Regulations Relative to Dogs and Conditions of Entry

CHAMPIONSHIP SHOW: To be held under the Rules and Regulations of the Victorian Canine Association, Inc. with which the Company is affiliated. A copy of the Rules and Regulations may be inspected at the office of the Company.

The General Regulations for the Company shall also form part of the conditions of entry, except when they conflict with the Rules of the Victorian Canine Association Inc.

ENTERING FOR SHOW

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form, and the Society's Conditions of Entry to the Showgrounds posted at each gate. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from Competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society of similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.

OWNERSHIP OF EXHIBITS

LIABILITY FOR EXHIBITS

11. The Company shall not under any circumstances be liable for:
(a) the loss or death of an exhibit;
(b) any damage or injury occasioned to or by any exhibit
or
(c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.
Without prejudice to the foregoing, if the company removes or causes to be removed from the Showgrounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Showgrounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company for any damage or loss occasioned to any of them by the exhibit or Exhibitor of any person acting on his behalf or otherwise representing him.

CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

13. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Showgrounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company has the power without assigning any reason to:
(a) cancel any event or class;
(b) alter the time or place at which any class or event is to take place;
(c) alter the conditions of any event;
(d) remove any exhibit from the Showgrounds;
(e) alter the date or time for the closing of entries for any section or class or for any particular entry;
(f) transfer an exhibit and Exhibitor from any class to any other class; or
(g) decline to display an exhibit.

15. The Exhibitor shall at all times and in respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company be of the opinion that:
(a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires) or
(b)an exhibit has or may have been tampered with or otherwise improperly dealt with,
then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalise any exhibit, Exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor of the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:
(a) giving any reason or reasons for the exercise of its discretion;
(b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
(c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) or any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event of the imposition of a disqualification, suspension or other penalty);
(d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regarding exercising its said discretion;
(e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains not-withstanding the company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. Exhibit Numbers: The exhibit numbers shall correspond with the bench allotted to the exhibit. Bench numbers must not be altered or interfered with. Exhibit numbers shall be worn by handler whilst in the judging ring. The exhibit number must be produced whenever required by the Company or the Steward in Charge at the time of judging.

26. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless the practice is expressly authorised in the regulations in the relevant prize schedule.

27. The decision of the Judge as to the merits of the exhibit shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

28. Judges are empowered and are requested not to award any prize, (including Special Prizes) to any exhibit which they consider is not of sufficient merit. Where in any class or competition a First place is not awarded by the Judge, there shall be no Second or Third placing awarded.

29. The Judge may not place two or more separate exhibits equal for any award, nor may he/she re-judge any competition because of the absence from the judging ring of any exhibit at the time of judging that competition.

30. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit with the exception of a reserve challenge award, such emergency number does not carry any prize, or other reward.

31. Subject to Regulations 18 and 35, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number may also be promoted to the prize immediately next in order.

32. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

DeGraves Street and Plummer Avenue, Showgrounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of $20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

35. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

36. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply call 13 10 12.
