ALL ABOUT OUR CANADIAN JUDGE

We are delighted to have Mrs Wanda Rooney from Regina Canada, judging all our entire cats this year and we give her a very warm welcome.

Wanda was born in a small city in Southern Saskatchewan but moved to a city called Regina when she was fourteen. She is married and is the mother of four children, two girls and two boys. She is also the grandmother of four children.

She has been a judge with A C F A for ten years and has been the breeder of Persians, Exotic Shorthairs and Longhairs plus American Shorthairs (Silver Tabbies). While she was training she also owned a Cornish Red.

We wish to thank most heartily the Travel Inn Motel, Cnr Drummond and Gratton Street, Carlton for their generosity in providing the accommodation for Wanda during her stay in Melbourne.

WHISKAS KNOWS CATS BEST

Cats have special needs and no one knows cats better than Whiskas.® Which is why every Whiskas recipe contains all the nourishment they need as well as the taste they love.

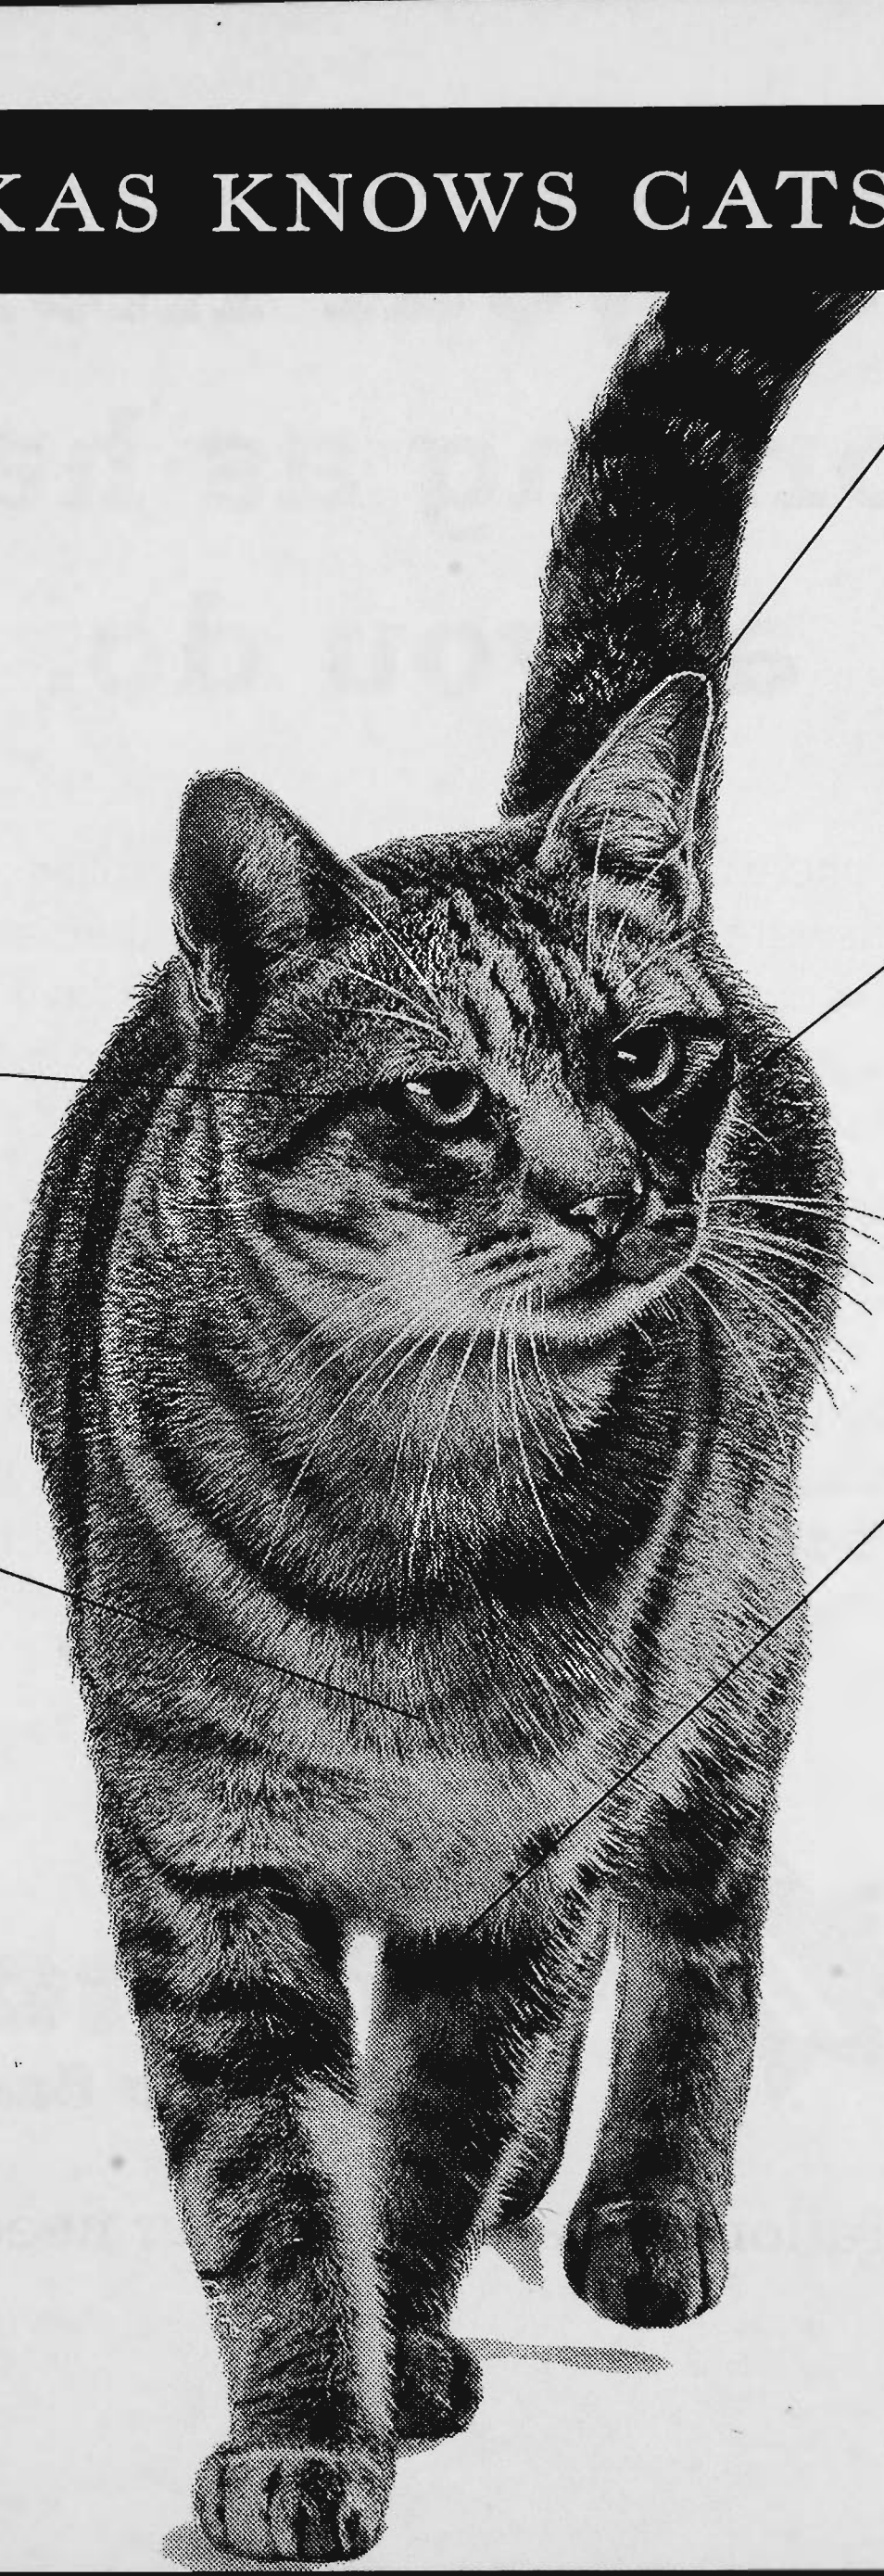

So when you feed your cat Whiskas, you know he's well cared for – from the tip of his nose to the tip of his tail.

BRIGHT EYES

Your cat depends a lot on his visual sense. To keep his vision sharp, Whiskas has the correct amount of Vitamin A because, unlike humans, your cat cannot obtain Vitamin A from vegetables.

SHINY COAT

A healthy coat is important not only for your cat's appearance but for protection as well. So to keep your cat's coat in good condition, Whiskas has the right balance of essential fatty acids and amino acids.

SHARP EARS

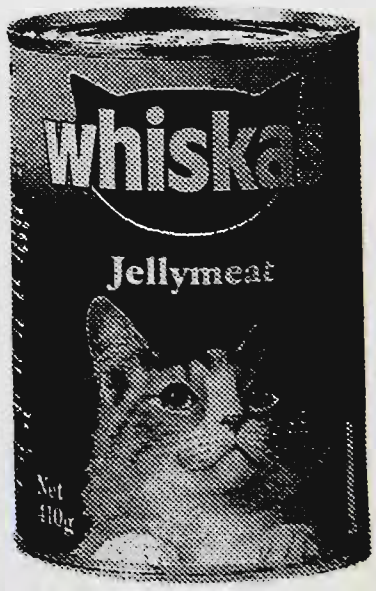

Your cat's ears are perfectly tuned to pick up the most subtle sounds. To keep them in good condition, Whiskas has the correct amount of Vitamin B complex – to aid transmission through the nervous system.

SENSITIVE NOSE

Your cat's nose is so sensitive he can tell – even without tasting – whether a certain type of food will taste good or bad. And Whiskas has just the right amount of essential fatty acids to help maintain his acute sense of smell.

STRONG BONES

He loves to leap, jump, roll, climb ... so your cat needs strong bones. Whiskas has all the necessary calcium, vitamins and trace elements to keep him active and happy all day.

WHISKAS® *is now* even tastier and it shows.

NOBODY KNOWS MORE about what cats like, and why they like it, than Whiskas. Because nobody tries more recipes with more cats than we do.

So, when we say we've made Whiskas a whole lot tastier, we're doing it with the approval of those that matter most, cats. New Whiskas is now even more delicious with a greater variety of texture for even more enjoyment.

And with seven new varieties added to the Whiskas your cat already loves, like Salmon & Chicken and Beef with Rice, your cat will have all the tastes he wants, with all the goodness he'll ever need.

Whiskas knows cats best.

When it comes to fat, milk is right down there with the best.

Most people are surprised when they find out just how low in fat regular milk really is.

At less than 4% fat regular milk is a real winner.

Not only is milk one of the most important sources of calcium for healthy bones, but it's also naturally low in fat. And of course it tastes great.

When you're looking for healthy foods that are low in fat, remember milk. It's right down there with the best.

DAIRY GOOD.

Good food. Good for you.

CHAIRMAN'S REPORT

I wish to welcome you to the 27th National Exhibition of Photography 1995. Judging took place on Sunday August 6th at the Royal Showgrounds. All up this year we had a total of 1920 entries from all around Australia. The judges once again have performed a mammoth task and I believe have come up with very deserving award winners this year, as you will be able to witness when you visit the Exhibition during the Royal Melbourne Show. A large number of people apart from the judges make all this possible on judging day. They are listed below and I express my sincere thanks for all their efforts and time on the day. Congratulations to all winners whether it be a major award or an acceptance of your entry. Thank you also to Mrs Judy Barnes and her team at the R.A.S. for their help and support this year. Well please enjoy our Exhibition and tell your friends all about it.
