A Company Incorporated in Victoria by the Royal Agricultural Society of Victoria

1992 Royal Melbourne Show

17th to 26th September, 1992

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon its receipt by the Company and fees for withdrawn entries or entries which do not satisfy the conditions of eligibility will not be refunded.

6. All entry forms must be signed by the Exhibitor or his authorised agent. Where an Exhibitor is less than 18 years of age, the entry form must be signed also by the Exhibitor's parent or guardian.

Every person purporting to act as agent of an Exhibitor shall be deemed to have given a warranty of his authority to the Company and the Company is not required to make any inquiry as to that authority.

The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

(a) the loss or death of any exhibit;
(b) any damage or injury occasioned to or by any exhibit; or
(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

13. The Company will arrange compulsory Owners' Liability Insurance cover for all exhibitors in the horse, beef cattle, beef carcase, dairy cattle, dog, sheep, goat, pig carcase, alpacas and cat sections. The compulsory insurance levy forms part of the entry fee. Details of the cover provided are shown in the relevant prize schedules.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

14. Exhibitors are responsible for ensuring that their family, employees and assistants are familiar with, and comply with these Regulations. Exhibitors may be penalised or disciplined for the actions of their family, employees or agents in contravention of these Regulations. "Employees" includes any person agent or company, whether remunerated by the Exhibitor or not, engaged by, or on behalf of, the Exhibitor to carry, care for or prepare exhibits.

15. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

16. The Company has the power without assigning any reason to:

(a) cancel any event or class;
(b) alter the time or place at which any class or event is to take place;
(c) alter the conditions of any event;
(d) remove any exhibit from the Show Grounds;
(e) alter the date or time for the closing of entries for any section or class or for any particular entry;
(f) transfer an exhibit and Exhibitor from any class to any other class; or
(g) decline to display an exhibit.

17. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes

18. Should the Company be of the opinion that:

(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

19. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

20. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

21. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

(a) giving any reason or reasons for the exercise of its discretion;
(b) giving notice in advance of its consideration of any fact, occurence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
(c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
(d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising it said discretion;
(e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. Some people win at Tattslotto without even buying a ticket.

Little Nathan doesn't buy tickets in Tattslotto. He's too young for that. So he isn't one of the many prize winners. But Nathan is still a Tatts winner.

Nathan's left hand was severed in a car accident. The hand was saved thanks to the skills of the microsurgeons at St.Vincents Hospital.

This year, a grant of $100,000 from the Tattersall's Trustees helped finance microsurgery research at the hospital. Making Nathan a very special Tatts winner.

THE NEW HOLDEN JACKAROO: V6 4WD. 19% MORE POWER THAN PAJERO AND MORE SPACE THAN PATROL.

Jackaroo's impressive power is hardly surprising when you consider its advanced engine design. Manufactured by Isuzu in Japan, the Jackaroo is the first 4WD to offer the advancement of a 24 valve engine.

With four valves per cylinder, the 3.2 litre engine simply breathes and performs better.

It's a formidable powerplant that produces 130kW (174h.p.) of power versus Pajero's 109kW (146h.p.).

But it's not just the Pajero that the Jackaroo beats in the power stakes. It also has more power than Landcruiser 112kW (150h.p.), Patrol 129kW (173h.p.), and even the V8 Discovery 115kW (154h.p.).

Inside, the Jackaroo's passenger space has been intelligently designed. With more space than Patrol in nearly every area, minus the characteristic exterior bulk of Patrol or Landcruiser.

To arrange a test drive, contact the Sales Manager at your local Holden Dealer or simply call our toll free customer service line on 008 035 049 for further information.

And each Country Show Society affiliated with the Victorian Agricultural Societies Association is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 YEARS AND UNDER 15 YEARS OF AGE on the day of its show.
   IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. A plain snaffle with a straight bar or jointed in the centre, the mouthpiece must be smooth).
2. Each Society conducting qualifying competitions is required to notify the R.A.S.V. Limited of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given to the "runners-up" to compete in the Championship Competitions.
3. Such competitions to be named "The Good Hands Qualifying Riding Competitions", and the R.A.S.V. Limited to provide suitable certificates for presentation to the winners.
4. The holder of a R.A.S.V. Limited Qualifying Certificate, won in the same year, shall not be eligible to compete.
5. The competitors shall be judged solely on their riding ability - mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at The Royal Melbourne Show. No entry fee will be charged.
7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, (See regulation regarding saddlery in 1).
8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.
9. The names of the winners will be engraved on the Challenge Trophies.
10. Suitably inscribed Championship Sashes will be presented to each successive winner of the challenge Trophies.
11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.
12. The R.A.S.V. Limited may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

First flag to be nine yards from the barrel. Each measured position of blocks and barrels to be marked with substance provided. Blocks to be placed on appropriate spots, with rods in place in drilled holes.

RULES FOR FLAG RACE COMPETITION

1. Competitors to start on left hand side of barrel and turn their horses on the right (off side) rein.
2. Competitors must place each flag in the barrel before the next flag is picked up. The farthest flag should be picked up first. If missed, competitor may pick up another flag on the way back to the barrel, but must return to the first flag next time.
3. Exhibits will start on left side of barrel and will finish immediately the competitor places the last (6th) flag in the barrel and exhibit crosses the finish line.
4. (a) A competitor may use the full distance between lanes, but will be disqualified for crossing another competitor's row of flags.
   (b) Competitors who knock down another competitor's flags or barrel will be disqualified and must withdraw immediately.
   (c) If a competitor's flag or barrel is knocked down by another competitor, these must be immediately placed upright by the lane stewards. If the stewards have insufficient time to do so, and the competitor had a good chance of being placed first, the Judge shall decide whether to allow him another start in a heat or put him into the semi-final or final, as the case may be.
   (d) If there are less than four (4) starters in a heat, the vacant row of flags must be left in position, and the competitor in the adjoining row must not cross over these.
   (e) If a competitor is disqualified for breaking this rule, that competitor should retire from the course without causing further interference to the other competitors.
5. (a) If a competitor knocks over his or her own barrel, it must be placed upright by said competitor before any more flags are placed in it.
   (b) If the flags that were already in the barrel fall out when the barrel is knocked over, they may be placed back in by the competitor without having to remount.
   (c) If a competitor drops a flag or knocks down his or her barrel, that competitor may not use any outside assistance or property of the event to (1) pick up flag; (2) replace barrel; or (3) remount horse.
   (d) All flags must be placed in the barrel with the competitor mounted. If a competitor can pick up a dropped flag without dismounting, he may do so, but if not, they must dismount and pick up the flag, mount, and place it in the barrel.
6. (a) If a competitor's flag stick breaks, one broken piece may be placed in the barrel and counted as a complete flag.
   (b) If the flag material comes apart from the stick, the broken stick rule will apply, and the flag material may be placed in the barrel and counted as a flag.
7. If a flag lands horizontally on top of the barrel, it shall be judged out of the barrel, and must be placed in same by the competitor, but if any portion of the flag stick, except the material, is inside the barrel, although it may be protruding at an acute angle, it shall be judged in and not need to be touched by the competitor. However, if that competitor tries to rectify the position and the flag falls out before the last competitor has completed the course or retired, that flag shall be judged out, and the course incomplete.
8. After a flag race is finished, the judge must inspect the barrels and make sure that all six (6) flags have been placed in each barrel. If any flags are found to be out, that competitor will be disqualified or given the chance to complete the course if the placings depend on that course being completed.
9. Competitors in outside lanes will be disqualified if they exceed the distance allotted between lanes.

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon its receipt by the Company and fees for withdrawn entries or entries which do not satisfy the conditions of eligibility will not be refunded.

6. All entry forms must be signed by the Exhibitor or his authorised agent. Where an Exhibitor is less than 18 years of age, the entry form must be signed also by the Exhibitor's parent or guardian.

Every person purporting to act as agent of an Exhibitor shall be deemed to have given a warranty of his authority to the Company and the Company is not required to make any inquiry as to that authority.

The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

(a) the loss or death of any exhibit;
(b) any damage or injury occasioned to or by any exhibit; or
(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

13. The Company will arrange compulsory Owners' Liability Insurance cover for all exhibitors in the horse, beef cattle, beef carcase, dairy cattle, dog, sheep, goat, pig carcase, alpacas and cat sections. The compulsory insurance levy forms part of the entry fee. Details of the cover provided are shown in the relevant prize schedules.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

14. Exhibitors are responsible for ensuring that their family, employees and assistants are familiar with, and comply with these Regulations. Exhibitors may be penalised or disciplined for the actions of their family, employees or agents in contravention of these Regulations. "Employees" includes any person agent or company, whether remunerated by the Exhibitor or not, engaged by, or on behalf of, the Exhibitor to carry, care for or prepare exhibits.

15. Should the Company be of the opinion that any rule condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

16. The Company has the power without assigning any reason to:

(a) cancel any event or class,
(b) alter the time or place at which any class or event is to take place,
(c) alter the conditions of any event;

(e) alter the date or time for the closing of entries for any section or class or for any particular entry,
(f) transfer an exhibit and Exhibitor from any class to any other class; or
(g) decline to display an exhibit

17. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

18. Should the Company be of the opinion that:

(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires), or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

19. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

20. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

21. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

(a) giving any reason or reasons for the exercise of its discretion;
(b) giving notice in advance of its consideration of any fact, occurence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
(c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty),
(d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising it said discretion;
(e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

24. Except with the prior written approval of the Company, no livestock or animals, other than livestock or animals entered for the Show, are permitted on the Show Grounds. Domestic animals belonging to Exhibitors are included in this prohibition.

25. No person, whether the Show is open to the public or not, may ride bicycles or skateboards in the Show Grounds without prior written permission.

Any personal

belongings, equipment or property brought by Exhibitors, their employees or families, to the Show Grounds must be kept in the accommodation lockers or other areas allocated by the Company for storage purposes.

32. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

33. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize, he may also give commendations, in his opinion, they are deserved

34. Subject to Regulations 20 and 38, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Such protests shall be accompanied with a deposit of $20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious

38. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

39 The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

113. Should the Company have appointed more than one measurer then an exhibit having been measured and its height recorded by one of such measurers shall not be submitted for measurement or re-measurement to one of the other measurers.

114. Except as provided in the next rule the decision of the measurer shall be final.

Any person who at any time administers or causes to be administered for the purpose of affecting the performance of an exhibit in any event or class at the Show any drug as defined above or has in his possession any electric or galvanic apparatus or improper contrivance may be dealt with in accordance with the applicable regulations. Procedures for the testing of Prohibited Substances will involve both "random" and "spot" tests on exhibits. At the discretion of the Company there will be blood testing of exhibits prior to competing and/or blood and urine testing at the end of the competition.

Competitors should be aware that particular attention will be paid to the detection of the sedative and tranquiliser drugs but analysis for all classes of prohibited substances will be included. The collection of samples will always involve taking blood from the jugular vein and may also include urine collection for post-competition testing. For the latter procedure if urine cannot be collected within 15 minutes an additional 60 ml blood sample may be taken in its place.

The Company may also select any exhibit for examination for desensitized limbs. Any exhibit found to have a limb or part of a limb desensitized by any means will be considered to have competed under the influence of a drug and penalised accordingly.
