LIVESTOCK
GIPPSLAND & NORTHERN

The newest name in insurance has been around for more than 70 years.

From July 1, the well known brands of Federation Insurance and Westsure will be rebadged under the one new name of Wesfarmers Federation Insurance.

But the name is all that has changed. The friendly efficient service will remain the same as it has for the more than 70 years that we

have been protecting Australians and their property.

As part of the Wesfarmers Group - one of Australia's largest public companies - Wesfarmers Federation Insurance is truly Australian, with

over 70 branches across the nation.

And just like you we're here to stay, sharing both the good times and the bad.

For personal service that comes to you, call us today at any WFI or VPC branch and talk to the people who really understand your business.

by The Royal Agricultural
Society of Victoria Inc.
1993 Royal Melbourne
Show**

16th to 25th September, 1993

GENERAL REGULATIONS FOR ALL COMPETITIONS

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon its receipt by the Company and fees for withdrawn entries or entries which do not satisfy the conditions of eligibility will not be refunded.

6. All entry forms must be signed by the Exhibitor or his authorised agent. Where an Exhibitor is less than 18 years of age, the entry form must be signed also by the Exhibitor's parent or guardian.

Every person purporting to act as agent of an Exhibitor shall be deemed to have given a warranty of his authority to the Company and the Company is not required to make any inquiry as to that authority.

The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class, Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

- (a) the loss or death of any exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

13. The Company will arrange compulsory Owners' Liability Insurance cover for all exhibitors in the horse, beef cattle, beef carcass, dairy cattle, dog, sheep, goat, pig carcass, alpacas and cat sections. The compulsory insurance levy forms part of the entry fee. Details of the cover provided are shown in the relevant prize schedules.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

14. Exhibitors are responsible for ensuring that their family, employees and assistants are familiar with, and comply with these Regulations. Exhibitors may be penalised or disciplined for the actions of their family, employees or agents in contravention of these Regulations. "Employees" includes any person agent or company, whether remunerated by the Exhibitor or not, engaged by, or on behalf of, the Exhibitor to carry, care for or prepare exhibits

15. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

16. The Company has the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;
- (c) alter the conditions of any event;
- (d) remove any exhibit from the Show Grounds;
- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit

17. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

18. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations

19. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

20. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the

conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

21. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

24. Except with the prior written approval of the Company, no livestock or animals, other than livestock or animals entered for the Show, are permitted on the Show Grounds. Domestic animals belonging to Exhibitors are included in this prohibition.

25. No person, whether the Show is open to the public or not, may ride bicycles or skateboards in the Show Grounds without prior written permission.

ACCOMMODATION

26. The Company is under no obligation to provide space for exhibits or accommodation for people accompanying the exhibits. However, if the Company, in its discretion, does allocate space for exhibits or space for people to sleep, exhibits may be placed and people may sleep only in the areas allocated for such purposes by the Company. Any personal

belongings, equipment or property brought by Exhibitors, their employees or families, to the Show Grounds must be kept in the accommodation lockers or other areas allocated by the Company for storage purposes.

JUDGING

27. The Company may alter the Judge for any particular class at any time if it deems fit.

28. No competitor or Exhibitor or person acting on behalf of any competitor or Exhibitor shall in any way influence consult or interfere with or attempt to influence consult or interfere with the Judge or endeavour to interfere with his freedom of choice or judgment.

29. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless this practice is expressly authorised in the regulations in the relevant prize schedule.

30. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

31. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withhold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded.

32. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

33. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize, he may also give commendations, in his opinion, they are deserved.

34. Subject to Regulations 20 and 38, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order.

35. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

PROTESTS

36. An Exhibitor or competitor may protest against an award won by an exhibit or competitor in the same class alleging infringement of the rules or ineligibility.

37. Subject to the regulations in the relevant Prize Schedule, protests shall be addressed to the Principal Officer and be lodged at his office on the 1st Floor, Administrative Building, cnr. DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of \$20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

38. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

39. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

40. Cooking, heating of water by any means whatsoever, the use of any device involving naked flames, and smoking are prohibited in or near any animal pavilion, stall, pen or locker.

FACTS ABOUT THE COMPETITION

Victoria's premier competition for commercial wool growers has again enjoyed a successful year. The 1993 *Weekly Times*-RASV Commercial Flock of the Year competition attracted nearly 100 nominations, almost matching last year's record number.

Once again, such was the interest in the competition from farmers in the north-west that the field was split in two for judging.

The Weekly Times, Australia's biggest-selling rural newspaper, has again been the major sponsor for the competition, continuing its commitment to sustaining agriculture in Victoria.

Other sponsors have also continued their involvement over a number of years, showing their confidence in wool growers and the future of the wool industry.

The Flock of the Year is run by the Royal Agricultural Society of Victoria Inc., the Agricultural Societies Association and the Department of Agriculture.

DORSET HORNS

The DORSET HORN breed of sheep is one of the purest of the British breeds still in existence. No other breed has had any influence in its development, the Dorset Horn being evolved by selection only within the old breed known as the Wiltshire Notts, that roamed the downs of Dorset many, many years ago.

This purity of blood is undoubtedly the reason for the remarkable prepotency of the Dorset, which has been a major factor in the breed's rise to its present eminence in the Australian prime lamb industry.

The Dorset Horn is a Down-type, pink-skinned, carcase breed.

The rams are used widely in Australia as prime lamb sires.

The crossbred Dorset ewe is the outstanding prime lamb mother, and is quickly making its presence felt in the pastoral areas, despite exaggerated propaganda to the effect that the Dorset crossbred ewe quickly loses her wool weight.

This supposition is incorrect, the Dorset crossbred ewe is holding her own year by year with other crosses. In fact, the wool resulting from the first cross is particularly attractive, and has more than once topped the crossbred sales at Sydney and other centres.

The pure-bred Dorset lamb has a phenomenal growth rate, a dressed pure-bred lamb can reach 30 lb. at 30 days. Ram lambs have weighed 160 lb. liveweight at five months, and ewe lambs 125 lb. at the same age. This rapid growth is carried over strongly into the crossbred lamb, and it is quite normal to market lambs from the Dorset crossbred ewe dressing 35 lb. to 40lb. at 10 weeks old, particularly if a Dorset ram is the sire of the lambs.

VALUE OBVIOUS

The value of this to those prime lamb breeders operating in country with a short flush season, followed by hot, dry weather, and grass seed troubles, is obvious.

Again, as the lambs are suckling for a much shorter period than other breeds, the incidence of mastitis should be reduced.

Moreover, if the farmer wishes to quit his flock, or part of it, in any year, he has the extra time available to fatten the ewes for market after weaning.

Another aspect of the rapid maturity of the Dorset and its cross is that the ewe hoggett will mate much earlier (and so will the ram lamb), which must be weaned at 12 weeks old or else!

MOTHERING INSTINCT

The Dorset ewe stands up to dogs and foxes, and most of them seem to be able to count up to two. This is most important when lambing occurs under adverse conditions, and the ewes are inclined to wander soon after lambing looking for feed or water.

WILL MATE AT ANY TIME

ABILITY OF THE RAMS AND EWES TO MATE AT ANY TIME OF THE YEAR. This characteristic is unique to the Dorset (among British breeds in Australia), and the obvious advantage is that the breed can be used to best effect to suite any of the widely differing climatic conditions

POINTS OF ECONOMIC IMPORTANCE

Dorset characteristics of economic importance are:

FECUNDITY. The breed is very prolific, lambing of 150% being not unusual and 120% being fairly normal in Australia.

In other breeds and crossbreeds excessive twinning is a drawback rather than an asset, as the dams do not have the milk supply to bring the twins to market weights before weaning, and the carry-over can be embarrassing.

MILKING ABILITY of the Dorset and Dorset-cross ewe is terrific. It is no bother to them to raise twins to market weights and in full bloom. Carry-over is reduced to a minimum. Single lambs develop at an astonishing rate.

RAPID GROWTH RATE AND EARLY MATURITY

The old story that Dorset lambs did not mature until overweight has been scotched by the development of the modern Dorset.

existing in Australia. Use of the breed is, therefore, not limited by climate or season.

Some breeders and fat lamb raisers (particularly in America) use this characteristic to produce three lamb drops in two years.

Other breeders take advantage of this mating ability at any time to produce a really early prime lamb, which always catches big prices.

The Dorset ewe will also take the ram while she still has a lamb at foot, and it is quite possible for her to raise two sets of twins in one year.

Combining the early mating and early maturing characters of the Dorset, many prime lamb raisers, even in the later districts, are able to avoid the glut periods at the killing works.

Other points of economic importance are:
The vigor and fertility of the rams;
Freedom of the breed from wool blindness;
Freedom of the skin from black and other discolourations (important to the fellmonger).

The characteristics mentioned so far are all truly hereditary from the old-type Dorsets, and are carried over very strongly into the crossbred because of the generations of pure blood that have firmly fixed them genetically.

CARCASE CONFORMATION

The character not yet mentioned is **CARCASE CONFORMATION**.

There are some breeders who still strive to make the Dorset a dual-purpose breed. There are others who allow small, insignificant details to obscure the main issue at stake – the developing of the carcass.

When crossed with the Merino the crossbred ewe becomes the dual-purpose breed, the Dorset supplying the carcass and the Merino the wool.

SHEEP AS YOU SHOULD SEE HIM

Four legs well placed at each corner, good bone – not necessarily too coarse and heavy, but certainly not weak and effeminate. When he walks he must carry himself all square on every leg.

His head must be masculine, wide nostril, strong jaw, teeth chisel shaped and neither over nor under shot; clear, bold eyes, well-set horns reasonably strong and not too close to the face, set out from the head squarely, with graceful curves.

NECK, CHEST, BACK

Neck strong, short, with good scrag, and running into the shoulder evenly and smoothly.

Chest deep, wide, and full, with heart and lung room well developed, and no sign of the devil's grip.

Back straight, with shoulders flat and even, loin wide and well fleshed, and tail setting reasonably level, with meat well defined above the backbone as it reaches toward the tail.

RIBS, TWIST, LINES

The ribs must be well sprung, not flat, and not paunchy in appearance.

The twist **MUST** be full and meaty – an Australian development most noticeable on the hook and a big factor in lamb carcass grading. The meat must be well down towards the hocks, filling both inside and out of the hind legs.

Finally, the top and bottom lines should both be even, in handling, the flesh should not roll under the hands, but be firm to the touch.

When the carcass is on the hook there should not be too much fat inside; the shoulders should not be bare, and the loin and legs must be broad and deep, with a nice fell covering.

POPULARITY WILL STAY

While breeders aim at this ideal the popularity of the Dorset will remain both for local and overseas trade, and as the Canadian and American markets are explored and opened, the Dorset type will be more and more sought after.

GIPPSLAND & NORTHERN

THE POLL DORSET BREED

Origin

This breed of sheep was evolved by Australian studmasters who introduced the poll gene into Dorset Horn flocks with the aim of breeding a true Dorset - but without horns.

The initial crosses were made in 1937 and following a planned upgrading period, the breed was officially registered and the Australian Poll Dorset Association formed in 1954.

The Poll Dorset is a short woolled, meat producing sheep, the most popular and most widely used sheep in Australia for prime lamb production. The inherent characteristics of the breed such as rapid growth rate, fleshing, quality and low fat deposition make them ideal for this purpose. The Dorset is renowned as a sire of the earliest marketable lamb, and has the ability to produce long, lean carcasses over a wide range of weights.

Fertility

The Poll Dorset will mate at any time of the year and can be used in widely different climatic conditions from sub-tropical to the cold highlands. Rams start work at an early age and have the ability to sire quality prime lambs from any breed of ewe.

Dorset ewes are also very fertile, and have the ability to mate and produce lambs at any time of the year best suited to local marketing conditions.

Wool

Poll Dorset wool is used for its blending qualities to add the sponginess of its fibre to the product, eg. a bulky pullover, sportscoat, carpet, or doonas and quilts. The clean white wool is also a big economic advantage over breeds with black points.

Commercial Value

The breed supplies around 65% of the total sires required annually by the prime lamb industry in Australia, and progeny repeatedly top or are near the top in prices achieved at lamb markets every week.

Poll Dorset sired lambs are also highly successful in carcase competitions, and have dominated such competitions for many years.

Class 217 EWE, any age, bred by Exhibitor, shorn or in wool, and may be drawn from the Ordinary Classes.

THE "KAMEROO SOUTH SUFFOLKS" TROPHY, presented by Ted & June Gain, will be competed for in this class. They have donated \$200 for investment and the interest thereon shall be accumulated until the class has been won 3 times by the same exhibitor. A trophy to the value of the accumulated interest will then be awarded to the exhibitor. After an exhibitor has won the award 3 times, competition for the Trophy will re-commence and previous wins will not count. First prize: suitably inscribed sash and card, Second Prize: card, Third Prize: card.

Health and Vitality with a Balanced Diet

The food we eat plays an important role in our health and well-being. In recent years the incidence of many serious life threatening diseases has been linked to our eating habits, e.g. coronary heart disease, non-insulin dependent diabetes, high blood pressure and osteoporosis. Healthy eating and regular exercise can help prevent these nutrition-related lifestyle diseases.

It makes good sense to eat nutritious well-balanced meals. Taking care of your family's nutrition is not difficult if you follow a few simple principles.

Plan menus around groups of foods that you should be eating in larger proportions to other groups, these include vegetables, cereals and dairy foods.

If you would like some free recipes to help maintain your family's 'Health and Vitality' write to the Dairy Foods Advisory Bureau, GPO Box 4750, Melbourne 3001. On the back of the envelope print your name, address and the words 'Balanced Meals'.

For a farm finance package tailored to your needs, talk to the National.

Obviously the most effective financial package for you is the one tailored to your needs.

The starting point for any financial package is a day to day working account like the National's unique Farm Management Account. But for longer term finance you should consider two types of finance from the National.

A variable rate loan gives you the flexibility of making principal reductions when it suits you thereby reducing your interest costs.

Or, if you would like to fix the cost of your finance, thus removing one variable from the farm management equation, you may prefer a fixed rate loan for up to five years.

Alternatively, the most effective package for you may be a combination of these options.

Your local manager of the National can help you examine the suitability of different combinations of finance options using our Cash Flow program.

Together, we can estimate your future financial needs testing the effect of good or poor seasons and high and low prices. This helps you to have sufficient financial flexibility.

If you would like more information, call your local manager of the National.

Tailoring banking to your needs.

Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. Every person purporting to act as agent of an Exhibitor shall be deemed to have given a warranty of his authority to the Company and the Company is not required to make any inquiry as to that authority.

The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

13. The Company will arrange compulsory Owners' Liability Insurance cover for all exhibitors in the horse, beef cattle, beef carcass, dairy cattle, dog, sheep, goat, pig carcass, alpacas and cat sections. 15. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

18. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

19. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

24. Except with the prior written approval of the Company, no livestock or animals, other than livestock or animals entered for the Show, are permitted on the Show Grounds. Domestic animals belonging to Exhibitors are included in this prohibition.

33. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize, he may also give commendations, in his opinion, they are deserved.

For a farm finance package tailored to your needs, talk to the National.

Obviously the most effective financial package for you is the one tailored to your needs.

The starting point for any financial package is a day to day working account like the National's unique Farm Management Account. But for longer term finance you should consider two types of finance from the National.

A variable rate loan gives you the flexibility of making principal reductions when it suits you thereby reducing your interest costs.

Or, if you would like to fix the cost of your finance, thus removing one variable from the farm management equation, you may prefer a fixed rate loan for up to five years.

Alternatively, the most effective package for you may be a combination of these options.

Your local manager of the National can help you examine the suitability of different combinations of finance options using our Cash Flow program.

Together, we can estimate your future financial needs testing the effect of good or poor seasons and high and low prices. This helps you to have sufficient financial flexibility.

BRIEF REPORT ON WINE JUDGING

by W.B. Chambers

Exhibits in all Australian Wine Shows are judged on a comparative basis, i.e. all the entries in the class are judged at the same time. The other method used in Varietal classes in Adelaide is the International system where the wines are judged and pointed individually.

Exhibits are judged on a point score with a maximum of 20 points. On the judging sheets this is divided into:

1. 3 points for colour and condition; usually wines with poor colour are rejected for defects on both nose and palate
2. 7 points for nose
3. 10 points for palate; a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

- 18.5 - 20 - Gold Medal
- 17.0 - 18.4 - Silver Medal
- 15.5 - 16.9 - Bronze Medal

All exhibits are judged on the blind. Judges do not handle the bottles.

In Melbourne the judges are arranged into four groups, each of three judges with a Chairman of Judges who arranges the groups of judges, divides the classes to be judged between the four groups, give guidance and occasionally resolves disagreements.

Each class is set up and poured by associate judges, who also have a set of glasses and assess the classes with the judges.

The judges assess the wines, point them and then collaborate on the medals awarded.

Judges are generally selected from those who work in or are connected with the Wine Industry. Potential judges are recommended to the R.A.S.V. Limited and are given experience as associate judges. New Judges are selected from the best performers.

The following definitions of the various wine types are for the guidance of Exhibitors.

Varietal wines should comprise at least 80% of the specified variety.

DRY WHITE TABLE WINES

Should be a brilliant condition, pale to medium straw in colour, preferably with a slight green tinge. Light to full bodied, medium to high acidity with a fresh bouquet, clean after taste no lingering sweetness. In the wooded classes the oak should be in harmony with the vinosity of the wine. Alcoholic strength should be between 8% and 14% alcohol.

MEDIUM DRY WHITE WINE

Specification similar to Dry White Table Wine but with some sweetness not exceeding 1 degree baume

SWEET WHITE TABLE WINE

Should be in brilliant condition, straw to light golden colour, medium to full bodied with a bouquet which is aromatic or complete and distinctly sweet in flavour. Its alcoholic strength should not exceed 14% by volume and it should not show excessive sulphur dioxide. Baume should exceed 1 degree.

ROSE

A still, light and tart table wine with a slight tannin finish and a fresh fruity flavour but without muscat character. Colour pink, but many have a trace of apricot or amber tint. Alcoholic strength should be between 8% and 14% alcohol by volume.

LIGHT BODIED DRY RED

Colour, light to medium red. A blue or purple tint may be present. Aroma and bouquet - varietal aroma may occur in varying degrees. It should be fresh and fruity and in harmony with the body and flavour of the wine. Palate - soft and light without being thin and rounded in the mid palate. Body should be in balance with the body of the wine. Finish clear and crisp with soft astringency. The alcoholic strength should be between 8% and 12% by volume.

DRY RED

Colour medium to deep red. According to age a blue or purple tint may be present in a young wine or a light brown edge may be present in an aged wine. Aroma and bouquet - varietal aroma may occur in varying degrees. It should be fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines bottle age. Palate soft rounded and generous in the mid palate. Body medium is full in balance with the acidity. Finish clean with tannin preferably combined with the flavour of oak tannin from maturation in wood but this should not predominate. The alcoholic strength should be between 8% and 14.5% by volume.

SWEET WHITE DESSERT

Golden to dark brown in colour depending on age. Must not show muscat character but have fruity and aromatic bouquet. It must be full bodied, soft and luscious. Strength not to exceed 20.5% alcohol by volume.

MUSCAT

Colour golden to red. Distinct bouquet and palate. Full bodied and soft and luscious. Strength not to exceed 20.5% alcohol by volume.

RUBY PORT

Colour medium to dark red. Bouquet and palate full and fruity. Excessive astringency is not acceptable. Strength not to exceed 20.5% alcohol by volume.

WINE

TAWNY PORT

Colour pale red with distinct amber tinge to deep amber with redish tinge. Bouquet fruity and aromatic, palate full and soft with distinct dryness on the finish. Some flavour of oak tannin from the maturing wood is desirable. A lingering sweetness on the after palate is undesirable. Strength not to exceed 20.5% alcohol by volume.

VINTAGE PORT

Colour deep ruby to light ruby, possibly with slight amber tint, depending on age. Bouquet fruity and characteristic of bottled aged vintage port. Should not show wood character. Flavour full and soft with firm astringent finish and no lingering sweetness. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Pale, Dry, Fino

Colour straw to pale golden. Bouquet characteristic of flor sherry. Flavour light and dry without excessive acidity or astringency, but some oak character. Finish dry, aromatic with distinct 'nutty' after taste of flor sherry. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Amontillado

Colour golden to light amber. Bouquet showing more age than Fino sherry. Palate fuller and softer than Fino with some oak astringency showing through. Finish dry and aromatic with characteristic 'nutty' aftertaste of sherry. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Oloroso

Colour amber to brown. Bouquet fruity and aromatic and showing both oak and sherry character. Palate soft and round but with a dry finish. Strength not to exceed 20.5% alcohol by volume.

CHAMPAGNE

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh without particular varietal character and should indicate some years in the bottle. The wine should be fairly dry but show no astringent finish. Bubbles should be fine and persistent.

SPARKLING RED WINE

Colour should be light to medium ruby. Older wines may show a trace of amber but not more than a trace. Bouquet fruity but should show bottle age. Fairly pronounced acidity. Full flavour and body, some sweetness but with dry finish. May show slight oak character. Bubbles should be fine and persistent.

TWO YEAR OLD BRANDY

Entries in this class should be representative of popular commercial brandies, but should avoid fruitiness. The brandy should be well balanced distillate of wine made from neutral grape varieties. It should avoid excessive heads or tails and should not show varietal character (e.g. Muscat). It should be smooth but without evident sweetness. A clear balance bouquet is essential. Colour light amber.

OLD BRANDY

Colour may be somewhat darker than in the young brandy class. Well matured oak should be distinguishable on both bouquet and flavour. Bouquet should be clean and somewhat ethereal but well balanced showing no particular constituent to excess. Flavour should be full smooth and aromatic. Finish aromatic without trace of fusel oil. No varietal character or fruitiness should be evident. Some slight sweetness is acceptable.

2 The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body

3 Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company

4 Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company

5 The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The Exhibitor is responsible for the correctness of all information on the entry form

7 Restrictions on the number of entries in any section or class may be made by the Company

8 Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9 Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit

10 An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company

LIABILITY FOR EXHIBITS

11 Neither the Company nor the Society shall under any circumstances be liable for:

- (a) the loss of any exhibit,
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever

12 The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him

13. The Company will arrange compulsory Owners' Liability Insurance cover for all exhibitors in the horse, beef cattle, beef carcase, dairy cattle, dog, sheep, goat, pig carcase, alpacas and cat sections. The compulsory insurance levy forms part of the entry fee. Details of the cover provided are shown in the relevant prize schedules.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

Exhibitors may be penalised or disciplined for the actions of their family, employees or agents in contravention of these Regulations. "Employees" includes any person agent or company, whether remunerated by the Exhibitor or not, engaged by, or on behalf of, the Exhibitor to carry, care for or prepare exhibits

15. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

16. The Company has the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;

- (d) remove any exhibit from the Show Grounds;
- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

17. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes

18. Should the Company be of the opinion that

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

19. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

20. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

21. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

24. Except with the prior written approval of the Company, no livestock or animals, other than livestock or animals entered for the Show, are permitted on the Show Grounds. Domestic animals belonging to Exhibitors are included in this prohibition.

25. No person, whether the Show is open to the public or not, may ride bicycles or skateboards in the Show Grounds without prior written permission.

ACCOMMODATION

26. The Company is under no obligation to provide space for exhibits or accommodation for people accompanying the exhibits. However, if the Company, in its discretion, does allocate space for exhibits or space for people to sleep, exhibits may be placed and people may sleep only in the areas allocated for such purposes by the Company. Any personal belongings, equipment or property brought by Exhibitors, their employees or families, to the Show Grounds must be kept in the accommodation lockers or other areas allocated by the Company for storage purposes.

"Employees" includes any person agent or company, whether remunerated by the Exhibitor or not, engaged by, or on behalf of, the Exhibitor to carry, care for or prepare exhibits.

15. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit.
