HISTORY OF ANGUS IN AUSTRALIA

ANGUS-1988 Elders Pastoral Feature Breed

Probably the first Angus cattle to come to Australia were imported into Tasmania by Captain Patrick Wood of "Dennistoun" in 1822. These were black Fife cattle but since the Angus breed had not been named at that time, it is likely that these were of the Angus breed.

The Angus breed as such originated in north-eastern and central Scotland from black polled cattle which had existed in those regions for many centuries. Black hummel (hornless) cattle are mentioned in records dating from the ninth century.

The credit for founding the breed goes to Hugh Watson of Keillor, Angus, and William McCombie of Tillyfour, Aberdeenshire. These two great breeders with friends and neighbours laid the foundations of the modern breed which became known as Aberdeen Angus. Cattle from the herd of William McCombie had a major influence on the establishment of the Angus breed in Australia.

In 1858, Captain Patrick Wood of "Dennistoun" imported four Angus bulls from the Tillyfour herd to establish the Angus breed in Tasmania.

The first Angus cattle in Victoria were imported by Mr J. G. Dougherty, a stock and station agent of Melbourne, whose consignment comprised two bulls and six cows from Tillyfour and two other bulls. In 1871, the Tillyfour draft were sold to Mr George Petty of Maribyrnong for 1200 pounds. One of the other bulls was sold to a Victorian farmer for 200 pounds and for some years the progeny of this bull created keen interest at the Melbourne fat cattle markets.

The breed was first brought to New South Wales by George Loder of Abbey Green, Singleton, who purchased a draft of Angus cattle from J. G. Dougherty of Melbourne. Unless there was a separate importation of Tillyfour cattle, it seems likely that these were the two bulls and six females imported in 1870. Half of this draft went to George Sparkes of Roseberry on the Richmond River and the remainder to Richard Dines of Merriwa.

On the death of Richard Dines in 1882, William Hogarth purchased his Angus females and also secured the best of those owned by George Sparkes of Roseberry to establish his Angus stud at Balgownie, Pittsworth, Queensland. At about this time, Hogarth visited New Zealand where he bought the famous bull, Black Leg, a champion bred by William McCombie of Tillyfour.

Angus were not introduced into South Australia and Western Australia until some years after the eastern states. Angus were introduced to South Australia by the Hon. John Lewis in 1910. Mr. A. L. Dunn of Waratah, Ashbourne owned the first recorded Angus stud in South Australia. This was founded in 1920 on cattle purchased from Mr K. Sutherland of Thologolong, Wodonga, Victoria.

It appears that Angus were introduced to Western Australia in 1891 by an early Scottish colonist, the father of John Muir of Beeside, Manjimup. Adam Elder of Teviotdale, Moulyinning, imported Angus from Scotland about 1911-1916 and founded a stud in 1922. His first registered sire was bred by Sutherland and Sutherland of Victoria.

The Angus Society of Australia was founded on May 9, 1919, largely as the result of efforts by the Hon. J. C. White, "Edinglassie", Muswellbrook, N.S.W. and Mr G. C. Clark, "East Talgai", Ellenthorpe, Qld. The Society was founded for the purpose of:

- ★ Preserving the pedigrees of pure Angus cattle;
- ★ Promoting the best interests of the breed;

These informative publications keep you up-to-date with breeding programmes, scientific developments within the industry, the breed's success, research, and most importantly "in touch" with your fellow Angus breeders.

If you intend to record, register and transfer progeny of Herd Book registered parents in the pedigree system, you need to be a Member or Junior Member (up to the age of 21 years of The Angus Society of Australia. Members and Junior Members ONLY have this entitlement.

To be able to record and register animals into the pedigree system, you need to nominate (and be allocated) a stud prefix, tattoo mark, and brand. If animals are fully tattooed IN BOTH EARS, branding is optional. Fully tattooed is with your tattoo mark, breeding year letter (or number), and serial number IN BOTH EARS. Animals are to be tattooed within 90 days of date of birth, even though you have twelve months from date of birth to notify progeny for entry to the pedigree system. The 12 months time limit applies to animals born on and after 1st January 1989. All progeny born prior to this date are to be notified within nine (9) months from date of birth.

HISTORY OF ANGUS *continued from page 4*

In 1927 the Secretary of the Society, Mr. A. J. Tanner, arranged the importation of a consignment of Angus from Scotland. At the auction of these cattle, a top price of 825 guineas was paid for two bulls – Banker of Castle Craig purchased by N. L. Forster of “Abington” and Beauty of Balfron purchased by F. J. White and Sons of “Bald Blair”. These two sires have a significant influence on the breed in Australia.

A number of the early studs made important contributions to the development of the Angus breed in Australia. These included “Edinglassie” which was founded by the White Bros of Muswellbrook, N.S.W., on cattle purchased from ‘Tucka Tucka’ which had imported six cows and two bulls in 1888. Mr. G. C. Clark founded the “East Talgai” stud in 1915 with cattle purchased from New Zealand including some from H. B. Williams, Turihana, Gisborne. “Abington” was founded by N. L. Forster in 1918 again with cattle from Turihana, N.Z. The “Bald Blair” stud began in 1908 and became prominent with the introduction of the Twinkle family and the bull Beauty of Balfron. After World War 1, Mr. H. S. Docker established the “Bontharambo” stud at Wangarratta, Victoria on Angus bred by his father and importations from Scotland. “Bontharambo” stock have had a wide influence throughout Australia that extends to many present-day herds.

The history of Angus in Australia shows the establishment of the Scottish breed in Australia and its enhancement by many outstanding animals imported from Scotland by far-sighted early breeders and many of the original studs which formed the Angus Society of Australia. Over the years, Angus from many of the fine herds in New Zealand have had a continuing influence on the breed in Australia.

The 1980s has seen the dramatic influence of importations of Angus and Angus semen from Canada and U.S.A.

Angus breeders in Australia have been at the forefront of developments in the use of artificial insemination and, more recently, embryo transfer which have revolutionised cattle breeding.

(This history is largely based on an article from *The Angus Manual*, 1968 – M.W.H., August, 1988).

R.A.S.V. BEEF CATTLE JUDGING CHAMPIONSHIP

A Beef Cattle Judging Demonstration and Competition will take place on the Bonlac Ring, on Friday 23rd September, 1988, commencing at 10.30 a.m.

The Demonstration and Competition will be conducted on a Beef breed. In future years different breeds will be used. Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A Spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

Now Breeders can give even better care.

Vetcare.

It's the Vet's own brand of animal care products. The very best care breeders can give to their newborn. To their puppies and kittens. And to their adult animals.

The Vetcare brand heralds a new era of pet care product responsibility. The Australian Veterinary Association, together with ICI, have developed a range of products prepared to the very highest ethical pharmaceutical standards.

Already, there are Vetcare Flea Collars,

Shampoos, Flea Powders, Antiseptic Powders and Worming Tablets.

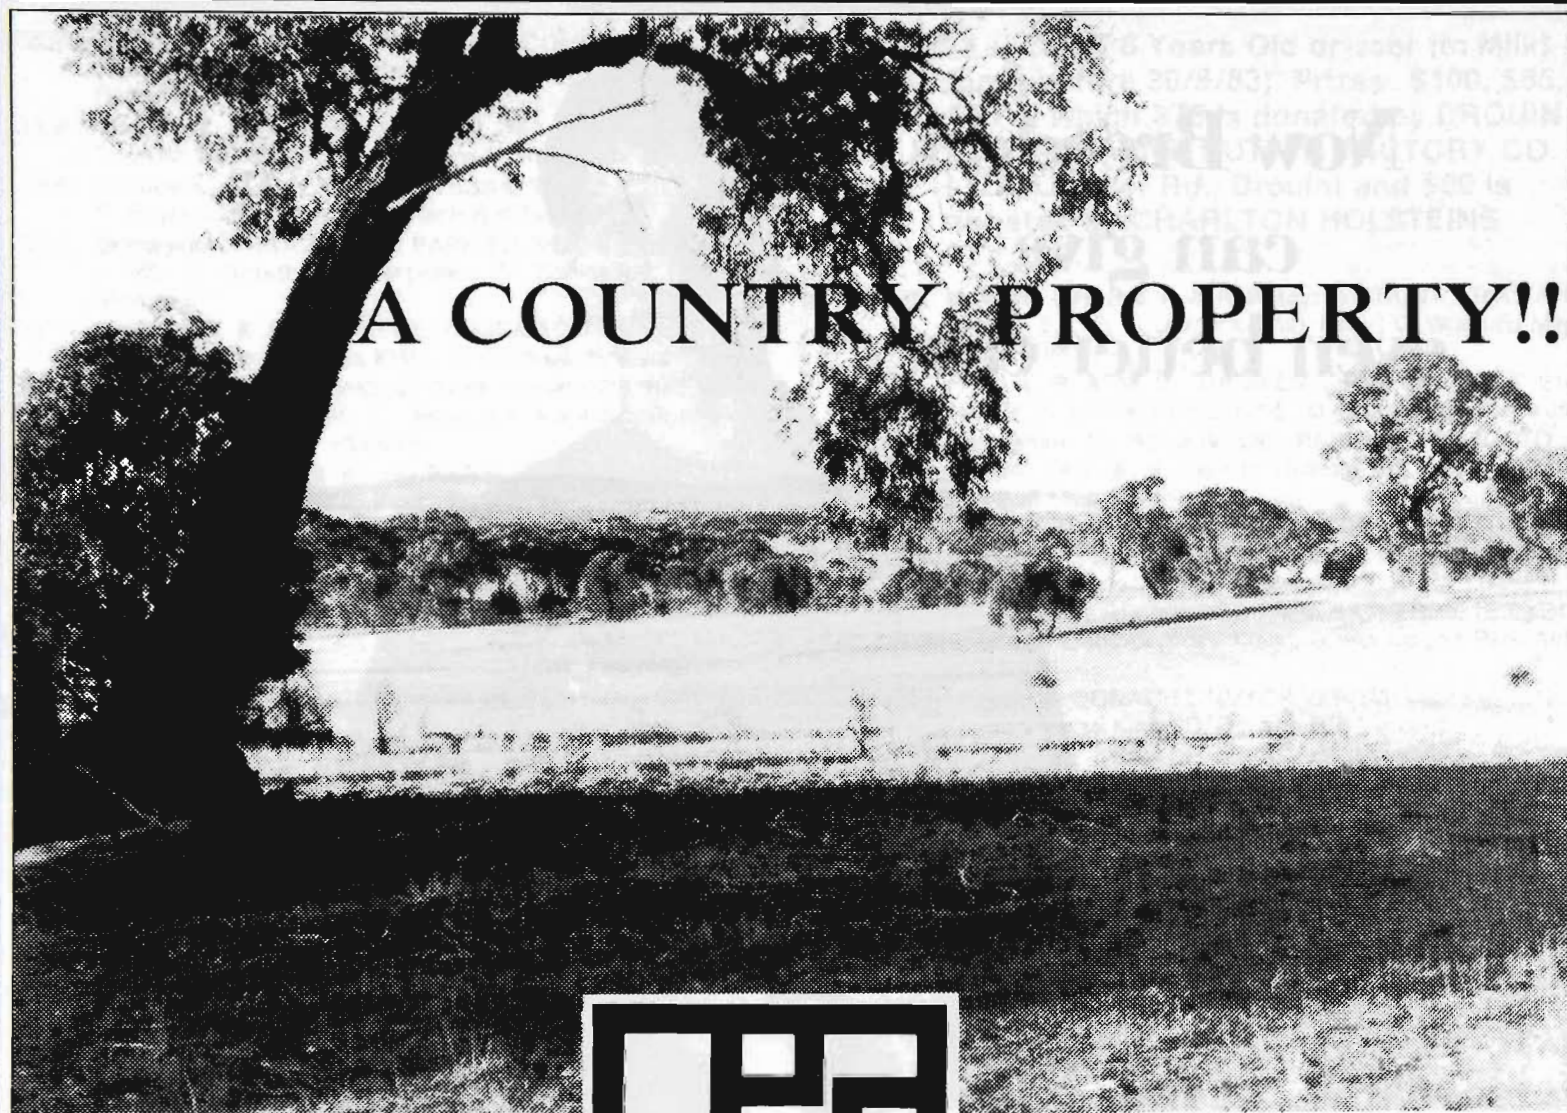

Intensive research and development is underway right through 1988, to release even more products. Products that will answer many of the special problems encountered by Breeders. Products you'll know you can rely on. Because their formulations draw on Australia's very finest veterinary expertise.

Look for Vetcare in your Vet's Surgery, Chemist, Supermarket or Wholesaler.

PROVIDING REAL SERVICE TO CLIENTS

State Bank's long term loans. Because Mother Nature intends being around a long time.

Not surprisingly, a farmer's cash flow changes like the weather.

Which is why long term loans are so necessary.

And why the repayments on those loans should be as flexible as possible.

At State Bank Victoria, not only do we offer loans for periods of up to 20 years at very competitive rates, but we can also tailor the repayments to suit your cash flow and your ability to meet seasonal commitments.

What's more, our team of rural consultants can

visit your property with the branch manager, discuss your needs and in most cases give immediate approval.

At State Bank Victoria we can't claim to have Mother Nature under control but we're certainly making her a bit easier to bear.

State Bank  Victoria

We never forget it's your money.

IMPORTANT NOTICE

EXHIBITORS ARE ADVISED TO READ ALL THE REGULATIONS CAREFULLY BEFORE SUBMITTING ENTRIES. SEVERAL AMENDMENTS HAVE BEEN MADE TO THOSE WHICH APPLIED IN 1987.

GENERAL REGULATIONS FOR ALL COMPETITIONS**ENTERING FOR SHOW**

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent. The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

- (a) the loss or death of any exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

GENERAL REGULATIONS.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

16. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

State Bank's long term loans. Because Mother Nature intends being around a long time.

Not surprisingly, a farmer's cash flow changes like the weather.

Which is why long term loans are so necessary.

And why the repayments on those loans should be as flexible as possible.

At State Bank Victoria, not only do we offer loans for periods of up to 20 years at very competitive rates, but we can also tailor the repayments to suit your cash flow and your ability to meet seasonal commitments.

What's more, our team of rural consultants can

visit your property with the branch manager, discuss your needs and in most cases give immediate approval.

At State Bank Victoria we can't claim to have Mother Nature under control but we're certainly making her a bit easier to bear.

THE POLL DORSET BREED

The Poll Dorset is a short woolled, meat producing sheep — the most popular and most widely used sheep in Australia for the production of prime lamb.

It has a long, well-fleshed body, a pink skin, a dense 'Down' type wool of quality, and white wool-free face.

It is a sheep which will adapt itself to great variations of climate — which has great commercial value — and which gives meat of the choicest quality.

ORIGIN

The Poll Dorset breed of sheep was evolved by Australian studmasters, who introduced the poll gene into Dorset Horn flocks from other poll breeds, with the aim of breeding a true Dorset without horns.

The initial crosses were made in 1937 and following a planned upgrading period, the breed was officially registered and the Australian Poll Dorset Association formed in 1954.

WHAT IS ITS PURPOSE?

The Poll Dorset ram is bred to sire prime lamb.

The inherent characteristics of the breed such as rapid growth rate, fleshing, quality and low fat deposition in the quickly grown lamb, make them ideal for this purpose.

The Dorset is renowned as a sire of the earliest marketable lamb, and has the ability to produce long, lean carcasses over a wide range of weights.

ITS ADAPTABILITY

The Poll Dorset will mate at any time of the year and can be used in any of the widely different climatic conditions existing, from the sub-tropics to the cold highlands.

FERTILITY

The Poll Dorset is an early maturing, very prolific breed, lambing of 150% being not unusual and 120% being fairly normal.

Rams start work at an earlier age, and have the ability to sire quality prime lambs from any breed of ewe.

The Poll Dorset when mated with the Merino produces an excellent prime lamb mother, noted for her fertility and ability to raise twins, and her ability to mate and produce lambs at whatever

time of the year best suited to the local climate and marketing conditions.

MOTHERING ABILITY

The Dorset ewe is an outstanding mother and will not discard a twin or triplet if separated.

The milking ability of the Dorset and Dorset-cross ewes is also terrific, and it is no bother to raise twins to market weights and in full bloom.

GROWTH RATES

The pure-bred Dorset lamb has a phenomenal growth rate, as indicated by the fact that yearling rams weight up to 250 lb (113.64 kg) liveweight.

Poll Dorset-cross lambs on good grazing will reach 30 lb (13.64 kg) dressed weight in nine weeks and up to 50 lb (22.72 kg) dressed weight in 13 weeks. They will produce a choice young liveweight or go on to high weights without becoming grossly overfat. They also have good skin values.

WOOL

Poll Dorset wool is purchased and used for its blending qualities to add the sponginess of its fibre to the product, e.g. a bulky pullover, sportscoat, or 'down' filled quilt.

The clean white wool and hair gives a big economic advantage over breeds with black points.

ESTABLISHED COMMERCIAL VALUE

- ★ Over 65% of total Prime Lamb sires used annually.
- ★ Their progeny repeatedly top the markets throughout the nation.

CARCASE COMPETITION

National lamb carcass competitions consistently won by Poll Dorset sired lambs.

Lambs sired by Poll Dorsets have won carcass competitions in many overseas countries, such as New Zealand, South Africa and the Royal Smithfield Show, London.

SALES

Poll Dorset sheep have been sold to New Zealand, Fiji, Britain, United States Canada, South Africa, Ceylon, Mexico, Peru, India, Colombia, China, Mauritius, Pakistan, Singapore and Taiwan, Saudi Arabia, Malaysia, Thailand and New Caledonia.

SOME HISTORY

THE PIONEER BREEDERS

The three men who pioneered the Poll Dorset breed were W. J. Dawkins, of Newbold, Gawler River, S.A., L. A. Stuart, of Valma, Whitemore, Tas., and R. H. Wilson, of Kismet, Howlong, N.S.W.

All breeders of Dorset Horn sheep, they saw the advantages of eliminating the horns from this great breed, but were determined to retain all its qualities.

While all three pioneer breeders has slightly differed methods, all had the same common goal — to achieve a Dorset Horn sheep without horns.

The plan was to introduce the poll character by crossing the Dorset Horn with a poll breed and then by mating consistently back to the Dorset Horn, combined with rigorous culling, to eliminate all characters of the introduced breed, except the poll factor.

1954 — HISTORIC FIRST MEETING

The Inaugural Meeting was held in the Administrative Building of the Royal Agricultural Society of Victoria, Melbourne Showgrounds, on 28th September, 1954, when it was decided to form a Society to be known as the "Poll Dorset Association". The objectives of this Association would be to record the establishment of the Poll Dorset breed of sheep.

The Meeting was attended by Messrs. L. A. Stuart, R. H. Wilson, W. J. Dawkins and J. W. Reddin.

It was agreed to establish a Poll Dorset Flock Book, and the qualifications for registration therein set down.

Mr. L. A. Stuart was elected President of the new Association.

(Volume 34 of the Flock Register was published in August this year. It discloses a total of 1103 current registered flocks — 405 in N.S.W., 358 in Victoria, 11 in Qld.; 132 in S.A.; 124 in W.A. and 73 in Tas. The number of ewes mated for the 1988 lamb drop was 143, 394.)

SECRETARIAT

Mr. Mervyn Weston was appointed foundation Secretary of the Association and held that position for 24 years.

Mr. Peter Weston, who had been assistant secretary of the Association for eight years, took over in 1975, and still retains the position of Federal Secretary today.

HEADQUARTERS

The original headquarters for the Poll Dorset Association were in the old St. James Building in William Street, Melbourne. When this building was pulled down for what is now the St. James Plaza & AMP Building, head office was moved to Bank Place where it remained until late 1977.

Headquarters for the Association since 1978 have been located at 677 High Street, East Kew, Vic. and enquiries should be directed there — (phone (03) 859 8671).

RegulinTM

a completely new approach to improving Spring and early Summer joining performance

Regulin reduces the variability associated with Spring joining — ensuring higher lambing percentages, with more ewes conceiving earlier in the joining period.

In flocks with lower lambing percentages, Regulin improves performance by reducing the number of dry ewes. In flocks with higher lambing percentages, Regulin improves performance by increasing twinning.

If you join your ewes in Spring, they're

not giving you their best performance.

The number of ewes ovulating and their ovulation rate is at a minimum in Spring. They naturally peak in Autumn.

Regulin works by simply adjusting the ewe's reproductive system so that the natural Autumn peak occurs in Spring.

Regulin is a one shot, easy to administer way of bringing Nature's timetable into line with yours.

**Regulin — higher lambing percentages and more ewes in lamb earlier
in the joining period.**

even better care.**

Vetcare.

It's the Vet's own brand of animal care products. The very best care breeders can give to their newborn. To their puppies and kittens. And to their adult animals.

The Vetcare brand heralds a new era of pet care product responsibility. The Australian Veterinary Association, together with ICI, have developed a range of products prepared to the very highest ethical pharmaceutical standards.

Already, there are Vetcare Flea Collars,

Shampoos, Flea Powders, Antiseptic Powders and Worming Tablets.

Intensive research and development is underway right through 1988, to release even more products. Products that will answer many of the special problems encountered by Breeders. Products you'll know you can rely on. Because their formulations draw on Australia's very finest veterinary expertise.

Look for Vetcare in your Vet's Surgery, Chemist, Supermarket or Wholesaler.

'Yes.'

This is the most common answer our managers give to any reasonable request for a Personal Loan.

They are approving loans for cars, holidays, boats, home improvements and pools.

But your plans don't have to fit into these categories to warrant a 'Yes.'

We treat each application on its merit.

And if you ask whether the interest rate is very competitive, the answer's the same.
'Yes.'

Proudly Australian

Australia has always been a pioneer in the history of aviation, and Australian Airlines has always been at the forefront of this innovation.

With the coming of deregulation, Australia's Airlines enter an exciting and challenging new era. An era of fair and open competition that will bring out the best in every player.

At Australian, we believe that the Airline that consistently provides the better service, without compromise, will come out on top.

We intend to be that airline and already have introduced new ideas and standards to fulfill our promise: Australia's only Business Class, Better Business Schedules in key ports, a new generation of world class Flight Deck Clubs and Australia's leading network of leisure resorts.

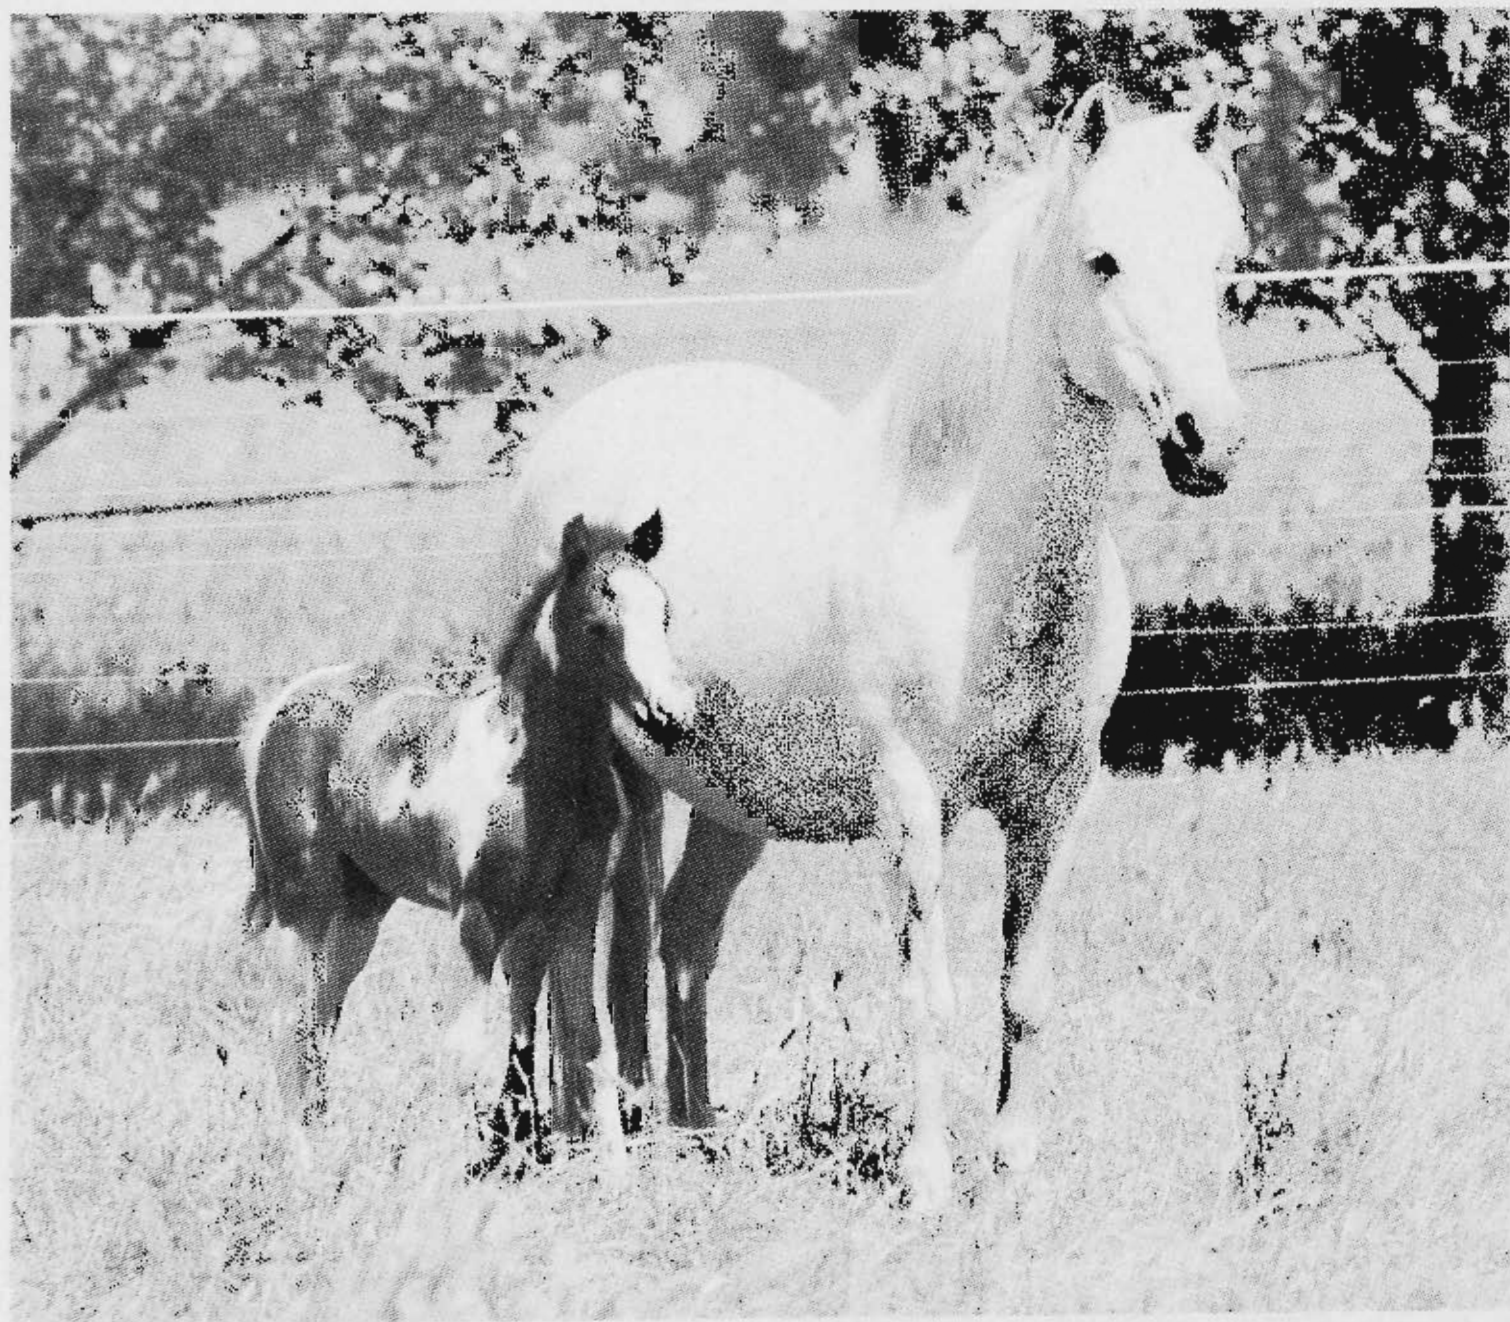

We have also achieved a solid profit base as an essential foundation to continue this innovation and leadership.

**September 15th to 25th,
1988**

IMPORTANT NOTICE

EXHIBITORS ARE ADVISED TO READ ALL THE REGULATIONS CAREFULLY BEFORE SUBMITTING ENTRIES. SEVERAL AMENDMENTS HAVE BEEN MADE TO THOSE WHICH APPLIED IN 1987.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent. The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

- (a) the loss or death of any exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company has the the power without assigning any reason to:

- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accomodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. Australia has always been a pioneer in the history of aviation, and Australian Airlines has always been at the forefront of this innovation.

With the coming of deregulation, Australia's Airlines enter an exciting and challenging new era. An era of fair and open competition that will bring out the best in every player.

At Australian, we believe that the Airline that consistently provides the better service, without compromise, will come out on top.

We intend to be that airline and already have introduced new ideas and standards to fulfill our promise: Australia's only Business Class, Better Business Schedules in key ports, a new generation of world class Flight Deck Clubs and Australia's leading network of leisure resorts.

319. Without prejudice to the General Regulations, the decision of the Inspector(s) shall be subject only to appeal to the Chief Steward in the Pig Section and his decision shall be final. The Inspector(s) or Chief Steward shall not be required to furnish to the Exhibitor any reasons for their decision, or to give the Exhibitor any right to be heard on any matter in question.

320. Notwithstanding any other provision in the regulations, where the Company determines that any animal entered in the Pig Section has received hormones, then such animal shall be deemed to be ineligible for exhibition at the Show and the Company may by notice to the Exhibitor require the animal to be forthwith removed from the Show Grounds. The Exhibitor, upon receipt of such notice, shall forthwith remove such animal and failing such removal by him within the time prescribed by the Company, the Company may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the Exhibitor and shall be refunded to the Company. State Bank's long term loans. Because Mother Nature intends being around a long time.

Not surprisingly, a farmer's cash flow changes like the weather.

Which is why long term loans are so necessary.

And why the repayments on those loans should be as flexible as possible.

At State Bank Victoria, not only do we offer loans for periods of up to 20 years at very competitive rates, but we can also tailor the repayments to suit your cash flow and your ability to meet seasonal commitments.

What's more, our team of rural consultants can

visit your property with the branch manager, discuss your needs and in most cases give immediate approval.

At State Bank Victoria we can't claim to have Mother Nature under control but we're certainly making her a bit easier to bear.

State Bank  Victoria

We never forget it's your money.

Nothing like it on earth

'Yes.'

This is the most common answer our managers give to any reasonable request for a Personal Loan.

They are approving loans for cars, holidays, boats, home improvements and pools.

But your plans don't have to fit into these categories to warrant a 'Yes.'

We treat each application on its merit.

And if you ask whether the interest rate is very competitive, the answer's the same.
'Yes.'

R.A.S.V. LIMITED

A Company Incorporated in Victoria by the Royal Agricultural Society of Victoria

Royal Melbourne Show 1988

**September 15th to 25th,
1988**

IMPORTANT NOTICE

EXHIBITORS ARE ADVISED TO READ ALL THE REGULATIONS CAREFULLY BEFORE SUBMITTING ENTRIES. SEVERAL AMENDMENTS HAVE BEEN MADE TO THOSE WHICH APPLIED IN 1987.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent. The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

- (a) the loss or death of any exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company has the the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;
- (c) alter the conditions of any event;
- (d) remove any exhibit from the Show Grounds;
- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accomodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

22. Except with the prior written approval of the Company, no livestock other than the livestock entered for the Show are permitted to enter the Show Grounds.

ACCOMMODATION OF EXHIBITS

26. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless this practice is expressly authorised in the regulations in the relevant prize schedule.

27. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

28. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withhold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded.

29. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

30. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he may also give commendations, in his opinion, they are deserved.

31. Subject to Regulations 18 and 35, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order.

32. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of \$20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

35. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

36. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

FIRE REGULATIONS

37. Cooking, heating of water by any means whatsoever, the use of any device involving naked flames, and smoking are prohibited in or near any animal pavilion, stall, pen or locker.

State Bank's long term loans. Because Mother Nature intends being around a long time.

Not surprisingly, a farmer's cash flow changes like the weather.

Which is why long term loans are so necessary.

And why the repayments on those loans should be as flexible as possible.

At State Bank Victoria, not only do we offer loans for periods of up to 20 years at very competitive rates, but we can also tailor the repayments to suit your cash flow and your ability to meet seasonal commitments.

What's more, our team of rural consultants can

visit your property with the branch manager, discuss your needs and in most cases give immediate approval.

At State Bank Victoria we can't claim to have Mother Nature under control but we're certainly making her a bit easier to bear.

State Bank  Victoria

We never forget it's your money.

PROVIDING REAL SERVICE TO CLIENTS***

Now Breeders can give even better care.

Vetcare.

It's the Vet's own brand of animal care products. The very best care breeders can give to their newborn. To their puppies and kittens. And to their adult animals.

The Vetcare brand heralds a new era of pet care product responsibility. The Australian Veterinary Association, together with ICI, have developed a range of products prepared to the very highest ethical pharmaceutical standards.

Already, there are Vetcare Flea Collars,

Shampoos, Flea Powders, Antiseptic Powders and Worming Tablets.

Intensive research and development is underway right through 1988, to release even more products. Products that will answer many of the special problems encountered by Breeders. Products you'll know you can rely on. Because their formulations draw on Australia's very finest veterinary expertise.

Look for Vetcare in your Vet's Surgery, Chemist, Supermarket or Wholesaler.

Vetcare Now you can give your pet even better care.
