WHISKAS® is now even tastier and it shows.

NOBODY KNOWS MORE about what cats like, and why they like it, than Whiskas. Because nobody tries more recipes with more cats than we do.

So, when we say we've made Whiskas a whole lot tastier, we're doing it with the approval of those that matter most, cats. New Whiskas is now even more delicious with a greater variety of texture for even more enjoyment.

And with seven new varieties added to the Whiskas your cat already loves, like Salmon & Chicken and Beef with Rice, your cat will have all the tastes he wants, with all the goodness he'll ever need.

Whiskas knows cats best.

For a farm finance package tailored to your needs, talk to the National.

Obviously the most effective financial package for you is the one tailored to your needs.

The starting point for any financial package is a day to day working account like the National's unique Farm Management Account. But for longer term finance you should consider two types of finance from the National.

A variable rate loan gives you the flexibility of making principal reductions when it suits you thereby reducing your interest costs.

Or, if you would like to fix the cost of your finance, thus removing one variable from the farm management equation, you may prefer a fixed rate loan for up to five years.

Alternatively, the most effective package for you may be a combination of these options.

Your local manager of the National can help you examine the suitability of different combinations of finance options using our Cash Flow program.

Together, we can estimate your future financial needs testing the effect of good or poor seasons and high and low prices. This helps you to have sufficient financial flexibility.

If you would like more information, call your local manager of the National.

ST.GEORGE BANK

Now open for Show business.

At this year's St.George Bank Royal Melbourne Show, you'll find a St.George Bank branch on Plummer Avenue. We're open every day of the show, so come on in: you could meet Happy Dragon. You could also get cash from one of our ATM's at our branch, the Hall of Manufactures or the Schweppes stand. If you miss us at the show, you can visit one of our 35 branches throughout Victoria, or the St.George Bank Home Loan Centre in Queen Street, Melbourne.

Open 7 days a week 9am-7pm.

"WHEN I CHOSE KUBOTA IT WAS A GUTS REACTION."

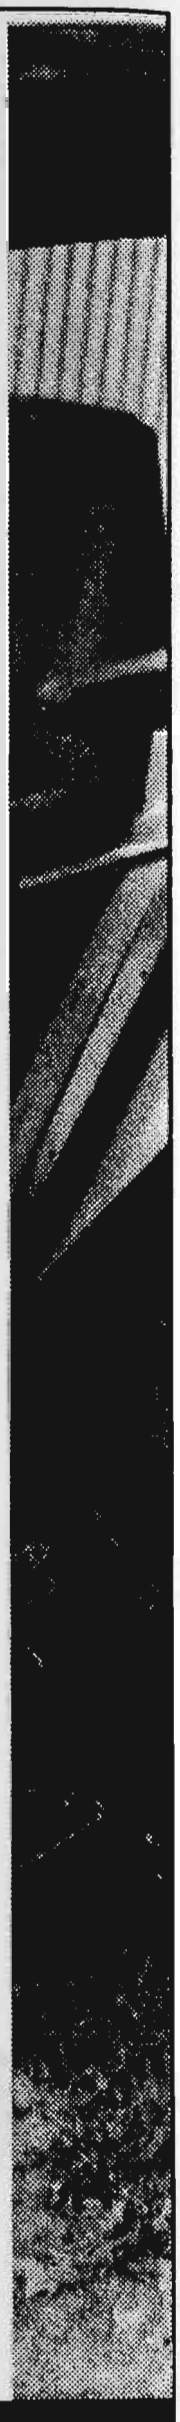

The last thing you want is a gutless performer. KUBOTA tractors have the power to handle any job on the farm with everything from the M30 utility range (a real work horse), right up to the new M80 series.

The new M80's feature bigger, tougher engines (up to 100hp DIN), an integrated front end loader and the smallest turning circle around. Because they have a better power-to-weight ratio there's less strain, less maintenance and more traction.

So if you want to get tough contact your local KUBOTA dealer or call **008 334 653**.

WHISKAS® ***is now*** even tastier and it shows.

NOBODY KNOWS MORE about what cats like, and why they like it, than Whiskas. Because nobody tries more recipes with more cats than we do.

So, when we say we've made Whiskas a whole lot tastier, we're doing it with the approval of those that matter most, cats. New Whiskas is now even more delicious with a greater variety of texture for even more enjoyment.

And with seven new varieties added to the Whiskas your cat already loves, like Salmon & Chicken and Beef with Rice, your cat will have all the tastes he wants, with all the goodness he'll ever need.

Whiskas knows cats best.

Has the cheese
seen more of the

you're serving world than you?

Far off places might sound exotic,
and their produce might seem a
treat...but think about it.

Take a glass of pure fresh milk
drink it and you'll see.
Fresh food is always better
just try it, you'll agree.

We're fortunate in Australia,
we have the world's very best,
our Australian cheese is second
to none, just put it to the test.

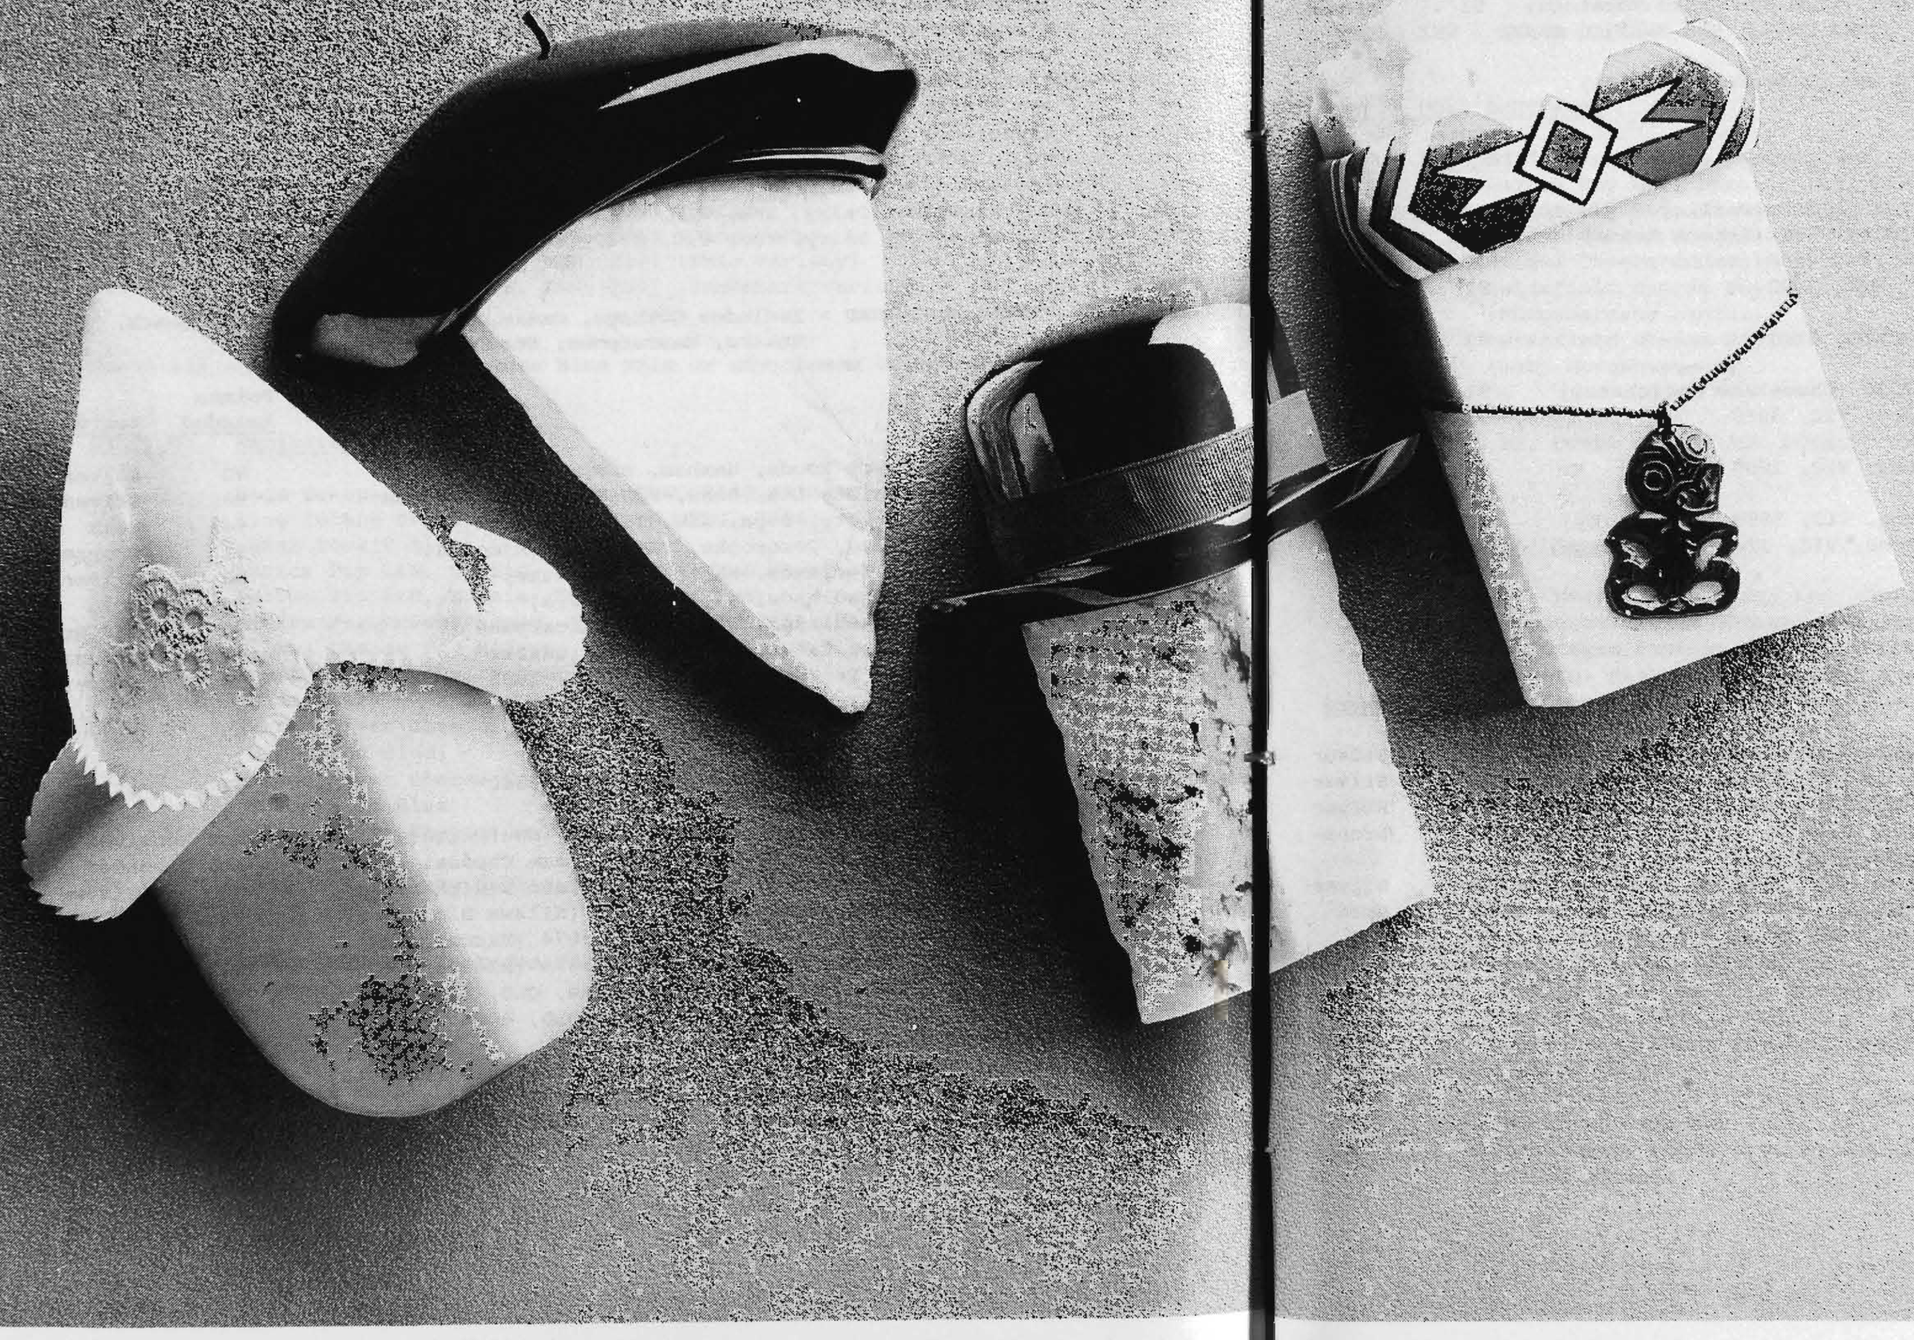

For variety, freshness and flavour
there's none that taste as great.
And you know, what's funny,
when served overseas they say
"Australian Cheese!...Yes Mate!"

DAIRY GOOD.

Good food. Good taste.

CHAIRMAN'S REPORT

It is with much pride that I am associated with this our 25th RASV/VAPS National Exhibition of Photography for 199
Congratulations to all award winners and all who have achieved acceptances in all sections of the Exhibition. Judging wa
carried out on Sunday, August 8th, a task of great importance carried out professionally by the panels of of selected judge
The computer judging system improves with each years use making the task much easier. This year we have due to rul
changes allowed home and trade processed prints into all sections and by so doing we have dispensed with the Commercia
print section started 3 years ago. These changes have resulted in an increase of 100 plus more prints in the Colour Prin
section alone. A further increase in our Junior section to nearly 130 entries is also very pleasing indeed. There is a need fo
us all to nurture the younger generation into photography as they are our future. This year for the first time (in place of ou
usual Audio Visual Presentation of the award winning and accepted slides) we will, through the courtesy of Kodak, be usin
the Photo CD system for display. Thank you to all those who gave up their Sunday to help with the Judging Day, and to th
staff at the RASV under guidance of Pat Riley and Judy Barnes for their efforts. Thanks also to our major sponsor Michael
Camera and Video and to all other sponsors of our Exhibition. Special thanks to my Committee for their patience and har
work.

A BRIEF HISTORY OF THE RASV – VAPS NATIONAL EXHIBITION 1969-1993

When the Melbourne International Exhibition of Photography lapsed in 1966, the Executive of the Victorian Association of Photographic Societies was concerned that there was no National or International Exhibition of Photography in Victoria.

Negotiations commenced with the Royal Agricultural Society of Victoria to stage a National Exhibition and in 1969, Alex, Allan and Phil Wilson headed a committee of V.A.P.S. executive and co-opted members to organise the first RASV/VAPS National Exhibition of Photography. The exhibition ran from the first Sunday to the last Saturday of the Royal Melbourne Show and was allocated the Mezzanine of the Mitchell Stand after the cat club exhibits moved out on the Saturday evening. The show committee installed the exhibition starting work early on Sunday morning to be ready for the opening at 10.00 a.m. Camera Club Members assisted the Executive to man the exhibition from 10.00 a.m. to 10.00 p.m. in 3 shifts, for the duration of the Show. The Mitchell Stand was an open area and prints were hung in clear film envelopes, supplied by Kodak, to protect them from dust and whatever other elements prevailed during the Show.

The Mitchell Stand was less than favourable for a photographic exhibition and negotiations took place to obtain a better venue where entries would not be at risk. In 1974 the exhibition moved to Stand C14, Lobb Street, just near the Main Gate. Here it was possible to install the exhibition before the Show commenced and display work for the entire Show. This venue was not shared but it was necessary to paint the interior and floor to clean it up prior to each year's exhibition. Ivor Edwards was Exhibition Chairman from 1971-77, assisted by Loris Peggie, all the VAPS Executive and a large group of volunteers from Camera Clubs.

For the next ten years Camera Clubs organised the exhibition.: 1978 Broadmeadows Camera Club, 1979-80 Doncaster Camera Club, 1981-82 Ivanhoe Photographic Society, 1983-84 Camberwell Camera Club and 1985-86 Melbourne Camera Club with Dr. Gatt as Chairman. 1987-89 Rob McKay chaired the exhibition. These two gentlemen were both members of the Melbourne Camera Club and VAPS Inc. Council. In 1990-93 the exhibition was organised by the VAPS Inc. Council with Adrian Smith as Chairman. During this twenty-one year period the venue also changed to the Photography Building, P.B. Ronald Pavilion and then to McCracken Avenue.

Sections have varied slightly over the years – Prints include: Pictorial, Nature, People, Photo-journalism and Social Documentary. When colour prints increased, the pictorial/open section was divided into Monochrome and Colour. In 1991 a Commercial Print section was sponsored by Michael's Camera and Video and a Junior Print section was also added. In 1993 Commercial Prints were permitted in all sections. In Slides the sections were: Pictorial, Nature, Experimental, People, Photo-journalism and Social Documentary. Youth Slides and Prints were included in 1971 but were discontinued due to lack of entrants. The Exhibition has had the Australian Photographic Society's approval since 1970.

The Stereo Society of Australia arranged an Open Section in conjunction with the 1970 to 1978 Exhibitions and from 1974 this section was raised to become an International Exhibition of Stereo Photography receiving The Photographic Society of America and Royal Photographic Society approval.

Several other changes have taken place over the years: 1982 saw the first cash prizes awards. Prior to the most sponsors had presented trophies. In 1983 the 15th RASV/VAPS Exhibition joined with the 12th Warragul National Exhibition to become an Exhibition Circuit. In 1991, an Exhibition and Presentation Night was arranged for camera club members and the public to view some of the entries, prior to the exhibition being set up at the Showgrounds.

A BRIEF HISTORY OF THE RASV – VAPS NATIONAL EXHIBITION 1969-1993

In the early years, the number of entrants and total entries were not recorded, only the acceptances, but statistics reveal a steady growth of the Exhibition with a very high spot in 1984 when 195 entrants submitted 2480 entries with 658 acceptances. The success of this Exhibition has hinged on the loyal support of the many entrants who have regularly submitted their work.

Judges are an integral part of every exhibition and over the years ninety-two volunteers have worked in panels of three to select the successful entries. Many have given their services on a number of occasions and the quality of each exhibition rests on their selections.

Judging days are always busy days with many volunteers needed to act as stewards, recorders, sorters and so on. Ever keen to be involved, there was never a problem to get enough people willing to give their services to this exhibition.

Sponsorship is also a major factor in organising a successful exhibition and over the years some fifty-five companies, organisations and individuals have given financial support, donated trophies and assisted with the production of the catalogue. Of the long list of sponsors, the following have supported almost every exhibition: Kodak (Australasia) Pty. Ltd., Agfa-Gevaert Ltd., Ilford (Australia) Pty. Ltd., C.R. Kennedy & Co. Pty. Ltd., R. Gunz (Photographic) Pty. Ltd. and Michaels Camera and Video. Without this regular assistance, the task of organizing an exhibition would be very difficult.

During the entire 25 years, it has been necessary to liaise with a representative of the Royal Agricultural Society. Assistance was willingly and promptly given in every way possible to make the Photography Section a success.

The dedication of a large number of people over the last twenty-five years, has certainly helped to develop the Royal Agricultural Society of Victoria and Victorian Association of Photographic Societies National Exhibition of Photography into an exhibition of which all Victorians can be very proud.
