shortly be the world's largest. Touching down somewhere in the world about every 4 minutes.

It's too beautiful an opportunity to miss: discover Japan before the rest of the world does. And discover one of the world's great airlines, at the same time.

It's always a pleasure

JAL

You don't pay tax on your earnings from AMP contracts—it has already been paid.

So what you get is what you keep.

Not only does your AMP investment insurance afford you high returns net after tax, but it can offer you, in addition, the extra security and cover of life insurance, if you would like it.

How to start your Japan holiday on the right foot

Congratulations. You've discovered the last of the world's great holiday bargains.

You're about to explore the possibilities of Japan: all its delicacy and drama, its contrast, its sheer mind-blinding beauty.

is built on the very traditions that make Japan such a rewarding place to visit.

But also, there are very practical reasons for choosing JAL to help you on your way.

Just ask your travel agent.

About special-price packages only JAL can offer: like the unique Thrift-stay and Japaneasy holidays.

How you can cut hotel costs through JAL's own excellent hotel chain.

About the remarkable Japan holiday rail-pass you can organise right now. And much much more.

With JAL, the good things all start here.

JAL gives you more of what you're going to Japan for.

And there are more worldly reasons to fly JAL too. Did you know JAL's fleet of Jumbos is the world's most advanced? And will shortly be the world's largest. Touching down somewhere in the world about every 4 minutes.

It's too beautiful an opportunity to miss: discover Japan before the rest of the world does. And discover one of the world's great airlines, at the same time.

It's always a pleasure

World's First.

Westpac has introduced the world's first National Electronic Banking System. It's good news for Australians because it makes our banking and shopping a whole lot easier and faster — through Westpac branches, Handyway terminals and the largest network of Handybanks in the country. And all you need to operate this new system is a Westpac Card or a Westpac MasterCard.

The card is the Bank. And the bank is Westpac.

One of the best things in life comes free with a State Bank Investment Account.

Security. Peace of mind. After all, more than half Victoria invests with the State Bank.

And it's Government guaranteed. You simply can't get stronger than that. But security and peace of mind are only two of the reasons why Ian and Jan opened their State Bank Investment Account.

They were after the best return on funds offered by any bank on this type of investment and discovered the State Bank had the added bonus that interest is paid into their account every three months.

No other bank offers that. It means that the interest itself is earning interest much sooner than it would at any other bank. Their investment is growing bigger, faster. And all the while, it's a comfort to know they can withdraw all or part of their money (with full interest after the first thirty days), without a moment's notice.

Right now, a State Bank Investment Account is paying Ian and Jan for the privilege of feeling safe and secure. Start saving now for something you really want. You can with as little as $200.

CHAIRMAN'S COMMENT

Following extensive promotion, there was an increase of 20% over 1983 — a number of these being new exhibitors. There were considerably more slides and prints, as well.

This was our second year of the VICTORIAN CIRCUIT, in conjunction with the WARRAGUL CAMERA CLUB's 13th NATIONAL PHOTOGRAPHIC EXHIBITION, again resulting in 65% of entries going on to Warragul as the 2nd "Leg" of the Circuit.

The RASV/VAPS NATIONAL again gained the approval of the Australian Photographic Society, Inc., for which we are delighted.

Our grateful thanks must go firstly to the ROYAL AGRICULTURAL SOCIETY OF VICTORIA, for their immeasurable assistance with the organisation required for such an event with special thanks to Miss JAN GRAY.

This year, we are occupying different premises, ideally situated, and set-up for our particular requirements.

A special banner was made, with the approval of the RASV and the VAPS, for display above the prints.

As Exhibition Secretary, my wife, Nancy, carried out her tasks with much enthusiasm and dedication, always being "on the ball".

As a working team, it proved very successful.

To our major sponsor —

KODAK (AUSTRALASIA) PTY. LTD.

Our thanks cannot be adequately expressed for their every facet of assistance in this project. This year, the accepted slides will be shown on dual projection synchronised audio-visual by front projection in a projection room. The audio for this was fully prepared by Mr. MICHAEL HILL. Our thanks to him.

The trophy donors, too, are a very important part of sponsorship, without which the RASV/VAPS NATIONAL would not have such a standing in the Community and throughout Australia.

The Panel of Judges carried out their arduous task with fervour.

Many thanks, also, to the Committee, the Judging Day team, and the many other helpers; also to Mr. SHAW TAN for his valued assistance in preparation of prints for publication.
