Some of Melbourne's best rides are outside the Show.

The Met, Melbourne's public transport system, is now one of the easiest to use in the world.

Just the one ticket lets you swap between tram, train and bus as often as you like within the allotted time period.

There are three basic types

of ticket. The Neighbourhood ticket, the All Day Travelcard, and the Weekly Travelcard, which also gives you and your immediate family free transport on weekends anywhere in Melbourne.

You can get the Neighbourhood ticket and the All Day Travelcard on any tram, bus or at any Train Station, and the Weekly Travelcard at any Train Station, Tram Depot, The Met Concession Office (673 Bourke Street) or The Met Kiosk in Royal Arcade.

Getting around Melbourne on The Met is so easy now you only need one ticket.

For further information, timetables, maps etc., ask at your local Train Station, Bus or Tram Depot, or ring The Met Customer Services on 602 9011.

R.A.S.V. BEEF CATTLE JUDGING CHAMPIONSHIP

A Beef Cattle Judging Demonstration and Competition will take place on the Main arena, on Wednesday, 25th September, 1985, commencing at 10.30 a.m.

The Demonstration and Competition will be conducted on a Beef breed. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

REFINED TOUGH FOR LONGER DIESEL ENGINE LIFE

rimula x—the oil that protects

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life.

You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment. Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.

How to start your Japan holiday on the right foot

Congratulations. You've discovered the last of the world's great holiday bargains.

You're about to explore the possibilities of Japan: all its delicacy and drama, its contrast, its sheer mind-blinding beauty.

Well, consider this logic:

To enjoy more of Japan,
fly Japan. The sheer
pleasure of flying
with Japan
Air Lines

is built on the very traditions that make Japan such a rewarding place to visit.

But also, there are very practical reasons for choosing JAL to help you on your way.

Just ask your travel agent.

About special-price packages only JAL can offer: like the unique Thrift-stay and Japaneasy holidays.

How you can cut hotel costs through JAL's own excellent hotel chain.

About the remarkable Japan holiday rail-pass you can organise right now. And much much more.

With JAL, the good things all start here.

**JAL gives you more
of what you're
going to Japan for.**

And there are more worldly reasons to fly JAL too. Did you know JAL's fleet of Jumbos is the world's most advanced? And will shortly be the world's largest. Touching down somewhere in the world about every 4 minutes.

It's too beautiful an opportunity to miss: discover Japan before the rest of the world does. And discover one of the world's great airlines, at the same time.

It's always a pleasure

Exhibitors are requested to forward exhibits in a small cardboard carton with their name and address clearly marked on same.

All samples to be shorn from lambs which are the bona fide property of the Exhibitor.

This competition offers an excellent opportunity to woolgrowers to show the public the types of lambs' wool that are grown in Australia and New Zealand, and every grower is cordially invited to exhibit samples, and by so doing permit the Society to stage a display in September which will help further the public's interest in wool.

No limit to the number of exhibits from any one grower and all proceeds from the sale of samples will be donated to Legacy.

The exhibition of fleeces will be housed in the Westpac Pavilion and the Society reserves the right to only exhibit fleeces which are class placegetters.

Section 95 — Goats

CONDITIONS OF ENTRY

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

All goats entered in this Section must be registered in a herd book recognised by the Society or recorded in the appendix sections.

For particulars of registration of Dairy Goats in the Goat Herd Book of Australia, apply to The Secretary, P.O. Box 189, Kiama, N.S.W., 2533.

For particulars of registration of Angora Goats in the Herd Book apply to The Secretary, Angora Mohair Breeders Association of Australasia Limited Box 404 Dickson, 2602.

For particulars of registration in the Angora Goat Breeders (Regd.) Herd Book, apply to the Secretary, Box 232, Berwick, Vic., 3806.

For particulars of registration in the Cashmere Goat Breeders Herd Book, apply to the Secretary, P.O. Box 232, Berwick, Vic., 3806.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds, until the specified time.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock in the name of any other exhibitor, shall be disqualified.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Director, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, 3032, on or before the time stated at head of this section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are indicated by a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

Every animal entered must be exhibited unless a certificate, signed by the owners, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 17) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

"IN MILK" AND "DRY" CLASSES AND SUCKLED KIDS

Doe entered as "in milk" can be transferred to a "dry" or un-kidded class, whichever is applicable, if she has not kidded prior to judging day, or vice versa.

Does in milk must be at the Grounds on Tuesday, 17th September. They will be fully milked out and stripped dry between 8 p.m. and 9 p.m. in the presence of the Stewards or whom they may appoint. (See Classes 313 and 315 for 24-hour milk production record). They will be judged first on Wednesday morning. The owner or his representative must be in attendance when females are being stripped out.

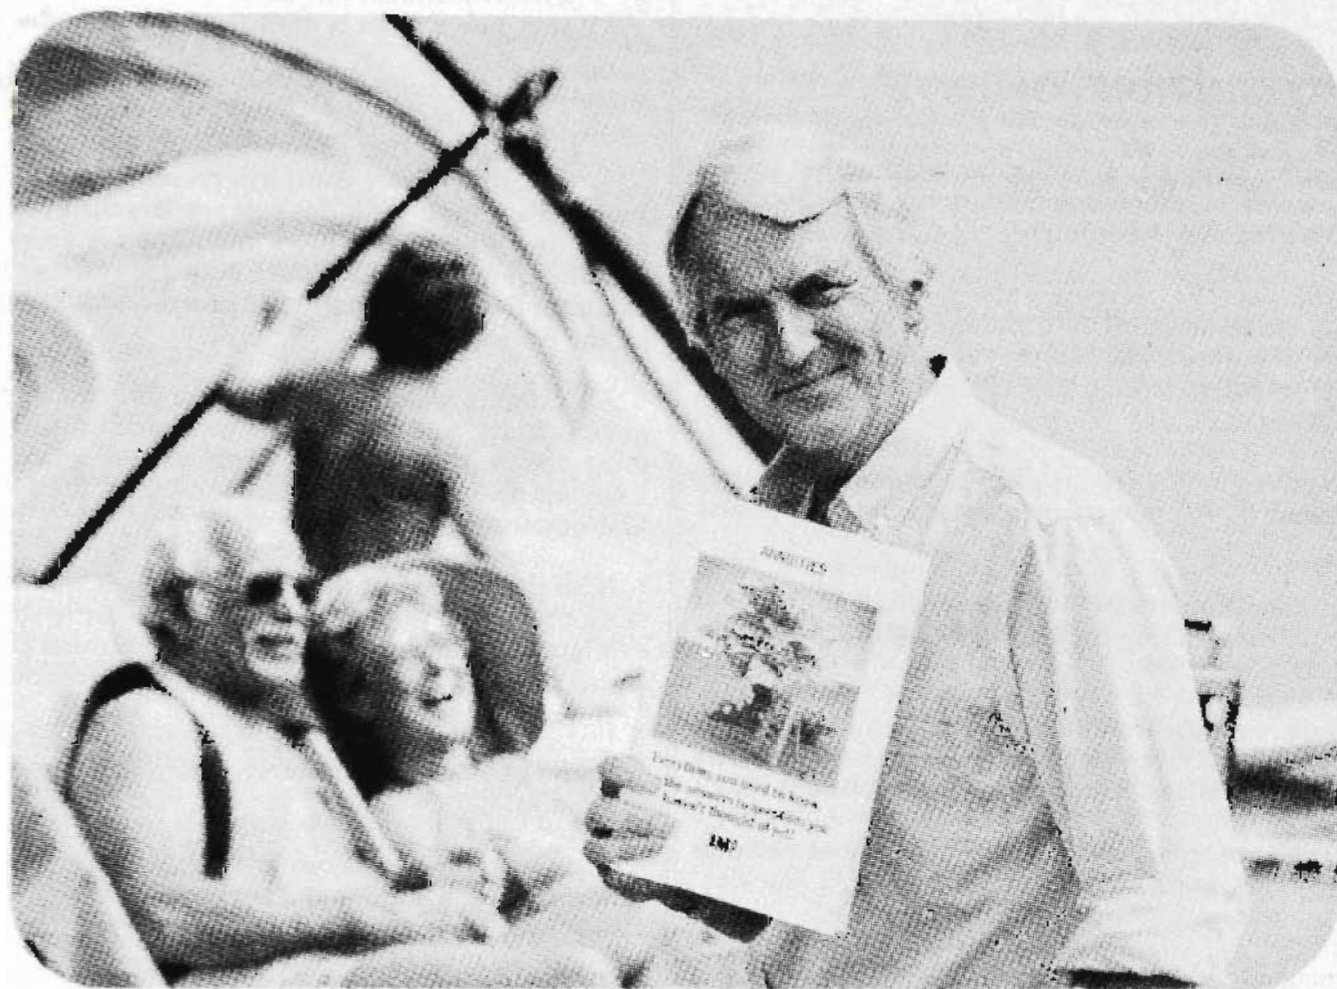

The procedure for conducting the 24 hour Milk Production Tests is as recommended by the Goat Breeders' Society of Australia.

Exhibitors in the 24 hour milk production classes are required to advise the Secretary before Monday, 16th September, 1985, of the following:

- (a) The number of lactations completed by doe.
- (b) Last date of kidding or abortion.

Kids not entered for competition will not be permitted in the Show Grounds unless actually being suckled by their mothers, which must be entered for competition.

Judges have the right to order any Doe competing for Championships to be milked dry before finally awarding the prizes.

AGE OF EXHIBITS

The Society's Veterinary Surgeon's decision regarding age shall be final.

STANDARD OF EXHIBITS

The Goat Breeders' Society (Victorian Branch) shall nominate to the R.A.S. an inspector or inspectors of goats entered for exhibition.

The Council of the R.A.S. shall appoint such person or persons as an inspector or inspectors who shall inspect each animal entered. The inspection of Dairy Goats shall be carried out at 2.00 p.m. on Wednesday, 18th September. Exhibitors are required to have their stock attended and in readiness for inspection on request. The inspector(s) shall submit a report to the Director before 12.00 noon on Judging Day.

If in the unanimous opinion of the inspector(s) any animal:

- (a) is not true to type or
- (b) is not of sufficient merit as to be worthy of exhibition in the class or classes for which it is entered or
- (c) has not been adequately prepared for the Show or
- (d) bears any marking brand or tattoo contrary to the markings brand or tattoo disclosed in the relevant entry form or any marking brand or tattoo not in accordance with the records of the relevant Breed Society.

Then such animal shall be ineligible for exhibition and the Society may require the animal to be forthwith removed from the Show Grounds and the exhibitor, upon receipt of such notice shall forthwith remove such animal and failing such removal by him within the time prescribed by the Director, the

Director may remove the animal or cause the animal to be removed and all costs and expense of removal shall be borne by the exhibitor and shall be refunded to the Society. Each such animal shall at all times be at the sole risk and responsibility of the exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the exhibitor who shall indemnify and hold indemnified the Society its servants and agents from all claims whatsoever in respect of the animal whether by reason of any loss or injury to or caused by the animal or because of transportation, feeding or housing or otherwise howsoever.

The decision of the inspector(s) shall be final subject only to appeal to the Chief Steward in the Sheep and Goat Section and his opinion shall be final.

The inspector(s) or Chief Steward shall not be required to furnish to the exhibitor any reasons for their decision.

Notwithstanding anything contained in these regulations the Director shall have the right to declare any animal ineligible to compete because of the health of any such animal or for any other reason which the Director deems fit. The Director shall thereupon have the right to order the removal of such animal from the Show Grounds or in default thereof remove such animal at the expense and risk of the exhibitor.

Exhibitors of stock shall, if requested by the Director, submit their exhibits for inspection by one of the Society's Veterinarians.

Attendants will be on duty in the area and though all reasonable precaution will be taken, no responsibility can be accepted for the safety of vehicles and their contents.

A fee of \$45 will be charged and should be paid with entry fees.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at his office on the Show Grounds.

REFINED TOUGH FOR LONGER DIESEL ENGINE LIFE

rimula x—the oil that protects

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life.

You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment. Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine. Contact your nearby Distributor of Shell products now, or the Shell Lubricants/Technical Department, in your State.

- (c) any loss, damage or injury occasioned to or by any exhibitor or any person acting on his behalf.

4. The exhibitor enters entirely at his own risk. In case any exhibit whilst on the Society's Show Grounds shall cause or be the cause of injury or damage to any other exhibit or exhibitor or to the person or property of any member of the Society or the general public, the owner of such exhibit shall indemnify and keep indemnified the Society, its officers, officials and members from and against all damages, costs, claims, expenses or liabilities incurred in connection with such exhibits. The exhibitor shall be liable to the Society and its employees, officers and officials for any damage or loss occasioned to any of them by the exhibit or exhibitor or his agent.

5. The exhibitor shall at all times comply with the directions or requests of the Council of the Society or the Director. - (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.
- (v) After arrival at the Show Grounds an animal may be scratched from competing in an event if it has become unfit to compete.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

No exhibitor shall transfer any pig from the space allocated to such exhibitor without the approval of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Breeders' Society. Accreditation for freedom from Swine Brucellosis is no longer a condition of entry.

How to start your Japan holiday on the right foot

Congratulations. You've discovered the last of the world's great holiday bargains.

You're about to explore the possibilities of Japan: all its delicacy and drama, its contrast, its sheer mind-blinding beauty.

Well, consider this logic:

To enjoy more of Japan,
fly Japan. The sheer
pleasure of flying
with Japan
Air Lines

is built on the very traditions that make Japan such a rewarding place to visit.

But also, there are very practical reasons for choosing JAL to help you on your way.

Just ask your travel agent.

About special-price packages only JAL can offer: like the unique Thrift-stay and Japaneasy holidays.

How you can cut hotel costs through JAL's own excellent hotel chain.

About the remarkable Japan holiday rail-pass you can organise right now. And much much more.

With JAL, the good things all start here.

**JAL gives you more
of what you're
going to Japan for.**

And there are more worldly reasons to fly JAL too. Did you know JAL's fleet of Jumbos is the world's most advanced? And will shortly be the world's largest. Touching down somewhere in the world about every 4 minutes.

It's too beautiful an opportunity to miss: discover Japan before the rest of the world does. And discover one of the world's great airlines, at the same time.

It's always a pleasure

SPECIAL PERFORMANCE CLASS

Performance Tested Boars

Entry Fee: Free

This class will feature Boars which have successfully completed the 11th Test at the Victorian Australian Pig Breeders Society Boar Testing Station at Toolleen.

The Judges will visually assess the exhibits, irrespective of breeding, for those characteristics which they believe to be the most valuable needed in breeding stock for present day commercial conditions.

The **"B. & D. HAMBLIN"** Trophy donated by Mr. & Mrs. B. Hamblin will be awarded to this winner.

THE AUSTRALIAN PIG BREEDERS SOCIETY (Victorian Branch) will donate a trophy to the exhibit which scores the highest index in the Test.

(This index will be calculated using a formula combining growth rate over the test period, with the measurement of fat at the P2 position, using an ultrasonic measuring device. For Boars to pass the test, they must achieve an above average score in growth rate and back fat measurement).

REFINED TOUGH FOR LONGER DIESEL ENGINE LIFE

rimula x—the oil that protects

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life.

You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment. Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.

Contact your nearby Distributor of Shell products now, or the Shell Lubricants/Technical Department, in your State.

24. The Judge may award a second or third prize, instead of a first, or may withhold a prize altogether, where he considers the exhibits are not of sufficient merit.

25. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he may also give commendations when deserved.

26. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit.

27. All exhibitors and competitors shall accept the decision of the Judge as final as to the merits of the exhibit or competitor and no appeal shall be allowed therefrom to any court of law or other body on the question or merit of the exhibit.

28. All prize cards awarded at the Show shall be exhibited in the stall or box for the duration of the Show.

29. In appropriate cases all attendants leading stock in the judging ring or on parade shall wear uniform white coats procured from the Society.

31. Such protest shall be addressed to the Director and be lodged at his office at the 1st Floor, Administrative Building, cnr. Degrafs Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made. Such protest shall be accompanied with a deposit of \$5.00 which may be forfeited to the Society if the protest be found to be unfounded or frivolous.

32. Should any exhibit which has been awarded a prize be disqualified the next in order of award does not necessarily become entitled to the prize.

33. The protest and all matters arising therefrom shall be determined by either the Council of the Society or the Director.

VETERINARY SERVICES

- (a) The Society will appoint a Panel of Veterinary Surgeons to provide a service to exhibitors.
- (b) Should an animal become ill or suffer an injury then one of the Society's Veterinary Surgeons may attend to and treat such animal in the absence of any authority from the owner and the Society or its Veterinary Surgeon shall not be liable in any way for any loss arising out of such treatment.

34. Exhibitors may employ a Veterinary Surgeon who is not a member of the Society's panel but in such instances must inform the appropriate Superintendent of the stock concerned.

35. The Society's Veterinary Surgeons may refuse to attend an animal previously examined and treated by a Veterinary Surgeon who is not a member of the Society's Panel.

36. Unless otherwise specifically stated only members of the Society's Veterinary Panel may give Veterinary Certificates required by the Society.

37. If in the opinion of one of the Society's Veterinary Surgeons an animal on the Show Grounds should be destroyed or removed from the Show Grounds the Society or the Director shall be entitled to have the animal destroyed and/or removed from the Show Grounds or shall be entitled to require the owner or his deputy at the Show Grounds to forthwith remove the animal from the Show Grounds. All costs incurred by the Society in connection with such animal shall be paid by the owner to the Society.

The whole of the Show, the events thereat, the exhibits and exhibitors and their agents shall be under the complete control of and subject to the decisions and directions of the Council of the Society and/or the Director.
