This is the most common answer our managers give to any reasonable request for a Personal Loan.

They are approving loans for cars, holidays, boats, home improvements and pools.

But your plans don't have to fit into these categories to warrant a 'Yes.'

We treat each application on its merit.

And if you ask whether the interest rate is very competitive, the answer's the same.
'Yes.'

YOU CAN GET A LOT MORE OUT OF ELDERS

Elders PASTORAL STUDSTOCK

Not surprisingly, a farmer's cash flow changes like the weather.

Which is why long term loans are so necessary.

And why the repayments on those loans should be as flexible as possible.

At State Bank Victoria, not only do we offer loans for periods of up to 20 years at very competitive rates, but we can also tailor the repayments to suit your cash flow and your ability to meet seasonal commitments.

What's more, our team of rural consultants can visit your property with the branch manager, discuss your needs and in most cases give immediate approval.

At State Bank Victoria we can't claim to have Mother Nature under control but we're certainly making her a bit easier to bear.

State Bank Victoria

We never forget it's your money.

Developing Australia

Proudly Australian

Australia has always been a pioneer in the history of aviation, and Australian Airlines has always been at the forefront of this innovation.

With the coming of deregulation, Australia's Airlines enter an exciting and challenging new era. An era of fair and open competition that will bring out the best in every player.

At Australian, we believe that the Airline that consistently provides the better service, without compromise, will come out on top.

We intend to be that airline and already have introduced new ideas and standards to fulfill our promise: Australia's only Business Class, Better Business Schedules in key ports, a new generation of world class Flight Deck Clubs and Australia's leading network of leisure resorts.

We have also achieved a solid profit base as an essential foundation to continue this innovation and leadership.

State Bank's long term loans. Because Mother Nature intends being around a long time.

Not surprisingly, a farmer's cash flow changes like the weather.

Which is why long term loans are so necessary.

And why the repayments on those loans should be as flexible as possible.

At State Bank Victoria, not only do we offer loans for periods of up to 20 years at very competitive rates, but we can also tailor the repayments to suit your cash flow and your ability to meet seasonal commitments.

What's more, our team of rural consultants can visit your property with the branch manager, discuss your needs and in most cases give immediate approval.

At State Bank Victoria we can't claim to have Mother Nature under control but we're certainly making her a bit easier to bear.

State Bank Victoria

We never forget it's your money.

Proudly Australian

Australia has always been a pioneer in the history of aviation, and Australian Airlines has always been at the forefront of this innovation.

With the coming of deregulation, Australia's Airlines enter an exciting and challenging new era. An era of fair and open competition that will bring out the best in every player.

At Australian, we believe that the Airline that consistently provides the better service, without compromise, will come out on top.

We intend to be that airline and already have introduced new ideas and standards to fulfill our promise: Australia's only Business Class, Better Business Schedules in key ports, a new generation of world class Flight Deck Clubs and Australia's leading network of leisure resorts.

We have also achieved a solid profit base as an essential foundation to continue this innovation and leadership

Now Breeders can give even better care.

Vetcare.

It's the Vet's own brand of animal care products. The very best care breeders can give to their newborn. To their puppies and kittens. And to their adult animals.

The Vetcare brand heralds a new era of pet care product responsibility. The Australian Veterinary Association, together with ICI, have developed a range of products prepared to the very highest ethical pharmaceutical standards.

Already, there are Vetcare Flea Collars, Shampoos, Flea Powders, Antiseptic Powders and Worming Tablets.

Intensive research and development is underway right through 1988, to release even more products. Products that will answer many of the special problems encountered by Breeders. Products you'll know you can rely on. Because their formulations draw on Australia's very finest veterinary expertise.

Look for Vetcare in your Vet's Surgery, Chemist, Supermarket or Wholesaler.

Vetcare® Now you can give your pet even better care.

This is the most common answer our managers give to any reasonable request for a Personal Loan.

They are approving loans for cars, holidays, boats, home improvements and pools.

But your plans don't have to fit into these categories to warrant a 'Yes.'

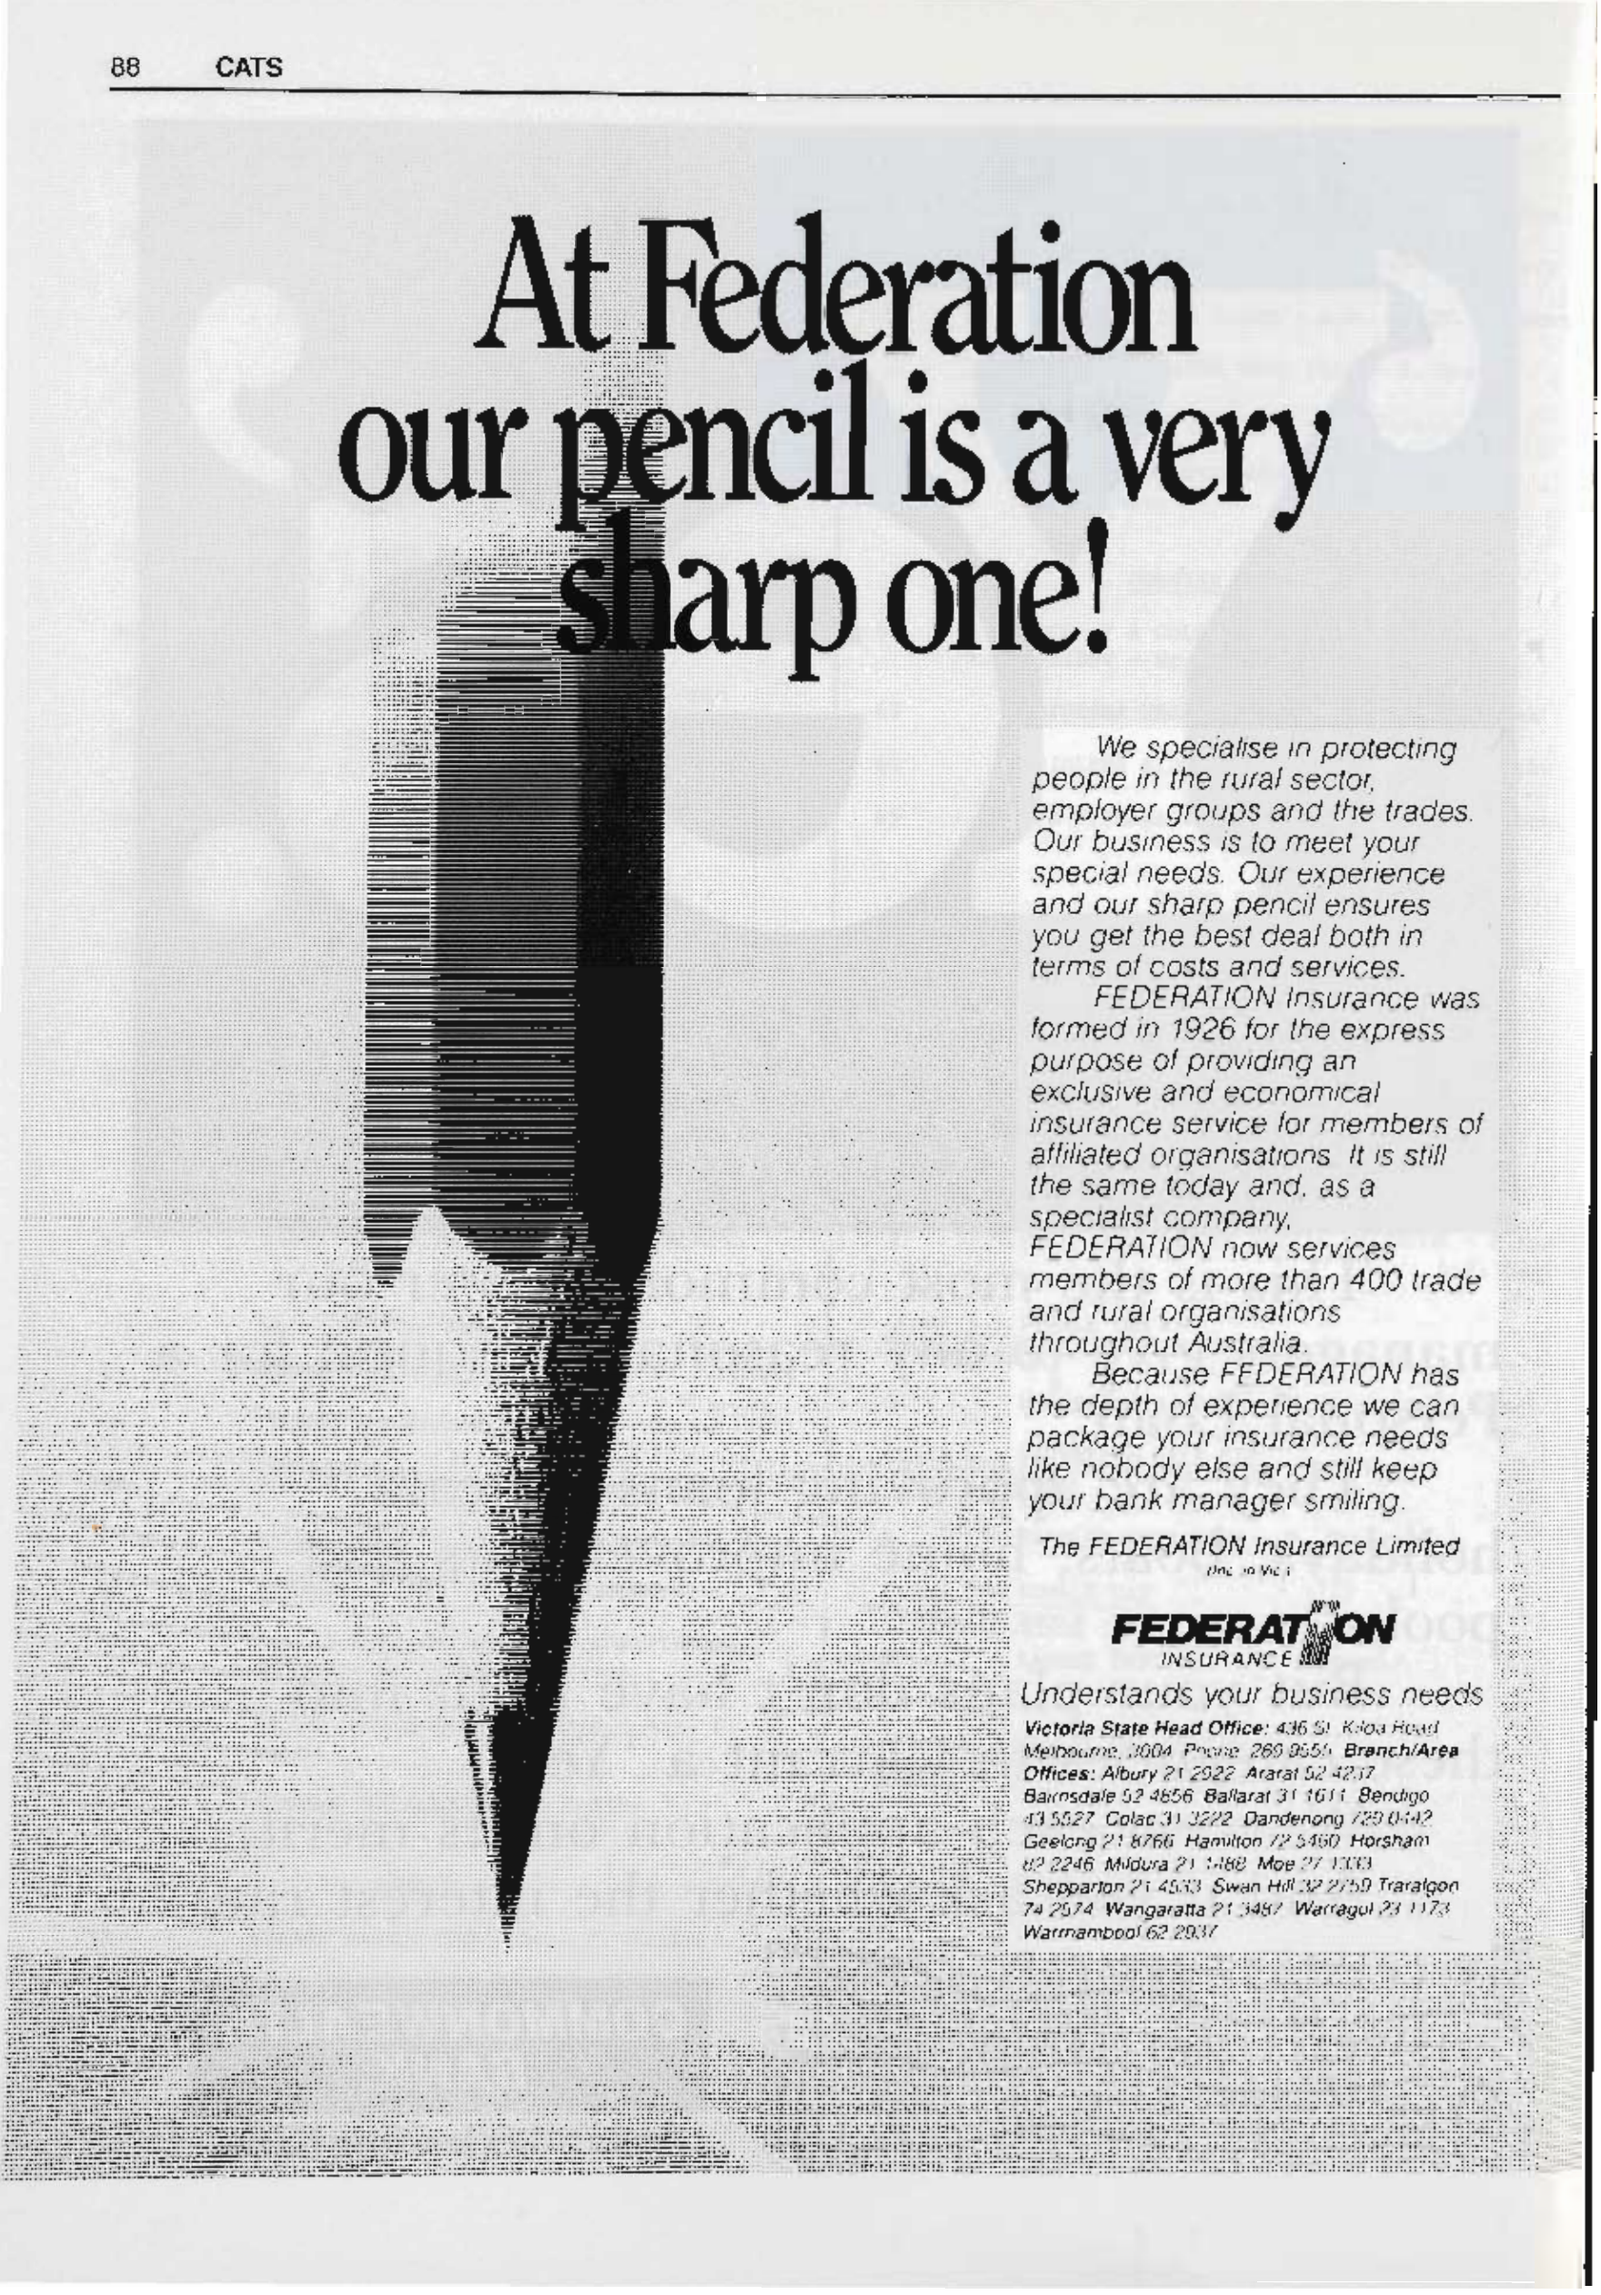

We treat each application on its merit.

And if you ask whether the interest rate is very competitive, the answer's the same.
'Yes.'

Instant Banking at the Royal Melbourne Show.

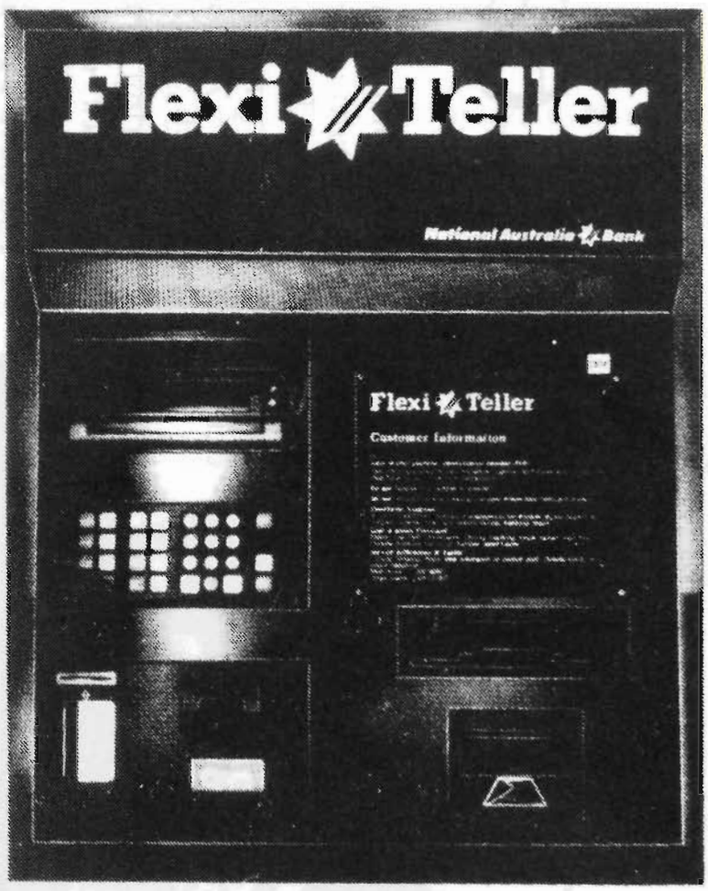

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to 2am.

All you need to withdraw up to $500 a day or $1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller machine and get together with National Australia Bank. Your bank.

IMPORTANT NOTICE

EXHIBITORS ARE ADVISED TO READ ALL THE REGULATIONS CAREFULLY BEFORE SUBMITTING ENTRIES. SEVERAL AMENDMENTS HAVE BEEN MADE TO THOSE WHICH APPLIED IN 1987.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent. The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

(a) the loss or death of any exhibit;
(b) any damage or injury occasioned to or by any exhibit; or
(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company has the the power without assigning any reason to:

(a) cancel any event or class;
(b) alter the time or place at which any class or event is to take place;
(c) alter the conditions of any event;
(d) remove any exhibit from the Show Grounds;
(e) alter the date or time for the closing of entries for any section or class or for any particular entry;
(f) transfer an exhibit and Exhibitor from any class to any other class; or
(g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company be of the opinion that:

(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

(a) giving any reason or reasons for the exercise of its discretion;
(b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
(c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
(d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
(e) otherwise accomodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

22. Except with the prior written approval of the Company, no livestock other than the livestock entered for the Show are permitted to enter the Show Grounds.

27. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

28. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded.

29. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

30. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he may also give commendations, in his opinion, they are deserved.

31. Subject to Regulations 18 and 35, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order.

32. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of $20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

35. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

36. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

FOREWORD BY CHAIRMAN

It has been a wonderful sense of achievement to complete another term as chairman of this exhibition. Everything progressed smoothly and there were no unforeseen dilemmas during the judging.

We suffered a great loss this year in the passing of Jan Gray who for many many years was the liaison officer with the Arts and Crafts section of the RASV. Her presence was sadly missed this year and shall be missed in years to come.

To remember Jan this year we have inaugurated "The Jan Gray Memorial Award". This award will be selected by a panel nominated each year by the Exhibition Committee who will select the Best Victorian Print from the acceptances.

Many thanks are due to Edgar Gatt and his wife Queenie for the assistance provided to me throughout the year. Also to Jack Redmond for being able to make cents out of the figure work. Jane and Terry Bower for their assistance, especially for their direction towards computerizing the exhibition. Thanks also to Peter Martin for his assistance in programming the exhibition and to Ian Bock for the work he undertook to produce the reproductions of the award winning entries for inclusion in this catalogue.

To Sue Bolitho of the RASV for all her assistance and time spent in organizing this event this year.

To the judges, who did a magnificent job.

To all the people that assisted behind the scenes, in the tedious job in the unpacking, sorting, labelling and associated tasks leading up to the preparation of this exhibition.

Special thanks to all the stewards listed below for the immense effort they undertook on judging day.

As stated above, we are progressing towards complete computerization of the exhibition and this should be totally completed by the next exhibition. This will have the effect of reducing many man hours of the behind the scenes work. This system, once established, shall be made available to other photographic clubs and organizations for their use.

Finally to you, the competitors, thank you for entering. Seeing the standard set makes one wonder as to what peaks photography shall reach in the years to come.

To KODAK (AUSTRALASIA) PTY. LTD. as the major sponsor of this exhibition again this year, I once more thank them for the Opal Trophy, the cash awards and the provision of projection equipment used in the Audio Visual presentation of the slide acceptances. My thanks also go to them for the other ways in which they assist each year.

To the other sponsors, listed opposite, I express my gratitude for their continued support.

Please support these sponsors whenever you are purchasing photographic products.

AN APPRECIATION

"Take them Oh Great Eternity!
Our Life is like a gust,
That shakes the branches of thy Tree
And sends its Blossoms unto dust"

During the early part of the preparation for this exhibition in February, 1988, we were saddened by the untimely loss of Miss Jan Gray. Jan was the co-ordinator of the Arts and Crafts Section of the Royal Agricultural Society. This position she held for over twenty years. It was her first job at the age of 17 and her last. Among the RASV officials and Arts and Crafts exhibitors who year in and year out used her services, she was affectionately known as "Miss Arts and Crafts".

Howard Joyce, my predecessor and myself, were very closely associated with her for the last six years and we were full of admiration at the painstaking effort she put into her work. It gave us great confidence knowing that if things went wrong there is always Jan who will set them right for us. One could say that in the three weeks preceding the show she did not have one moments rest. Over the years, her department grew so much, that in the month before the Royal Show, I felt she would break down under the strain.

On "Judging Day" Jan became one of us. She attended the Saturday before to set up for the judging; she was there early morning on Sunday to open the door for us. She stood by, typing and photocopying the results; she co-ordinated with us the interval teas and the dinner for about forty people. Through her efforts "Judging Day" for us became an exciting annual event. But for Jan she had many other "Judging Days" in Arts and Crafts.

I often thought of Jan, to be one of those fortunate people who appear to have found their niche in life. Her work became her vocation. She was the driving force behind ART CRAFT 88 and by a sad stroke of fate, Jan lost her battle with her malady whichhad afflicted her for the last three years on the opening day of the exhibition.

Her services were enjoyed by the present Co-ordinator of this Exhibition, Robert L. MacKay for only one year. He has established for future years, in conjunction with the Royal Agricultural Society of Victoria, a "Memorial Award" and at whose request I put pen to paper to write this appreciation.

Dr. Edgar J. Gatt
President, VAPS.
