Competitors in the Wood Chopping Contests are advised that arrangements have been made for specially selected timber to be provided for these contests. All timber will be inspected by representatives of the Company on arrival at the Show Grounds, and any not up to standard will be rejected.

CONDITIONS

101. The General Regulations appearing in this Schedule form part of the conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

102. Scratchings must be notified to the Wood Chop Superintendent by 5 p.m. on the day prior to the event. Competitors not notifying scratchings will be fined $2.

103. The logs and billets will be any variety of timber and any length approved by the Stewards in their absolute discretion. The diameter of all logs will be as uniform as possible.

104. ALL COMPETITORS, must state on the entry form their last win and handicap and a list of their last five performances anywhere, irrespective of Association or State, together with the name of the backmarker. An entry will definitely not be accepted unless the last win and the last five performances for each class of event entered, are stated on the back of the entry form. This applies to ALL Australian and New Zealand competitors.

105. The contest will be chopped in heats and a final, according to the number of entries.

106. All logs and billets will be numbered, and will be drawn for by the Stewards.

107. The first and second competitors in each heat unless otherwise stated, shall compete in the semi-final or final. At the absolute discretion of the Stewards, when there are two semi-finals, they may take one, two or three placegetters to start in the final.

108. No competitor will be allowed to make any axe marks on his log or to the foot holes or dog holes before his handicap starting time as allotted by the Handicapper.

109. No persons, other than competitors and officials, will be allowed in the arena during the contest.

110. Axes must entirely sever logs in two parts; competitors who sever logs with the aid of pushing or pulling will be automatically disqualified.

112. Each competitor shall wear long white trousers, white boots or shoes and a singlet or shirt which must be of a colour considered by the Steward-In-Chief to be appropriate to the State in which he resides or appropriate to the particular event in which the competitor is competing.

A competitor's wearing apparel must at all times be kept in a clean and tidy condition throughout the period of the Show.

No advertising matter of any kind shall be displayed or be visible on the wearing apparel of any competitor, without prior approval of the Steward-In-Chief, except that the insignia or Coat-Of-Arms for Countries, States or Association Show Societies, Clubs or other bodies may be worn on the singlet or shirt front subject to the prior approval of the Steward-In-Chief..

113. In any Association or Club teams race, the Association or Club uniform coloured singlets are to be worn.

114. Any axeman who holds the right to compete in novice events, forfeits the right to compete in a novice of the particular event when he/she has won a single handed open handicap event anywhere in Australia. This rule applies Australia wide and is irrespective of prize money. A competitor who claims to be a novice may be required by the Steward-in-Chief to make a statutory declaration to this effect.

115. The Company may appoint a Disputes Committee for the Wood Chopping Contests and any decision of this Committee shall be final in all respects whatsoever save only for any decisions or directions of the Company. No decisions, directions or determinations made by the Disputes Committee, or the Company for the purposes of the Wood Chopping Contests shall be called into question in any manner or in any proceedings whatsoever.

116. Competitors must use clamps as supplied by the Company in all Standing Block Events.

117. A Competitor who wins an event after the posting of marks may be re-handicapped for any subsequent event or events. The Company reserves the right to re-handicap a competitor before an event has commenced.

118. Every care must be exercised to keep axes and saws covered. Axes and saws MUST NOT be carried among the general public unless so covered. Competitors should note the terms of rules 11 and 12 of the General Regulations. All axes shall have a pin (minimum size 3mm) placed through the axe as near as possible to the centre of the handle area.

122. Under no circumstances are axemen permitted to enter the Log Enclosure without the permission of the Log Steward.

123. In all sawing contests saw cuts shall be started as close as possible to the front end of the log and shall not be more than 100mm in from the edge of the top side. Oil may be used on the saw immediately prior to the commencement of the contest. In sawing contests the saw must saw through the log from one side only.

124. In sawing contests the wedger shall stand behind the log and if any wedger in any way touches or guides a saw or touches or guides that portion of the log which is being cut off, the competitor or team concerned shall be automatically disqualified. The wedger's wearing apparel must conform with regulation 112.

Definition: "Behind the log" in this regulation shall be interpreted to mean the opposite end of the log to the saw cut.

125. In the 400mm diameter butchers blocks one member of each team shall open a scarf and cut the log approximately half way through, the first cutting member of the team on ceasing to cut shall retire to his neutral area and visually indicate to his partner, in a manner prescribed by Stewards, that the other team member is to complete the cut by opening a scarf on the opposite side of the log. The wedger's wearing apparel must conform with regulation 112.

126. Save only as provided in regulation 115, any decision of a Steward with respect to any matter related to the Wood Chopping Contests shall be final and any regulations, conditions, rules or guidelines, which may be expressed to apply to the Wood Chopping Contests shall in no way be construed as limiting the discretion of the Stewards to conduct the Contests in such manner as they think fit.

PEACE OF MIND.

VACC Rural Insurance is heavily committed to supporting farmers.

That's why we have formed associations with over 30 societies and why we have been a founding sponsor of International Dairy Week and Beef Week.

It's why we sponsored the refurbishment of the Indoor Judging Ring in the Meaklim Pavilion and why VACC Rural Insurance was the first corporate sponsor to support the Roll Over Protection campaign with a $15,000 pledge.

We're here supporting the Royal Melbourne Show too.

You'll find there's always one thing foremost in our thinking; your peace of mind.

Your family, your home, your dreams. They're all part of your bigger picture

A young family. A house to pay off. A lot of uncertainties. Often in life, our short term needs can overwhelm our long term goals. But seeing the bigger picture can go a long way towards putting all the day to day financial ups and downs into a manageable perspective. And having someone who understands your bigger picture can make it much more achievable. Whatever your bigger picture may be, National Australia Bank would like to help you work at it.

The $299 price tag is just one of its outstanding features.

Never before has $299 bought you so much authority, credibility and integrity. And never before has an encyclopaedia CD ROM offered so much knowledge, inspiration and opportunity. Britannica CD 97 may be small in size, but it's big in stature.

For example, make a quick search between 'Mozart' and 'muscle' and our CD delivers a staggering 1,573 articles. Do the same search and then combine the similar range of articles from 4 other CD ROM encyclopaedia's , and you'll find a disappointing 547 articles in total – less than a third of our information. YOU CAN'T WAIT TO BITE A BALFOURS.

BAL10146

Your family, your home,
your dreams. They're all part
of your bigger picture

A young family. A house to pay off. A lot of uncertainties. Often in life, our short term needs can overwhelm our long term goals. But seeing the bigger picture can go a long way towards putting all the day to day financial ups and downs into a manageable perspective. And having someone who understands your bigger picture can make it much more achievable. Whatever your bigger picture may be, National Australia Bank would like to help you work at it.

To talk to us about it, call **13 13 12.**

PEACE OF MIND.

VACC Rural Insurance is heavily committed to supporting farmers.

That's why we have formed associations with over 30 societies and why we have been a founding sponsor of International Dairy Week and Beef Week.

It's why we sponsored the refurbishment of the Indoor Judging Ring in the Meaklim Pavilion and why VACC Rural Insurance was the first corporate sponsor to support the Roll Over Protection campaign with a $15,000 pledge.

We're here supporting the Royal Melbourne Show too.

You'll find there's always one thing foremost in our thinking: your peace of mind.

CATS, CAVIES AND RABBITS

Spend 24 hours as a cat and you'll swear off supermarket pet food forever.

6 a.m. Utilising energy stored during sleep.

7 a.m. Exercising, sleep with regularity in diet—promotes a shiny coat.

8 a.m. Eating a commercial, balanced oils of essential nutrients.

9 a.m. Balanced nutrients and satin acids keep nose and footpad leather pliable.

10 a.m. Repairing cell tissues throughout.

11 a.m. Even while sunning and dozing on a windowledge, leg muscles are being flexed.

Noon. Jumping five times own height.

1 p.m. Long, deep sleep rebuilds muscle.

2 p.m. Metabolising hairballs; action to be taken keep skin free of flaky deposits.

3 p.m. A cat that looks good, feels good. And knows it.

4 p.m. Nature calls. More meat protein means more food is absorbed which means less stool.

5 p.m. Sets to play with a ball.

6 p.m. Sweating ferociously at imaginary prey.

7 p.m. Leaving scent by performing figure-eights around your feet.

8 p.m. Eating a dry food such as Iams exercises teeth and gums while reducing tartar.

9 p.m. Finding a warm spot to curl up and doze.

10 p.m. Body uses calories in food to ward against cold and heat damage.

11 p.m. Quickly fat energy at optimal level.

Midnight. Stretching and rotating ankle muscle joint.

1 a.m. Getting into crochet and fur kneading.

2 a.m. Catching another 40 winks.

3 a.m. Low nutrients to skin helps prevent FUS.

4 a.m. Vitamin A in food promotes clear, bright eyes that quickly adapt to night vision.

5 a.m. Meticulous grooming improves skin and coat. But it's no substitute for eating a balanced diet.

Sleeping two-thirds of the day away may not look like hard work, but your cat still requires the maximum nutrition in Iams to look and feel her best.

Because much like the lion, who sleeps 20 hours a day, cats burn up massive amounts of energy in short bursts. Like jumping five times their height to swat at a moth.

So, to replenish that energy, your cat needs the concentrated, complete nutrition contained in Iams. She needs its real meat protein – which is easier to digest and utilise than the vegetable protein found in most supermarket cat foods and results in smaller stool. She needs its quality fat for a shiny coat. Along with an optimal balance of carbohydrates, vitamins and minerals.

For the kind of efficiency that pays off in a healthier cat, look for Iams Cat Food or Kitten Food. You won't find it in supermarkets, but you will find it in veterinary clinics, pet shops and other specialty outlets. For more information on New Zealand phone Petcare Distributors (09) 303 2331. In Australia phone Nutripet Pty Ltd (03) 369 4422.

Your family, your home,
your dreams. They're all part
of your bigger picture

A young family. A house to pay off. A lot of uncertainties. Often in life, our short term needs can overwhelm our long term goals. But seeing the bigger picture can go a long way towards putting all the day to day financial ups and downs into a manageable perspective. And having someone who understands your bigger picture can make it much more achievable. Whatever your bigger picture may be, National Australia Bank would like to help you work at it.

To talk to us about it, call **13 13 12.**

PEACE OF MIND.

VACC Rural Insurance is heavily committed to supporting farmers.

That's why we have formed associations with over 30 societies and why we have been a founding sponsor of International Dairy Week and Beef Week.

It's why we sponsored the refurbishment of the Indoor Judging Ring in the Meaklim Pavilion and why VACC Rural Insurance was the first corporate sponsor to support the Roll Over Protection campaign with a $15,000 pledge.

We're here supporting the Royal Melbourne Show too.

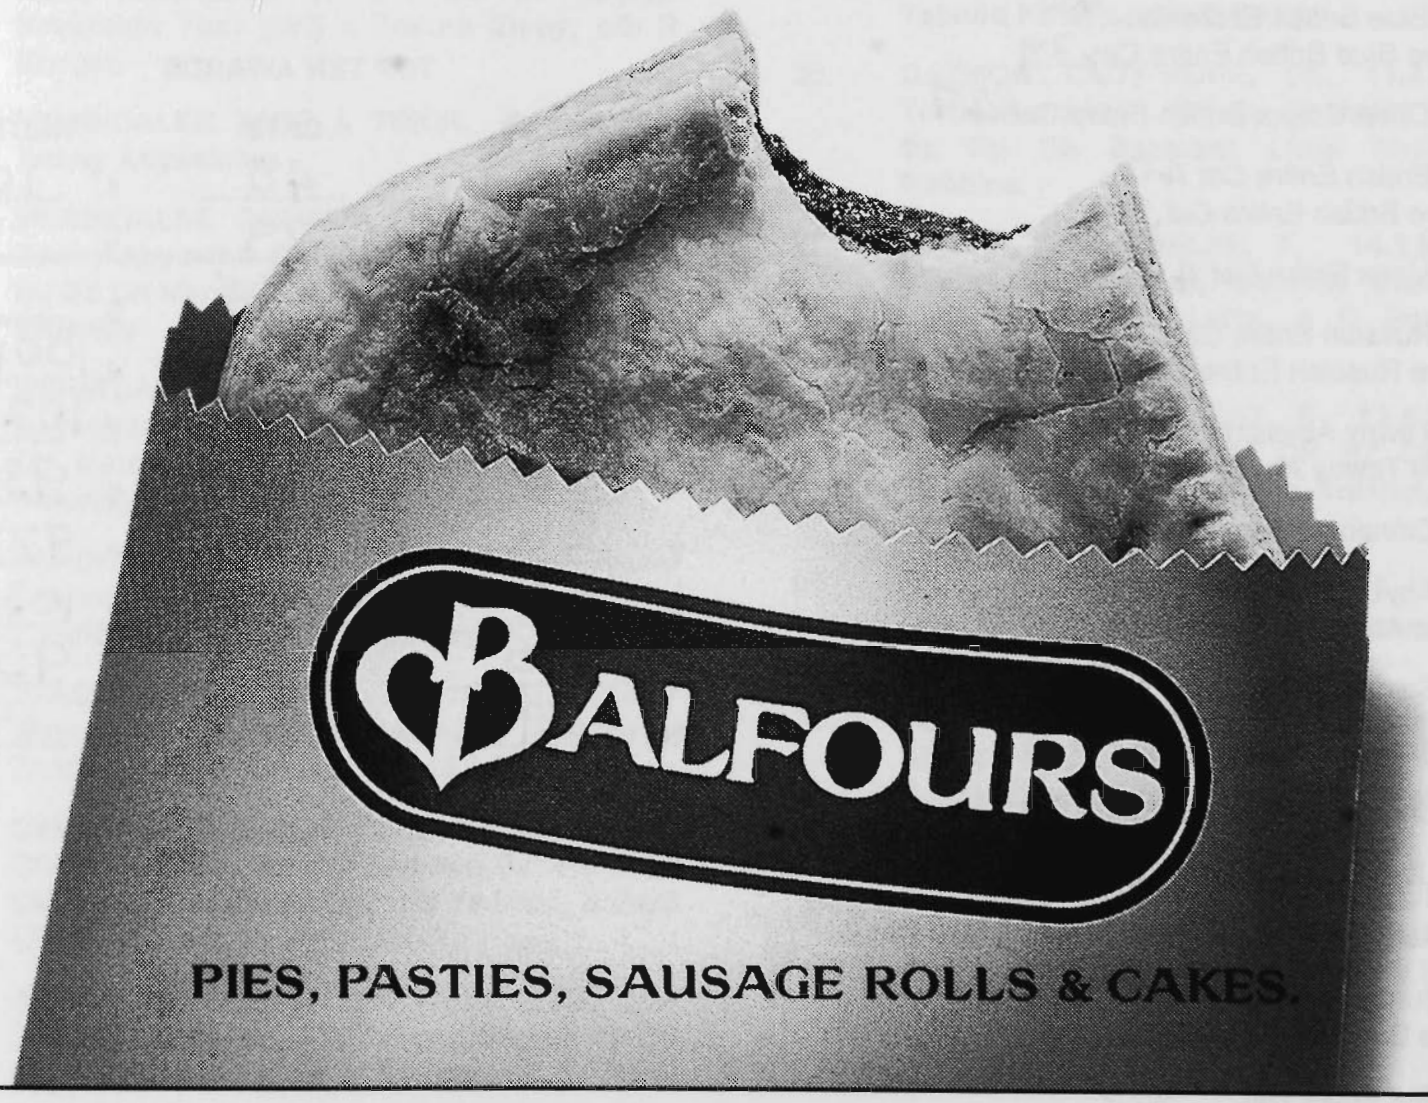

You'll find there's always one thing foremost in our thinking; your peace of mind.

The $299 price tag is just one of its outstanding features.

Never before has $299 bought you so much authority, credibility and integrity. And never before has an encyclopaedia CD ROM offered so much knowledge, inspiration and opportunity. Britannica CD 97 may be small in size, but it's big in stature.

For example, make a quick search between 'Mozart' and 'muscle' and our CD delivers a staggering 1,573 articles. Do the same search and then combine the similar range of articles from 4 other CD ROM encyclopaedia's , and you'll find a disappointing 547 articles in total – less than a third of our information. To own the world's most comprehensive encyclopaedia CD ROM, call 1800 801 001.
