IMPORTANT NOTICE

EXHIBITORS ARE ADVISED TO READ ALL THE REGULATIONS CAREFULLY BEFORE SUBMITTING ENTRIES. SEVERAL AMENDMENTS HAVE BEEN MADE TO THOSE WHICH APPLIED IN 1987.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent. The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

(a) the loss or death of any exhibit;
(b) any damage or injury occasioned to or by any exhibit; or
(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. 20. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

This is the most common answer our managers give to any reasonable request for a Personal Loan.

They are approving loans for cars, holidays, boats, home improvements and pools.

But your plans don't have to fit into these categories to warrant a 'Yes.'

We treat each application on its merit.

And if you ask whether the interest rate is very competitive, the answer's the same.
'Yes.'

Instant Banking at the Royal Melbourne Show.

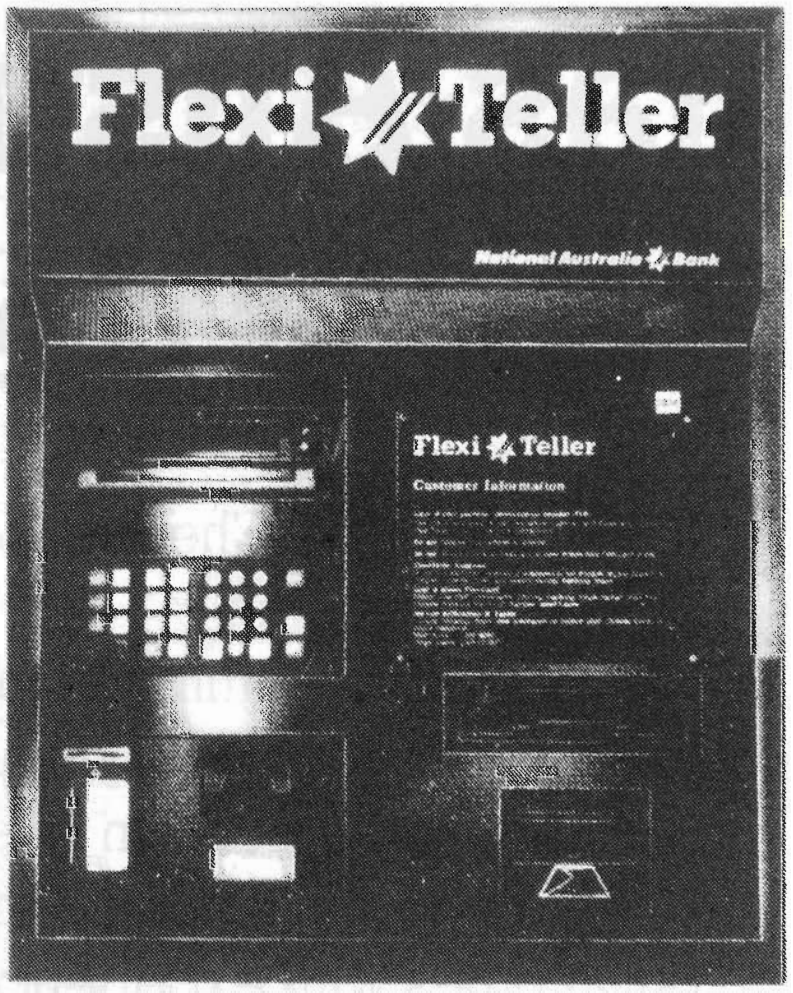

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to 2am.

All you need to withdraw up to $500 a day or $1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller machine and get together with National Australia Bank. Your bank.

Proudly Australian

Australia has always been a pioneer in the history of aviation, and Australian Airlines has always been at the forefront of this innovation.

With the coming of deregulation, Australia's Airlines enter an exciting and challenging new era. An era of fair and open competition that will bring out the best in every player.

At Australian, we believe that the Airline that consistently provides the better service, without compromise, will come out on top.

We intend to be that airline and already have introduced new ideas and standards to fulfill our promise: Australia's only Business Class, Better Business Schedules in key ports, a new generation of world class Flight Deck Clubs and Australia's leading network of leisure resorts.

We have also achieved a solid profit base as an essential foundation to continue this innovation and leadership.

Now Breeders can give even better care.

Vetcare.

It's the Vet's own brand of animal care products. The very best care breeders can give to their newborn. To their puppies and kittens. And to their adult animals.

The Vetcare brand heralds a new era of pet care product responsibility. The Australian Veterinary Association, together with ICI, have developed a range of products prepared to the very highest ethical pharmaceutical standards.

Already, there are Vetcare Flea Collars, Shampoos, Flea Powders, Antiseptic Powders and Worming Tablets.

Intensive research and development is underway right through 1988, to release even more products. Products that will answer many of the special problems encountered by Breeders. Products you'll know you can rely on. Because their formulations draw on Australia's very finest veterinary expertise.

Look for Vetcare in your Vet's Surgery, Chemist, Supermarket or Wholesaler.

Vetcare® Now you can give your pet even better care.

QUALIFYING COMPETITIONS.

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch Inc.) and each Country Show Society affiliated with the Victorian Agricultural Societies Association is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 years and under 15 years of age on the day of its show.

IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. a plain snaffle with a straight bar or jointed in the centre, the mouthpiece must be smooth).

2. Each Society conducting qualifying competitions is required to notify the R.A.S.V. Limited of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given to the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions", and the R.A.S.V. Limited to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S.V. Limited Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability - mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at The Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the mount or mounts selected by the Society. (See regulation regarding saddlery in 1).

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The R.A.S.V. Limited may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

13. All entries must be lodged with the Society by 5 p.m. on Thursday, September 18.

Flags to be placed nine yards (27 ft.) apart in straight rows of six (6). Each row to be 10 yards apart.

First flag to be nine yards from the barrel. Each measured position of blocks and barrels to be marked with substance provided. Blocks to be placed on appropriate spots, with rods in place in drilled holes.

RULES FOR FLAG RACE COMPETITION

1. Competitors to start on left hand side of barrel and turn their horses on the right (off side) rein.
2. Competitors must place each flag in the barrel before the next flag is picked up. The farthest flag should be picked up first. If missed, competitor may pick up another flag on the way back to the barrel, but must return to the first flag next time.
3. Exhibits will start on left side of barrel and will finish immediately the competitor places the last (6th) flag in the barrel and exhibit crosses the finish line.
4. (a) A competitor may use the full distance between lanes, but will be disqualified for crossing another competitor's row of flags.
   (b) Competitors who knock down another competitor's flags or barrel will be disqualified and must withdraw immediately.
   (c) If a competitor's flag or barrel is knocked down by another competitor, these must be immediately placed upright by the lane stewards. If the stewards have insufficient time to do so, and the competitor had a good chance of being placed first, the Judge shall decide whether to allow him another start in a heat or put him into the semi-final or final, as the case may be.
   (d) If there are less than four (4) starters in a heat, the vacant row of flags must be left in position, and the competitor in the adjoining row must not cross over these.
   (e) If a competitor is disqualified for breaking this rule, that competitor should retire from the course without causing further interference to the other competitors.
5. (a) If a competitor knocks over his or her own barrel, it must be placed upright by said competitor before any more flags are placed in it.
   (b) If the flags that were already in the barrel fall out when the barrel is knocked over, they may be placed back in by the competitor without having to remount.
   (c) If a competitor drops a flag or knocks down his or her barrel, that competitor may not use any outside assistance or property of the event to (1) pick up flag; (2) replace barrel; or (3) remount horse.
   (d) All flags must be placed in the barrel with the competitor mounted. If a competitor can pick up a dropped flag without dismounting, he may do so, but if not, they must dismount and pick up the flag, mount, and place it in the barrel.
6. (a) If a competitor's flag stick breaks, one broken piece may be placed in the barrel and counted as a complete flag.
   (b) If the flag material comes apart from the stick, the broken stick rule will apply, and the flag material may be placed in the barrel and counted as a flag.
7. If a flag lands horizontally on top of the barrel, it shall be judged out of the barrel, and must be placed in same by the competitor, but if any portion of the flag stick, except the material, is inside the barrel, although it may be protruding at an acute angle, it shall be judged in and not need to be touched by the competitor. However, if that competitor tries to rectify the position and the flag falls out before the last competitor has completed the course or retired, that flag shall be judged out, and the course incomplete.
8. After a flag race is finished, the judge must inspect the barrels and make sure that all six (6) flags have been placed in each barrel. If any flags are found to be out, that competitor will be disqualified or given the chance to complete the course if the placings depend on that course being completed.
9. Competitors in outside lanes will be disqualified if they exceed the distance allotted between lanes.

State Bank's long term loans. Because Mother Nature intends being around a long time.

Not surprisingly, a farmer's cash flow changes like the weather.

Which is why long term loans are so necessary.

And why the repayments on those loans should be as flexible as possible.

At State Bank Victoria, not only do we offer loans for periods of up to 20 years at very competitive rates, but we can also tailor the repayments to suit your cash flow and your ability to meet seasonal commitments.

What's more, our team of rural consultants can visit your property with the branch manager, discuss your needs and in most cases give immediate approval.

At State Bank Victoria we can't claim to have Mother Nature under control but we're certainly making her a bit easier to bear.

State Bank Victoria

We never forget it's your money.

GROUP B SPECIAL EVENTS

Class 632 — THE "COMMERCIAL UNION" TOP SCORE STAKES.

F.E.I. Rules - (article 246).
SPECIAL PRIZES, $650 ($650 presented by COMMERCIAL UNION ASSURANCE CO. OF AUST. LTD., 422 COLLINS STREET, MELBOURNE.) First, $215; Second, $165; Third, $110; Fourth, $80; Fifth, $50; Sixth, $30.

1. In this competition, each obstacle is allotted a number of points, from 10 to 120 according to its difficulty. A water jump may be included but no combinations are allowed.

Section 23 Jumping Competitions

2. Competitors are credited with the number of points allotted to each obstacle provided it is jumped clear. No point is awarded for an obstacle knocked down.
3. Each competitor is allowed a time of 60 seconds. During this time, he can jump all the obstacles he chooses in the order and the direction that he desires. The starting line is obligatory and can be taken in either direction.
4. The bell will indicate the end of the course. The competitor must then cross the finishing line, from either direction so that the Jury can register the time.
5. At the expiration of the time allowed for the course, the competitor will be credited with the number of points allotted at the last obstacle if it is jumped clear and if the forelegs of his exhibit have touched the ground on landing when the bell sounds.
6. An obstacle knocked down during the course will not be rebuilt and if it is re-jumped, no points will be credited to the competitor. The same applies when a lower element sited in the same vertical plane is displaced. If a flag at an obstacle is knocked down, it will not be replaced and if the obstacle is re-jumped, no points will be credited to the competitor.
7. Each obstacle can be jumped twice to count. Jumping, voluntarily or not, an obstacle for the third time or passing through the flags of an obstacle already knocked down, entails no elimination but scores no points.
8. Disobediences and falls are penalised by the time lost by the competitor but, after three disobediences, the bell will be rung to stop the competitor who must then cross the finishing line. In this case, the competitor will be placed according to his points and time but after any other competitor with the same points and time.
9. The competitor scoring the greatest number of points will be the winner. In the case of an equality of points, the fastest time between the starting and the finishing lines will be decisive. In the case of equality of points and time, there will be a jump-off according to the same formula with a time allowed of 40 seconds.

2. All members of the Section shall be similarly armed with either sword or lance. These weapons will be of a type approved by the Association. The lance used in competitions shall not be shorter than 2.5 metres (8 ft. 2 ins.) and shall not exceed 2.75 metres (9 ft.). The sword used in competitions shall not be shorter than 81 cms. (2 ft. 8 ins.) and shall not exceed 88 cms. (2 ft. 11 ins.) in blade length.
3. A team may consist of four left handers, or four right handers, or three right handers and one left hander, providedhe rides No. 1, or three left handers and one right hander, provided he rides No.4.
4. **Tentpegs**
   (a) Pegs used shall be approved softwood, bound in two places by wire. They shall be painted white on one side, while the reverse side is left unpainted to allow pegs to be soaked thoroughly before use. Each peg is to be identified on the reverse side if particle.
   (b) Peg size for lance and sword drill shall be 30 cm. (1 ft.) high x 7.5 cm. (3 ins.) wide x a minimum of 2.5 cm. (1 in.) depth.
   (c) Pegs of smaller dimensions will be used at the discretion of the judge to determine the winner, or winners of any competition.
5. Pegs shall be placed in the ground two metres (6 ft. 7 ins.) distance from each other in single file and three metres (9 ft. 10 ins.) intervals in line abreast when using lances or swords.
6. A round shall consist of at least one run single file, followed by one run in line abreast. (A competitive event shall consist of at least three (3) rounds).
7. The terms of scoring points shall be:

"Carry" (6) Peg removed 20 metres (65 ft. 7 ins.) or more, distance to be measured from the point at which the peg was placed. In single file run, there shall be four carry markers each one being 20 metres (65 ft. 7 ins.) from its respective peg. The peg is to be removed by point of weapon.

"Draw" (4) Peg removed from the ground by the point of weapon, but not carried 20 metres (65 ft. 7 ins.)

"Strike" (2) Peg struck by point of weapon, but not removed from the position in the ground. Pegs must be struck on the face of the peg by the point of the lance or sword. In the case of a split peg, provided it is struck in excess of 2 cm (inch) from either side, full points shall be awarded.

8. The Judge may allot up to 8 bonus points (with provision for half points), for each round for drill, pace and style of the run. Drill points are allotted as BONUS points ONLY, and must not be deducted from the pegging points. The judging of drill will commence from the time of salute at the beginning of the round, not when in the marshalling area, and finish when lances are returned to the carry position after removal of pegs after the four abreast run. The Judge will nominate a point of commencement of drill.
9. The pace required shall be a full gallop, which must be attained at the 30 metre gallop marker "A" and maintained by all riders until reaching the 40 metre marker "D" (refer attached diagram).

The Section will be numbered from the right and the run in Single File must be carried out in numerical sequence and at approximately 20 metres (65 ft. 7 ins.) distance between files. Similarly No. 1 must be on the right of his Section for the run in Line Abreast.
    If competitor rides out of sequence, there shall be no peg points allotted for the rider in that run, or drill points for the team, over the complete round.
    If a competitor rides at a distance greater than 40 metres (131 ft. 3 ins.) in single file OR if the first and last rider in line abreast have more than 20 metres (65 ft. 7 ins.) distance between them at the pegs, then no drill points shall be allotted for the complete round.
11. Each competitor must engage riders own Peg. In Single File No. 1 takes the first peg rider meets, No. 2 the second peg, etc., in Line Abreast No. 1 takes the right hand peg, No. 2 the second from the right, etc. If a rider takes another's peg rider loses any score achieved and prevents the other rider from scoring as well. Rider who took peg will also lose three points for drill.
    If rider engages another's peg but misses it, three points shall be deducted for drill.
    The Rider whose peg is accidentally dislodged from the ground (i.e. by a horse's hoof), the rider may still attempt to pick up the peg and if he does so will be credited with full points (carry only), but drill point will be lost.

Section 24 Tentpegging

21. Pegging up will be carried out by either the reserves of competing teams or by the stewards appointed by the controlling body. Judges will be responsible to see that pegging up is carried out correctly.
22. Officials in the centre of the ring shall be limited to an absolute minimum.
23. The rules and regulations of Section Tentpegging shall also apply to Individual and Pairs events. Drill points shall be four points per round.

There will be several rounds on different days with total prize money of $3000.

The Company is endeavouring to alter the programme of events to decrease the stay of competitors. It is hoped that all events will be conducted on Friday, September, 16 and Tuesday, September 20th.

The R.A.S.V. Limited invites entrants on the basis of performance sent in on the entry form which will appear in the June/July issue of The Australian Stock Horse Journal. However, the R.A.S.V. Limited reserves the right to make the final selection.

The form must be returned to the Principal Officer, R.A.S.V. Limited, Showgrounds, Ascot Vale, 3032.

Invitations to selected competitors will be issued shortly after that date.

Entry fee ($50.00) will be required from those nominations accepted for competition.

GENERAL REGULATIONS.

R.A.S.V. LIMITED

A Company Incorporated in Victoria by the Royal Agricultural Society of Victoria

Royal Melbourne Show 1988

September 15th to 25th, 1988

IMPORTANT NOTICE

EXHIBITORS ARE ADVISED TO READ ALL THE REGULATIONS CAREFULLY BEFORE SUBMITTING ENTRIES. SEVERAL AMENDMENTS HAVE BEEN MADE TO THOSE WHICH APPLIED IN 1987.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company
all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent. The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

(a) the loss or death of any exhibit;

(b) any damage or injury occasioned to or by any exhibit; or

(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company has the the power without assigning any reason to:

(a) cancel any event or class;
(b) alter the time or place at which any class or event is to take place;
(c) alter the conditions of any event;
(d) remove any exhibit from the Show Grounds;
(e) alter the date or time for the closing of entries for any section or class or for any particular entry;
(f) transfer an exhibit and Exhibitor from any class to any other class; or
(g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company be of the opinion that:

(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with,

then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

(a) giving any reason or reasons for the exercise of its discretion;
(b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
(c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
(d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
(e) otherwise accomodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

22. Except with the prior written approval of the Company, no livestock other than the livestock entered for the Show are permitted to enter the Show Grounds.

26. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless this practice is expressly authorised in the regulations in the relevant prize schedule.

27. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

28. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded.

29. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

30. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he may also give commendations, in his opinion, they are deserved.

31. Subject to Regulations 18 and 35, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order.

32. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of $20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

35. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

36. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

MORTICE OF ACCURACY CUT (Event No. 1)
The main object of this event is to cut a rectangular block of wood out of a 300mm (12") log within a time limit. The log will be vertically marked at a length of 150mm with a black line. The mortice block must be cut out within the area marked by the line. Also marked on the log will be a horizontal line. The mortice block must be cut out below that line.
The minimum width of the mortice block will be 7.5mm (3") square the maximum width of the mortice block will be 10mm (4") square. The minimum length of the rectangular block will be 200mm (8"). The maximum and minimum sizes will be checked against a pattern plate. The rectangular block must pass freely through the 10mm (4") plate but must not pass through the 7.5mm (3") plate.
When the rectangular block is cut completely free from the log the operator must place the saw on the ground and push the block through the log using his hand. Any block not cut free during the time limit will be disqualified. The time will end when the mortice block hits the ground. The time limit for the event is one minute. In the event of all mortice blocks passing the accuracy test the fastest time finished to completely remove the block from the log will be allocated the points.

The first saw cut is by boring through the centre of the log where one part of the chain must cut a line at the centre of the opposite side of the log. The cut is then made to the bottom of the log and a complete ring is cut by returning the saw in an upwards cut to sever the first ring. The second ring is made by a down cut with the final ring being cut in an upward cut. This event will be won on time taken to complete the event. First finished wins.

PRESENTATION OF TROPHIES FOR EVENT 1

Now Breeders can give even better care.

Vetcare.

It's the Vet's own brand of animal care products. The very best care breeders can give to their newborn. To their puppies and kittens. And to their adult animals.

The Vetcare brand heralds a new era of pet care product responsibility. The Australian Veterinary Association, together with ICI, have developed a range of products prepared to the very highest ethical pharmaceutical standards.

Already, there are Vetcare Flea Collars, Shampoos, Flea Powders, Antiseptic Powders and Worming Tablets.

Intensive research and development is underway right through 1988, to release even more products. Products that will answer many of the special problems encountered by Breeders. Products you'll know you can rely on. Because their formulations draw on Australia's very finest veterinary expertise.

Look for Vetcare in your Vet's Surgery, Chemist, Supermarket or Wholesaler.

Vetcare® Now you can give your pet even better care.

Not surprisingly, a farmer's cash flow changes like the weather.

Which is why long term loans are so necessary.

And why the repayments on those loans should be as flexible as possible.

At State Bank Victoria, not only do we offer loans for periods of up to 20 years at very competitive rates, but we can also tailor the repayments to suit your cash flow and your ability to meet seasonal commitments.

What's more, our team of rural consultants can visit your property with the branch manager, discuss your needs and in most cases give immediate approval.

At State Bank Victoria we can't claim to have Mother Nature under control but we're certainly making her a bit easier to bear.

State Bank Victoria

We never forget it's your money.

'Yes.'

This is the most common answer our managers give to any reasonable request for a Personal Loan.

They are approving loans for cars, holidays, boats, home improvements and pools.

But your plans don't have to fit into these categories to warrant a 'Yes.'

We treat each application on its merit.

And if you ask whether the interest rate is very competitive, the answer's the same.
'Yes.'

September 15th to 25th, 1988

IMPORTANT NOTICE

EXHIBITORS ARE ADVISED TO READ ALL THE REGULATIONS CAREFULLY BEFORE SUBMITTING ENTRIES. SEVERAL AMENDMENTS HAVE BEEN MADE TO THOSE WHICH APPLIED IN 1987.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent. The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

(a) the loss or death of any exhibit;
(b) any damage or injury occasioned to or by any exhibit; or
(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

(f) transfer an exhibit and Exhibitor from any class to any other class; or
(g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company be of the opinion that:

(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

(e) otherwise accomodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. 12. All steers entered in the Carcase Competition Section shall be weighed prior to judging. Weighing will take place on Monday, 19th September between 8.00 a.m. and 4.00 p.m.

Carcases found to be outside the specified weight range for the class entered by more than 4% will be transferred to the correct class for pricing purposes only, and will not be eligible for a prize.

    Under AUS-GRID, price schedules showing premiums and discounts related to hot standard carcase weight, fat depth (P8 site), muscle score and fat distribution will be established for each livestock category. The commercial value of each carcase will be determined using these price grids. In a class where only one carcase receives the highest value in cents/kg hot standard carcase weight, it will be deemed to be the winner of that class.
    Places in classes will be determined by a ranking in value received in cents/kg hot standard carcase weight, except in classes where more than one entry receives equal value, those carcases will be judged using Stage 2 of the AUS-GRID system to identify placings.
    Stage 2 is a carcase appraisal system where points are allocated for eye muscle area relative to hot standard carcase weight, muscle colour, fat colour and fat distribution.
17. Copies of price grids showing price premiums and discounts for various carcase descriptions will be sent to exhibitors approximately three weeks before the carcase competition.

Proudly Australian

Australia has always been a pioneer in the history of aviation, and Australian Airlines has always been at the forefront of this innovation.

With the coming of deregulation, Australia's Airlines enter an exciting and challenging new era. An era of fair and open competition that will bring out the best in every player.

At Australian, we believe that the Airline that consistently provides the better service, without compromise, will come out on top.

We intend to be that airline and already have introduced new ideas and standards to fulfill our promise: Australia's only Business Class, Better Business Schedules in key ports, a new generation of world class Flight Deck Clubs and Australia's leading network of leisure resorts.

We have also achieved a solid profit base as an essential foundation to continue this innovation and leadership.
