THIS IS A STICK-UP.

Actually, it's more in the way of a polite request.

The gentleman in the picture is working with Australian steel and we'd like you to give him the support he deserves.

Quite apart from the contribution he makes to local industry, he's actively strengthening Australia by using Australian steel. Which means he's keeping our money in our country by buying from our people.

And, just to let you know exactly who he is, we've created this sticker. Look for it next time you buy any product made of steel and you'll know you're not only helping out a mate . . . you're also picking up the strength of Australia.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

REFINED TOUGH
FOR LONGER DIESEL ENGINE LIFE

rimula x

the oil that protects.

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life. You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment.

Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.

State Bank Victoria

IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

BRIEF REPORT ON WINE JUDGING

by W. B. Chambers

Exhibits in all Australian Wine Shows are judged on a comparative basis, i.e. all the entries in the class are judged at the same time. The other method used in Varietal classes in Adelaide is the International system where the wines are judged and pointed individually.

Exhibits are judged on a point score with a maximum of 20 points. On the judging sheets this is divided into:

1. 3 points for colour and condition; usually wines with poor colour are rejected for defects on both nose and palate.
2. 7 points for nose.
3. 10 points for palate; a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medal are awarded for the following points:
18.5—20 — Gold Medal
17.0—18.4 — Silver Medal
15.5—16.9 — Bronze Medal

All exhibits are judged on the blind. Judges do not handle the bottles.

In Melbourne the judges are arranged into three groups, each of three judges with a Chairman of Judges who arranges the groups of judges, divides the classes to be judged between the three groups, gives guidance and occassionally resolves disagreements.

Each class is set up and poured by associate judges, who also have a set of glasses and assess the classes with the judges.

The judges assess the wines, point them and then collaborate on the medals awarded.

Judges are generally selected from those who work in or are connected with the Wine Industry. Potential judges are recommended to the R.A.S.V. Limited and are given experience as associate judges. New Judges are selected from the best performers.

The following definitions of the various wine types are taken from the specifications of the Adelaide Wine Show. I have altered them to fit in with the R.A.S.V. Limited schedule.

Varietal wines should comprise at least 80% of the specified variety.

DRY WHITE TABLE WINE

Should be in brilliant condition, pale to medium straw in colour, preferably with a slight green tinge. Light to full bodied, medium to high acidity with a fresh bouquet, clean after taste no lingering sweetness. In the wooded classes the oak should be in harmony with the vinosity of the wine. Alcoholic strength should be between 8% and 14% alcohol.

MEDIUM DRY WHITE WINE

Specification similar to Dry White Table Wine but with some sweetness not exceeding 1 degree baume.

SWEET WHITE TABLE WINE

Should be in brilliant condition, straw to light golden colour, medium to full bodied with a bouquet which is aromatic or complete and distinctly sweet in flavour. Its alcoholic strength should not exceed 14% by volume and it should not show excessive sulphur dioxide. Baume should exceed 1 degree.

ROSE

A still, light and tart table wine with a slight tannin finish and a fresh fruity flavour but without muscat character. Colour pink, but many have a trace of apricot or amber tint. Alcoholic strength should be between 8% and 14% alcohol by volume.

LIGHT BODIED DRY RED

Colour, light to medium red. A blue or purple tint may be present. Aroma and bouquet — varietal aroma may occur in varying degrees. It should be fresh and fruity and in harmony with the body and flavour of the wine. Palate — soft and light without being thin and rounded in the mid palate. Body should be in balance with the body of the wine. Finish clear and crisp with soft astringency. The alcoholic strength should be between 8% and 12% by volume.

DRY RED

Colour medium to deep red. According to age a blue or purple tint may be present in a young wine or a light brown edge may be present in an aged wine. Aroma and bouquet — varietal aroma may occur in varying degrees. It should be fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines bottle age. Palate soft rounded and generous in the mid palate. Body medium is full in balance with the acidity. Finish clean with tannin preferably combined with the flavour of oak tannin from maturation in wood but this should not predominate. The alcoholic strength should be between 8% and 14.5% by volume.

SWEET WHITE DESSERT

Golden to dark brown in colour depending on age. Must not show muscat character but have fruity and aromatic bouquet. It must be full bodied, soft and luscious. Strength not to exceed 20.5% alcohol by volume.

MUSCAT

Colour golden to red. Distinct bouquet and palate. Full bodied and soft and luscious. Strength not to exceed 20.5% alcohol by volume.

RUBY PORT

Colour medium to dark red. Bouquet and palate full and fruity. Excessive astringency is not acceptable. Strength not to exceed 20.5% alcohol by volume.

TAWNY PORT

Colour pale red with distinct amber tinge to deep amber with redish tinge. Bouquet fruity and aromatic, palate full and soft with distinct dryness on the finish. Some flavour of oak tannin from the maturing wood is desirable. A lingering sweetness on the after palate is undesirable. Strength not to exceed 20.5% alcohol by volume.

VINTAGE PORT

Colour deep ruby to light ruby, possibly with slight amber tint, depending on age. Bouquet fruity and characteristic of bottled aged vintage port. Should not show wood character. Flavour full and soft with firm astringent finish and no lingering sweetness. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Pale, Dry, Fino

Colour straw to pale golden. Bouquet characteristic of flor sherry. Flavour light and dry without excessive acidity or astringency, but some oak character. Finish dry, aromatic with distinct 'nutty' aftertaste of flor sherry. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Amontillado

Colour golden to light amber. Bouquet showing more age than Fino sherry. Palate fuller and softer than Fino with some oak astringency showing through. Finish dry and aromatic with characteristic 'nutty' aftertaste of sherry. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Oloroso

Colour amber to brown. Bouquet fruity and aromatic and showing both oak and sherry character. Palate soft and round but with a dry finish. Strength not to exceed 20.5% alcohol by volume.

CHAMPAGNE

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh without particular varietal character and should indicate some years in the bottle. The wine should be fairly dry but show no astringent finish. Bubbles should be fine and persistent.

SPARKLING RED WINE

Colour should be light to medium ruby. Older wines may show a trace of amber but not more than a trace. Bouquet fruity but should show bottle age. Fairly pronounced acidity. Full flavour and body, some sweetness but with dry finish. May show slight oak character. Bubbles should be fine and persistent.

VERMOUTH

Vermouths should distinctly aromatic clearly showing their herbal character. Little or no grape character should be evident and the complex character and aroma arising from the mixture of herbs used in their infusion should be harmonious.

DRY FRENCH STYLE VERMOUTH

Should be vary pale to light straw colour, delicate in character, dry and yet soft on the palate. It should not show any bitterness or be aggressively dominated by any particular herb.

SWEET ITALIAN STYLE VERMOUTH

May be pale to red in colour, delicate to bold in its character, sweet but not excessively so on the palate. It should not show any bitterness or be aggressively dominated by any particular herb.

TWO YEAR OLD BRANDY

Entries in this class should be representative of popular commercial brandies, but should avoid fruitiness. The brandy should be well balanced distillate of wine made from neutral grape varieties. It should avoid excessive heads or tails and should not show varietal character (e.g. Muscat). It should be smooth but without evident sweetness. A clear balance bouquet is essential. Colour light amber.

OLD BRANDY

Colour may be somewhat darker than in the young brandy class. Well matured oak should be distinguishable on both bouquet and flavour. Bouquet should be clean and somewhat ethereal but well balanced showing no particular constituent to excess. Flavour should be full smooth and aromatic. Finish aromatic without trace of fusel oil. No varietal character or fruitiness should be evident. Some slight sweetness is acceptable.

IMPORTANT NOTICES

THE ROYAL AGRICULTURAL SOCIETY OF VICTORIA HAS NOW INCORPORATED A COMPANY R.A.S.V. LIMITED UNDER THE COMPANIES (VICTORIA) CODE.

EXHIBITORS HAVE BEEN NOTIFIED THAT EXISTING CONTRACTS OF THE SOCIETY WILL BE PERFORMED BY R.A.S.V. LIMITED.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to the Company's General Conditions of Entry, these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Principal Officer.

4. Unless otherwise permitted by the Principal Officer all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent.

7. Restrictions on the number of entries in any section or class may be made by the Company or the Principal Officer.

OWNERSHIP OF EXHIBITS

8. Unless the Company or the Principal Officer otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company and the Principal Officer shall have the power to recognize or reject such lease as it or he deems fit.

9. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company or the Principal Officer.

10. In the case of animal entries, only one Exhibitor will be recognised as an owner from any one holding, unless otherwise determined by the Principal Officer . Any Exhibitor who enters, or permits the entry of any of his animals, in the name of any other Exhibitor, may be dealt with in accordance with the applicable regulations.

LIABILITY FOR EXHIBITS

11. Neither the Company nor any official, judge, steward, officer or employee of the Company nor any member of the panel of veterinary surgeons referred to in Regulation 38 shall under any circumstances be liable for:

(a) the loss or death of any exhibit;
(b) any damage or injury occasioned to or by any exhibit; or
(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Principal Officer removes or causes to be removed from the Show Grounds any exhibit, then each such animal shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company its servants and agents from all claims whatsoever in respect of the animal whether arising by reason of any loss of or injury to or caused by the animal or by reason of its transportation, feeding or housing or for any other reason whatsoever.

GENERAL REGULATIONS FOR ALL COMPETITIONS

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of any member of the Company or the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company, (its officers, officials, members and employees) Directors' or members of the Company from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and its employees, officers, officials and members for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company or the Principal Officer be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company or the Principal Officer. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company and the Principal Officer shall each have the power without assigning any reason to:

(a) cancel any event or class;
(b) alter the time or place at which any class or event is to take place;
(c) alter the conditions of any event;
(d) remove any exhibit from the Show Grounds.
(e) alter the date or time for the closing of entries for any section or class or for any particular entry;
(f) transfer an exhibit and Exhibitor from any class to any other class; or
(g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company and the Principal Officer. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company or the Principal Officer be of the opinion that:

(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with,

then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company or the Principal Officer, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company or the Principal Officer may in their absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Society) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

(a) giving any reason or reasons for the exercise of its discretion;
(b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
(c) granting a hearing (with or without legal represent-ation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
(d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
(e) otherwise accomodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company and the Principal Officer reserve the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. An exhibit ticket will be issued by the Company for each exhibit unless the Principal Officer otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Principal Officer or the Steward in Charge at the time of judging.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land... that we have designed a special 'umbrella' policy called 'Farmpol' that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

Fly JAL's better way to Europe.

Today, the JAL label on the executive luggage is fast becoming the symbol of the knowledgeable traveller.

Via the unique gateway through Tokyo, JAL daylight flights from Sydney fan out to ten major European destinations.

This way you can fly Tokyo-London non-stop. Similarly, for Tokyo-Paris. Other European capitals are only a one-stop flight away.

No other airline offers such a unique service.

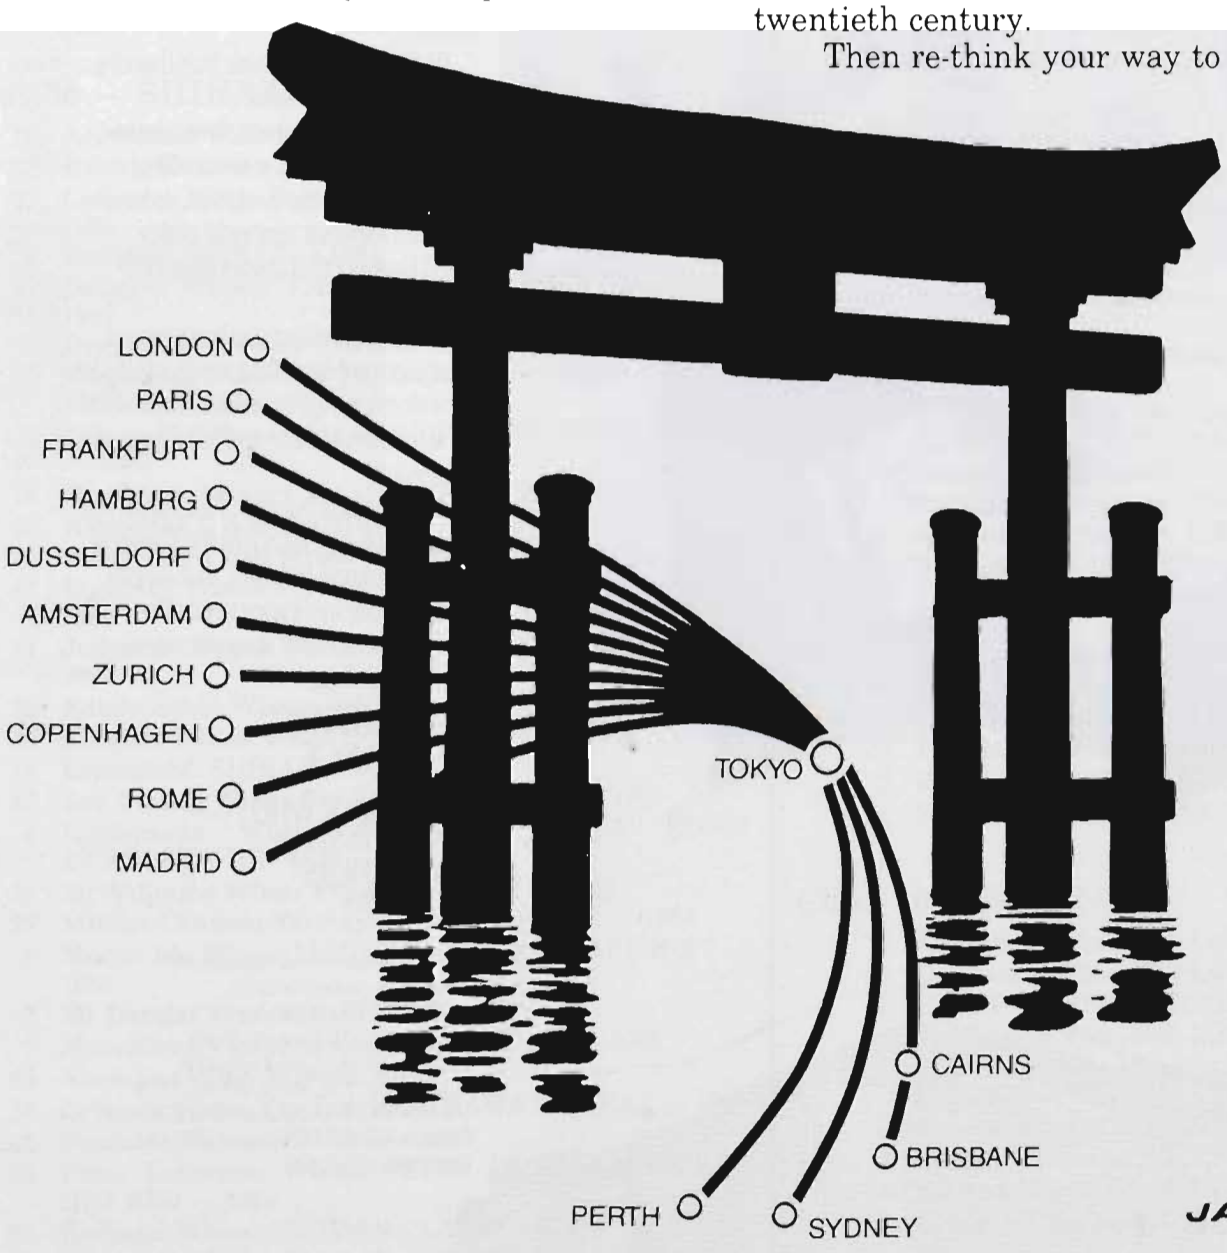

A quick look at a globe of the world (instead of an ordinary flat map) will show you why these JAL routes are so surprisingly direct. And fast.

A quick look at our Japanese and Western menus will show why dining-out on JAL is more like choosing a restaurant than just ordering a meal.

A quick call to your travel agent will show you a flight schedule that makes it logical to re-think your way to Europe: JAL's way (which can also mean a free overnight stopover in Tokyo, if you wish).

Add to all this, the sheer pleasure of flying the only airline that's truly brought an ancient tradition of service into the twentieth century.

Then re-think your way to Europe.

IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

REFINED TOUGH
FOR LONGER DIESEL ENGINE LIFE

rimula x

the oil that protects.

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life. You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment.

Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.

WHAT WE DON'T KNOW ABOUT THE WINE INDUSTRY PROBABLY ISN'T WORTH KNOWING!

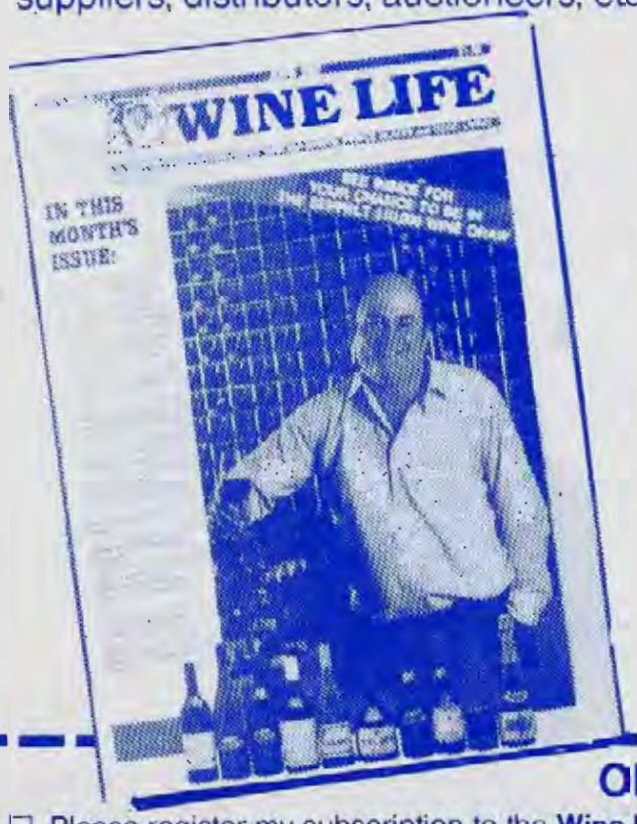

At Australian Industrial Publishers we produce three of the best sources of information about grapes, wine and the industry in general.

The Australian and New Zealand Wine Industry Journal is a quarterly magazine directed to the wine industry, but if you are keen to learn more about how grapes are grown and how wine is made you will find detailed easy to read articles on viticulture, oenology and wine producing areas.

The Australian and New Zealand Wine Industry Directory is an annual directory which gives details of addresses, size, vineyards, personnel, production, products, brands and distributors of every winery in Australia and New Zealand. It also has information on suppliers, distributors, auctioneers, etc.

This book is invaluable to anyone involved in any area of the wine industry.

Then there is our monthly publication, **Wine Life**, Australia's first national wine newspaper.

For $1.50 our readers are treated to an interesting and entertaining publication on wine and spirits, people and places, food and good living.

Seasoned connoisseurs, enthusiastic novices and people in the wine industry all find plenty to interest, educate and amuse them.

If you would like to subscribe to any or all of these publications, please fill in the ORDER FORM below.

IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

A Company Incorporated in Victoria by the Royal Agricultural Society of Victoria

Royal Melbourne Show 1987

September 17th to 26th, 1987

IMPORTANT NOTICES

THE ROYAL AGRICULTURAL SOCIETY OF VICTORIA HAS NOW INCORPORATED A COMPANY R.A.S.V. LIMITED UNDER THE COMPANIES (VICTORIA) CODE.

EXHIBITORS HAVE BEEN NOTIFIED THAT EXISTING CONTRACTS OF THE SOCIETY WILL BE PERFORMED BY R.A.S.V. LIMITED.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to the Company's General Conditions of Entry, these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Principal Officer.

4. Unless otherwise permitted by the Principal Officer all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent.

7. Restrictions on the number of entries in any section or class may be made by the Company or the Principal Officer.

OWNERSHIP OF EXHIBITS

8. Unless the Company or the Principal Officer otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company and the Principal Officer shall have the power to recognize or reject such lease as it or he deems fit.

9. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company or the Principal Officer.

10. In the case of animal entries, only one Exhibitor will be recognised as an owner from any one holding, unless otherwise determined by the Principal Officer . Any Exhibitor who enters, or permits the entry of any of his animals, in the name of any other Exhibitor, may be dealt with in accordance with the applicable regulations.

LIABILITY FOR EXHIBITS

11. Neither the Company nor any official, judge, steward, officer or employee of the Company nor any member of the panel of veterinary surgeons referred to in Regulation 38 shall under any circumstances be liable for:

(a) the loss or death of any exhibit;
(b) any damage or injury occasioned to or by any exhibit; or
(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Principal Officer removes or causes to be removed from the Show Grounds any exhibit, then each such animal shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company its servants and agents from all claims whatsoever in respect of the animal whether arising by reason of any loss of or injury to or caused by the animal or by reason of its transportation, feeding or housing or for any other reason whatsoever.

GENERAL REGULATIONS FOR ALL COMPETITIONS

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of any member of the Company or the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company, (its officers, officials, members and employees) Directors' or members of the Company from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and its employees, officers, officials and members for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company or the Principal Officer be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company or the Principal Officer. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company and the Principal Officer shall each have the power without assigning any reason to:

(a) cancel any event or class;
(b) alter the time or place at which any class or event is to take place;
(c) alter the conditions of any event;
(d) remove any exhibit from the Show Grounds.
(e) alter the date or time for the closing of entries for any section or class or for any particular entry;
(f) transfer an exhibit and Exhibitor from any class to any other class; or
(g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company and the Principal Officer. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company or the Principal Officer be of the opinion that:

(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with,

then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company or the Principal Officer, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company or the Principal Officer may in their absolute discretion require.

18. IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

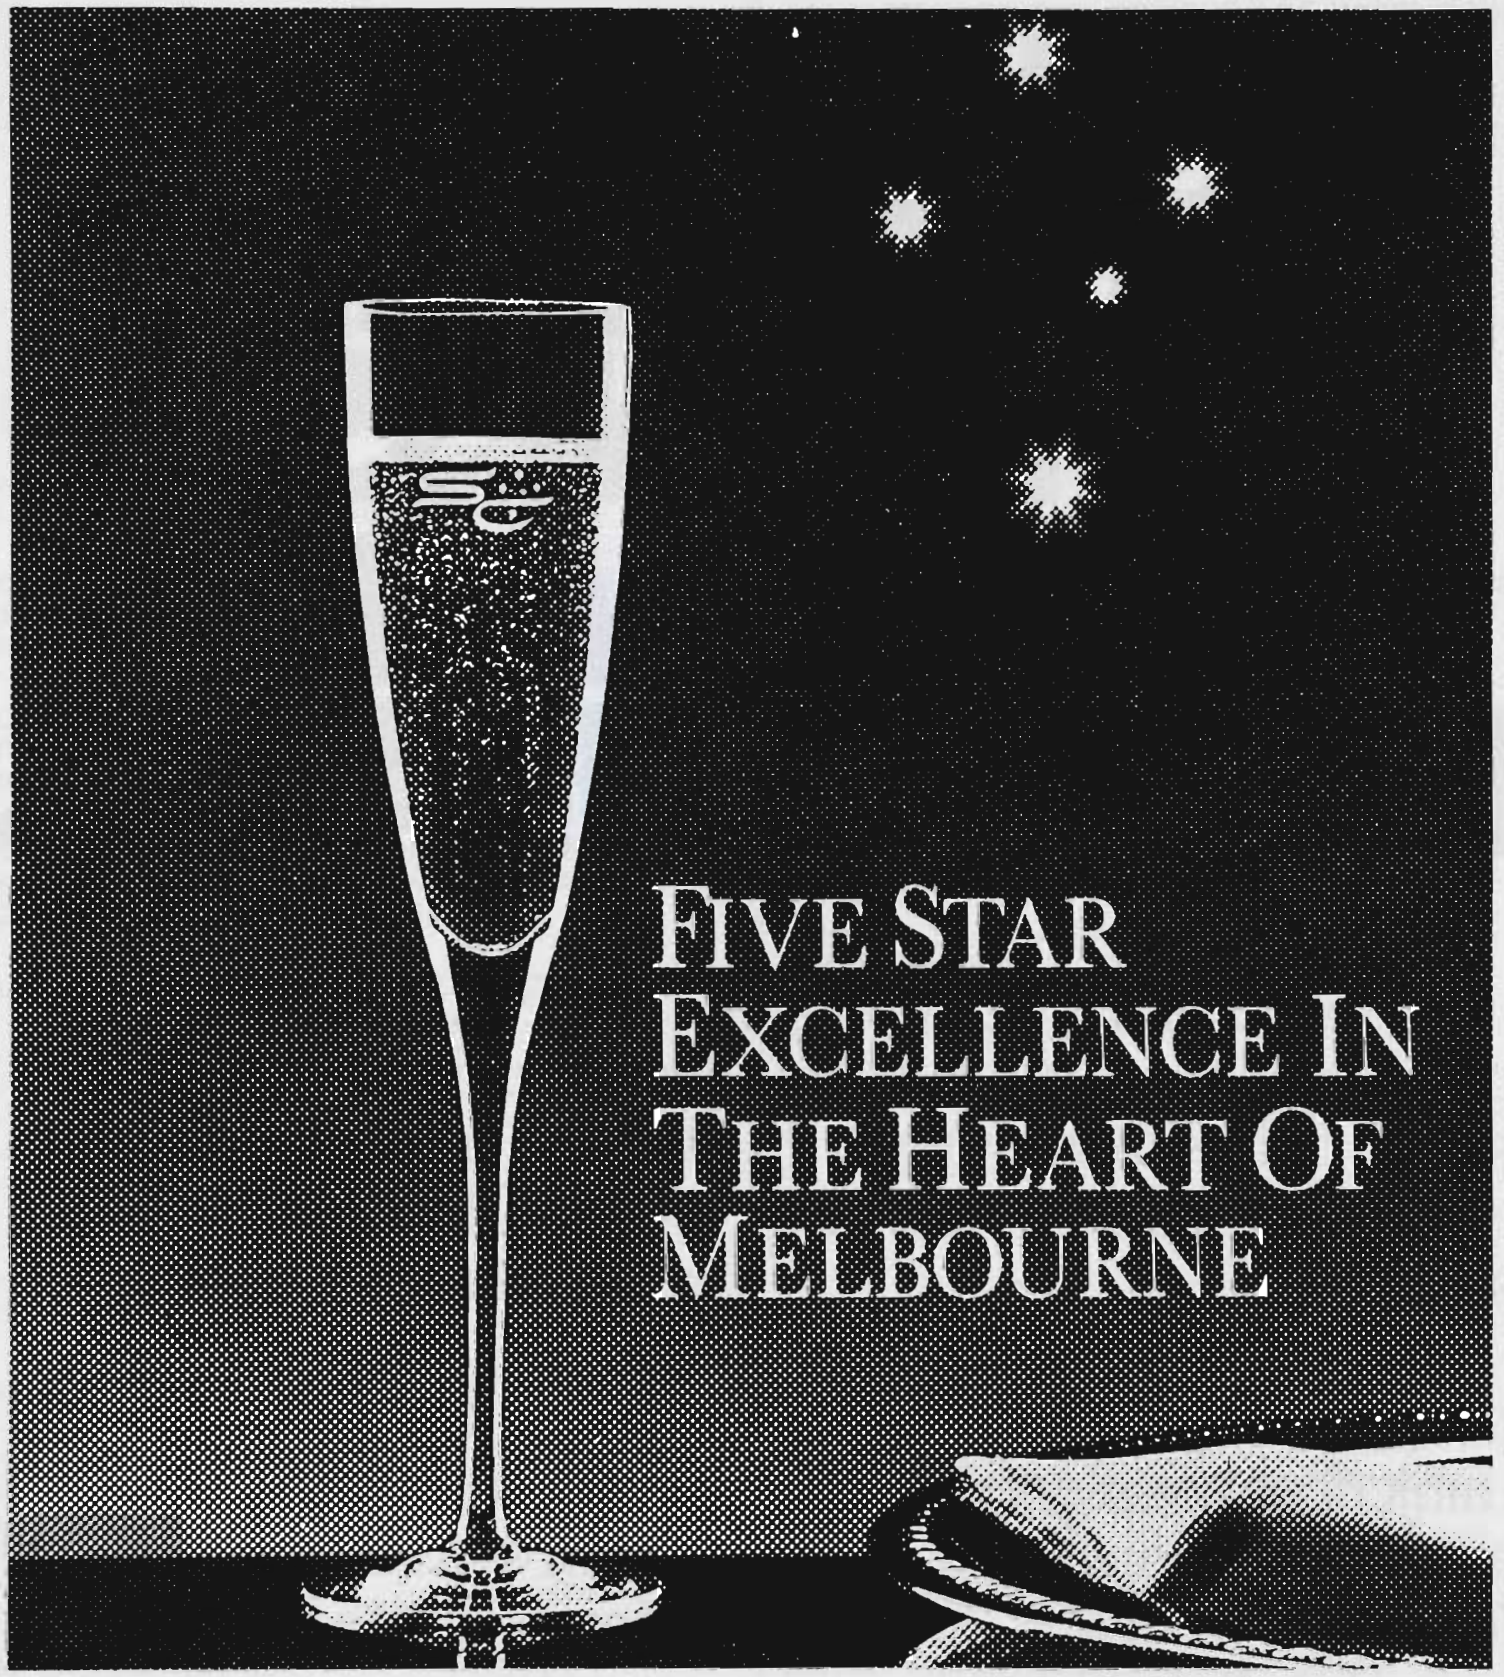

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

State Bank Victoria

PRIZES: First, $20; Second, $10; Third, $5; donated by EGG FARMERS OF VICTORIA.

INGREDIENTS:

250g Dates
125g Glace Pineapple
125g Glace Apricots
125g Green Glace Cherries
125g Sultanas
185g Seeded Raisins
125g Whole Blanched Almonds
185g Shelled Brazil Nuts
2 Eggs
1/2 Cup Brown Sugar, Lightly Packed
1 Teaspoon Vanilla Essence
2 Tablespoons Rum
90g Butter, Softened
1 Cup Plain Flour
1/2 Teaspoon Baking Powder
Pinch of Salt

METHOD:

Stone the dates, then chop the pineapple and apricots into fairly large pieces, and leave remaining fruits and nuts whole. Mix all these well together and reserve half cup combined nuts and glace fruits for garnishing. Beat eggs until light and fluffy, then add the sugar, vanilla essence, rum and softened butter. Continue beating until well blended. Sift the flour with the baking powder and salt and add to the creamed mixture with the fruit and nuts. Mix thoroughly. Lightly grease a loaf pan approximately 25 cm x 10 cm and line the base. Spoon mixture evenly into the pan. Arrange reserved fruit and nuts over the top, pressing down gently. Bake in a slow oven for about one and half hours, or until cake is firm to touch. Allow to cool slightly in the tin before turning out.

PRIZES: First, $20; Second, $10; Third, $5; donated by EGG FARMERS OF VICTORIA, CHANDLER ROAD, KEYSBOROUGH. Entrants in this class must use the recipe provided.

INGREDIENTS:
250g sultanas
250g seeded raisins
250g currants
125g mixed peel
60g blanched almonds, chopped
Finely grated rind of 1 lemon
125g plain flour
Half teaspoon salt
Half teaspoon nutmeg
1 teaspoon mixed spice
250g soft brown sugar
125g soft white breadcrumbs
4 eggs
250g butter, melted
Half cup milk
2 tablespoons brandy

METHOD:
Mix together the sultanas, chopped seeded raisins, currants, mixed peel, almonds and lemon rind. Sift together the flour, salt and spices. Combine the brown sugar and breadcrumbs with the fruit and flour mixtures. Lightly beat the eggs and combine with the slightly cooled melted butter, milk and brandy. Mix the dry ingredients with the moist ingredients. Place the mixture into a greased pudding basin, approximately two — two and half litres in capacity.

Place one thickness of greaseproof paper over the basin followed by a thickness of foil. Tie securely with string. Place the basin on a trivet in a large boiler of boiling water, ensuring the water comes two thirds of the way up the side of the basin. Cover the boiler with a well fitting lid making sure the water is continually replenished and that it remains on the boil. Boil steadily for six hours, then allow to cool and refrigerate.

Prize Group Level $15.
Winners of Contests at Victorian Country Agricultural Shows are eligible to compete provided they have not been successful in winning a Group Final.
The winning exhibitor in this Class must then compete as a Group Finalist at the 1988 Royal Melbourne Show.
INGREDIENTS:
250g sultanas
250g seeded raisins, chopped
250g currants
125g mixed peel chopped
90g red glace cherries, chopped
90g blanched almonds, chopped
third cup sherry or brandy
250g plain flour
60g self raising flour
quarter teaspoon ground nutmeg
half teaspoon ground ginger
half teaspoon ground cloves
250g butter
250g soft brown sugar
half teaspoon lemon essence or finely grated lemon rind
half teaspoon almond essence
half teaspoon vanilla essence
4 eggs

METHOD:
Mix together all the fruits and nuts and sprinkle with the sherry or brandy. Cover and leave for at least 1 hour, but preferably overnight. Sift together the flours and spices. Cream together the butter and sugar with the essences. Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.
Place the mixture into a prepared tin no larger than 20 cm and bake in a slow oven for approximately 3½ to 4 hours or until cooked when tested. Allow the cake to cool in the tin.
NOTE: To ensure uniformity, and depending upon the size, it is suggested the raisins be snipped into 2 or 3 pieces; cherries into 4-6 pieces and almonds crosswise into 3-4 pieces.

RURAL CAPITAL

Responsible lending to rural enterprises.

The management decisions on finance are critical to the success of rural enterprises. Cashflow, when to borrow, when to modernise, expand, to set aside funds for contingencies, all play a role in operating a successful and secure enterprise.

The Rural Finance Commission has a genuine commitment to the ongoing success and development of Victorian rural businesses and farming. To this end it offers a range of financial services to rural Victorians.

Expansion and Improvements

Loans are available for the purchase of land, stock, improving water supply and irrigation, pasture improvements, upgrading with new equipment, plant and the building of additional shedding and new dwellings.

Young Farmers

Loans are available for suitably experienced young farmers to enter farming in conjunction with their current job in a rural enterprise.

Other loan options include assistance to purchase land, deposit gap loans and loans on stock and equipment.

Re-finance or Re-structure Mortgage Loans

The Commission will review existing commitments and future plans and detail obligation-free advice and options on re-structuring of debts or re-financing of an existing mortgage.

Obligation-Free Financial Advice

The Commission does not charge for its experienced and sound financial advice.

Its services are for the benefit of rural Victorians.

Rural Finance Commission

A responsible lender ... for the good of the Country.

Fly JAL's better way to Europe.

Today, the JAL label on the executive luggage is fast becoming the symbol of the knowledgeable traveller.

Via the unique gateway through Tokyo, JAL daylight flights from Sydney fan out to ten major European destinations.

This way you can fly Tokyo-London non-stop. Similarly, for Tokyo-Paris. Other European capitals are only a one-stop flight away.

No other airline offers such a unique service.

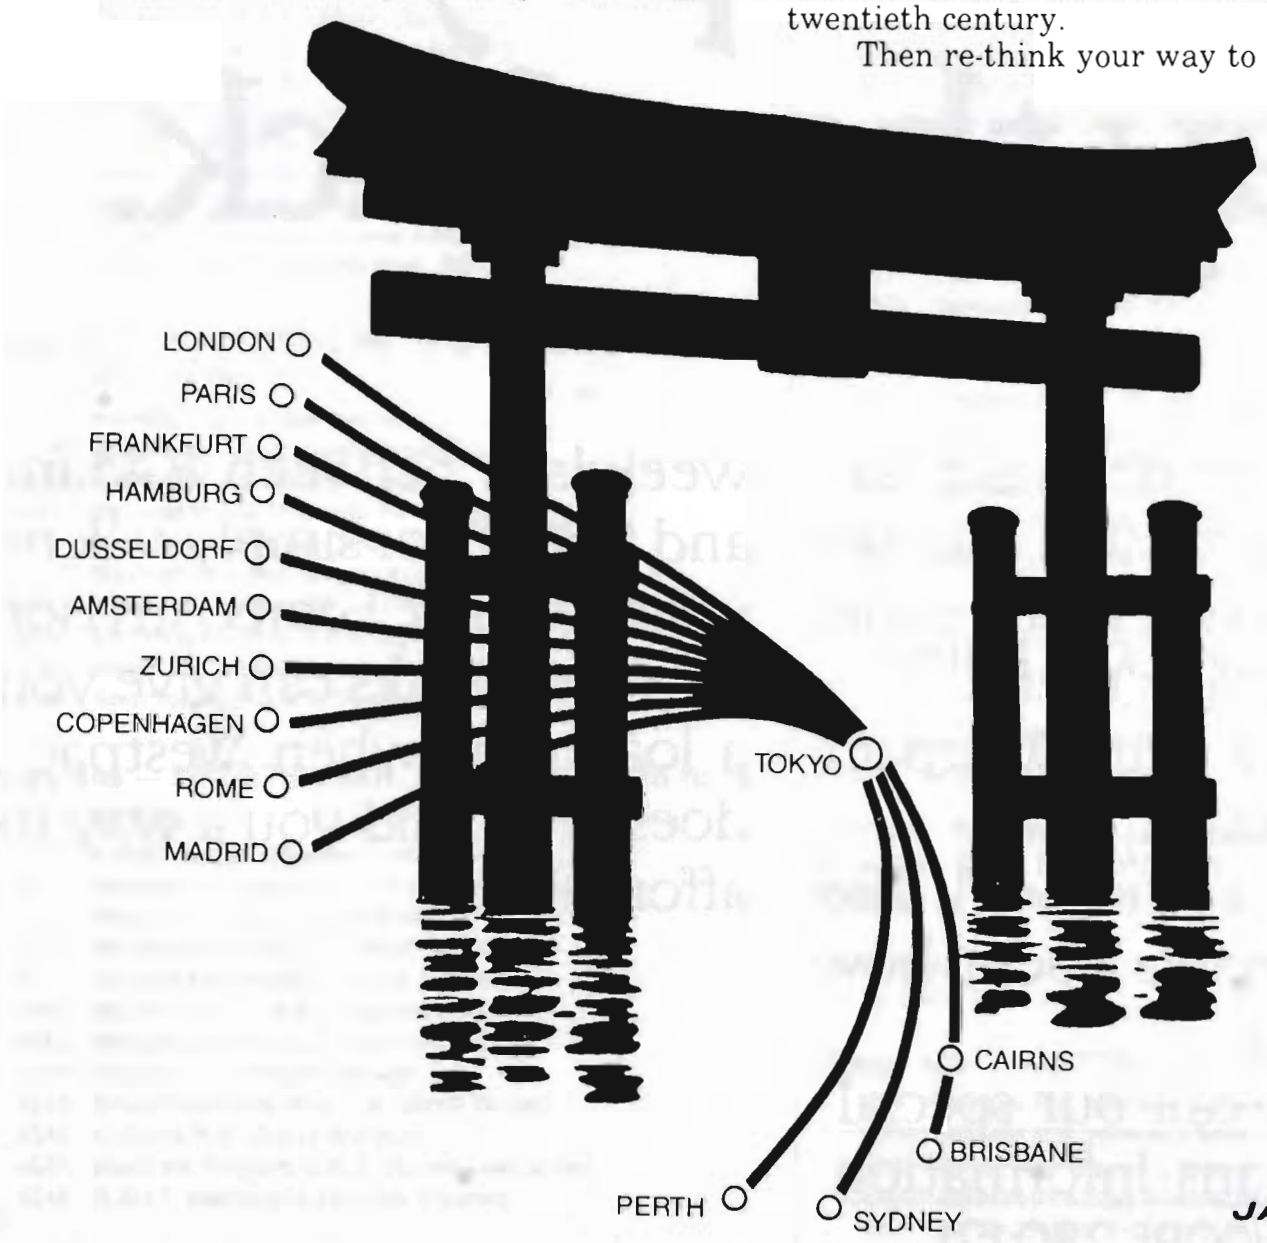

A quick look at a globe of the world (instead of an ordinary flat map) will show you why these JAL routes are so surprisingly direct. And fast.

A quick look at our Japanese and Western menus will show why dining-out on JAL is more like choosing a restaurant than just ordering a meal.

A quick call to your travel agent will show you a flight schedule that makes it logical to re-think your way to Europe: JAL's way (which can also mean a free overnight stopover in Tokyo, if you wish).

Add to all this, the sheer pleasure of flying the only airline that's truly brought an ancient tradition of service into the twentieth century.

Then re-think your way to Europe.

Something new in Personal Loans. A bank that helps you pay them back.

No, we won't make the repayments for you. But we can help make it much easier for you to make them.

Not only will Westpac give Australians a fair hearing for a loan, we'll also be more flexible about how you repay it.

You can call our special Personal Loans Information Service on (008) 230121 (for the cost of a local call) weekdays between 8.45am and 5.30pm or simply talk to your Westpac Loans Advisor.

Most banks can give you a loan. But when Westpac does we'll find you a way to afford it first.

Instant Banking at the Royal Melbourne Show.

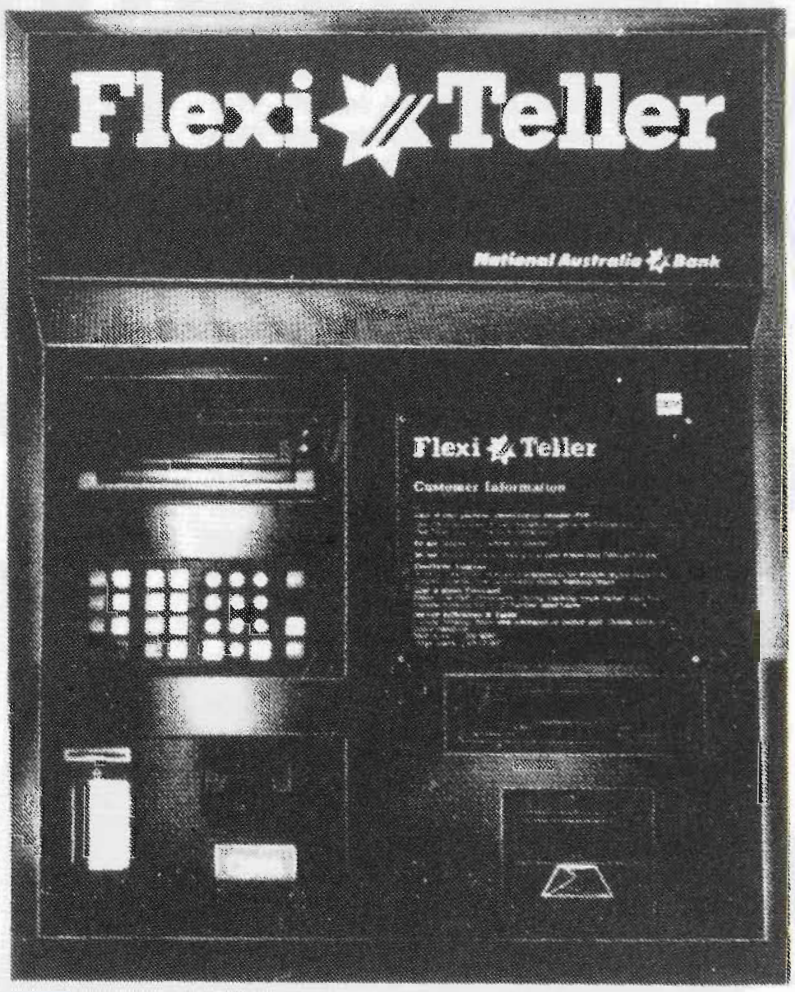

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to $500 a day or $1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller machine and get together with National Australia Bank. Your bank.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

Making Your Dream Holidays - Continental Airlines

Instant Banking at the Royal Melbourne Show.

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to $500 a day or $1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller machine and get together with National Australia Bank. Your bank.

Making Your Dream Holidays - Continental Airlines

REFINED TOUGH
FOR LONGER DIESEL ENGINE LIFE

rimula x

the oil that protects.

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life. You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

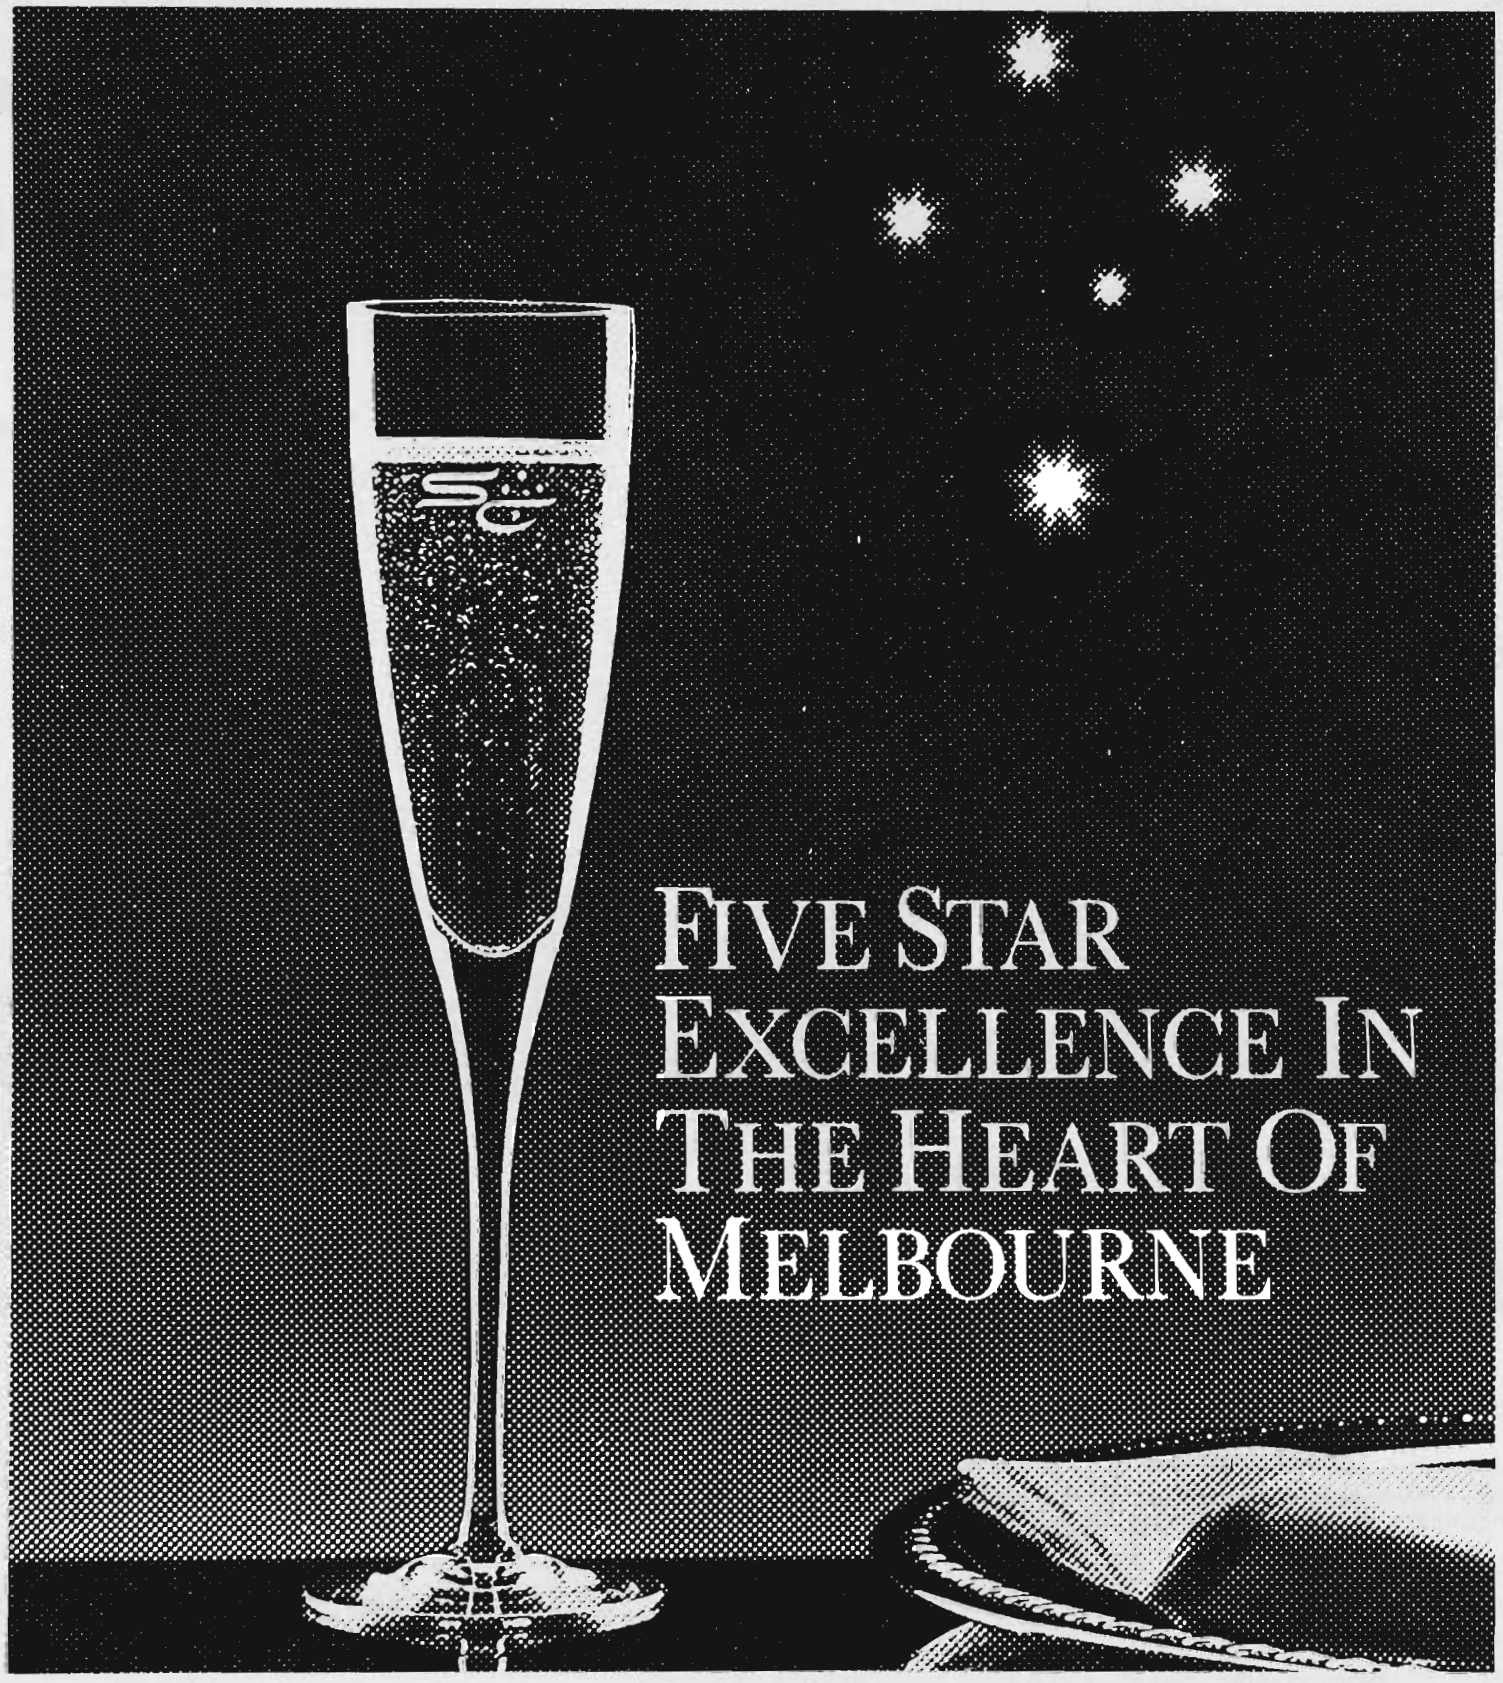

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purppse oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment.

Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.
