How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply call 13 10 12.

*Come and see me

HAMPSHIRE DOWN

In the 1820's, breeders in the south of England began crossing the Old Wiltshire Horn and the old Berkshire Knot with the South Down. They gradually refined these sheep until in 1889 they were officially registered as the Hampshire Down. The breed then spread through England and around the world, first arriving in Australia in the late 1800's.

Hampshire Downs are known for their large frame, that is very well muscled, with a minimal fat cover which makes the Hampshire Down an ideal carcass, for sections of the Lamb Trade. Hampshire Downs are noted for their high fertility, easy lambing and production of a good quality downs type fleece, which makes them an ideal terminal sire.

Although there are not a large number of Hampshire Down sheep in Australia, the genetics within the breed are strong. Hampshire Downs have shown very good performance in lamb trials, carcass competitions and have also made a good showing from a small number of entries in the National Sire Evaluation Trials.

Lambplan identifies the top performing animals and tests them to improve the Hampshire Down breed even further.

Commercial lamb producers using a Hampshire Down sire can look forward to:-

- a) easy lambing
- b) fast growth rates
- c) well muscled lambs carrying minimal fat
- d) increased returns

Vaccinate for cheesy gland or you're letting yourself and the flock down.

Keep your industry healthy.

Many sheep flocks in Australia have Cheesy Gland. And three separate and independent Department of Agriculture* trials have proved that sheep infected with cheesy gland cut, on average, less wool than healthy sheep.

Beating cheesy gland means better gross margins from wool and more meat to market when you're culling your older sheep. CSL Glanvac protects the flock against cheesy gland, and it's the number one selling vaccine in the world's biggest flock - ours!

And new technology ultrafiltered Glanvac means you now only have to use a 1 mL dose to get the same protection.

So don't let the flock down. Vaccinate with Glanvac now.

Glanvac.

The only Australian made cheesy gland vaccine from an Australian-owned company.
Now with 1 mL dose!

DRYSDALES

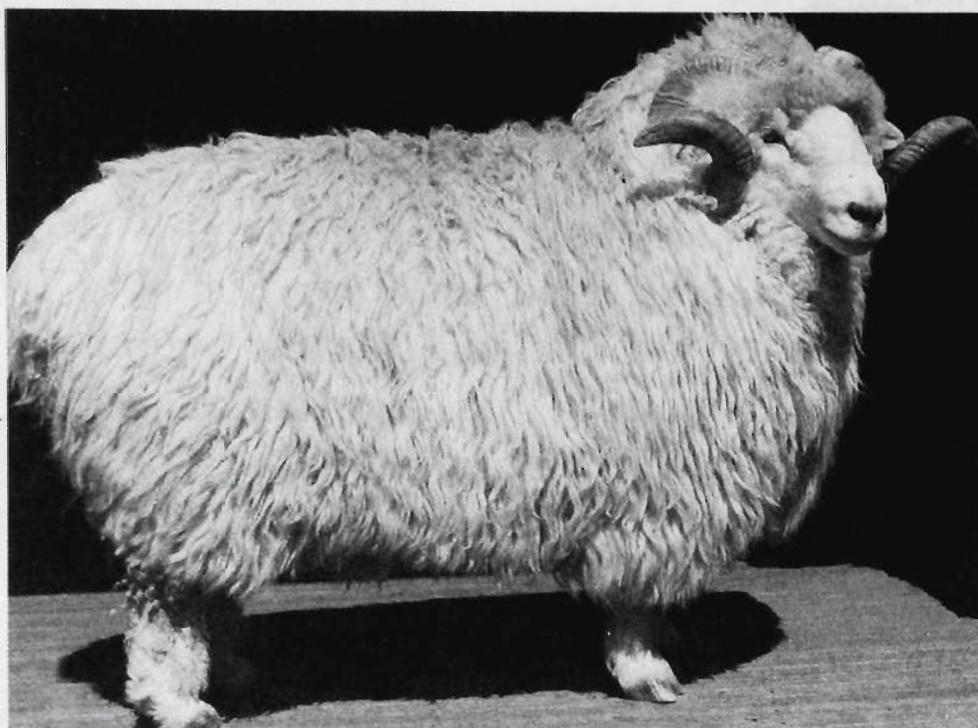

The first Drysdales were bred up from Romneys by Dr Dry at Massey University in New Zealand over 60 years ago. In 1975 the first Drysdales were imported into Australia and quickly became established and thrived in the higher rainfall areas. Like her Romney ancestor the Drysdale is very fertile, an excellent mother with an ample milk supply and hardy constitution.

There is a very large genetic pool of Drysdales in Australia; many hundreds of Stud Ewes and Rams have been imported over the years from New Zealand to compliment their Australian born cousins.

The Drysdale is unique in that the half-bred animal can be identified from the pure bred by a "shoulder patch", this is an area of short crimped wool fibres behind the shoulder in the arm-pit area. Genetically pure Drysdales do not exhibit a shoulder patch, thus eliminating the need to progeny test.

Only pure-bred rams are eligible for registration, and all Drysdale Stud Breeders must have Ovine Brucellosis Accreditation.

TUKIDALES

The Tukidale breed originated from a mutant Romney Marsh ram lamb named "Dreamy" born in 1966 on the property of Mr. Malcolm Coop in Havelock North, New Zealand. The ram showed the medullated or hairy characteristic distinctive carpet wool sheep. Dr. F. W. Dry, a famous New Zealand sheep geneticist, isolated a gene in Dreamy that differed from the other genes responsible for medullated fibres. A characteristic, noted by Dr. Dry, of the gene he designated as the "T" gene, was its extreme dominance. Mr. Coop's property name was "Tuki Tuki", the new breed was called Tukidale, and the gene responsible for the medullation in the breed, the "T" gene.

The first importations were made into Australia in 1975. A group of Oberon graziers imported two rams which were mated to Romney Marsh ewes. Further imports to Oberon, and Walcha, followed in 1976. As the number of Tukidale breeders grew, the imports increased until the early 1980's when enough quality Tukidale rams were being produced in Australia to satisfy requirements.

THE TUKIDALE SOCIETY AIMS:

- To promote the breeding of Tukidales carrying a fleece with a high percentage of medullated fibres.
- To promote the continuous development of the Australian carpet wool industry whilst ensuring the prominence of the Tukidale breed within that industry.
- To ensure both maintenance and improvement of the standards of the Tukidale from a commercial viewpoint.
- To promote the breeding and development of the Tukidale as an easy care sheep.

IN ACCORDANCE WITH THE ABOVE AIMS, THE SOCIETY CARRIES OUT THE FOLLOWING ACTIVITIES:

- Controls the registration of studs.
- Operated an obligatory annual inspection and classification for stud sheep.
- Is a foundation member of the Australian Carpet Wool Council.
- Produces and distributes an annual magazine, the Tukidale News,
- Produces several informative leaflets. These and the magazine are used as promotional material.
- Conducts an annual Sale as well as supporting a number of Field Days around Australia.

THE ELLIOTTDALE

The Elliottdale is the only Australian breed of speciality carpet wool. The breed was developed at the Elliott Research Station in Tasmania during the late 1960s.

Advantages of the Elliottdale include:

- Poll ewes, rams can be polls to 3/4 horned.
- Low kemp and high medullation lead to high manufacturing yield.
- Lean carcasses – favoured for consumption.
- Sound feet, good for high rainfall areas.

For further enquiries, please contact:

Mainland: Laurel Nish,
P.O. Box 199,
Dandenong. Victoria 3175.

Tasmania: Jan Horton,

Launceston. Tasmania 7250.

The Carpetmaster

Carpetmaster sheep originated in New Zealand and, along with the other two New Zealand based carpet wool breeds, were developed over a number of years to suit the carpet wool industry.

The first **Carpetmaster** sheep were being bred in the 1950s as a flock with the dominant N gene.

Carpetmaster sheep created history in August 1974 when they became the FIRST carpet wool sheep imported into Australia, eight ewes and one ram brought from New Zealand to form the backbone of the **Carpetmaster** sheep breed in Australia.

MEAT PRODUCTION

Carpetmaster, being a dual purpose breed, produce a good lean prime lamb best sold over the hook and are also suitable for the Middle East market as either lambs or wethers.

SKINS

Carpetmaster skins are sold to a premium market price on the export market.

FERTILITY

Carpetmaster ewes are excellent mothers.

Fertility is one of the breed's features, with lambing

percentages between 100% and 150% with survival rate to weaning also very high. The lambs are born with a birth coat of up to 5cms.

SPECIALTY CARPET WOOL

Carpetmaster sheep fleece grows 25 mm per month. The rate of wool growth results in twice a year shearing.

Carpetmaster ewes average 7–9kg per year of top quality carpet wool with some rams cutting as much as 10–12kg per year, even higher in certain circumstances.

The fleeces yield around 80% for ewes and rams and 90% for lambs.

SUITABLE AREAS

Carpetmaster is best suited to high rainfall areas of Australia, from 500 mm (20 in) upwards.

The black feet of **Carpetmaster** mean they can handle wet conditions better than most other sheep.

WOOL FIBRE

Carpetmaster produce specialty carpet wool. The fleece is medullated, white, resilient, high yielding, 40 microm plus, harsh to handle, with plenty of bulk.

Carpetmaster fleece is blended with other filler wools for carpet production. It is responsible for resilience and wearing ability of the carpet.

How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply call 13 10 12.

Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. Exhibitors may be penalised or disciplined for the actions of their family, employees or agents in contravention of these Regulations. "Employees" includes any person agent or company, whether remunerated by the Exhibitor or not, engaged by, or on behalf of, the Exhibitor to carry, care for or prepare exhibits.

15. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

16. The Company has the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;

This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

18. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or
- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

19. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

20. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

21. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;

- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

24. Except with the prior written approval of the Company, no livestock or animals, other than livestock or animals entered for the Show, are permitted on the Show Grounds. Domestic animals belonging to Exhibitors are included in this prohibition.

25. No person, whether the Show is open to the public or not, may ride bicycles or skateboards in the Show Grounds without prior written permission.

ACCOMMODATION

26. The Company is under no obligation to provide space for exhibits or accommodation for people accompanying the exhibits. However, if the Company, in its discretion, does allocate space for exhibits or space for people to sleep, exhibits may be placed and people may sleep only in the areas allocated for such purposes by the Company. Any personal belongings, equipment or property brought by Exhibitors, their employees or families, to the Show Grounds must be kept in the accommodation lockers or other areas allocated by the Company for storage purposes.

JUDGING

27. The Company may alter the Judge for any particular class at any time if it deems fit.

28. No competitor or Exhibitor or person acting on behalf of any competitor or Exhibitor shall in any way influence consult or interfere with or attempt to influence consult or interfere with the Judge or endeavour to interfere with his freedom of choice or judgment.

29. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless this practice is expressly authorised in the regulations in the relevant prize schedule.

30. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body

on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

31. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withhold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded.

32. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

33. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize, he may also give commendations, in his opinion, they are deserved.

34. Subject to Regulations 20 and 38, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order.

35. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

PROTESTS

36. An Exhibitor or competitor may protest against an award won by an exhibit or competitor in the same class alleging infringement of the rules or ineligibility.

37. Subject to the regulations in the relevant Prize Schedule, protests shall be addressed to the Principal Officer and be lodged at his office on the 1st Floor, Administrative Building, cnr. DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of \$20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

38. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

39. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

FIRE REGULATIONS

40. Cooking, heating of water by any means whatsoever, the use of any device involving naked flames, and smoking are prohibited in or near any animal pavilion, stall, pen or locker.

CONDITIONS

101. The General Regulations appearing in this Schedule form part of the conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

102. Scratchings must be notified to the Wood Chop Superintendent by 5 p.m. on the day prior to the event. Competitors not notifying scratchings will be fined \$2.

103. The logs and billets will be any variety of timber and any length approved by the Stewards in their absolute discretion. The diameter of all logs will be as uniform as possible.

104. ALL COMPETITORS, must state on the entry form their last win and handicap and a list of their last five performances anywhere, irrespective of Association or State, together with the name of the backmarker. An entry will definitely not be accepted unless the last win and the last five performances for each class of event entered, are stated on the back of the entry form. This applies to ALL Australian and New Zealand competitors.

105. The contest will be chopped in heats and a final, according to the number of entries.

106. All logs and billets will be numbered, and will be drawn for by the Stewards.

107. The first and second competitors in each heat unless otherwise stated, shall compete in the semi-final or final. At the absolute discretion of the Stewards, when there are two semi-finals, they may take one, two or three placegetters to start in the final.

108. No competitor will be allowed to make any axe marks on his log or to the foot holes or dog holes before his handicap starting time as allotted by the Handicapper.

109. No persons, other than competitors and officials, will be allowed in the arena during the contest.

Exemptions to this regulation will be allowed at the discretion of the Stewards in special cases where singlets are provided by sponsorship or where the clothing is more suitable for a specific event in which cases competitors must remain in the same uniform during the presentation of awards. No competitor will be permitted to display sponsorship of any kind except when provided by the sponsor of an event and singlets with sponsorship can only be worn when the particular event of sponsorship is in progress.

Any competitor may apply to the Steward-in-Chief for dispensation in regards to wearing apparel on the grounds of his/her state of health or on any other grounds, in which case dispensation may be granted in the absolute discretion of the Steward-in-Chief.

White footwear must always be worn.

113. In any Association or Club teams race, the Association or Club uniform coloured singlets are to be worn.

114.
