1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch Inc.) And each Country Show Society affiliated with the Victorian Agricultural Societies Association is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 YEARS AND UNDER 15 years of age on the day of its show.
IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. A plain snaffle with a straight bar or jointed in the centre, the mouthpiece must be smooth).
2. Each Society conducting qualifying competitions is required to notify the R.A.S.V. Limited of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given to the "runners-up" to compete in the Championship Competitions.
3. Such competitions to be named "The Good Hands Qualifying Riding Competitions", and the R.A.S.V. Limited to provide suitable certificates for presentation to the winners.
4. The holder of a R.A.S.V. Limited Qualifying Certificate, won in the same year, shall not be eligible to compete.
5. The competitors shall be judged solely on their riding ability - mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at The Royal Melbourne Show. No entry fee will be charged.
7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, (See regulation regarding saddlery in 1).
8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.
9. The names of the winners will be engraved on the Challenge Trophies.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the challenge Trophies.
11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.
12. The R.A.S.V. Limited may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.
13. All entries must be lodged with the Society by 5 p.m. on Thursday, September 5th.

FLAG RACE CONDITIONS

Four barrels to be placed in a straight line 10 yards apart, the outside barrels at least 10 yards from the nearest fence or obstacle.

Flags to be placed nine yards (27 ft.) Apart in straight rows of six (6). Each row to be 10 yards apart.

First flag to be nine yards from the barrel. Each measured position of blocks and barrels to be marked with substance provided. Blocks to be placed on appropriate spots, with rods in place in drilled holes.

RULES FOR FLAG RACE COMPETITION

1. Competitors to start on left hand side of barrel and turn their horses on the right (off side) rein.
2. Competitors must place each flag in the barrel before the next flag is picked up. The farthest flag should be picked up first. If missed, competitor may pick up another flag on the way back to the barrel, but must return to the first flag next time.
3. Exhibits will start on left side of barrel and will finish immediately the competitor places the last (6th) flag in the barrel and exhibit crosses the finish line.
4. (a) A competitor may use the full distance between lanes, but will be disqualified for crossing another competitor's row of flags.
(b) Competitors who knock down another competitor's flags or barrel will be disqualified and must withdraw immediately.
(c) If a competitor's flag or barrel is knocked down by another competitor, these must be immediately placed upright by the lane stewards. If the stewards have insufficient time to do so, and the competitor had a good chance of being placed first, the Judge shall decide whether to allow him another start in a heat or put him into the semi-final or final, as the case may be.
(d) If there are less than four (4) starters in a heat, the vacant row of flags must be left in position, and the competitor in the adjoining row must not cross over these.
(e) If a competitor is disqualified for breaking this rule, that competitor should retire from the course without causing further interference to the other competitors.
5. (a) If a competitor knocks over his or her own barrel, it must be placed upright by said competitor before any more flags are placed in it.
(b) If the flags that were already in the barrel fall out when the barrel is knocked over, they may be placed back in by the competitor without having to remount.
(c) If a competitor drops a flag or knocks down his or her barrel, that competitor may not use any outside assistance or property of the event to (1) pick up flag; (2) replace barrel; or (3) remount horse.

(d) All flags must be placed in the barrel with the competitor mounted. If competitor can pick up a dropped flag without dismounting, he may do so, but if not, they must dismount and pick up the flag, mount, and place it in the barrel.

6. (a) If a competitor's flag stick breaks, one broken piece may be placed in the barrel and counted as a complete flag.
(b) If the flag material comes apart from the stick, the broken stick rule will apply and the flag material may be placed in the barrel and counted as a flag.
7. If a flag lands horizontally on top of the barrel it shall be judged out of the barrel, and must be placed in same by the competitor, but if any portion of the flag stick, except the material, is inside the barrel, although it may be protruding at an acute angle, it shall be judged in and no need to be touched by the competitor. However, if that competitor tries to rectify the position and the flag falls out before the last competitor has completed the course or is retired, that flag shall be judged out, and the course incomplete.
8. After a flag race is finished, the judge must inspect the barrels and make sure that all six (6) flags have been placed in each barrel. If any flags are found to be out, that competitor will be disqualified or given the chance to complete the course if the placings depend on that course being completed.
9. Competitors in outside lanes will be disqualified if they exceed the distance allotted between lanes.

TOGETHER ON THE FARM THEY WORK A CHARM

Farmers know that success on the land takes a lot of co-operation and many different partnerships . . . like the partnership between a farmer and his machinery. And to keep that machinery running at the peak performance, Shell Rimula X and Shell Formula Diesel. A partnership which powers the diesel engines you rely on. Together, Shell Formula Diesel and Rimula X will see you and your machinery right. All season long.

ABOUT YOUR OIL Shell Rimula X multigrade is the diesel oil which reduces bore polishing and improves cold starting. Leading to less maintenance and lower running costs. Best of all – Rimula X is the one oil you need for most diesel engines. And it's probably right for your ute as well!

ABOUT YOUR FUEL Shell Formula Diesel maximises performance by improving cold starts and faster warm ups. And Formula Diesel keeps proving its superior fuel economy again and again, achieving up to 7.85 miles per gallon in the Coast-to-Coast across Australia Challenge. Shell Formula Diesel and Shell Rimula X. A partnership that leaves you free to work on the land, not in the shed.

Available from your local
Shell Distributor or Re-Seller.

Stockade prevents a new LICE AGE

Stop the spread of a new Lice Age with Stockade 3 in 1 Plunge and Shower Dip. Remember - all-over coverage means all-over protection.

- **Stockade 3 in 1** controls all known strains of lice and itchmite.
- **Stockade 3 in 1** is effectively non-stripping; the top up rate is the same as the charge rate, which makes it easy to manage. No complicated calculations as for diazinon based products.
- **Stockade 3 in 1** offers a greater margin of safety for the sheep and the operator when compared to organophosphates.

Compare the cost of **Stockade 3 in 1** with your regular dip - you're likely to be pleasantly surprised!

More Victorians have bought their homes with the help of the State Bank than any other bank or building society.

If you're looking for a home, whether it's your first home, a bigger home or even a retirement home, come and have a chat with your local State Bank Victoria Manager first.

And you'll find out why, over the years, we've helped more Victorians buy their own homes.

Because at State Bank Victoria we're dedicated to making home loans simpler not more complicated.

There's bound to be a branch near you, because we've got more of them too.

COMPETITIONS
ENTERING FOR SHOW**

Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Show Grounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon its receipt by the Company and fees for withdrawn entries or entries which do not satisfy the conditions of eligibility will not be refunded.

6. All entry forms must be signed by the Exhibitor or his authorised agent. Where an Exhibitor is less than 18 years of age, the entry form must be signed also by the Exhibitor's parent or guardian.

Every person purporting to act as agent of an Exhibitor shall be deemed to have given a warranty of his authority to the Company and the Company is not required to make any inquiry as to that authority.

The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.

8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (*). Should any exhibit be sought to be entered in more than one Ordinary Class such exhibit shall only compete in the first class in which its name appears in the Company's Catalogue unless the Company otherwise directs.

OWNERSHIP OF EXHIBITS

9. Unless the Company otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company shall have the power to recognize or reject such lease as it deems fit.

10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

LIABILITY FOR EXHIBITS

11. Neither the Company nor the Society shall under any circumstances be liable for:

- (a) the loss of any exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

13. The Company will arrange compulsory Owners' Liability Insurance cover for all exhibitors in the horse, beef cattle, beef carcass, dairy cattle, dog, sheep, goat, pig and cat sections.

The compulsory insurance levy forms part of the entry fee. Details of the cover provided are shown in the relevant prize schedules.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

14. Exhibitors are responsible for ensuring their family, employees and assistants are familiar with, and comply with these Regulations. Exhibitors may be penalised or disciplined for the actions of their family, employees or agents in contravention of these Regulations. "Employees" includes any person agent or company, whether remunerated by the Exhibitor or not, engaged by, or on behalf of, the Exhibitor to carry, care for or prepare exhibits.

15. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

16. The Company has the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;
- (c) alter the conditions of any event;
- (d) remove any exhibit from the Show Grounds;
- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

17. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

18. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with,

then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

19. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

20. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any

event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

21. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

24. Except with the prior written approval of the Company, no livestock or animals, other than livestock or animals entered for the Show, are permitted on the Show Grounds. Domestic animals belonging to Exhibitors are included in this prohibition.

25. No person, whether the Show is open to the public or not, may ride bicycles or skateboards in the Show Grounds without prior written permission.

26. The Company is under no obligation to provide space for exhibits or accommodation for people accompanying the exhibits. However, if the Company, in its discretion, does allocate space for exhibits or space for people to sleep, exhibits may be placed and people may sleep only in the areas allocated for such purposes by the Company. Any personal belongings, equipment or property brought by Exhibitors, their employees or families, to the Show Grounds must be kept in the accommodation lockers or other areas allocated by the Company for storage purposes.

30. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

31. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withhold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded.

32. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

33. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize, he may also give commendations, in his opinion, they are deserved.

34. Subject to Regulations 20 and 38, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order.

35. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of \$20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

38. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

39. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

Regulations Relative to WOODCHOPPING CONTESTS

ENTRIES CLOSE AND MUST BE RECEIVED BY THE COMPANY AT THE ADMINISTRATIVE BUILDING AT THE ROYAL SHOWGROUNDS, EPSOM ROAD, ASCOT VALE, 3032 NOT LATER THAN 4.30 P.M. ON WEDNESDAY 15TH MAY 1991 WHETHER SUCH ENTRIES ARE DELIVERED IN PERSON OR BY POST. ALL ENTRIES MUST BE ACCOMPANIED BY THE APPLICABLE FEE, WHICH IS \$8.00 PER ENTRY IN EACH CLASS FOR MEMBERS OF THE COMPANY AND \$12.00 PER ENTRY IN EACH CLASS FOR NON-MEMBERS. NO ENTRY FEE REQUIRED FOR EVENTS 34, 35, 36.

(COMPETITORS WHO REQUIRE A CATALOGUE OF EVENTS AND HANDICAPS MUST ENCLOSE THE SUM OF \$7.00 WITH THEIR ENTRY FORM).

(The Wood Chopping Contests are registered with the Central Victorian Axemen's Association and held under the guidance of Australian Axemen's Association Rules).

Competitors in the Wood Chopping Contests are advised that arrangements have been made for specially selected timber to be provided for these contests. All timber will be inspected by representatives of the Company on arrival at the Show Grounds, and any not up to standard will be rejected.

CONDITIONS

101. The General Regulations appearing in this Schedule form part of the conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

102. Scratchings must be notified to the Wood Chop Superintendent by 5 p.m. on the day prior to the event. Competitors not notifying scratchings will be fined \$2.

103. The logs and billets will be any variety of timber and any length approved by the Stewards in their absolute discretion. The diameter of all logs will be as uniform as possible.

104. ALL COMPETITORS, excluding sawyers, must state on the entry form their last win and handicap and a list of their last six performances anywhere, irrespective of Association or State, together with the name of the backmarker. An entry will definitely not be accepted unless the last win and the last six performances for each class of event entered, excluding sawing, are stated on the back of the entry form. This applies to ALL Australian and New Zealand competitors.

105. The contest will be chopped in heats and a final, according to the number of entries.

106. All logs and billets will be numbered, and will be drawn for by the Stewards.

107. The first and second competitors in each heat unless otherwise stated, shall compete in the semi-final or final. At the absolute discretion of the Stewards, when there are two semi-finals, they may take one, two or three placegetters to start in the final.

108. No competitor will be allowed to make any axe marks on his log or to the foot holes or dog holes before his handicap starting time as allotted by the handicapper.

109. No persons, other than competitors and officials, will be allowed in the arena during the contest.

110. Axes must entirely sever logs in two parts; competitors who sever logs with the aid of pushing or pulling will be automatically disqualified.

111. Competitors must be at their places prior to the advertised time of starting. Events will be commenced at their advertised starting time notwithstanding the absence of any competitor.

112. All competitors must compete in white shoes, white trousers, white singlets or singlets of recognised State, Association or Club Colours.

Exemptions to this regulation will be allowed at the discretion of the Stewards in special cases where singlets are provided by sponsorship or where the clothing is more suitable for a specific event in which cases competitors must remain in the same uniform during the presentation of awards. No competitor will be permitted to display sponsorship of any kind except when provided by the sponsor of an event and singlets with sponsorship can only be worn when the particular event of sponsorship is in progress.

Any competitor may apply to the Steward-in-Chief for dispensation in regards to wearing apparel on the grounds of his/her state of health or on any other grounds, in which case dispensation may be granted in the absolute discretion of the Steward-in-Chief.

White footwear must always be worn.

113. In any Association or Club teams race, the Association or Club uniform coloured singlets are to be worn.

114. Any axeman who holds the right to compete in novice events, forfeits the right to compete in a novice of the particular event when he/she has won a single handed open handicap event anywhere in Australia. This rule applies Australia wide and is irrespective of prize money. A competitor who claims to be a novice may be required by the Steward-in-Chief to make a statutory declaration to this effect.

115. The Company may appoint a Disputes Committee for the Wood Chopping Contests and any decision of this Committee shall be final in all respects whatsoever save only for any decisions or directions of the Company. No decisions, directions or determinations made by the Disputes Committee, or the Company for the purposes of the Wood Chopping Contests shall be called into question in any manner or in any proceedings whatsoever.

2 WOODCHOPPING

116. Competitors must use clamps as supplied by the Company in all Standing Block Events.

117. A competitor who wins an event after the posting of marks may be re-handicapped for any subsequent event or events. The Company reserves the right to re-handicap a competitor before an event has commenced.

118. Every care must be exercised to keep axes and saws covered. Axes and saws **MUST NOT** be carried among the general public unless so covered. Competitors should note the terms of rules 11 and 12 of the General Regulations. All Axes shall have a pin (minimum size 3mm) placed through the axe as near as possible to the centre of the handle area.

119. Logs situated in a reserved area adjacent to the Dressing Room will be provided to enable competitors to test their axes. Competitors shall not be permitted to test their axes in the main arena.

120. In the Underhand events all axemen must finish on their logs.

121. In a Tree Felling event any axeman chopping in a previously cut board hole will be automatically disqualified.

122. Under no circumstances are axemen permitted to enter the Log Enclosure without the permission of the Log Steward.

123. In all sawing contests saw cuts shall be started as close as possible to the front end of the log and shall not be more than 100mm in from the edge of the top side. Oil may be used on the saw immediately prior to the commencement of the contest. In sawing contests the saw must saw through the log from one side only.

124. In sawing contests the wedger shall stand behind the log and if any wedger in any way touches or guides a saw or touches or guides that portion of the log which is being cut off, the competitor or team concerned shall be automatically disqualified.

Definition: "Behind the log" in this regulation shall be interpreted to mean the opposite end of the log to the saw cut.

125. In the 400mm diameter butchers blocks one member of each team shall open a scarf and cut the log approximately half way through, the first cutting member of the team on ceasing to cut shall retire to his neutral area and visually indicate to his partner, in a manner prescribed by Stewards, that the other team member is to complete the cut by opening a scarf on the opposite side of the log.

126. Save only as provided in regulation 115, any decision of a Steward with respect to any matter related to the Wood Chopping Contests shall be final and any regulations, conditions, rules or guidelines, which may be expressed to apply to the Wood Chopping Contests shall in no way be construed as limiting the discretion of the Stewards to conduct the Contests in such manner as they think fit.

127. Inscribed Sashes and Ribbons, presented by the Company will be awarded to the prize winners of events Nos. 1 to 36 inclusive.

128. Wood Chopping contest times and dates will be announced in the Catalogue.
