"WHEN I CHOSE KUBOTA IT WAS A GUTS REACTION."

The last thing you want is a gutless performer. KUBOTA tractors have the power to handle any job on the farm with everything from the M30 utility range (a real work horse), right up to the new M80 series.

The new M80's feature bigger, tougher engines (up to 100hp DIN), an integrated front end loader and the smallest turning circle around. Because they have a better power-to-weight ratio there's less strain, less maintenance and more traction.

So if you want to get tough contact your local KUBOTA dealer or call **008 334 653**.

Health and Vitality with a Balanced Diet

The food we eat plays an important role in our health and well-being. In recent years the incidence of many serious life threatening diseases has been linked to our eating habits, e.g. coronary heart disease, non-insulin dependent diabetes, high blood pressure and osteoporosis. Healthy eating and regular exercise can help prevent these nutrition-related lifestyle diseases.

It makes good sense to eat nutritious well-balanced meals. Taking care of your family's nutrition is not difficult if you follow a few simple principles.

Plan menus around groups of foods that you should be eating in larger proportions to other groups, these include vegetables, cereals and dairy foods.

If you would like some free recipes to help maintain your family's 'Health and Vitality' write to the Dairy Foods Advisory Bureau, GPO Box 4750, Melbourne 3001. On the back of the envelope print your name, address and the words 'Balanced Meals'.

For a farm finance package tailored to your needs, talk to the National.

Obviously the most effective financial package for you is the one tailored to your needs.

The starting point for any financial package is a day to day working account like the National's unique Farm Management Account. But for longer term finance you should consider two types of finance from the National.

A variable rate loan gives you the flexibility of making principal reductions when it suits you thereby reducing your interest costs.

Or, if you would like to fix the cost of your finance, thus removing one variable from the farm management equation, you may prefer a fixed rate loan for up to five years.

Alternatively, the most effective package for you may be a combination of these options.

Your local manager of the National can help you examine the suitability of different combinations of finance options using our Cash Flow program.

Together, we can estimate your future financial needs testing the effect of good or poor seasons and high and low prices. This helps you to have sufficient financial flexibility.

If you would like more information, call your local manager of the National.

IMPORTANT NOTICE

Exhibitors are advised to read all the regulations carefully.

Regulations Relative to Dogs and Conditions of Entry

CHAMPIONSHIP SHOW: To be held under the Rules and Regulations of the Victorian Canine Association Inc. with which the Company is affiliated. A copy of the Rules and Regulations may be inspected at the office of the Company.

The General Regulations of the Company shall also form part of the conditions of entry, except when they conflict with the Rules of the Victorian Canine Association Inc.

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Showgrounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

6. All entry forms must be signed by the Exhibitor or his authorised agent. The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Agility, Obedience and Guineas Classes, do not count as Ordinary Classes.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. Reserved.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

- (a) the loss or death of an exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Showgrounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company has the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;

- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with,

then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Society) or otherwise penalise any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) or any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or

other witnesses to which the Company may have had regard in exercising its said discretion;

- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company reserves the right to rule at any time that any exhibit, exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. Exhibit Numbers: The exhibit numbers shall correspond with the bench allotted to the exhibit. Bench numbers must not be altered or interfered with. Exhibit numbers shall be worn by handlers whilst in the judging ring. The exhibit number must be produced whenever required by the Company or the Steward in Charge at the time of judging.

22. Except with the prior written approval of the Company, no livestock other than the livestock entered for the Show are permitted to enter the Showgrounds.

ACCOMMODATION OF EXHIBITS

23. Exhibits shall be placed where directed by the Company.

JUDGING

24. The Company may alter the Judge for any particular class at any time if it deems fit.

25. No competitor or Exhibitor or person acting on behalf of any competitor or Exhibitor shall in any way influence consult or interfere with or attempt to influence consult or interfere with the Judge or endeavour to interfere with his freedom of choice or judgement.

26. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless the practice is expressly authorised in the regulations in the relevant prize schedule.

27. The decision of the Judge as to the merits of the exhibit shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

28. Judges are empowered and are requested not to award any prize, (including Special Prizes) to any exhibit which they consider is not of sufficient merit. Where in any class or competition a First place is not awarded by the Judge, there shall be no Second or Third placing awarded.

29. The Judge may not place two or more separate exhibits equal for any award, nor may he/she re-judge any competition.

because of the absence from the judging ring of any exhibit at the time of judging that competition.

30. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered if, in his opinion, the exhibit is of sufficient merit with the exception of a reserve challenge award, such emergency number does not carry any prize, or other reward.

31. Subject to Regulations 18 and 35, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order.

32. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

34. Subject to the regulations in the relevant Prize Schedule, protests shall be addressed to the Principal Officer and be lodged at his office on the 1st Floor, Administration Building, cnr. DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. **"WHEN I
CHOSE
KUBOTA
IT WAS
A GUTS
REACTION."**

The last thing you want is a gutless performer. KUBOTA tractors have the power to handle any job on the farm with everything from the M30 utility range (a real work horse), right up to the new M80 series.

The new M80's feature bigger, tougher engines (up to 100hp DIN), an integrated front end loader and the smallest turning circle around. Because they have a better power-to-weight ratio there's less strain, less maintenance and more traction.

So if you want to get tough contact your local KUBOTA dealer or call **008 334 653**.

The best of both worlds

Qantas has joined forces with Australian Airlines.

This historic partnership was forged to give Australians a better airline service.

A service that provides flights both overseas and within Australia.

A service that has a greater capacity to get Australians to their destinations during peak-times.

A service that has greater depth and knowledge of aircraft maintenance.

A service that has a Frequent Flyer Programme that offers real pay offs. A service that is the best of both worlds.

AUSTRALIAN COUNTRY STYLE

Australian Country Style magazine is pleased to be visiting the Melbourne Show for the second year, taking its place amid the action in a special pavilion, joined by the makers and suppliers of products it features.

A refreshingly bright monthly magazine, **Australian Country Style** is full of regular and special features on homes and decorating, fashion, food, wine, arts, crafts, gardening and other pleasures, with a focus on positive developments and the people behind them.

Like the Show, it is a meeting place of town and country, a warm and colourful link between pleasure and practicality, traditional and modern values, old and new. As appealing to city dwellers trying to capture the feel of a day in the country as it is to confirmed country folk, the magazine has a readership as diverse in tastes and lifestyles as the landscapes it so vividly pictures. Subscriptions and magazines are available at the pavilion.

For a farm finance package tailored to your needs, talk to the National.

Obviously the most effective financial package for you is the one tailored to your needs.

The starting point for any financial package is a day to day working account like the National's unique Farm Management Account. But for longer term finance you should consider two types of finance from the National.

A variable rate loan gives you the flexibility of making principal reductions when it suits you thereby reducing your interest costs.

Or, if you would like to fix the cost of your finance, thus removing one variable from the farm management equation, you may prefer a fixed rate loan for up to five years.

Alternatively, the most effective package for you may be a combination of these options.

Your local manager of the National can help you examine the suitability of different combinations of finance options using our Cash Flow program.

Together, we can estimate your future financial needs testing the effect of good or poor seasons and high and low prices. This helps you to have sufficient financial flexibility.

If you would like more information, call your local manager of the National.

Tailoring banking to your needs.
