How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply phone 13 10 12.

2. All exhibitors shall state on their entry forms
 - the breed, cross of breeds or mixture of breeds of each animal entered so far as this is known.
 - the name and breed of the sire.

3. The Company reserves the right to reject or limit entries at their absolute discretion, at any time, and for any reason. In this regard, Exhibitors are advised that accommodation for exhibits is limited and that the maximum number of steers able to be accepted is 300 head. If entries exceed 300, it will be necessary for the Company to ballot entries. Exhibitors are also advised to read General Regulation 7.

8. The Company requests that all exhibits be polled or dehorned.

GENERAL JUDGING RULES AND ARRANGEMENTS

13. All exhibits for the Beef Carcase Competition are required to be penned as directed at the Showgrounds (please refer to Cattle Regulation 106 for arrival times.) Any proposed departure from this requirement by an Exhibitor must receive prior written permission from the Company. A Complete Timetable of Arrangements for this Section will be forwarded to each Exhibitor prior to the Show. Unless otherwise provided, judging will be conducted on Tuesday afternoon 23rd September, 1997 in the V.A.C.C. Ring.

JUDGING OF BEEF CARCASE

16. Carcases will be judged using the National AUS-MEAT Beef Carcase Judging System. Penalty points apply for carcases which are outside nominated weight and fat specifications.
17. Carcases that are outside the weight range of their nominated class will not be transferred but will incur penalty points at the rate of 3 points for every one percent of carcase weight outside class range. Those carcases that exceed their nominated class weight range by more than five percent will incur a maximum penalty of 20 points.
18. Carcases will be priced using a price grid according to actual carcase weight, not nominated class. Pricing does not constitute any part of the judging system.
19. All carcases will be quartered for public viewing at the abattoir.
20. Carcases will not be penalised for bruising should any occur.

NOTE: Measurements for fat cover will be taken in line with the updated current AUSMEAT LANGUAGE.

NOTE: Dentition in all classes refers to the maximum allowable teeth in that class.

How many bankers make farm visits?

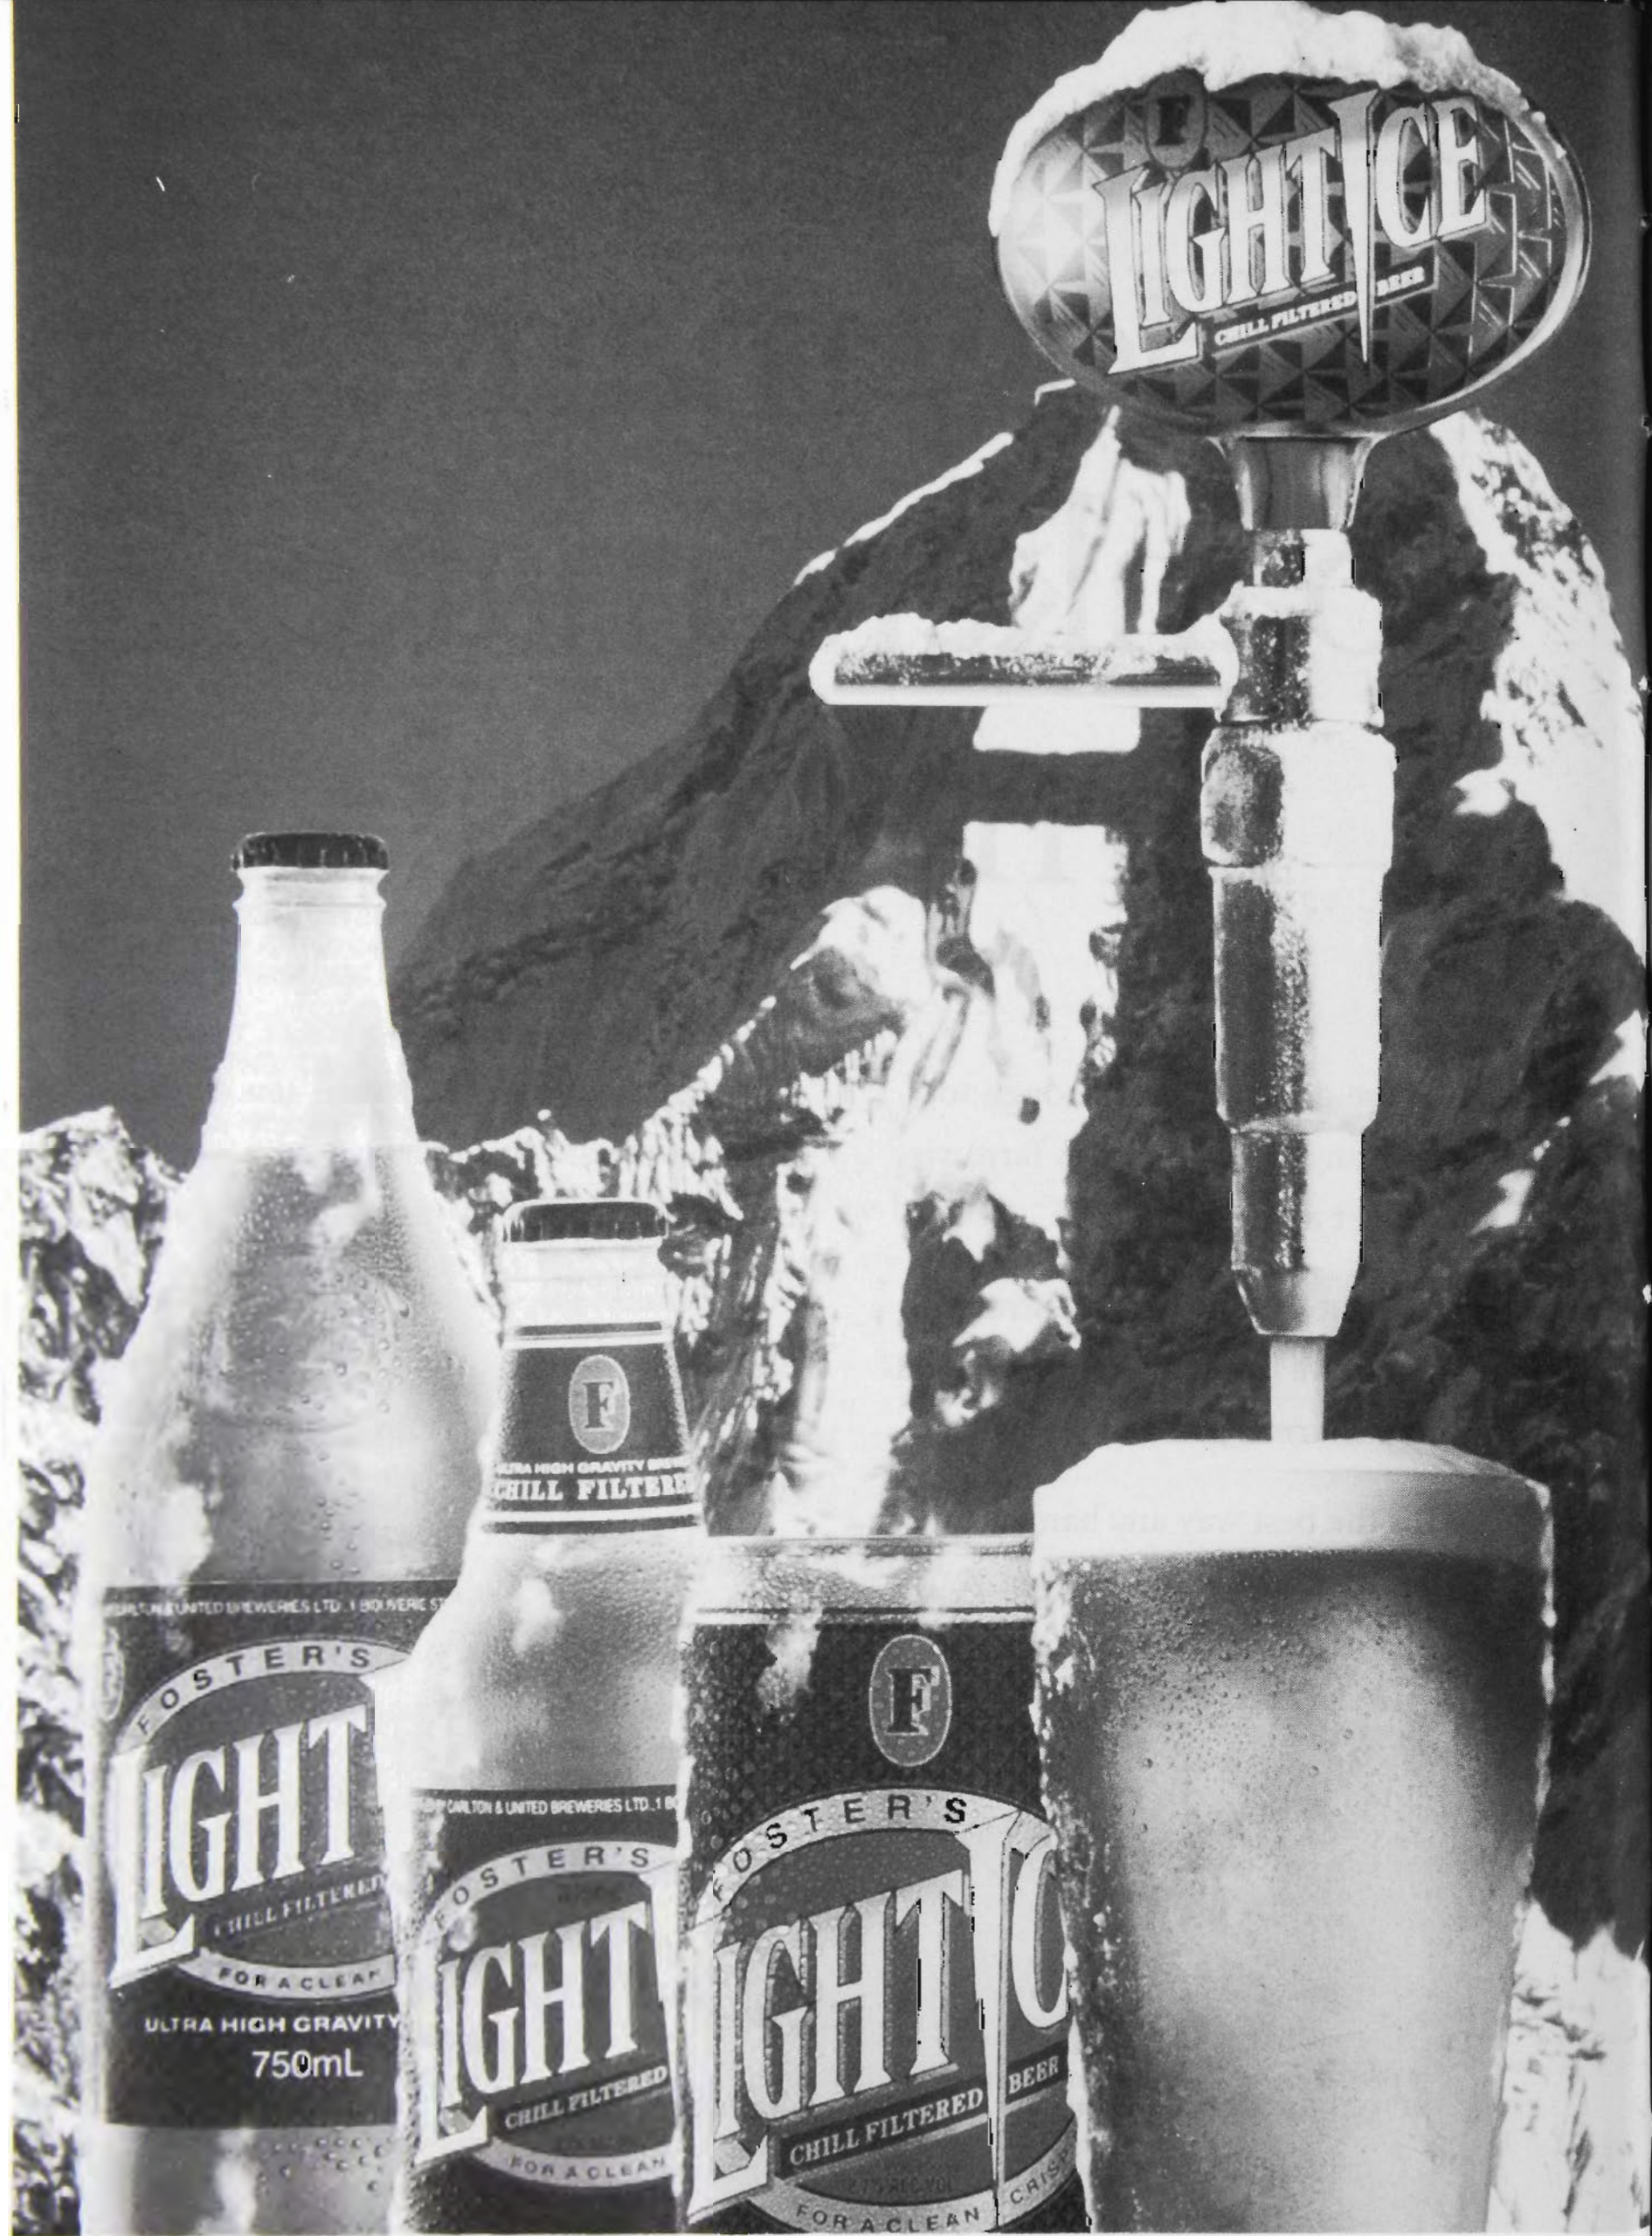

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply phone 13 10 12.

The \$299 price tag is just one of its outstanding features.

Never before has \$299 bought you so much authority, credibility and integrity. And never before has an encyclopaedia CD ROM offered so much knowledge, inspiration and opportunity. Britannica CD 97 may be small in size, but it's big in stature.

For example, make a quick search between 'Mozart' and 'muscle' and our CD delivers a staggering 1,573 articles. Do the same search and then combine the similar range of articles

from 4 other CD ROM encyclopaedia's, and you'll find a disappointing 547 articles in total – less than a third of our information. To own the world's most comprehensive encyclopaedia CD ROM, call 1800 801 001.

YOU ASKED FOR A TOUGH CATTLE SCALE, AND HERE IT IS.

THE NEW RUDDWEIGH G3. TOUGHER THAN THEY ARE.

Tough because the weigh bars and platform are all in one piece. No assembly, no delay.

Tough because you simply detach the cable and plug when you're finished. Leave the Scale in the paddock!

Tough because it's got a new non-slip edge (patents apply). Cattle won't slip. Readings are accurate.

HORSES IN ACTION

CONDITIONS OF ENTRY

101. The General Regulations appearing in this Schedule form part of the conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

102. Notwithstanding General Regulation 8 exhibits in this section may be entered in any class or classes for which they are eligible.

STABLING

103. Exhibits shall be placed where directed by the Company and where a stall or box is allotted the exhibit shall be in occupation of such stall in accordance with instructions to be issued by the Company from time to time.

The upper door of the horse box outside pavilions shall remain open at all times during which the Show is open to the public. A stabling fee of \$30 shall be paid by the exhibitor for each exhibit entered and must be paid at the time of lodging entries.

Accommodation shall not be provided for exhibits entered in miscellaneous classes only.

Exhibits arriving other than at the stated times, may have their stall or box re-allocated without notice.

104. An Exhibitor and/or person in charge of an exhibit shall only stable a horse in a stable as directed by the Company.

Any Exhibitor and/or person in charge of an exhibit who fails to observe any such direction shall be guilty of a breach of the Company's Regulations and may be dealt with accordingly.

The Company shall also be entitled to move or direct the removal from the Showgrounds of any exhibit which is stabled contrary to the direction of the Company.

105. No Exhibitor, or person in charge of an exhibit, or other person, shall enter the stable of another exhibitor without the authority of such Exhibitor or the person in charge of an exhibit.

Any Exhibitor, person in charge of an exhibit, or other person who enters a stable without the authority above mentioned shall be guilty of a breach of the Company's Regulations and may be dealt with accordingly.

106. Exhibitors not entitled to accommodation may not bring transports or floats on to the Showgrounds. The vacant land between the western extremity of the Grounds and the V.R.C. "Hill Entrance" will be available on each day of the Show for the unloading of exhibits for which accommodation has not been allotted or which are not entitled to accommodation. Vehicles used for the transportation of such exhibits may be parked in this area for the day and the exhibits led into the grounds. Entry tickets may be purchased at the gate for exhibitors entitled to use this area at a fee of \$6.00 per day per vehicle.

Exhibitors attending the Show on a day basis are requested to parade where possible and should

marshal in the Western Area as directed by the Horse Superintendent.

*Exhibitors in Sections where accommodation is available (except Clydesdales) may, on application, be permitted to bring in their exhibits on a daily basis. The Company may in its sole discretion accept or reject such application without assigning any reason for its decision and without giving the exhibitor concerned or any other person the right to be heard on this question.

Notwithstanding the foregoing, exhibitors should note that in Sections where Champion Prizes are awarded, the best of each sex will not be required to stay for the duration of the Show.

A pre-Royal Show measuring day will be held on Saturday, August 10th at the Show Grounds, Ascot Vale. The measuring stands in the Western Area will be used and measuring will take place between 10.00 a.m. and 3.00 p.m.

All horses and ponies must be correctly bitted when being presented to the measurer.

113. When measuring an exhibit an allowance of 3/8" for shoes may be made by the measurer. Should an exhibit be measured with its shoes on the exhibitor may if he so desires have the horse re-measured without shoes. The measurer may at his discretion request the removal of shoes from any exhibit and re-measure the horse without shoes. No allowance will be made for grass tips.

114. Should the Company have appointed more than one measurer then an exhibit having been measured and its height recorded by one of such measurers shall not be submitted for measurement or re-measurement to one of the other measurers.

115. Except as provided in the next rule the decision of the measurer shall be final.

116. The judge of a class may request any exhibit to be re-measured in which case the exhibit shall be re-measured in the presence of the Steward in charge of the class and the height then decided upon by the Steward shall be final.

119. The Company may make or cause to be made any test of any exhibit to determine whether any drug or stimulant has been administered to the exhibit and may take possession of any such exhibit for any of the aforesaid purposes and detain such exhibit for such period as is deemed necessary.

Drug means any substance capable of affecting the performance or behaviour of an exhibit by its action upon the central or peripheral nervous system, the cardiovascular system, the respiratory system, the alimentary digestive system, the musculo-skeletal system, or the urogenital system and shall include analgesics, anti-histamines, anti-inflammatory agents, blood coagulants, diuretics, hormones and their synthetic counterparts, cortico-steroids, anabolic steroids, local anaesthetics, muscle relaxants and tranquillisers and vitamins administered by injection.

Procedures for the testing of Prohibited Substances will involve both "random" and "spot" tests on exhibits. At the discretion of the Company there will be blood testing of exhibits prior to competing and/or blood and urine testing at the end of the competition.

Competitors should be aware that particular attention will be paid to the detection of the sedative and tranquilliser drugs but analysis for all classes of prohibited substances will be included. The collection of samples will always involve taking blood from the jugular vein and may also include urine collection for post-competition testing. For the latter procedure if urine cannot be collected within 15 minutes an additional 60 ml blood sample may be taken in its place.

The Company may also select any exhibit for examination for desensitized limbs. Any exhibit found to have a limb or part of a limb desensitized by any means will be considered to have competed under the influence of a drug and penalised accordingly.

An obligatory "Drug Testing and Enforcement Levy" is payable by all Exhibitors.

The levy has been set at \$6.00 per Exhibitor for the 1996 Royal Melbourne Show. The levy does not apply to exhibitors entered in Riding Competitions only.

PARADES

124. EACH EXHIBIT IS REQUIRED TO TAKE PART IN PARADES ON THE ARENA AT THE TIMES SET OUT IN THE PRINTED PROGRAMME. Failure to parade without the correct exemption will result in a fine of \$20.00 per exhibit not paraded. The exhibit or exhibits in question cannot be exhibited in any other class or classes (as the case may be) until such time as the fine has been paid. Failure to pay the fine prior to departing from the Show Grounds may result in non-acceptance of entries at any subsequent Show.

All fines must be paid to the Horse Superintendent located in the area in which the horse is stabled. Exemption forms can be obtained from the Office of the Horse Superintendent. Led exhibits must not wear any clothing or boots.

PEACE OF MIND.

VACC Rural Insurance is heavily committed to supporting farmers.

That's why we have formed associations with over 30 societies and why we have been a founding sponsor of International Dairy Week and Beef Week.

It's why we sponsored the refurbishment of the Indoor Judging Ring in the Meaklim Pavilion and why VACC Rural Insurance was the first corporate sponsor to support the Roll Over Protection campaign with a \$15,000 pledge.

We're here supporting the Royal Melbourne Show too.

You'll find there's always one thing foremost in our thinking; your peace of mind.

CLASS 75 - THE "COL. A.V. POPE CUP". The Col. A.V. Pope Silver Cup and Special Ribbon. Cup presented by Col. A.V. Pope for the best Saddle Exhibit over 15 hands, which, in the opinion of the Judge, shows thoroughbred qualities: each exhibit also to be judged for the manners, paces and performance. The competition will be open to mares and geldings. An exhibit may be ridden by a lady or gentleman. The ownership of the Cup shall not pass to the winning exhibitor, but shall remain in the Society's possession. The name of the winning exhibitor each year will be engraved on the Cup. (SPECIAL)

Special ribbons will be awarded to the competitors placed second to sixth in the event.

Never before has \$299 bought you so much authority, credibility and integrity. And never before has an encyclopaedia CD ROM offered so much knowledge, inspiration and opportunity. Britannica CD 97 may be small in size, but it's big in stature.

For example, make a quick search between 'Mozart' and 'muscle' and our CD delivers a staggering 1,573 articles. Do the same search and then combine the similar range of articles

from 4 other CD ROM encyclopaedia's, and you'll find a disappointing 547 articles in total – less than a third of our information. To own the world's most comprehensive encyclopaedia CD ROM, call 1800 801 001.
