## **A Company**

**Incorporated in Victoria  
by the Royal Agricultural  
Society of Victoria Inc.  
1993 Royal Melbourne  
Show**

**16th to 25th September, 1993**

### **GENERAL REGULATIONS FOR ALL COMPETITIONS**

#### **ENTERING FOR SHOW**

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon its receipt by the Company and fees for withdrawn entries or entries which do not satisfy the conditions of eligibility will not be refunded.

6. All entry forms must be signed by the Exhibitor or his authorised agent. Where an Exhibitor is less than 18 years of age, the entry form must be signed also by the Exhibitor's parent or guardian.

Every person purporting to act as agent of an Exhibitor shall be deemed to have given a warranty of his authority to the Company and the Company is not required to make any inquiry as to that authority.

The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (\*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

#### **OWNERSHIP OF EXHIBITS**

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

#### **LIABILITY FOR EXHIBITS**

11. Neither the Company nor the Society shall under any circumstances be liable for:

- (a) the loss of any exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him

13. The Company will arrange compulsory Owners' Liability Insurance cover for all exhibitors in the horse, beef cattle, beef carcass, dairy cattle, dog, sheep, goat, pig carcass, alpacas and cat sections. The compulsory insurance levy forms part of the entry fee. Details of the cover provided are shown in the relevant prize schedules.

## CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

14. Exhibitors are responsible for ensuring their family, employees and assistants are familiar with, and comply with these Regulations. Exhibitors may be penalised or disciplined for the actions of their family, employees or agents in contravention of these Regulations. "Employees" includes any person agent or company, whether remunerated by the Exhibitor or not, engaged by, or on behalf of, the Exhibitor to carry, care for or prepare exhibits.

15. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

16. The Company has the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;
- (c) alter the conditions of any event;
- (d) remove any exhibit from the Show Grounds;
- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

17. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

18. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

19. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

20. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

21. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

24. Except with the prior written approval of the Company, no livestock or animals, other than livestock or animals entered for the Show, are permitted on the Show Grounds. Domestic animals belonging to Exhibitors are included in this prohibition.

25. No person, whether the Show is open to the public or not, may ride bicycles or skateboards in the Show Grounds without prior written permission.

## ACCOMMODATION

26. The Company is under no obligation to provide space for exhibits or accommodation for people accompanying the exhibits. However, if the Company, in its discretion, does allocate space for exhibits or space for people to sleep, exhibits may be placed and people may sleep only in the areas allocated for such purposes by the Company. Any personal belongings, equipment or property brought by Exhibitors, their employees or families, to the Show Grounds must be kept in the accommodation lockers or other areas allocated by the Company for storage purposes.

29. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless this practice is expressly authorised in the regulations in the relevant prize schedule.

30. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

31. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withhold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded.

32. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

33. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize, he may also give commendations, in his opinion, they are deserved

34. Subject to Regulations 20 and 38, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order.

35. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of \$20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

38. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

39. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

# For a farm finance package tailored to your needs, talk to the National.

Obviously the most effective financial package for you is the one tailored to your needs.

The starting point for any financial package is a day to day working account like the National's unique Farm Management Account. But for longer term finance you should consider two types of finance from the National.

A variable rate loan gives you the flexibility of making principal reductions when it suits you thereby reducing your interest costs.

Or, if you would like to fix the cost of your finance, thus removing one variable from the farm management equation, you may prefer a fixed rate loan for up to five years.

Alternatively, the most effective package for you may be a combination of these options.

Your local manager of the National can help you examine the suitability of different combinations of finance options using our Cash Flow program.

Together, we can estimate your future financial needs testing the effect of good or poor seasons and high and low prices. This helps you to have sufficient financial flexibility.

If you would like more information, call your local manager of the National.

# Regulations Relative to WOODCHOPPING CONTESTS

(The Wood Chopping Contests are registered with the Central Victorian Axemen's Association and held under the guidance of Australian Axemen's Association Rules.)

Competitors in the Wood Chopping Contests are advised that arrangements have been made for specially selected timber to be provided for these contests. All timber will be inspected by representatives of the Company on arrival at the Showgrounds, and any not up to standard will be rejected.

## CONDITIONS

101. The General Regulations appearing in this Schedule form part of the conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

102. Scratchings must be notified to the Wood Chop Superintendent by 5 p.m. on the day prior to the event. Competitors not notifying scratchings will be fined \$2.

103. The logs and billets will be any variety of timber and any length approved by the Stewards in their absolute discretion. The diameter of all logs will be as uniform as possible.

104. ALL COMPETITORS, must state on the entry form their last win and handicap and a list of their last five performances anywhere, irrespective of Association or State, together with the name of the backmarker. An entry will definitely not be accepted unless the last win and the last five performances for each class of event entered are stated on the back of the entry form. This applies to ALL Australian and New Zealand competitors.

105. The contest will be chopped in heats and a final, according to the number of entries.

106. All logs and billets will be numbered, and will be drawn for by the Stewards.

107. The first and second competitors in each heat unless otherwise stated, shall compete in the semi-final or final. At the absolute discretion of the Stewards, when there are two semi-finals, they may take one, two or three placegetters to start in the final.

108. No competitor will be allowed to make any axe marks on his log or to the foot holes or dog holes before his handicap starting time as allotted by the Handicapper.

109. No persons, other than competitors and officials, will be allowed in the area during the contests.

110. Axes must entirely sever logs in two parts, competitors who sever logs with the aid of pushing or pulling will be automatically disqualified.

111. Competitors must be at their places prior to the advertised time of starting. Events will be commenced at their advertised starting time notwithstanding the absence of any competitor.

112. All competitors must compete in white shoes, white trousers, white singlets or singlets of recognised State, Association or Club Colours.

Exemptions to this regulation will be allowed at the discretion of the Stewards in special cases where singlets are provided by sponsorship or where the clothing is more suitable for specific event in which cases competitors must remain in the same uniform during the presentation of awards. No competitor will be permitted to display sponsorship of any kind except when provided by the sponsor of an event and singlets with sponsorship can only be worn when the particular event of sponsorship is in progress.

Any competitor may apply to the Steward-in-Chief for dispensation in regards to wearing apparel on the grounds of his/her state of health or on any grounds, in which case dispensation may be granted in the absolute discretion of the Steward-in-Chief.

White footwear must always be worn.

113. In any Association or Club teams race, the Association or Club uniform coloured singlets are to be worn.

114. Any axeman who holds the right to compete in novice events, forfeits the right to compete in a novice of the particular event when he/she has won a single handed open handicap event anywhere in Australia. This rule applies Australia wide and is irrespective of prize money. A competitor who claims to be a novice may be required by the Steward-in-Chief to make a statutory declaration to this effect.

115. The Company may appoint a Disputes Committee for the Wood Chopping Contests and any decision of this Committee shall be final in all respects whatsoever save only for any decisions or directions of the Company. No decisions, directors or determinations made by the Disputes Committee, or the Company for the purposes of the Wood Chopping Contests shall be called into question in any manner or in any proceedings whatsoever.

116. Competitors must use clamps as supplied by the Company in all Standing Block Events.

117. A Competitor who wins an event after the posting of marks may be re-handicapped for any subsequent event or events. The Company reserves the right to re-handicap a competitor before an event has commenced.

118. Every care must be exercised to keep axes and saws covered. Axes and saws MUST NOT be carried among the general public unless so covered. Competitors should note the terms of rules 11 and 12 of the General Regulations. All axes shall have a pin (minimum size 3mm) placed through the axe as near as possible to the centre of the handle area.

119. Logs situated in a reserved area adjacent to the Dressing Room will be provided to enable competitors to test their axes. Competitors shall not be permitted to test their axes in the main arena.

120. In the Underhand events all axemen must finish on their logs.

121. In a Tree Felling event any axeman chopping in a previously cut board hole will be automatically disqualified.

122. Under no circumstances are axemen permitted to enter the Log Enclosure without the permission of the Log Steward.

123. In all sawing contests saw cuts shall be started as close as possible to the front end of the log and shall not be more than 100mm in from the edge of the top side. Oil may be used on the saw immediately prior to the commencement of the contest. In sawing contests the saw must saw through the log from one side only.

124. In sawing contests the wedger shall stand behind the log and if any wedger in any way touches or guides a saw or touches or guides that portion of the log which is being cut off, the competitor or team concerned shall be automatically disqualified.

Definition: "Behind the log" in this regulation shall be interpreted to mean the opposite end of the log to the saw cut.

125. In the 400mm diameter butchers blocks one member of each team shall open a scarf and cut the log approximately half way through, the first cutting member of the team on ceasing to cut shall retire to his neutral area and visually indicate to his partner, in a manner prescribed by Stewards, that the other team member is to complete the cut by opening a scarf on the opposite side of the log.

126. Save only as provided in regulation 115, any decision of a Steward with respect to any matter related to the Wood Chopping Contests shall be final and any regulations, conditions, rules or guidelines, which may be expressed to apply to the Wood Chopping Contests shall in no way be construed as limiting the discretion of

the Stewards to conduct the Contests in such manner as they think fit.

127. Inscribed sashes and ribbons, presented by the Company will be awarded to the prize winners of events Nos. 1 to 37 inclusive.

# "WHEN I CHOSE KUBOTA IT WAS A GUTS REACTION."

The last thing you want is a gutless performer. KUBOTA tractors have the power to handle any job on the farm with everything from the M30 utility range (a real work horse), right up to the new M80 series.

The new M80's feature bigger, tougher engines (up to 100hp DIN), an integrated front end loader and the smallest turning circle around. Because they have a better power-to-weight ratio there's less strain, less maintenance and more traction.

So if you want to get tough contact your local KUBOTA dealer or call **008 334 653**.

# The best of both worlds

Qantas has joined  
forces with Australian  
Airlines.

This historic partnership was forged to give  
Australians a better  
airline service.

A service that  
provides flights both  
overseas and within  
Australia.

A service that has a  
greater capacity to get  
Australians to their  
destinations during peak-  
times.

A service that has  
greater depth and  
knowledge of aircraft  
maintenance.

A service that  
has a Frequent Flyer  
Programme that offers  
real pay offs. A service  
that is the best of both  
worlds.

## The newest name in insurance has been around for more than 70 years.

From July 1, the well known brands of Federation Insurance and Westsure will be rebadged under the one new name of Wesfarmers Federation Insurance.

But the name is all that has changed. The friendly efficient service will remain the same as it has for the more than 70 years that we

have been protecting Australians and their property.

As part of the Wesfarmers Group - one of Australia's largest public companies - Wesfarmers Federation Insurance is truly Australian, with

over 70 branches across the nation.

And just like you we're here to stay, sharing both the good times and the bad.

For personal service that comes to you, call us today at any WFI or VPC branch and talk to the people who really understand your business.

# For a farm finance package tailored to your needs, talk to the National.

Obviously the most effective financial package for you is the one tailored to your needs.

The starting point for any financial package is a day to day working account like the National's unique Farm Management Account. But for longer term finance you should consider two types of finance from the National.

A variable rate loan gives you the flexibility of making principal reductions when it suits you thereby reducing your interest costs.

Or, if you would like to fix the cost of your finance, thus removing one variable from the farm management equation, you may prefer a fixed rate loan for up to five years.

Alternatively, the most effective package for you may be a combination of these options.

Your local manager of the National can help you examine the suitability of different combinations of finance options using our Cash Flow program.

Together, we can estimate your future financial needs testing the effect of good or poor seasons and high and low prices. This helps you to have sufficient financial flexibility.

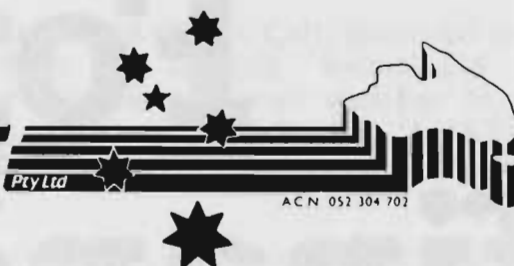

If you would like more information, call your local manager of the National.

## "WHEN I CHOSE KUBOTA IT WAS A GUTS REACTION."

The last thing you want is a gutless performer. KUBOTA tractors have the power to handle any job on the farm with everything from the M30 utility range (a real work horse), right up to the new M80 series.

The new M80's feature bigger, tougher engines (up to 100hp DIN), an integrated front end loader and the smallest turning circle around. Because they have a better power-to-weight ratio there's less strain, less maintenance and more traction.

So if you want to get tough contact your local KUBOTA dealer or call **008 334 653**.

# Health and Vitality with a Balanced Diet

The food we eat plays an important role in our health and well-being. In recent years the incidence of many serious life threatening diseases has been linked to our eating habits, e.g. coronary heart disease, non-insulin dependent diabetes, high blood pressure and osteoporosis. Healthy eating and regular exercise can help prevent these nutrition-related lifestyle diseases.

It makes good sense to eat nutritious well-balanced meals. Taking care of your family's nutrition is not difficult if you follow a few simple principles.

Plan menus around groups of foods that you should be eating in larger proportions to other groups, these include vegetables, cereals and dairy foods.

If you would like some free recipes to help maintain your family's 'Health and Vitality' write to the Dairy Foods Advisory Bureau, GPO Box 4750, Melbourne 3001. On the back of the envelope print your name, address and the words 'Balanced Meals'.

This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes

18. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires), or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

19 Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

20. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the

conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

21. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of, the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

24. Except with the prior written approval of the Company, no livestock or animals, other than livestock or animals entered for the Show, are permitted on the Show Grounds. Domestic animals belonging to Exhibitors are included in this prohibition.

25. No person, whether the Show is open to the public or not, may ride bicycles or skateboards in the Show Grounds without prior written permission.

## ACCOMMODATION

26. The Company is under no obligation to provide space for exhibits or accommodation for people accompanying the exhibits. However, if the Company, in its discretion, does allocate space for exhibits or space for people to sleep, exhibits may be placed and people may sleep only in the areas allocated for such purposes by the Company. Any personal

belongings, equipment or property brought by Exhibitors, their employees or families, to the Show Grounds must be kept in the accommodation lockers or other areas allocated by the Company for storage purposes

## JUDGING

27. The Company may alter the Judge for any particular class at any time if it deems fit.

28. No competitor or Exhibitor or person acting on behalf of any competitor or Exhibitor shall in any way influence consult or interfere with or attempt to influence consult or interfere with the Judge or endeavour to interfere with his freedom of choice or judgment.

29. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless this practice is expressly authorised in the regulations in the relevant prize schedule.

30. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

31. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withhold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded

32. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one (For example, if two exhibits tie for first place, the next placing to be awarded is third)

33. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize, he may also give commendations, in his opinion, they are deserved

34. Subject to Regulations 20 and 38, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order

35. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

## PROTESTS

36. An Exhibitor or competitor may protest against an award won by an exhibit or competitor in the same class alleging infringement of the rules or ineligibility

37. Subject to the regulations in the relevant Prize Schedule, protests shall be addressed to the Principal Officer and be lodged at his office on the 1st Floor, Administrative Building, cnr. DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of \$20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

38. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize

39. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature

## FIRE REGULATIONS

40. Cooking, heating of water by any means whatsoever, the use of any device involving naked flames, and smoking are prohibited in or near any animal pavilion, stall, pen or locker.

Any vehicle, including trucks, stock transports, trailers and horse floats, and the contents of that vehicle, located on the Company's property or in any area leased by the Company, shall be at the sole risk of the owner. The Company accepts no responsibility for any loss or damage, including loss or damage caused by the negligence of the Company, its officers, employees or agents to any vehicle, or the contents of any vehicle, located on the Company's property or in any areas leased by the Company.

44. Any vehicle located on the Company's property, or in any area leased by the Company, in contravention of the Company's regulations, terms and conditions of entry or parking restrictions is an illegally parked vehicle and may be removed by the Company, its officers, employees or agents. # For a farm finance package tailored to your needs, talk to the National.

Obviously the most effective financial package for you is the one tailored to your needs.

The starting point for any financial package is a day to day working account like the National's unique Farm Management Account. But for longer term finance you should consider two types of finance from the National.

A variable rate loan gives you the flexibility of making principal reductions when it suits you thereby reducing your interest costs.

Or, if you would like to fix the cost of your finance, thus removing one variable from the farm management equation, you may prefer a fixed rate loan for up to five years.

Alternatively, the most effective package for you may be a combination of these options.

Your local manager of the National can help you examine the suitability of different combinations of finance options using our Cash Flow program.

Together, we can estimate your future financial needs testing the effect of good or poor seasons and high and low prices. This helps you to have sufficient financial flexibility.

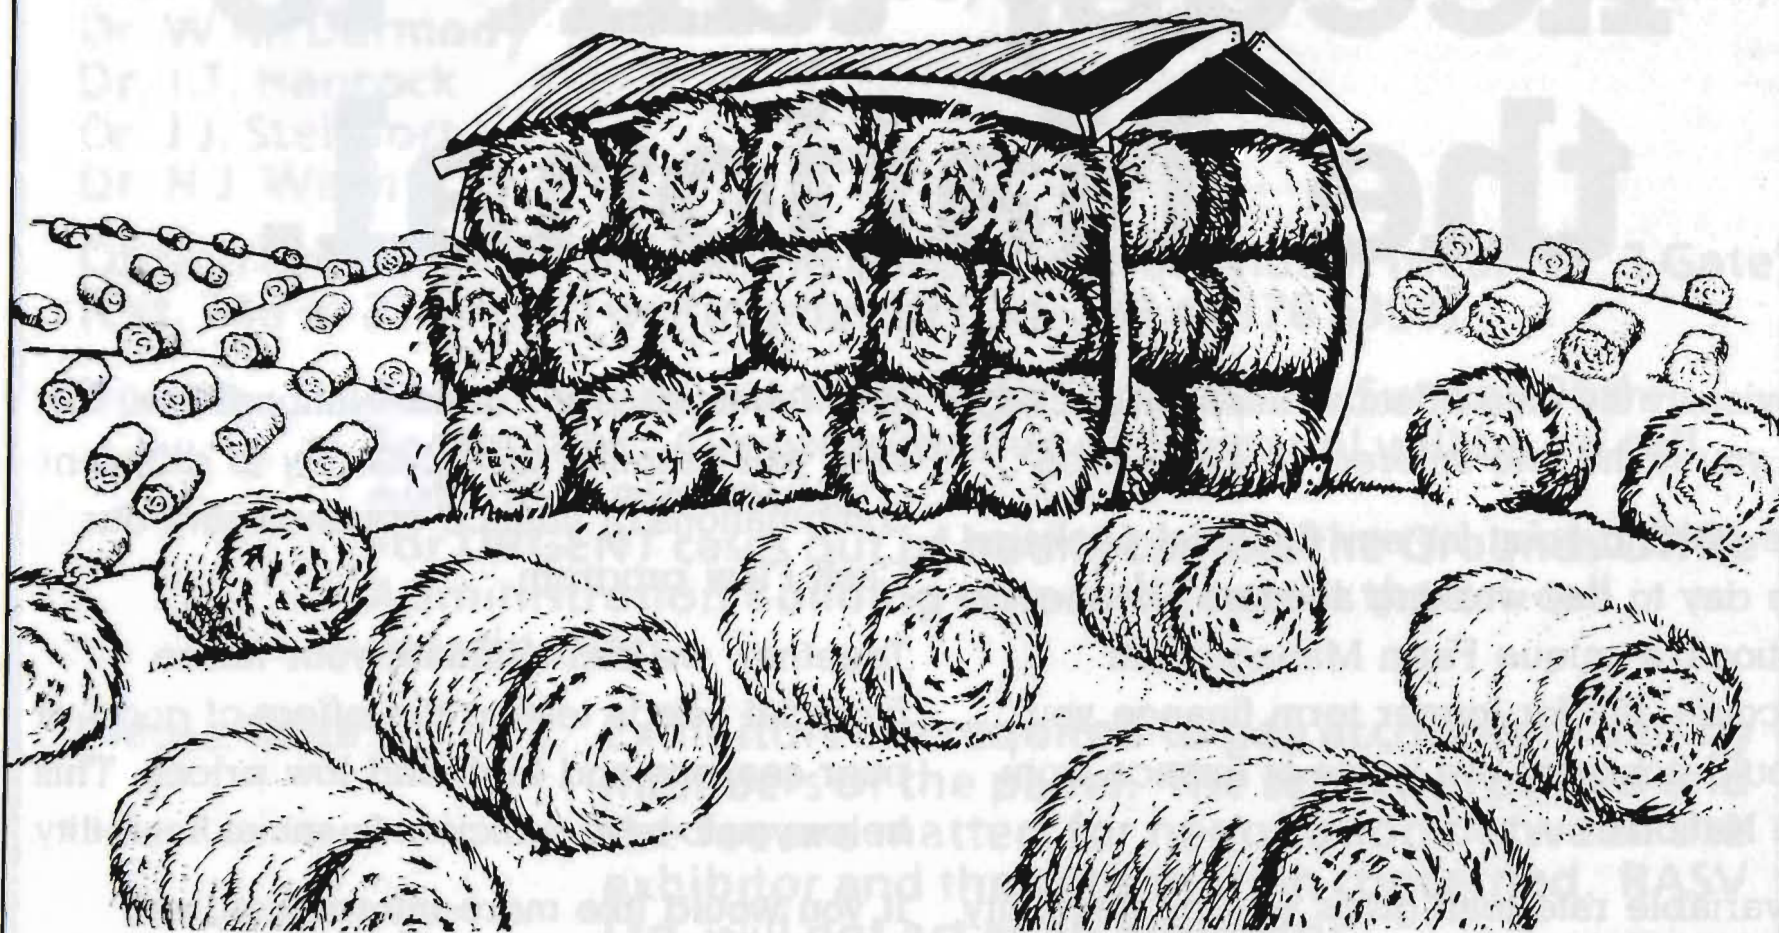

If you would like more information, call your local manager of the National.

# AUSTRALIAN COUNTRY STYLE

**Australian Country Style** magazine is pleased to be visiting the Melbourne Show for the second year, taking its place amid the action in a special pavilion, joined by the makers and suppliers of products it features.

A refreshingly bright monthly magazine, **Australian Country Style** is full of regular and special features on homes and decorating, fashion, food, wine, arts, crafts, gardening and other pleasures, with a focus on positive developments and the people behind them.

Like the Show, it is a meeting place of town and country, a warm and colourful link between pleasure and practicality, traditional and modern values, old and new. As appealing to city dwellers trying to capture the feel of a day in the country as it is to confirmed country folk, the magazine has a readership as diverse in tastes and lifestyles as the landscapes it so vividly pictures. Subscriptions and magazines are available at the pavilion.

# "WHEN I CHOSE KUBOTA IT WAS A GUTS REACTION."

The last thing you want is a gutless performer. KUBOTA tractors have the power to handle any job on the farm with everything from the M30 utility range (a real work horse), right up to the new M80 series.

The new M80's feature bigger, tougher engines (up to 100hp DIN), an integrated front end loader and the smallest turning circle around. Because they have a better power-to-weight ratio there's less strain, less maintenance and more traction.

So if you want to get tough contact your local KUBOTA dealer or call **008 334 653**.

The Demonstration and Competition will be conducted on a Beef breed. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The one over Judge appointed will determine his correct order of placing the cattle and will question the final six competitors over the P.A. system to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judge will award points to competitors for correctness of dress (within reason) and footwear, the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

The over Judge will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judge and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.
