Accommodation shall not be provided for exhibits entered in miscellaneous classes only.

Exhibits arriving other than at the stated times, may have their stall or box re-allocated without notice.

104. An Exhibitor and/or person in charge of an exhibit shall only stable a horse in a stable as directed by the Company.

Any Exhibitor and/or person in charge of an exhibit who fails to observe any such direction shall be guilty of a breach of the Company's Regulations and may be dealt with accordingly.

The Company shall also be entitled to move or direct the removal from the Showgrounds of any exhibit which is stabled contrary to the direction of the Company.

105. No Exhibitor, or person in charge of an exhibit, or other person, shall enter the stable of another exhibitor without the authority of such Exhibitor or the person in charge of an exhibit.

At the discretion of the Company there will be blood testing of exhibits prior to competing and/or blood and urine testing at the end of the competition.

Competitors should be aware that particular attention will be paid to the detection of the sedative and tranquiliser drugs but analysis for all classes of prohibited substances will be included. The collection of samples will always involve taking blood from the jugular vein and may also include urine collection for post-competition testing. For the latter procedure if urine cannot be collected within 15 minutes an additional 60 ml blood sample may be taken in its place.

The Company may also select any exhibit for examination for desensitized limbs. Any exhibit found to have a limb or part of a limb desensitized by any means will be considered to have competed under the influence of a drug and penalised accordingly.

An obligatory "Drug Testing and Enforcement Levy" is payable by all Exhibitors.

The levy has been set at \$6.00 Per Exhibitor for the 1995 Royal Melbourne Show. The levy does not apply to exhibitors entered in Riding Competitions only.

124. **EACH EXHIBIT IS REQUIRED TO TAKE PART IN PARADES ON THE ARENA AT THE TIMES SET OUT IN THE PRINTED PROGRAMME.** Failure to parade without the correct exemption will result in a fine of \$20.00 per exhibit not paraded. The exhibit or exhibits in question cannot be exhibited in any other class or classes (as the case may be) until such time as the fine has been paid. Failure to pay the fine prior to departing from the Show Grounds may result in non-acceptance of entries at any subsequent Show.

All fines must be paid to the Horse Superintendent located in the area in which the horse is stabled. Exemption forms can be

obtained from the Office of the Horse Superintendent. Led exhibits must not wear any clothing or boots.

125. Each exhibit shall wear its exhibit (neck) number and riders of exhibits shall wear formal or hacking attire. No ribbons or sashes other than those won during the current Show may be worn on exhibits or competitors.

No bedding other than straw or hay may be used in any stable.

EXERCISING

128. Unless otherwise determined and subject to this Regulation the exercising of exhibits will be allowed only on the trotting track and only, between 6 a.m. and 8 a.m. on any day of the Show.

On the Sunday, Monday, Tuesday and Wednesday immediately preceding the commencement of the Show, ridden and driven exhibits will be allowed to exercise in a clockwise direction on the trotting track between 6 a.m. and 8.45 a.m.

Exhibitors competing in the above Class need not necessarily belong to the same owner, and may be nominated singly. Owners may "pair up". In the event of a team separately owned winning, the prize will be divided.

SPECIAL PRIZE

CLASS 75 * THE "COL. A.V. POPE CUP". The Col. A.V. Pope Silver Cup and Special Ribbon. Cup presented by Col. A.V. Pope for the best Saddle Exhibit over 15 hands, which, in the opinion of the Judge, shows thoroughbred qualities: each exhibit also to be judged for the manners, paces and performance. The competition will be open to mares and geldings. An exhibit may be ridden by a lady or gentleman. The ownership of the Cup shall not pass to the winning exhibitor, but shall remain in the Society's possession. The name of the winning exhibitor each year will be engraved on the Cup.

Special ribbons will be awarded to the competitors placed second to sixth in the event.

Colonel A.V. Pope and his wife lived at Frankston, he served in the Indian Army and was a top Polo player. There is also a Col. A.V. Pope Cup at Royal Easter Show.

Want to own your home a lot sooner? Talk to us.

That's right, it all begins with a chat. That way, we can introduce you to a rather clever computer program called the National Home Loan Simulator.

What it does is highlight the savings you can make by adjusting your loan repayment to suit your financial situation. Both now and in the future.

This kind of flexibility gives you the opportunity to not only reduce the period of time it takes to repay your loan, it can also reduce the amount of interest you pay.

Hence, this could save you thousands of dollars on your home loan repayments.

Now isn't that worth talking over?

Call **1800 630 600** and we'll explain more. Or call into your nearest National Branch.

CLASS 248 THE "GOOD HANDS" CHALLENGE TROPHY FOR BOYS. Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.

Entries must be lodged with the Horse Section, R.A.S.V. Society, by 4.30 p.m. on Thursday, September 7.

QUALIFYING COMPETITIONS

- Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch Inc.) and each Country Show Society affiliated with the Victorian Agricultural Societies Association is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 YEARS AND UNDER 15 YEARS OF AGE on the day of its show. IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. A plain snaffle with a straight bar or jointed in the centre, the mouthpiece must be smooth).
- Each Society conducting qualifying competitions is required to notify the R.A.S.V. of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given to the "runners-up" to compete in the Championship Competitions.
- Such competitions to be named "The Good Hands Qualifying Riding Competitions", and the R.A.S.V. to provide suitable certificates for presentation to the winners.
- The holder of an R.A.S.V. Qualifying Certificate, won in the same year, shall not be eligible to compete.
- The competitors shall be judged solely on their riding ability - mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

- Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at The Royal Melbourne Show. No entry fee will be charged.
- The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his or her award, shall require his or her six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, (See regulation regarding saddlery in 1).
- Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.
- The names of the winners will be engraved on the Challenge Trophies.
- Suitably inscribed Championship Sashes will be presented to each successive winner of the challenge Trophies.
- The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.
- The R.A.S.V. may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.
- All entries must be lodged with the Society by 4.30 p.m. on Thursday, September 7.

First flag to be 8.25 metres from the barrel. Each measured position of blocks and barrels to be marked with substance provided. Blocks to be placed on appropriate spots, with rods in place in drilled holes.

RULES FOR FLAG RACE COMPETITION

1. Horses saddled, competitors mounted and standing on the left hand side of the drum. Horses will turn the flag on the right (off side) rein for the course.
2. Competitors must place each flag in an up-right drum, in consecutive order, commencing with the furthest flag, then remainder of flags in descending order to the drum. The only exception being correcting error of course (1 & 2).
3. Competitors will finish immediately they have placed the last flag in the drum.
4. If there are less than four starters, the vacant lane(s) must be left in position, and the competitor in the adjoining lane must not cross over them.
5. A competitor may use the full width between lanes.
6. Competitors must not interfere with horses leading them.

Correcting Error Of Course

1. If a flag is missed being picked up, or is knocked down, by a competitor, another flag may be picked up on the way back to the drum, but the missed or knocked down flag must be the next flag picked up, and placed in the drum before continuing the course.
2. If a flag is missed being placed in the drum, is dropped, falls to the ground or bounces out, the rider may pick up the next consecutive flag on the course, and place it in the drum; but the missed flag must be the next flag placed in the drum, before continuing the course.
3. If a drum is knocked over by a competitor, they may proceed to pick up the next furthest flag, but on returning to the drum, must stand drum up-right, before placing the flag in the drum.
4. If poles that were already in the drum fall out, when the drum was knocked over, they may be replaced in the drum by the competitor without having to remount.
5. If a flag lands horizontally on top of the drum, it shall be judged out of the drum, and must be placed in same by the competitor. If any portion of the flag pole (except the attached material) is inside the drum, although it may be protruding at an acute angle, it shall be judged in the drum. However if that competitor tries to rectify the position of the flag pole and it falls out, it shall be judged out of the drum, and the course incomplete.
6. All flags must be placed in the drum with the competitor mounted. If a competitor can pick up a dropped flag or replace a fallen drum without dismounting, they may do so, but if not, they must dismount to pick up the flag, or stand the drum up, remount and resume the competition.
7. If a competitor's flag or drum is knocked down by another competitor, these must be immediately placed up-right by the lane steward. If the steward has insufficient time to do so, and the competitor has been sufficiently handicapped, Rule 9, Basic event Rules shall apply.
8. If a competitor drops a flag or knocks down their own drum, that competitor may not use any outside assistance to (1) pick up the flag, (2) replace the drum, or (3) remount the horse.
9. If a competitor's flag pole breaks, one broken piece may be placed in the drum and counted as a complete flag.

Regulations Relative to WOODCHOPPING CONTESTS

(The Wood Chopping Contests are registered with the Central Victorian Axemen's Association Inc. and held under the guidance of Australian Axemen's Association Inc. Rules).

Competitors in the Wood Chopping Contests are advised that arrangements have been made for specially selected timber to be provided for these contests. All timber will be inspected by representatives of the Company on arrival at the Show Grounds, and any not up to standard will be rejected.

CONDITIONS

101. The General Regulations appearing in this Schedule form part of the conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

102. Scratchings must be notified to the Wood Chop Superintendent by 5 p.m. on the day prior to the event. Competitors not notifying scratchings will be fined \$2.

103. The logs and billets will be any variety of timber and any length approved by the Stewards in their absolute discretion. The diameter of all logs will be as uniform as possible.

104. ALL COMPETITORS, must state on the entry form their last win and handicap and a list of their last five performances anywhere, irrespective of Association or State, together with the name of the backmarker. An entry will definitely not be accepted unless the last win and the last five performances for each class of event entered, are stated on the back of the entry form. This applies to ALL Australian and New Zealand competitors.

105. The contest will be chopped in heats and a final, according to the number of entries.

106. All logs and billets will be numbered, and will be drawn for by the Stewards.

107. The first and second competitors in each heat unless otherwise stated, shall compete in the semi-final or final. At the absolute discretion of the Stewards, when there are two semi-finals, they may take one, two or three placegetters to start in the final.

108. No competitor will be allowed to make any axe marks on his log or to the foot holes or dog holes before his handicap starting time as allotted by the Handicapper.

109. No persons, other than competitors and officials, will be allowed in the arena during the contest.

110. Axes must entirely sever logs in two parts; competitors who sever logs with the aid of pushing or pulling will be automatically disqualified.

111. Competitors must be at their places prior to the advertised time of starting. Events will be commenced at their advertised starting time notwithstanding the absence of any competitor.

112. All competitors must compete in white shoes, white trousers, white singlets or singlets of recognised State, Association or Club Colours.

Exemptions to this regulation will be allowed at the discretion of the Stewards in special cases where singlets are provided by sponsorship or where the clothing is more suitable for a specific event in which cases competitors must remain in the same uniform during the

presentation of awards. No competitor will be permitted to display sponsorship of any kind except when provided by the sponsor of an event and singlets with sponsorship can only be worn when the particular event of sponsorship is in progress.

Any competitor may apply to the Steward-in-Chief for dispensation in regards to wearing apparel on the grounds of his/her state of health or on any other grounds, in which case dispensation may be granted in the absolute discretion of the Steward-in-Chief.

White footwear must always be worn.

113. In any Association or Club teams race, the Association or Club uniform coloured singlets are to be worn.

114. Any axeman who holds the right to compete in novice events, forfeits the right to compete in a novice of the particular event when he/she has won a single handed open handicap event anywhere in Australia. This rule applies Australia wide and is irrespective of prize money. A competitor who claims to be a novice may be required by the Steward-in-Chief to make a statutory declaration to this effect.

115. The Company may appoint a Disputes Committee for the Wood Chopping Contests and any decision of this Committee shall be final in all respects whatsoever save only for any decisions or directions of the Company. No decisions, directions or determinations made by the Disputes Committee, or the Company for the purposes of the Wood Chopping Contests shall be called into question in any manner or in any proceedings whatsoever.

116. Competitors must use clamps as supplied by the Company in all Standing Block Events.

117. A Competitor who wins an event after the posting of marks may be re-handicapped for any subsequent event or events. The Company reserves the right to re-handicap a competitor before an event has commenced.

118. Every care must be exercised to keep axes and saws covered. Axes and saws MUST NOT be carried among the general public unless so covered. Competitors should note the terms of rules 11 and 12 of the General Regulations. All axes shall have a pin (minimum size 3mm) placed through the axe as near as possible to the centre of the handle area.

119. Logs situated in a reserved area adjacent to the Dressing Room will be provided to enable competitors to test their axes. Competitors shall not be permitted to test their axes in the main arena.

120. In the Underhand events all axemen must finish on their logs.

121. In a Tree Felling event any axeman chopping in a previously cut board hole will be automatically disqualified.

122. Under no circumstances are axemen permitted to enter the Log Enclosure without the permission of the Log Steward.

123. In all sawing contests saw cuts shall be started as close as possible to the front end of the log and shall not be more than 100mm in from the edge of the top side. Oil may be used on the saw immediately prior to the commencement of the contest. In sawing contests the saw must saw through the log from one side only.

124. In sawing contests the wedger shall stand behind the log and if any wedger in any way touches or guides a saw or touches or guides that portion of the log which is being cut off, the competitor or team concerned shall be automatically disqualified.

Definition: "Behind the log" in this regulation shall be interpreted to mean the opposite end of the log to the saw cut.

125. In the 400mm diameter butchers blocks one member of each team shall open a scarf and cut the log approximately half way through, the first cutting member of the team on ceasing to cut shall retire to his neutral area and visually indicate to his partner, in a manner prescribed by Stewards, that the other team member is to complete the cut by opening a scarf on the opposite side of the log.

126. Save only as provided in regulation 115, any decision of a Steward with respect to any matter related to the Wood Chopping Contests shall be final and any regulations, conditions, rules or guidelines, which may be expressed to apply to the Wood Chopping Contests shall in no way be construed as limiting the discretion of the Stewards to conduct the Contests in such manner as they think fit.

127. Inscribed Sashes and Ribbons, presented by the Company will be awarded to the prize winners of events Nos. 1 to 38 inclusive.

128. Wood Chopping contest times and dates will be announced in the Catalogue.

TO BE INVITED

Keep your money working as hard as you do.

If you're concerned about making every dollar count here are two answers that offer higher interest than a passbook or cheque account, have no bank fees and give you choices to suit your cash flow needs. Normal government taxes and charges apply.

A National Term Deposit allows you to invest \$1,000 or more at a fixed rate for as little as seven days or up to five years.

If you don't want to tie up your money, a variable rate National Cash Management Account is the answer on amounts of \$5,000 or more. Terms and conditions are available from your local branch of the National.

Tailoring banking to your needs.
