'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

DOES YOUR CURRENT BANK HAVE A HABIT OF MAKING YOU SWEAT?

Does your current bank treat you like it doesn't need your business?

Working at a pace that suits itself rather than your needs?

Does it keep you waiting, guessing, sweating on major decisions?

At State Bank, we can change the face of business banking by responding to your needs with two simple promises.

Our rates are extremely competitive. Our decision process is fast.

And there's a bonus. We offer service that a lot of large trading banks don't.

The kind of service that will immediately demonstrate just how important we think you and your business are.

Unlike the large national banks, that seem to virtually take your repeat business for granted.

If you want to remain competitive, it will pay you to call and discuss your next financial proposition with Peter Rodda on (03) 604 7390.

DOES YOUR CURRENT BANK HAVE A HABIT OF MAKING YOU SWEAT?

Does your current bank treat you like it doesn't need your business?

Working at a pace that suits itself rather than your needs?

Does it keep you waiting, guessing, sweating on major decisions?

At State Bank, we can change the face of business banking by responding to your needs with two simple promises.

Our rates are extremely competitive. Our decision process is fast.

And there's a bonus.. We offer service that a lot of large trading banks don't.

The kind of service that will immediately demonstrate just how important we think you and your business are.

Unlike the large national banks, that seem to virtually take your repeat business for granted.

If you want to remain competitive, it will pay you to call and discuss your next financial proposition with Peter Rodda on (03) 604 7390.

WHEN YOU NEED MONEY TO IMPROVE

There will always be times when you need money for things like new equipment or property improvements.

Or, occasionally, your expenses might simply outstrip your income. Whatever the reason, we can offer you a number of financial solutions.

For instance, we have a range of short, medium and long term loans with repayment plans that can be structured to suit your needs.

Or we can arrange an overdraft for you, which, once established enables you to draw the funds when you need them.

And if, for unforeseen reasons, your seasonal borrowings need to exceed your overdraft limit, we'll do our best to provide you with a special line of credit to bridge the gap, and at competitive market rates.

So when you need money to improve, or for whatever reason, ask Westpac. As the Bank for the Land, we'll do our best to help you.

Class 225 – AMERICAN FRUIT CAKE. (Entrants in this Class must use the recipe provided).

PRIZES: First, $20; Second, $10; Third, $5; donated by EGG FARMERS OF VICTORIA.

INGREDIENTS:

250g Dates
125g Glace Apricots
125g Green Glace Cherries
185g Seeded Raisins
2 Eggs
1 teaspoon Vanilla Essence
90g Butter
Half teaspoon Baking Powder
1 CUP Plain Flour
125g Glace Pineapple
125g Red Glace Cherries
125g Blanched Whole Almonds
185G Shelled Brazil Nuts
125G Sultanas
Half cup Brown Sugar, lightly PACKED
2 TABLESPOONS Rum, Brandy OR Sweet Sherry
Pinch Salt

METHOD:

Stone the dates, then chop the pineapple and apricots into fairly large pieces, and leave remaining fruits and nuts whole. Mix all these well together and reserve half cup combined nuts and glace fruits for garnishing. Beat eggs until light and fluffy, then add the sugar, vanilla essence, rum and softened butter. Continue beating until well blended. Sift the flour with the baking powder and salt and add to the creamed mixture with the fruit and nuts. Mix thoroughly. Lightly grease a loaf pan approximately 25 cm × 10 cm and line the base. Spoon mixture evenly into the pan. Arrange reserved fruit and nuts over the top, pressing down gently. Bake in a slow oven for about 1 hour, or until cake is firm to touch. Allow to cool for 10 minutes in the tin before turning out.

250g seeded raisins, chopped
250g currants
125g mixed peel, chopped
60g blanched almonds, chopped
Finely grated rind of 1 lemon
125g plain flour

Mix the dry ingredients with the moist ingredients. Place the mixture into a greased pudding basin, approximately three & half litres in capacity. INGREDIENTS:

250g sultanas
250g chopped raisins
250g currants
125g chopped mixed peel
90g chopped red glace cherries

90g chopped blanched almonds

third cup sherry or brandy
250g plain flour 60g self raising flour
1/4 teaspoon grated nutmeg
HALF TEASPOON GROUND GINGER
HALF TEASPOON GROUND CLOVES
250G BUTTER
250G SOFT BROWN SUGAR
HALF TEASPOON LEMON ESSENCE OR FINELY GRATED LEMON RIND
HALF TEASPOON ALMOND ESSENCE
HALF TEASPOON VANILLA ESSENCE
4 LARGE EGGS.

METHOD:

Mix together all the fruits and nuts and sprinkle with the sherry or brandy. Cover and leave for at least 1 hour, but preferably overnight.

Sift together the flours and spices. Cream together the butter and sugar with the essences. Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.

Place the mixture into a prepared tin no larger than 20 cm and bake in a slow oven for approximately 3½-4 hours. Allow the cake to cool in the tin.

NOTE: To ensure uniformity, and depending upon the size, it is suggested the raisins be snipped into 2 or 3 pieces; cherries into 4-6 pieces and almonds crosswise into 3-4 pieces.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

Instant Banking at the Royal Melbourne Show.

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to $500 a day or $1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller machine and get together with National Australia Bank. Your bank.

The new Women's Adviser for Victoria is

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the Judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

AMP

Financial Strategies for Women

AMP has successfully launched a major new marketing campaign to promote a greater awareness of AMP's products and services to Australian women.

The campaign recently made its debut with extensive national print and television advertising which featured a free offer of a new booklet, "AMP's Financial Strategies for Women".

The linchpin of the campaign has been the development of AMP's new Women's Advisory Service. Newly appointed Women's Advisers in each state are playing a crucial role in enabling AMP to effectively service women's financial needs, as well as complementing the work of agents in gaining new business for AMP.

The new Women's Adviser for Victoria is
Glenys O'Brien
who can be contacted on
(03) 617 6510
or through any AMP office.

Re-think your way to Europe!

WITH A FREE OVERNIGHT STOP IN JAPAN!

Think of Japan as your new gateway to Europe. A fascinating gateway if you take advantage of one of JAL's unique new Tokyo stopover offers.

Or a most practical gateway if what you want is speed and comfort.

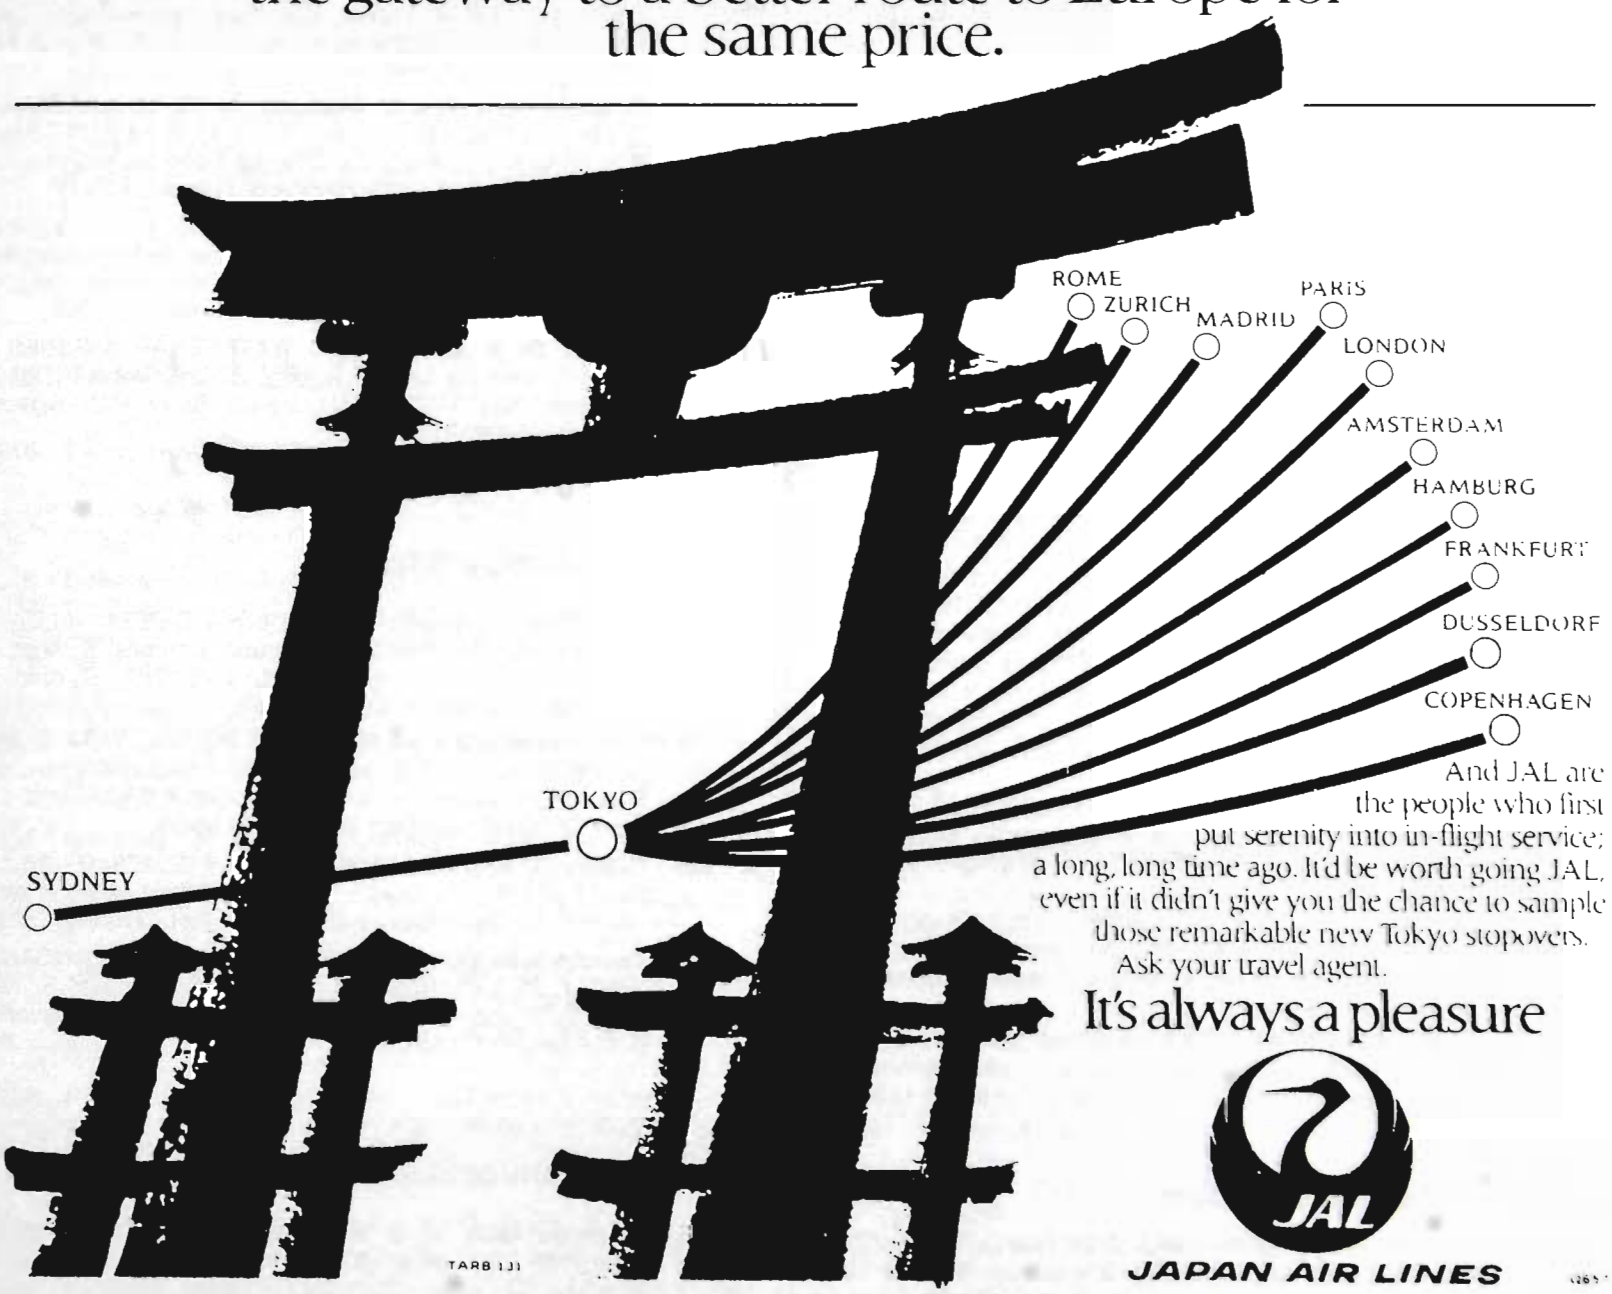

Japan Air Lines fly you Sydney-Tokyo in one easy hop. Then either on over the Pole or across to Moscow and straight on to any of ten major European cities.

In fact no-one else gives you all these European destinations just two easy stops from Sydney.

Because the earth's not flat, it takes a real globe of the world to show truly how direct and practical this fast and gently curving JAL route is. Or you could fly it and see. Depending which European destination you're heading for, it'll take about the same time as more ordinary routes. Or somewhat less, allowing for plane-changing you won't have to do at European airports.

Other things you may not know about JAL is that they are actually the world's largest I.A.T.A. airline. F'ying the world's most advanced Jumbos. And touching down or taking off somewhere around the globe about every four minutes. Every day.

Look at the world JAL's way and you've discovered the gateway to a better route to Europe for the same price.

And JAL are the people who first put serenity into in-flight service; a long, long time ago. It'd be worth going JAL, even if it didn't give you the chance to sample those remarkable new Tokyo stopovers. Ask your travel agent.

It's always a pleasure

WHEN YOU NEED MONEY TO IMPROVE

There will always be times when you need money for things like new equipment or property improvements.

Or, occasionally, your expenses might simply outstrip your income. Whatever the reason, we can offer you a number of financial solutions.

For instance, we have a range of short, medium and long term loans with repayment plans that can be structured to suit your needs.

Or we can arrange an overdraft for you, which, once established enables you to draw the funds when you need them.

And if, for unforeseen reasons, your seasonal borrowings need to exceed your overdraft limit, we'll do our best to provide you with a special line of credit to bridge the gap, and at competitive market rates.

So when you need money to improve, or for whatever reason, ask Westpac. As the Bank for the Land, we'll do our best to help you.
