CDB
COMMONWEALTH DEVELOPMENT BANK
Developing Australia.

IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

State Bank Victoria

Fly JAL's better way to Europe.

Today, the JAL label on the executive luggage is fast becoming the symbol of the knowledgeable traveller.

Via the unique gateway through Tokyo, JAL daylight flights from Sydney fan out to ten major European destinations.

This way you can fly Tokyo-London non-stop. Similarly, for Tokyo-Paris. Other European capitals are only a one-stop flight away.

No other airline offers such a unique service.

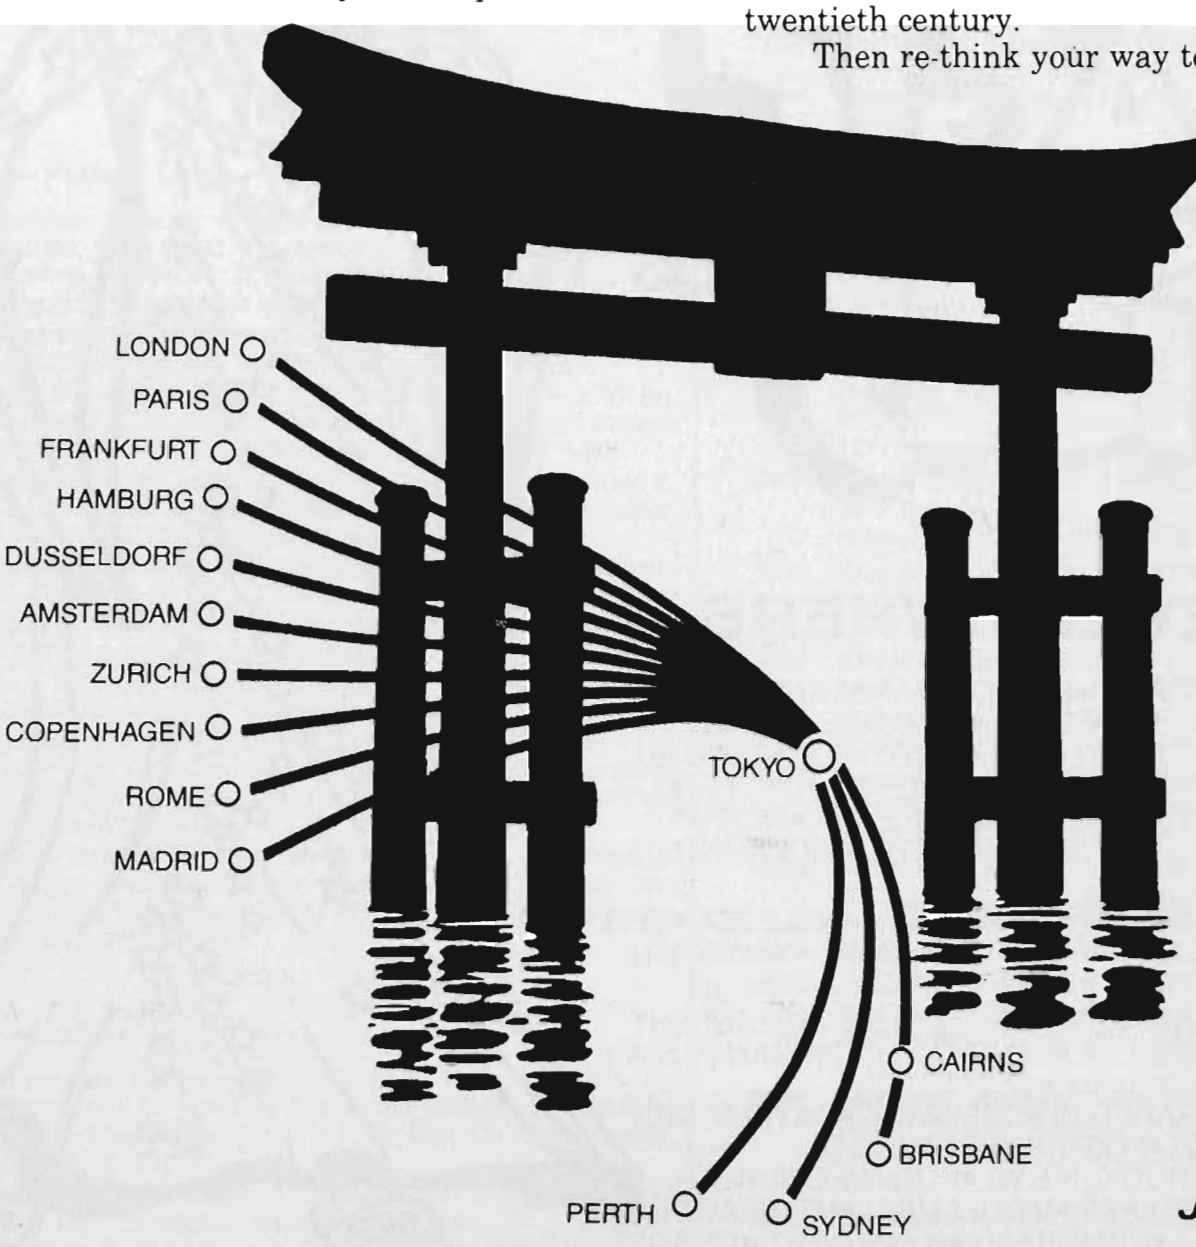

A quick look at a globe of the world (instead of an ordinary flat map) will show you why these JAL routes are so surprisingly direct. And fast.

A quick look at our Japanese and Western menus will show why dining-out on JAL is more like choosing a restaurant than just ordering a meal.

A quick call to your travel agent will show you a flight schedule that makes it logical to re-think your way to Europe: JAL's way (which can also mean a free overnight stopover in Tokyo, if you wish).

Add to all this, the sheer pleasure of flying the only airline that's truly brought an ancient tradition of service into the twentieth century.

Then re-think your way to Europe.

RURAL CAPITAL

Responsible lending to rural enterprises.

The management decisions on finance are critical to the success of rural enterprises. Cashflow, when to borrow, when to modernise, expand, to set aside funds for contingencies, all play a role in operating a successful and secure enterprise.

The Rural Finance Commission has a genuine commitment to the ongoing success and development of Victorian rural businesses and farming. To this end it offers a range of financial services to rural Victorians.

Expansion and Improvements

Loans are available for the purchase of land, stock, improving water supply and irrigation, pasture improvements, upgrading with new equipment, plant and the building of additional shedding and new dwellings.

Re-finance or Re-structure Mortgage Loans

The Commission will review existing commitments and future plans and detail obligation-free advice and options on re-structuring of debts or re-financing of an existing mortgage.

Young Farmers

Loans are available for suitably experienced young farmers to enter farming in conjunction with their current job in a rural enterprise.

Other loan options include assistance to purchase land, deposit gap loans and loans on stock and equipment.

Obligation-Free Financial Advice

The Commission does not charge for its experienced and sound financial advice.

Its services are for the benefit of rural Victorians.

Rural Finance Commission

A responsible lender...for the good of the Country.

Something new in Personal Loans. A bank that helps you pay them back.

No, we won't make the repayments for you. But we can help make it much easier for you to make them.

Not only will Westpac give Australians a fair hearing for a loan, we'll also be more flexible about how you repay it.

You can call our special Personal Loans Information Service on (008) 230121 (for the cost of a local call) weekdays between 8.45am and 5.30pm or simply talk to your Westpac Loans Advisor.

Most banks can give you a loan. But when Westpac does we'll find you a way to afford it first.

(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Principal Officer removes or causes to be removed from the Show Grounds any exhibit, then each such animal shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company its servants and agents from all claims whatsoever in respect of the animal whether arising by reason of any loss of or injury to or caused by the animal or by reason of its transportation, feeding or housing or for any other reason whatsoever.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company or the Principal Officer be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company or the Principal Officer. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company and the Principal Officer shall each have the power without assigning any reason to:

16. Should the Company or the Principal Officer be of the opinion that:

(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with,

then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company or the Principal Officer, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company or the Principal Officer may in their absolute discretion require.

(e) otherwise accomodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company and the Principal Officer reserve the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. An exhibit ticket will be issued by the Company for each exhibit unless the Principal Officer otherwise determines. IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

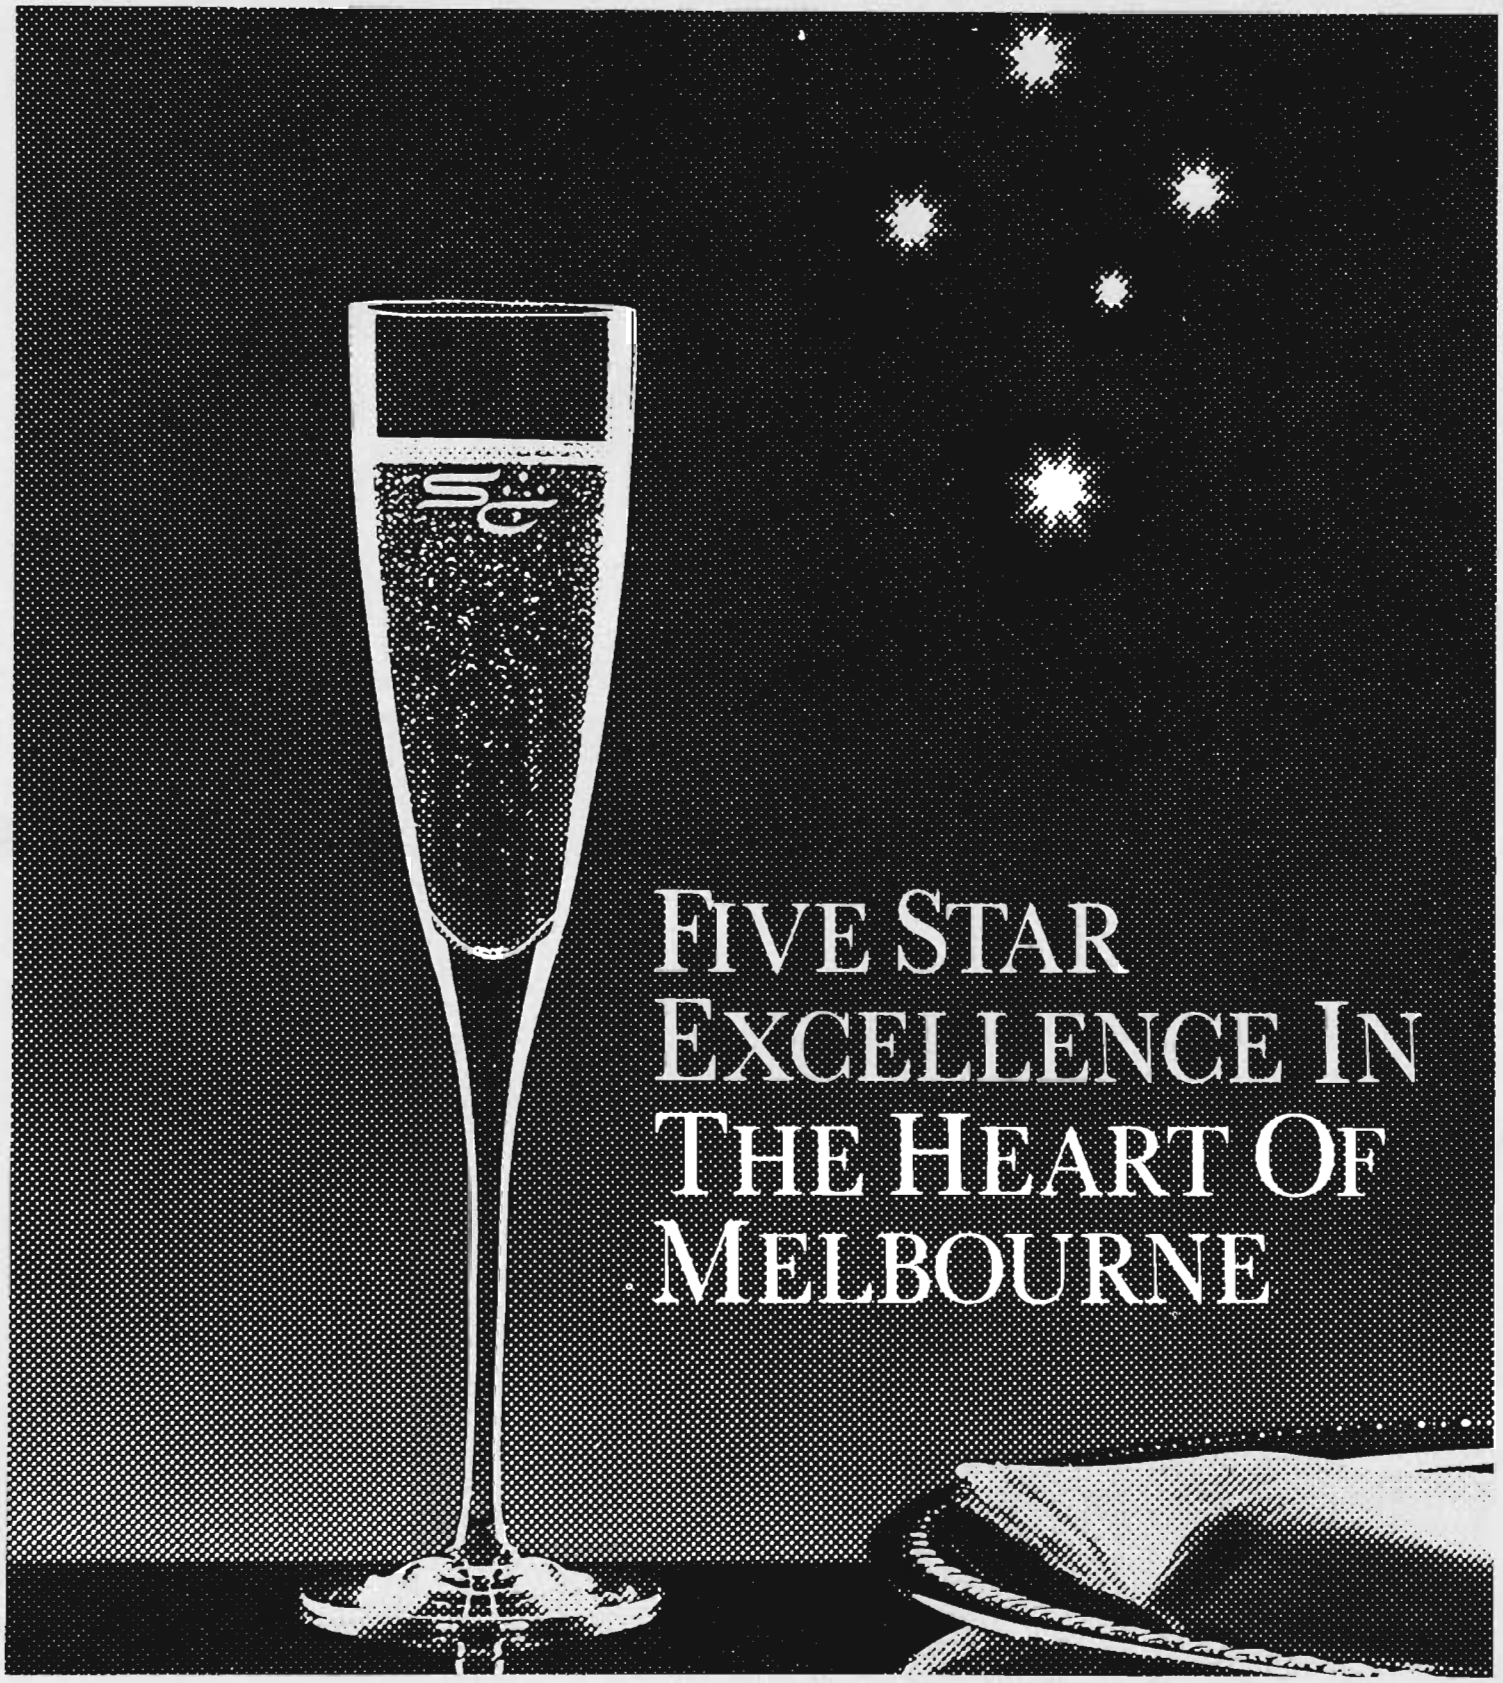

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

State Bank Victoria

AMP Insurance Bonds let you choose the balance you want between growth & security.

If you've got upwards of $4,000 to invest, AMP Insurance Bonds are a marvellous investment. Why? Because they let you choose where your money will be placed: in a portfolio with an emphasis on high-performing Australian and International shares; or in a more broadly based investment mix that provides unmatched stability.

Whichever you choose, your money is managed 24 hours a day, and you can even switch between options. And above all, you have the AMP Investment Powerhouse behind you.

For more information, talk to your AMP agent or phone (03) 617 6570 for the latest information and Quarterly Performance Report.

WHO ELSE COULD YOU TURN TO? AMP

This is the year to make your dream of a holiday in Hawaii come true.

Continental Holidays has developed a fine range of package holidays and independent holiday modules to suit every need.

The Go As You Please rates are for those who want total flexibility in their holiday planning. Make up an itinerary to suit your travel plans.

There are four specially designed package holiday modules featuring Honolulu on its own or in combination with the neighbour islands of Maui, Kauai and Hawaii.

If you have never been to one of Hawaii's neighbour islands, then our combination packages give you the chance to experience the very best of this island state.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

Instant Banking at the Royal Melbourne Show.

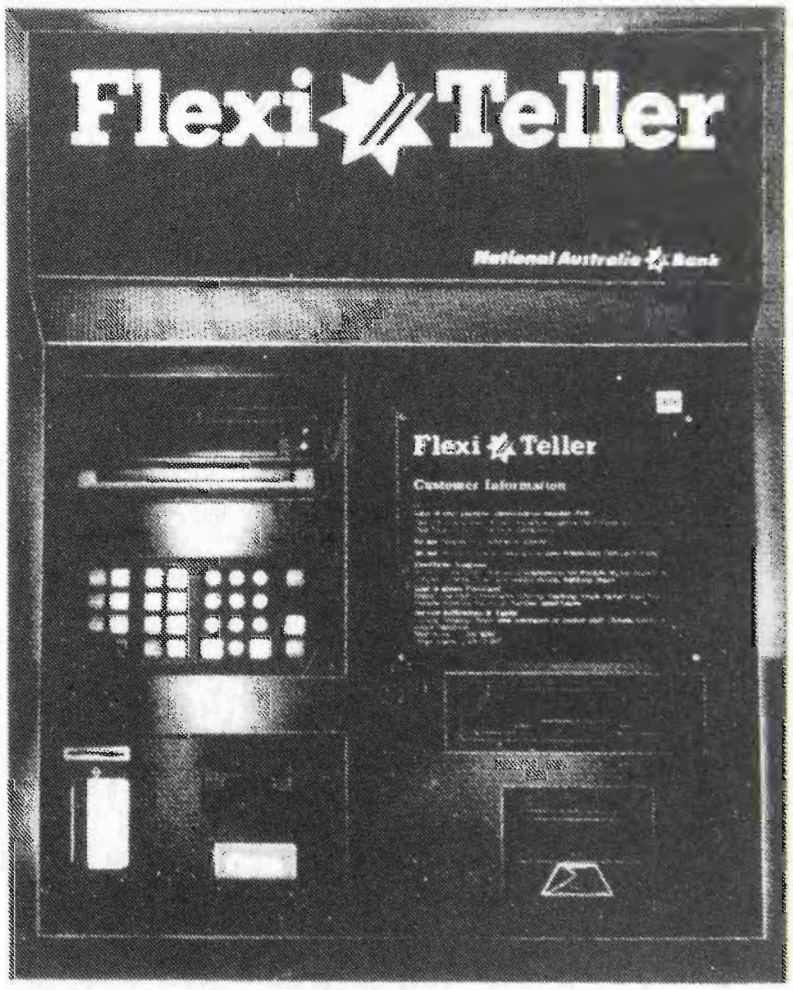

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to $500 a day or $1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller machine and get together with National Australia Bank. Your bank.

RURAL CAPITAL

Responsible lending to rural enterprises.

The management decisions on finance are critical to the success of rural enterprises. Cashflow, when to borrow, when to modernise, expand, to set aside funds for contingencies, all play a role in operating a successful and secure enterprise.

The Rural Finance Commission has a genuine commitment to the ongoing success and development of Victorian rural businesses and farming. To this end it offers a range of financial services to rural Victorians.

Expansion and Improvements

Loans are available for the purchase of land, stock, improving water supply and irrigation, pasture improvements, upgrading with new equipment, plant and the building of additional shedding and new dwellings.

Re-finance or Re-structure Mortgage Loans

The Commission will review existing commitments and future plans and detail obligation-free advice and options on re-structuring of debts or re-financing of an existing mortgage.

Young Farmers

Loans are available for suitably experienced young farmers to enter farming in conjunction with their current job in a rural enterprise.

Other loan options include assistance to purchase land, deposit gap loans and loans on stock and equipment.

Obligation-Free Financial Advice

The Commission does not charge for its experienced and sound financial advice.

Its services are for the benefit of rural Victorians.

Rural Finance Commission

A responsible lender ... for the good of the Country.

Fly JAL's better way to Europe.

Today, the JAL label on the executive luggage is fast becoming the symbol of the knowledgeable traveller.

Via the unique gateway through Tokyo, JAL daylight flights from Sydney fan cut to ten major European destinations.

This way you can fly Tokyo-London non-stop. Similarly, for Tokyo-Paris. Other European capitals are only a one-stop flight away.

No other airline offers such a unique service.

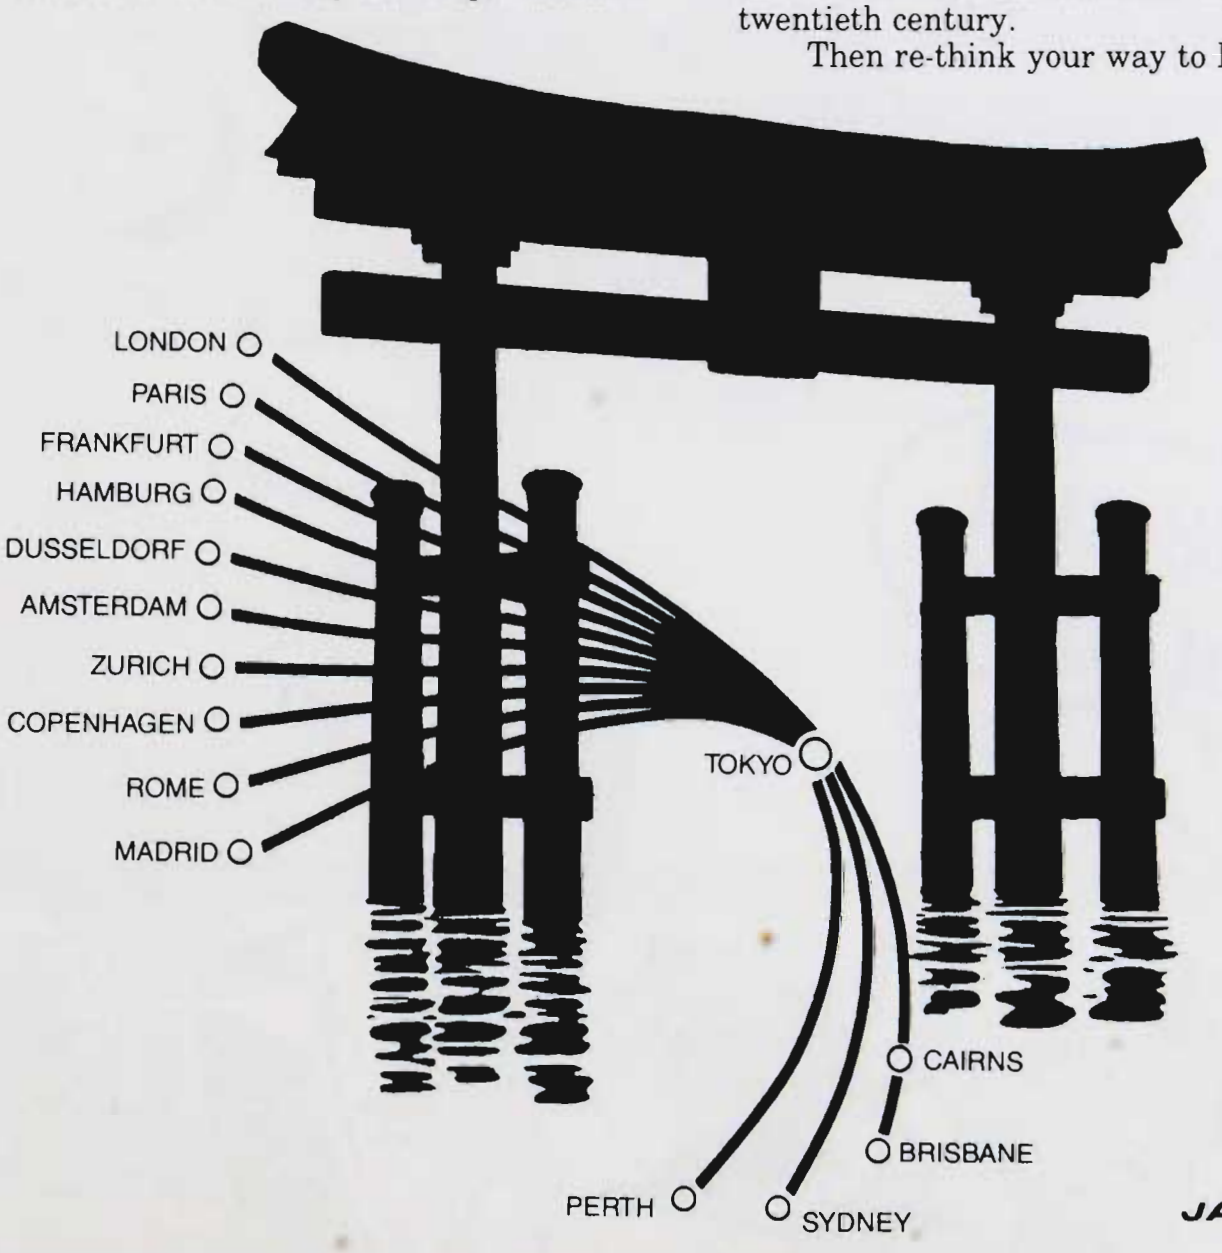

A quick look at a globe of the world (instead of an ordinary flat map) will show you why these JAL routes are so surprisingly direct. And fast.

A quick look at our Japanese and Western menus will show why dining-out on JAL is more like choosing a restaurant than just ordering a meal.

A quick call to your travel agent will show you a flight schedule that makes it logical to re-think your way to Europe: JAL's way (which can also mean a free overnight stopover in Tokyo, if you wish).

Add to all this, the sheer pleasure of flying the only airline that's truly brought an ancient tradition of service into the twentieth century.

Then re-think your way to Europe.

THE ROYAL AGRICULTURAL SOCIETY OF VICTORIA

FERTILISERS AS DIVERSE AS THE COUNTRY

When a fertiliser co-operative is controlled by farmers there can be no doubt about who benefits.

When a fertiliser co-operative is owned by 36,000 Australian farmers, rather than financiers or non rural investors, it's no wonder that it always puts the farmer first.

After all, the ones who benefit from PIVOT's operations are farmers themselves, through the supply of the full range of nutrients and types of fertiliser, at highly competitive, if not market leading prices and ultimately the distribution of profits to farmer shareholders using the products.

There can be few finer sentiments in the industry than this.

PIVOT Single Super, Potash, Super Blends and all High Analysis fertilisers.

Almost every farm and crop has different nutritional requirements. There is no cut and dried solution. PIVOT believes that farmers should have a full choice of fertilisers by type and blend to achieve the most productive result from your crops and pastures.

In addition to market leading prices and products, remember PIVOT rebates its profits to farmers.

Add it up... it pays to buy from a Co-operative owned by Australian Farmers.

Wouldn't you prefer to buy from a Co-operative owned by Australian Farmers.

Royal Melbourne Show 1987

September 17th to 26th, 1987

IMPORTANT NOTICES

THE ROYAL AGRICULTURAL SOCIETY OF VICTORIA HAS NOW INCORPORATED A COMPANY R.A.S.V. LIMITED UNDER THE COMPANIES (VICTORIA) CODE.

EXHIBITORS HAVE BEEN NOTIFIED THAT EXISTING CONTRACTS OF THE SOCIETY WILL BE PERFORMED BY R.A.S.V. LIMITED.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to the Company's General Conditions of Entry, these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Principal Officer.

4. Unless otherwise permitted by the Principal Officer all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent.

7. Restrictions on the number of entries in any section or class may be made by the Company or the Principal Officer.

OWNERSHIP OF EXHIBITS

8. Unless the Company or the Principal Officer otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company and the Principal Officer shall have the power to recognize or reject such lease as it or he deems fit.

9. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company or the Principal Officer.

10. In the case of animal entries, only one Exhibitor will be recognised as an owner from any one holding, unless otherwise determined by the Principal Officer . Any Exhibitor who enters, or permits the entry of any of his animals, in the name of any other Exhibitor, may be dealt with in accordance with the applicable regulations.

LIABILITY FOR EXHIBITS

11. Neither the Company nor any official, judge, steward, officer or employee of the Company nor any member of the panel of veterinary surgeons referred to in Regulation 38 shall under any circumstances be liable for:

(a) the loss or death of any exhibit;
(b) any damage or injury occasioned to or by any exhibit; or
(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Principal Officer removes or causes to be removed from the Show Grounds any exhibit, then each such animal shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company its servants and agents from all claims whatsoever in respect of the animal whether arising by reason of any loss of or injury to or caused by the animal or by reason of its transportation, feeding or housing or for any other reason whatsoever.

GENERAL REGULATIONS FOR ALL COMPETITIONS

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of any member of the Company or the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company, (its officers, officials, members and employees) Directors' or members of the Company from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and its employees, officers, officials and members for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company or the Principal Officer be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company or the Principal Officer. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company and the Principal Officer shall each have the power without assigning any reason to:

(a) cancel any event or class;
(b) alter the time or place at which any class or event is to take place;
(c) alter the conditions of any event;
(d) remove any exhibit from the Show Grounds.
(e) alter the date or time for the closing of entries for any section or class or for any particular entry;
(f) transfer an exhibit and Exhibitor from any class to any other class; or
(g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company and the Principal Officer. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company or the Principal Officer be of the opinion that:

(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with,

then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company or the Principal Officer, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company or the Principal Officer may in their absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Society) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

(a) giving any reason or reasons for the exercise of its discretion;
(b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
(c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
(d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
(e) otherwise accomodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company and the Principal Officer reserve the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. An exhibit ticket will be issued by the Company for each exhibit unless the Principal Officer otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Principal Officer or the Steward in Charge at the time of judging.

ACCOMMODATION OF EXHIBITS

22. Exhibits shall be placed where directed by the Principal Officer.

(For example, if two exhibits tie for first place, the next placing to be awarded is third.)

29. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

FOREWORD BY CHAIRMAN

To undertake an exhibition of this scale depends on three groups of dedicated people for it to be a success. Without any one of these groups, the exhibition would be doomed to failure.

The first group I refer to are the Sponsors.

My sincere thanks are extended to all sponsors for their donations to make this exhibition the success it is. Without them, the exhibition would be a fruitless task with no awards for presentation to the winning entrants.

Before leaving the Sponsors, I would also like to thank the major Sponsor of this exhibition, Kodak (Australasia) Pty. Ltd. for their continued support over the years and in particular this year for the inclusion of monetary prizes into all divisions of this exhibition. This I believe will be an added bonus and attraction for more entrants to participate in future years.

The next group of people to thank are the Entrants.

Without Entrants there would be no need to run an exhibition. Seeing the quality of work that is on display at this exhibition, it is evident many hours were spent searching out their subject, capturing the moment on film, and spending hours in darkrooms all over this continent to get a print or slide worthy of acceptance.

The final thank you goes to the People behind the scenes that assist at any stage when their expertise is drawn on.

R.A.S.V. Limited, particularly to Ms. Jan Gray and her fellow workers of the Arts and Crafts Section of the R.A.S.V. Limited, without them, I would have been floundering in a sea of paperwork.

The Committee of the VAPS and in particular Dr. Edgar Gatt for his guidance given throughout the year.

To the Australian Photographic Society for approval of this exhibition and their donation of silver plaques.

To the Judges for their skill and time involved in their selection.

To members of Camera Clubs that have donated their time during the judging and the manning of this exhibition.

Thank you to Ian Bock, Ron Mathieson, Ray Gardini and Arthur Loughridge for their special tasks that they have been allocated to enable this exhibition to proceed.

Please enjoy this exhibition, and hopefully will see you again next year.

Robert McKay, *Chairman*

To our major sponsor -

KODAK (AUSTRALASIA) PTY. LTD.

Our thanks cannot be adequately expressed for their every facet of assistance in this project. This year, the accepted slides will be shown on dual projection synchronised audio-visual by front projection in a projection room.

The trophy donors, too, are a very important part of sponsorship, without which the RASV/VAPS NATIONAL would not have such a standing in the Community and throughout Australia.

The Panel of Judges carried out their arduous task with fervour.

Many thanks, also to the Committee, the Judging Day team, and the many other helpers.
