In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

102. Notwithstanding General Regulation 8 exhibits in this section may be entered in any class or classes for which they are eligible.

STABLING

103. Exhibits shall be placed where directed by the Company and where a stall or box is allotted the exhibit shall be in occupation of such stall in accordance with instructions to be issued by the Company from time to time.

The upper door of the horse box outside pavilions shall remain open at all times during which the Show is open to the public. A stabling fee of \$30 shall be paid by the exhibitor for each exhibit entered and must be paid at the time of lodging entries.

Accommodation shall not be provided for exhibits entered in miscellaneous classes only.

Exhibits arriving other than at the stated times, may have their stall or box re-allocated without notice.

104. An Exhibitor and/or person in charge of an exhibit shall only stable a horse in a stable as directed by the Company.

Any Exhibitor and/or person in charge of an exhibit who fails to observe any such direction shall be guilty of a breach of the Company's Regulations and may be dealt with accordingly.

The Company shall also be entitled to move or direct the removal from the Showgrounds of any exhibit which is stabled contrary to the direction of the Company.

105. No Exhibitor, or person in charge of an exhibit, or other person, shall enter the stable of another exhibitor without the authority of such Exhibitor or the person in charge of an exhibit.

Any Exhibitor, person in charge of an exhibit, or other person who enters a stable without the authority above mentioned shall be guilty of a breach of the Company's Regulations and may be dealt with accordingly.

106. Exhibitors not entitled to accommodation may not bring transports or floats on to the Showgrounds. The vacant land between the western extremity of the Grounds and the V.R.C. "Hill Entrance" will be available on each day of the Show for the unloading of exhibits for which accommodation has not been allotted or which are not entitled to accommodation. Vehicles used for the transportation of such exhibits may be parked in this area for the day and the exhibits led into the grounds. Entry tickets may be purchased at the gate for exhibitors

entitled to use this area at a fee of \$6.00 per day per vehicle.

Exhibitors attending the Show on a day basis are requested to parade where possible and should marshal in the Western Area as directed by the Horse Superintendent.

*Exhibitors in Sections where accommodation is available (except Clydesdales) may, on application, be permitted to bring in their exhibits on a daily basis. The Company may in its sole discretion accept or reject such application without assigning any reason for its decision and without giving the exhibitor concerned or any other person the right to be heard on this question.

Notwithstanding the foregoing, exhibitors should note that in Sections where Champion Prizes are awarded, the best of each sex will not be required to stay for the duration of the Show.

Horses entitled to a stall or box in the first week must be measured by 5.00 p.m., Wednesday September 18th. A pre-Royal Show measuring day will be held on Saturday, August 10th at the Show Grounds, Ascot Vale. The measuring stands in the Western Area will be used and measuring will take place between 10.00 a.m. and 3.00 p.m.

All horses and ponies must be correctly bitted when being presented to the measurer.

113. When measuring an exhibit an allowance of 3/8" for shoes may be made by the measurer. Should an exhibit be measured with its shoes on the exhibitor may if he so desires have the horse re-measured without shoes. The measurer may at his discretion request the removal of shoes from any exhibit and re-measure the horse without shoes. No allowance will be made for grass tips.

114. Should the Company have appointed more than one measurer then an exhibit having been measured and its height recorded by one of such measurers shall not be submitted for measurement or re-measurement to one of the other measurers.

115. Except as provided in the next rule the decision of the measurer shall be final.

119. The Company may make or cause to be made any test of any exhibit to determine whether any drug or stimulant has been administered to the exhibit and may take possession of any such exhibit for any of the aforesaid purposes and detain such exhibit for such period as is deemed necessary.

Drug means any substance capable of affecting the performance or behaviour of an exhibit by its action upon the central or peripheral nervous system, the cardiovascular system, the respiratory system, the alimentary digestive system, the musculo-skeletal system, or the urogenital system and shall include analgesics, anti-histamines, anti-inflammatory agents, blood coagulants, diuretics, hormones and their synthetic counterparts, cortico-steroids, anabolic steroids, local anaesthetics, muscle relaxants and tranquillisers and vitamins administered by injection.

When any exhibit which is on the Show Grounds for the purpose of taking part in a class or event at the Show is found to have had administered to it a drug as defined above the owner and any other person who was in charge of the exhibit, and the exhibit may be dealt with in accordance with the applicable regulations. Any person who at any time administers or causes to be administered for the purpose of affecting the performance of an exhibit in any event or class at the Show any drug as defined above or has in his possession any electric or galvanic apparatus or improper contrivance may be dealt with in accordance with the applicable regulations. Procedures for the testing of Prohibited Substances will involve both "random" and "spot" tests on exhibits. At the discretion of the Company there will be blood testing of exhibits prior to competing and/or blood and urine testing at the end of the competition.

Competitors should be aware that particular attention will be paid to the detection of the sedative and tranquiliser drugs but analysis for all classes of prohibited substances will be included. The collection of samples

will always involve taking blood from the jugular vein and may also include urine collection for post-competition testing. For the latter procedure if urine cannot be collected within 15 minutes an additional 60 ml blood sample may be taken in its place.

The Company may also select any exhibit for examination for desensitized limbs. Any exhibit found to have a limb or part of a limb desensitized by any means will be considered to have competed under the influence of a drug and penalised accordingly.

An obligatory "Drug Testing and Enforcement Levy" is payable by all Exhibitors.

The levy has been set at \$6.00 per Exhibitor for the 1996 Royal Melbourne Show. The levy does not apply to exhibitors entered in Riding Competitions only.

The exhibits and/or exhibitors not so presented shall not be permitted to enter the arena or to take part in the event.

Riders in jumping events shall be present in the Marshalling Yard and ready to walk the course not later than 20 minutes prior to the time stated in the Time Table for the event to commence.

Exhibits MUST be moved at a walk on any part of grounds other than Arena or exercise yards.

All exhibits must tie up and behave in an educated manner. Exhibits or riders behaving in a manner which could be dangerous to the public will be directed to leave the grounds.

123. No spurs other than dummy spurs not exceeding 3/4" in length may be used.

PARADES

124. EACH EXHIBIT IS REQUIRED TO TAKE PART IN PARADES ON THE ARENA AT THE TIMES SET OUT IN THE PRINTED PROGRAMME. Failure to parade without the correct exemption will result in a fine of \$20.00 per exhibit not paraded. The exhibit or exhibits in question cannot be exhibited in any other class or classes (as the case may be) until such time as the fine has been paid. Failure to pay the fine prior to departing from the Show Grounds may result in non-acceptance of entries at any subsequent Show.

All fines must be paid to the Horse Superintendent located in the area in which the horse is stabled. Exemption forms can be obtained from the Office of the Horse Superintendent. Led exhibits must not wear any clothing or boots.

How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply call 13 10 12.

Tailoring banking to your needs

QUALIFYING COMPETITIONS

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch Inc.) and each Country Show Society affiliated with the Victorian Agricultural Societies Association is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 YEARS AND UNDER 15 YEARS OF AGE on the day of its show. IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. A plain snaffle with a straight bar or jointed in the centre, the mouthpiece must be smooth).
2. Each Society conducting qualifying competitions is required to notify the R.A.S.V. of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given to the "runners-up" to compete in the Championship Competitions.
3. Such competitions to be named "The Good Hands Qualifying Riding Competitions", and the R.A.S.V. to provide suitable certificates for presentation to the winners.
4. The holder of an R.A.S.V. Qualifying Certificate, won in the same year, shall not be eligible to compete.
5. The competitors shall be judged solely on their riding ability - mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at The Royal Melbourne Show. No entry fee will be charged.
7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his or her award, shall require his or her six finalists to execute a figure 8 at a canter, ride away from the Judge, return

at a slow canter, stop at the Judge's signal and back, (See regulation regarding saddlery in 1).

8. The names of the winners will be engraved on the Challenge Trophies.
9. Suitably inscribed Championship Sashes will be presented to each successive winner of the challenge Trophies.
10. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.
11. The R.A.S.V. may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.
12. All entries must be lodged with the Society by 4.30 p.m. on Thursday, September 5.

Exhibitors who wish to exercise this option must advise the Steward in Chief or his nominee in writing by 12.30 p.m. on Tuesday, 24th September.

JUDGING OF BEEF CARCASE

15. Carcasses will be judged using the April, 1989 National AUS-MEAT Beef Carcase Judging System. The AUS-MEAT system judges and point scores all carcasses within the competition. Points are allocated for weight, eye muscle areas, meat colour, fat depth, fat colour, fat distribution and where appropriate, marbling. Penalty points apply for carcasses which are outside nominated weight and fat specifications.
16. Carcasses that are outside the weight range of their nominated class will not be transferred but will incur penalty points at the rate of 3 points for every one percent of carcase weight outside class range. Those carcasses that exceed their nominated class weight range by more than five percent will incur a maximum penalty of 20 points.
17. Carcasses will be priced using a price grid according to actual carcase weight, not nominated class. Pricing does not constitute any part of the judging system.
18. All carcasses will be quartered for public viewing at the abattoir.
19. Carcasses will not be penalised for bruising should any occur.

NOTE: Measurements for a fat cover will be taken at the p8 rump site in line with AUSMEAT LANGUAGE, 3rd Edition, April, 1989.

How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply call 13 10 12.
