Has the cheese you're serving seen more of the world than you?

Far off places might sound exotic,
and their produce might seem a
treat...but think about it.

Take a glass of pure fresh milk
drink it and you'll see.
Fresh food is always better
just try it, you'll agree.

We're fortunate in Australia,
we have the world's very best,
our Australian cheese is second
to none, just put it to the test.

For variety, freshness and flavour
there's none that taste as great.
And you know, what's funny,
when served overseas they say
"Australian Cheese!... Yes Mate!"

DAIRY GOOD.

Good food. Good taste.

WHISKAS® is now even tastier and it shows.

NOBODY KNOWS MORE about what cats like, and why they like it, than Whiskas. Because nobody tries more recipes with more cats than we do.

So, when we say we've made Whiskas a whole lot tastier, we're doing it with the approval of those that matter most, cats. New Whiskas is now even more delicious with a greater variety of texture for even more enjoyment.

And with seven new varieties added to the Whiskas your cat already loves, like Salmon & Chicken and Beef with Rice, your cat will have all the tastes he wants, with all the goodness he'll ever need.

Whiskas knows cats best.

ALL ABOUT OUR AMERICAN JUDGE

We are delighted to have Darrell Newkirk from Illinois, USA, judging all our entire cats this year and we give him a very warm welcome.

Briefly, Darrell professionally is a Certified Registered Nurse Anesthetist. Darrell and his wife Beth have been breeding Abyssinians for approximately 10 years.

Their first venture into the cat world was with a Seal Tortie Point Siamese, however, they subsequently fell in love with the Abyssinian.

In addition to the Abyssinian, they have bred and shown Maine Coon Cats, Cornish Rex, Scottish Folds and Somalis. The latest adventure is the Persian.

Darrell served as the Trainee Judge Co-ordinator for two years prior to being elected as President of the American Cat Fanciers Association and assumed the office of President onJanuary 1, 1993. He finds it a challenge to keep up with the ever changing events in the Cat Fancy in North America.

We wish to thank most heartily the Travel Inn Motel, Cnr. Drummond and Gratton Street, Carlton for their generosity in providing the accommodation for Darrell during his stay in Melbourne.

Spend less time accounting and more where it counts.

While we can't make the task of running your farm any easier, the National's Farm Management Account can simplify the task of running your finances.

You'll find this account is very straightforward, yet it offers a high degree of flexibility. It gives you access to an agreed overdraft, by either cheque or card, and a simple fee structure that is easy to keep track of.

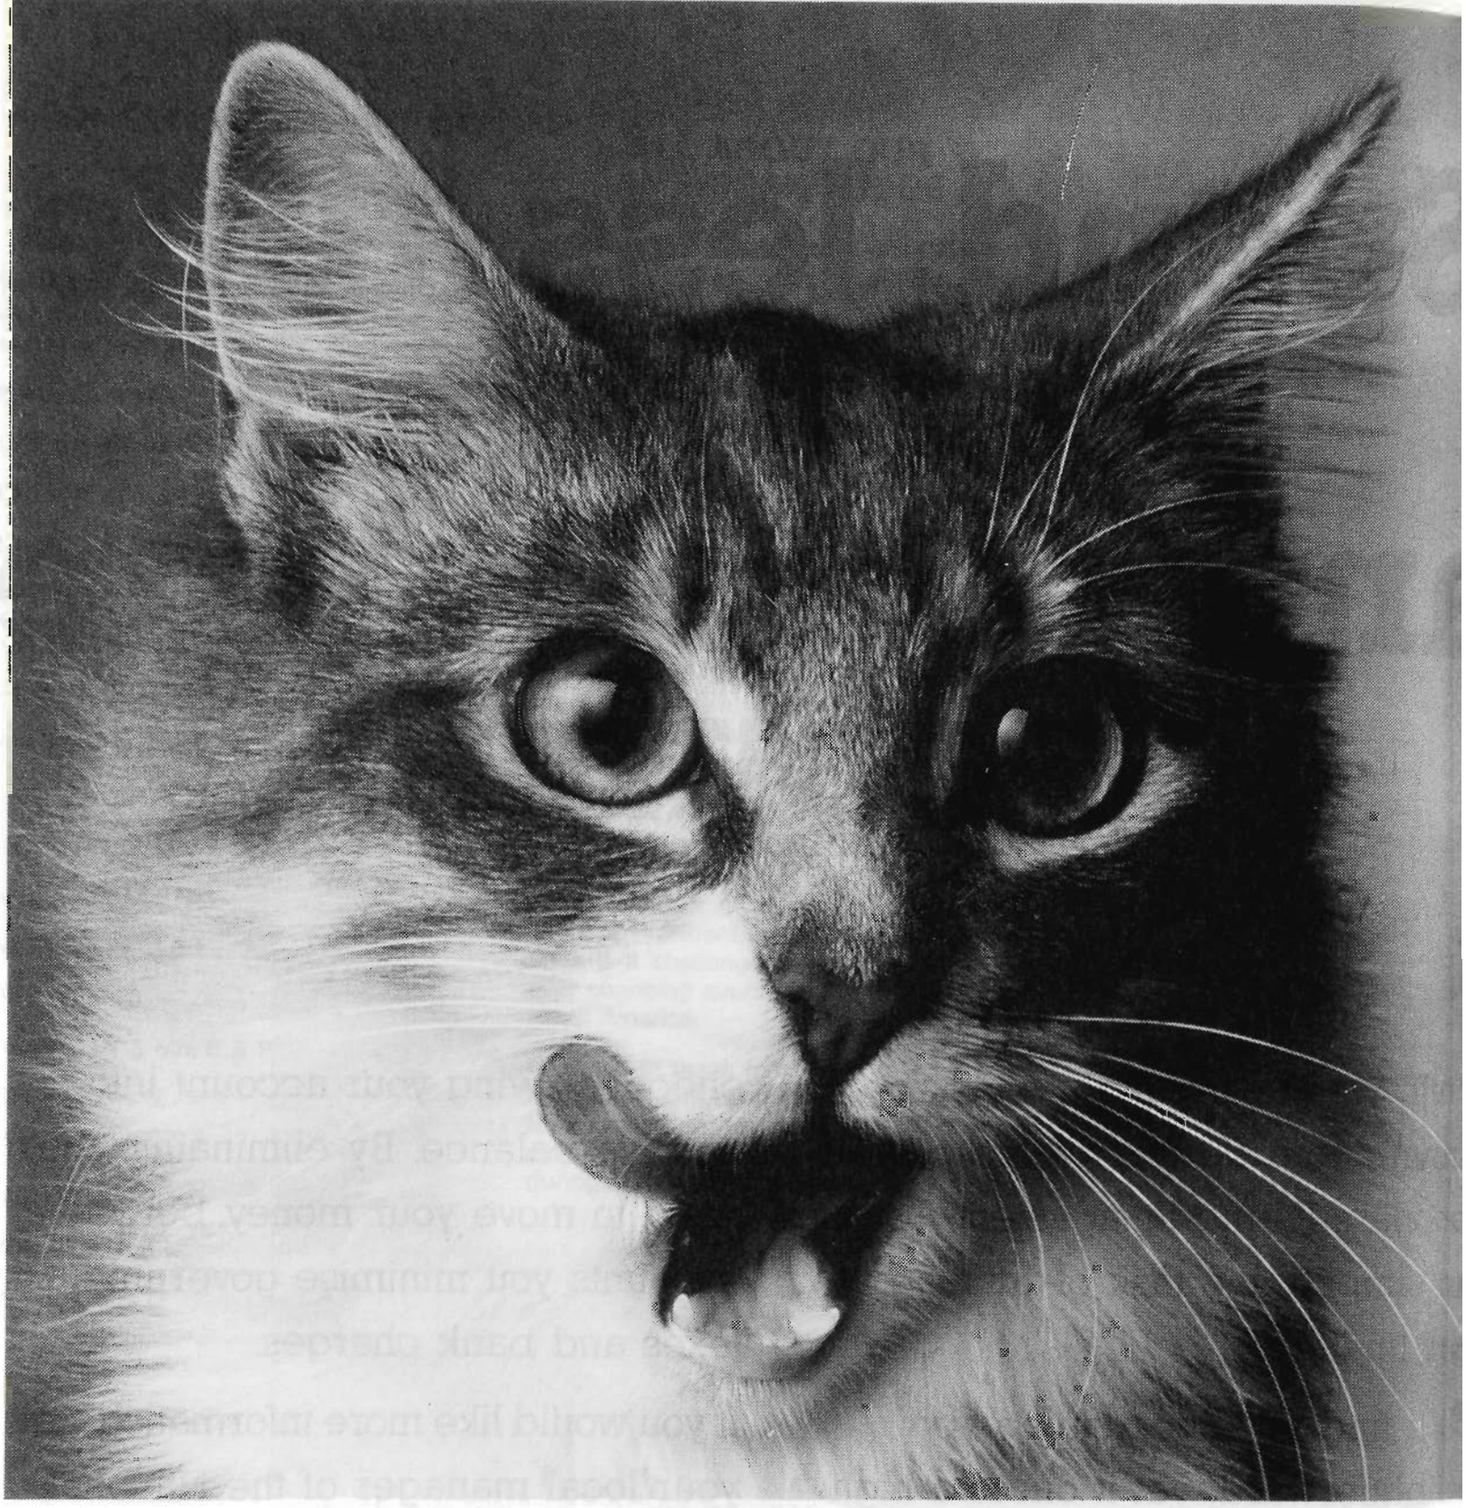

It also offers a competitive interest rate when your seasonal income cheques swing your account into a positive balance. By eliminating the need to move your money between accounts you minimise government taxes and bank charges.

If you would like more information, call your local manager of the National.

WHISKAS® *is now* even tastier and it shows.

NOBODY KNOWS MORE about what cats like, and why they like it, than Whiskas. Because nobody tries more recipes with more cats than we do.

So, when we say we've made Whiskas a whole lot tastier, we're doing it with the approval of those that matter most, cats. New Whiskas is now even more delicious with a greater variety of texture for even more enjoyment.

And with seven new varieties added to the Whiskas your cat already loves, like Salmon & Chicken and Beef with Rice, your cat will have all the tastes he wants, with all the goodness he'll ever need.

Whiskas knows cats best.

WHISKAS® is a registered trade mark. © Uncle Ben's of Australia 1993

Spend less time accounting and more where it counts.

While we can't make the task of running your farm any easier, the National's Farm Management Account can simplify the task of running your finances.

You'll find this account is very straightforward, yet it offers a high degree of flexibility. It gives you access to an agreed overdraft, by either cheque or card, and a simple fee structure that is easy to keep track of.

It also offers a competitive interest rate when your seasonal income cheques swing your account into a positive balance. By eliminating the need to move your money between accounts you minimise government taxes and bank charges.

If you would like more information, call your local manager of the National.

WHISKAS® *is now* even tastier and it shows.

NOBODY KNOWS MORE about what cats like, and why they like it, than Whiskas. Because nobody tries more recipes with more cats than we do.

So, when we say we've made Whiskas a whole lot tastier, we're doing it with the approval of those that matter most, cats. New Whiskas is now even more delicious with a greater variety of texture for even more enjoyment.

And with seven new varieties added to the Whiskas your cat already loves, like Salmon & Chicken and Beef with Rice, your cat will have all the tastes he wants, with all the goodness he'll ever need.

Whiskas knows cats best.

Can you picture yourself looking this good at 60?

It's nice to think you will.

But you could be like many other Australian women who worry about their children's health but then neglect their own. Especially when it comes to getting enough calcium to maintain strong healthy bones and avoid osteoporosis later in life.

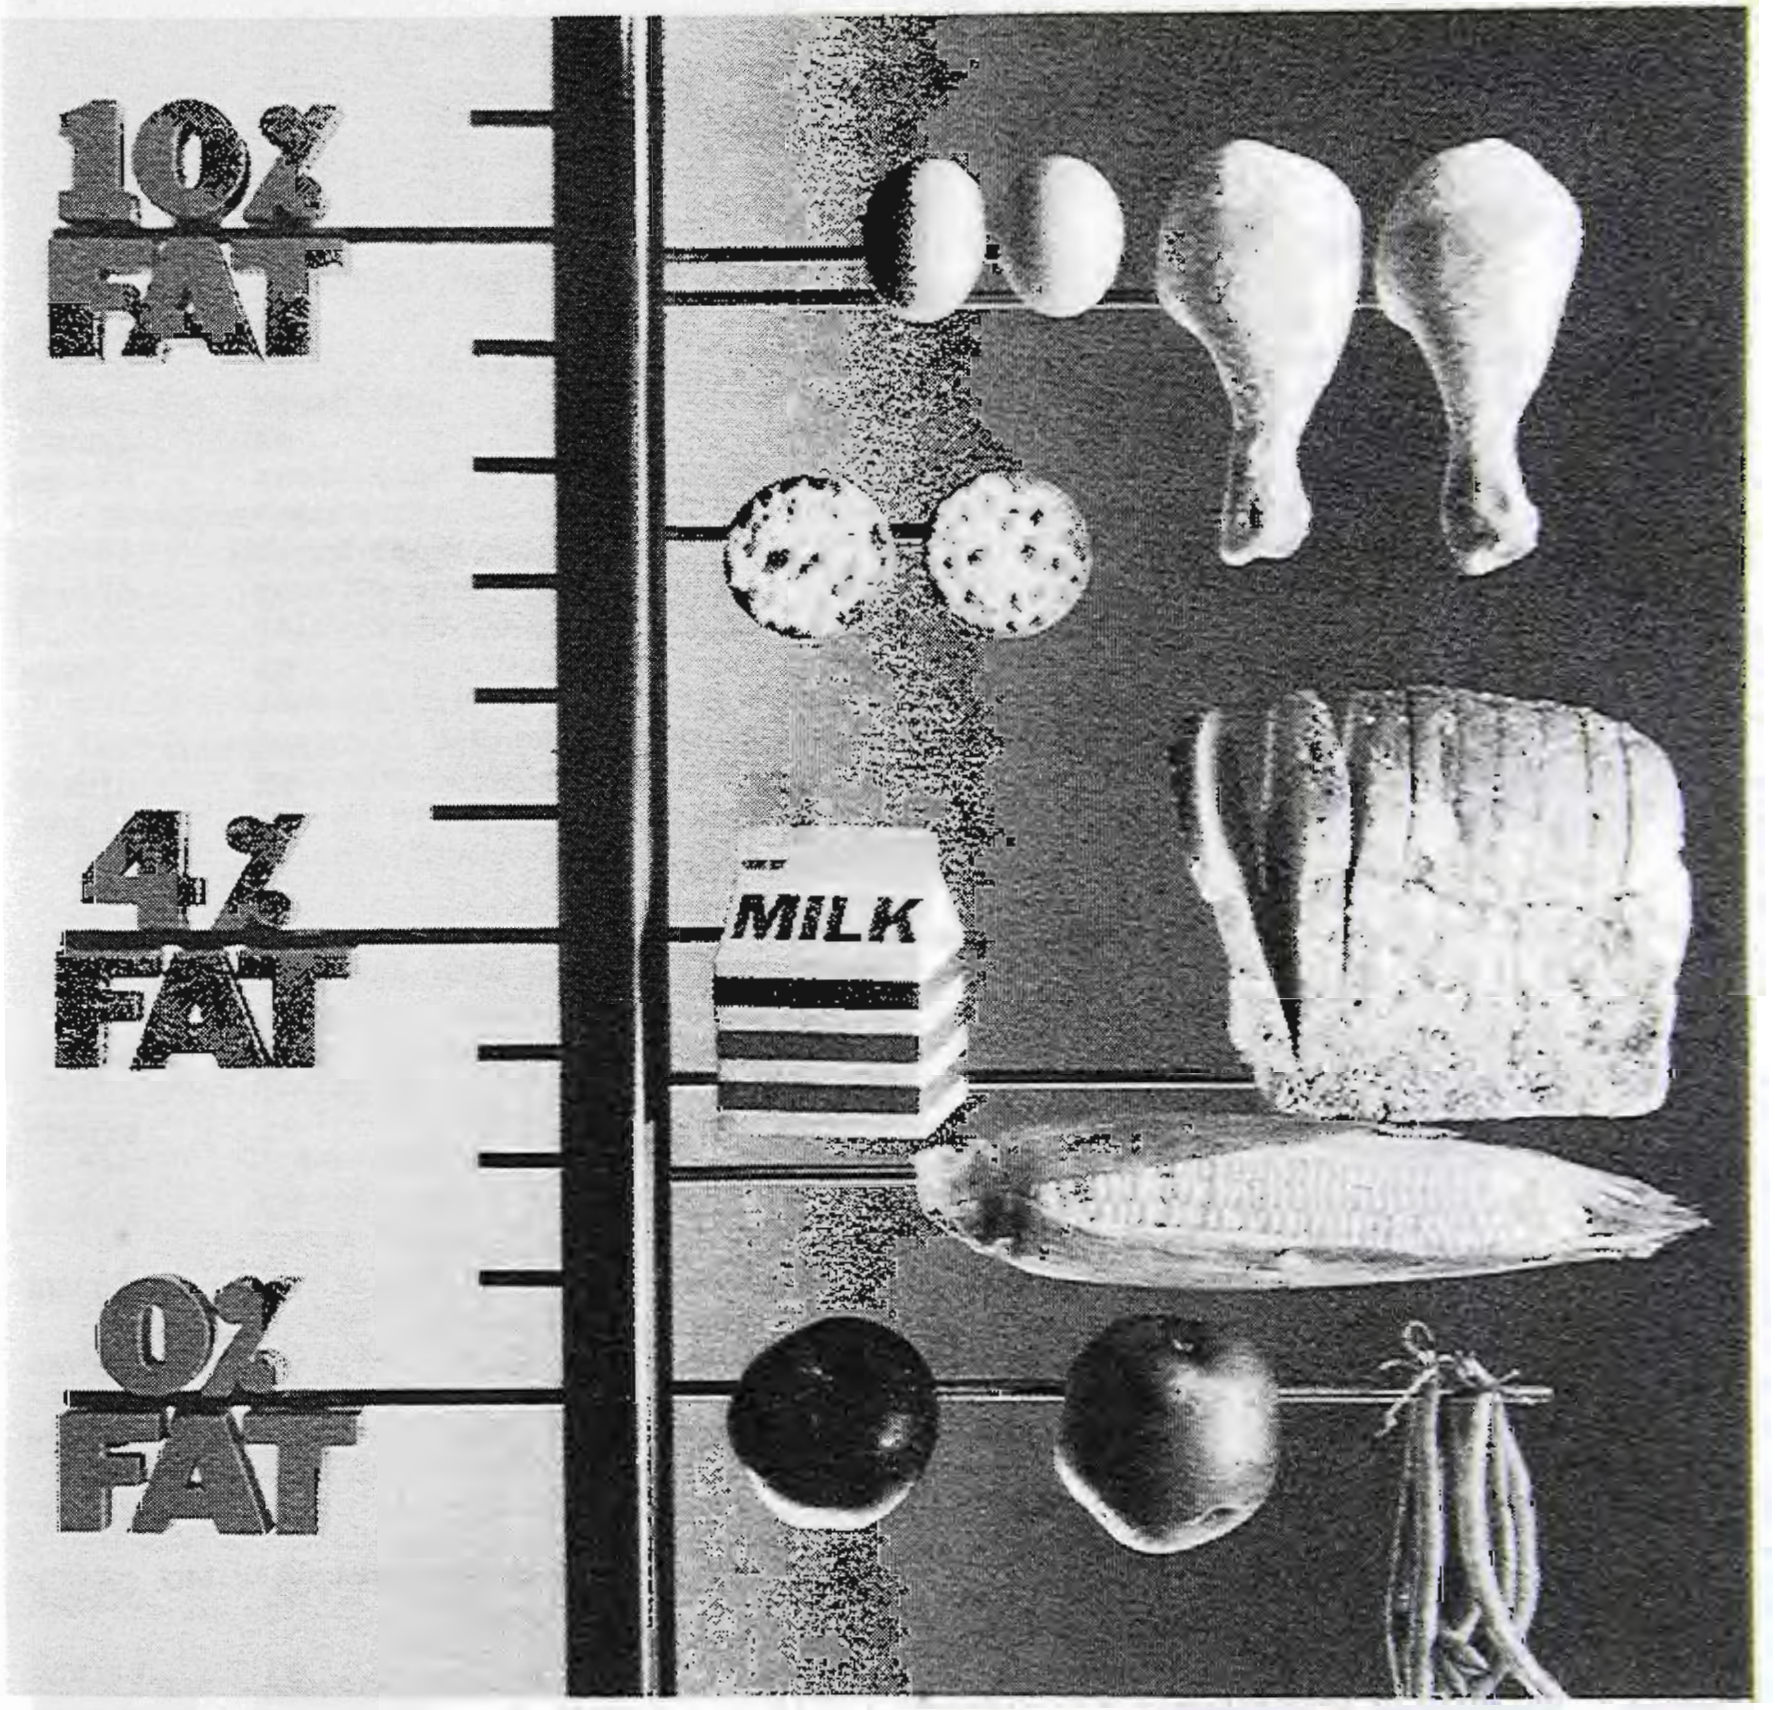

The simple truth is, no matter what age you are, you need at least 3 serves of dairy food a day to supply your bones with enough calcium.

Then you can be sure you'll be a picture of health later on in life.

DAIRY GOOD.

Good food. Good for you.

AUSTRALIAN DAIRY CORPORATION

When it comes to fat, milk is right down there with the best.

Most people are surprised when they find out just how low in fat regular milk really is.

At less than 4% fat regular milk is a real winner.

Not only is milk one of the most important sources of calcium for healthy bones, but it's also naturally low in fat. And of course it tastes great.

When you're looking for healthy foods that are low in fat, remember milk. It's right down there with the best.

DAIRY GOOD.

Good food. Good for you.

NOTES

Butter and margarine. Their true colours revealed.

The bottle on the left contains fresh cream. To turn it into butter, it simply needs to be churned and cooled.

The beaker on the right contains crude vegetable oil. To turn it into margarine, it needs to be filtered, bleached, deodorised coloured and flavoured.

Butter and margarine contain the same number of calories, but that's where the comparison ends.

Butter tastes better, naturally.

DAIRY GOOD™

Good food. Good taste.
