A record number of entries - 3329 - were received for this year's Royal Melbourne Wine Show.
This is an increase of 8% on 1997 and the highest number for any Wine Show in Australia.
Entries have been received from 355 exhibitors- another record- including more than fifty new exhibitors.

Entries have increased in all sections, except for the Victorian Wine Section.
The number of entries in each section are summarised below.

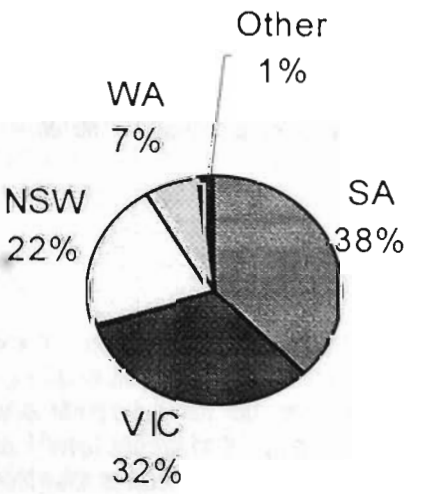

SECTION	Number	1997-1998 comparison
1998 Vintage	537	+10%
1997 Vintage	645	+12%
Victorian Wine	228	-5%

1998 WINE SHOW HIGHLIGHTS

1998 VINTAGE

1998 appears to be a difficult year for white wine makers, particularly the aromatic unwooded styles.

1997 VINTAGE

1997 Shiraz very strong, with some excellent Pinots. 1997 was considered an average year for fortified wines.

VICTORIAN CLASSES

The highlight is the great quality of the 1997 red classes and the low point is the 1998 white class.

OPEN CLASSES

As is usual there are outstanding entries in all of the open table wine classes. If exhibitors do not place the grape varieties on their entries in the blends and mixed variety classes, these may be penalised by the judges as they need to know the grape varieties.

COMMERCIAL CLASSES

It is pleasing for our export potential to see some excellent wines, but there is a tail of clean entries lacking flavour.

FORTIFIED WINES

There are too many of these aged wines with stale, off characters.
The top wines are excellent wines showing age and flavour.
In the vintage port class the old wines appear to be over the hill.

BRANDIES

There are some beautiful world class brandies exhibited.

NOTES ON WINE JUDGING

Exhibits in all Australian Wine Shows are judged on a comparative basis, ie. all the entries are judged at the same time. The other method used in Varietal classes in Adelaide is the International system where the wines are judged and pointed individually.

Exhibits are judged on a point score with a maximum of 20 points.
On the judging sheets this is divided into:

1. 3 points for colour and condition, usually wines with poor colour are rejected for defects on both nose and palate.
2. 7 points for nose.
3. 10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

18.5- 20	-Gold Medal
17.0-18.4	-Silver Medal
15.5-16.9	-Bronze Medal

All exhibits are judged on the blind. Judges do not handle the bottles.

In Melbourne the judges are arranged into four groups, each of three judges, with a Chairman of Judges who arranges the groups of judges, divides the classes to be judged between four groups, gives guidance and occasionally resolves disagreements.

Each class is set up and poured by associate judges, who have a set of glasses with the judges.

The judges assess the wines, point them and then collaborate on the medals awarded. The points listed in the results section represent the total of the three judges assessments.

Judges are generally selected from those who work in or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society of Victoria and are given experience as associate judges. New judges are selected from the best performers.

The following definitions of the various wine types are offered for the guidance of exhibitors.

Varietal wines should comprise at least 80% of the specified variety for 1996 and earlier vintages and 85% of the specified variety for later vintages.

DRY WHITE TABLE WINES

Should be a brilliant condition, pale to medium straw in colour, preferably with a slight green tinge. Light to full bodied, medium to high acidity with a fresh bouquet, clean after taste, no lingering sweetness. In the wooded classes the oak should be in harmony with the vinosity of the wine. Alcoholic strength should be between 8% and 14% alcohol.

MEDIUM DRY WHITE WINE

Specification similar to Dry White Table wine but with some sweetness not exceeding 1 degree baume.

SWEET WHITE TABLE WINE

Should be in a brilliant condition, straw to light golden colour, medium to full bodied with a bouquet which is aromatic or complete and distinctly sweet in flavour. Its alcoholic strength should not exceed 14% by volume and it should not show excessive sulphur dioxide. Baume should not exceed 1 degree.

ROSE

A still, light and tart table wine with a slight tannin finish and a fresh fruit flavour but without muscat character. Colour pink, but many have a trace of apricot or amber tint. Alcoholic strength should be between 8% and 14% alcohol by volume.

LIGHT BODIED DRY RED

Colour, light to medium red. A blue or purple tint may be present. Aroma and bouquet - varietal aroma may occur in varying degrees. It should be fresh and fruity and in harmony with the body and flavour of the wine. Palate- soft and light without being thin and rounded in the mid palate. Finish clear and crisp with soft astringency. The alcoholic strength should be between 8% and 12% by volume.

DRY RED

Colour medium to deep red. According to age a blue or purple tint may be present in a young wine or a light brown edge may be present in an aged wine. Aroma and bouquet - varietal aroma may occur in varying degrees. It should be fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines bottle age. Palate soft rounded and generouos in mid palate. Body medium is full in balance with the acidity. Finish clean with tannin from maturation in wood but this should not predominate. The alcoholic strength should be between 8% and 14.5%.

SWEET WHITE DESSERT

Golden to dark brown in colour depending on age. Must not show muscat character but have fruity and aromatic bouquet. It must be full bodied, soft and luscious. Strength not to exceed 20.5% alcohol by volume.

MUSCAT

Colour golden to red. Distinct bouquet and palate. Full bodied and soft and luscious. Strength not to exceed alcohol by volume.

RUBY RED

Colour golden to dark red. Bouquet and palate full and fruity. Excessive astringency is not acceptable. Strength not to exceed 20.5% alcohol by vollume.

TAWNY PORT

Colour pale red with distinct amber tinge. Bouquet fruit and aromatic, palate full and soft with distinct dryness on the finish. Some flavour of oak tannin from the maturing wood is desirable. A lingering sweetness on the after palate is undesirable. Strength not to exceed 20.5% alcohol by volume.

VINTAGE PORT

Colour deep ruby to light ruby, possibly with slight amber tint, depending on age. Bouquet fruit and characteristic of bottle aged vintage port. Should not show wood character. Flavour full and soft with firm astringent finish and no lingering sweetness. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Pale, Dry, Fino

Colour straw to pale golden. Bouquet characteristic of flor sherry. Flavour light and dry without excessive acidity or astringency, but some oak character. Finish dry, aromatic with distinct 'nutty' after taste of sherry. Strength not to exceed 20.5% by volume.

SHERRY, Amontilllado

Colour golden to light amber. Bouquet showing more age than Fino sherry. Palate fuller and softer than Fino with some oak discrepancy showing through. Finish dry and aromatic with characteristic, 'nutty' aftertaste of sherry. Strength not to exceed 20.5% by volume.

SHERRY, Oloroso

Colour amber to brown. Bouquet showing both oak and sherry character. Palate soft and round but with a dry finish. Strength not to exceed 20.5% alcohol by volume.

SPARKLING WHITE WINE

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh without particular varietal character and should indicate some years in the bottle. The wine should be fairly dry but show no astringent finish. Bubbles should be fine and persistent.

SPARKLING RED WINE

Colour should be light to medium ruby. Older wines may show a trace of amber but not more than a trace. Bouquet fruitybut should show bottle age. Fairly pronounced acidity. Full flavour and body, some sweetness but with a dry finish. May show slight oak character. Bubbles should be fine and persistent.

TWO YEAR OLD BRANDY

Entries in this class should be representative of popular commercial brandies. but should avoid fruitiness. The brandy should be well balanced distillate of wine made from neutral grape varieties. It should avoid excessive heads or tails and should not show varietal character (eg., Muscat). It should be smooth but without evident sweetness. A clear balance bouquet is essential. Colour light amber.

OLD BRANDY

Colour may be somewhat darker than in the young brandy class. Well matured oak should be distinguishable on both bouquet and flavour. Bouquet should be clean and somewhat ethereal but well balanced showing no particular constituent to excess. Flavour shoud be full smooth and aromatic. Finish aromatic without trace of fusel oil. No varietal character or fruitiness should be evident. Some slight sweetness is acceptable.

JUDGES REMARKS

Strong class. Many extractive wines, dull & oxidized. In many cases, the use of oak dominated the fruit. The 1997 vintage does not give the richness of fruit of previous vintages.

CLASS 31: DRY RED TABLE WINE.

JUDGES REMARKS

Good class, however a number of wines were downpointed for higher tanin levels, bordering on toughness. Many also lacked the fruit weight expected. A large number of entries exhibited the difficulties of the 1996 vintage, especially for those south of the divide.

from highly aromatic, floral varieties (such as Traminer, Frontignan, Riesling, Traminer Riesling) and blends of these varieties. The variety(ies) to be specified on the entry form.

JUDGES REMARKS

Too many wines lack varietal flavour intensity. Lack of freshness of fruit character, little aromatic lift and some botrytis resulted in an ordinary class of wines. More attention to these wines in the cellar is required if riesling is to reach its dizzy heights.

CLASS 34: DRY WHITE TABLE WINE - CHARDONNAY.

JUDGES REMARKS

Disappointing class. Many wines hard/botrytis influence.Disappointing lack of quality from '97 vintage. Aged medal wines outstanding.Many wines lack concentration of fruit. Overall, disappointing. Strong class of well handled wines with no outstanding "stand outs". Unsuccessful wines lacked the fruit weight to balance the oak and malo lactic fermantation handling.

JUDGES REMARKS

A good class of sparlking wines showing an understanding of the use of varietal Pinot Noir and Chardonnay and complexity. The evident winemaking errors were excessive phenolics, high free sulphur dioxide, a number of wines a greenness of fruit character and out of balance sweetness.

1848 ROYAL MELBOURNE SHOW SEPT 17-27 1998

CELEBRATING 150 YEARS

WELCOME FROM THE CHAIRMAN

On behalf of the Woodchop Committee I would like to thank all the competitors that have entered the 1998 Royal Melbourne Show.

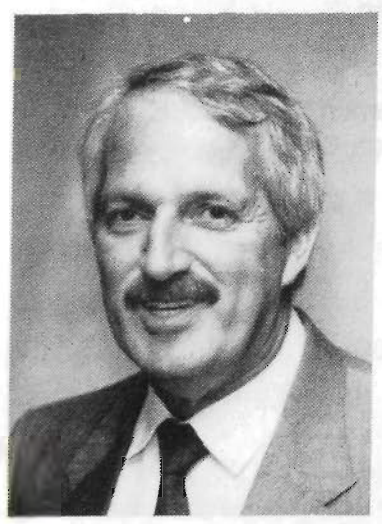

With your assistance and sportsmanship I believe that we can celebrate the 150th Anniversary of the Society by presenting woodchopping at its highest level.

This year's main attraction will again be the staging of three test matches between Australia and New Zealand under 21 years teams and once again strong spirited competition is assured.

The Society continues to promote junior competitions with events for axemen eligible to compete in under 13 and under 18 events. This ensures the future of the sport and such events enable many of these youthful axemen to progress to higher graded competition.

With the assistance of many voluntary stewards and judges who again have contributed their time and effort to the sport and the Society, I am sure our Show will be enjoyable and successful.

I hereby extend the Committee's best wishes to all of our axemen from overseas, interstate and those from throughout Victoria.

How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply call 13 10 12.

STILL SPEEDING THE PLOUGH.

In late 1848, a Farmers Society staged the colony of Victoria's first ploughing match.

In 1998, that same society will stage the biggest event in the event state of Australia, the Royal Melbourne Show.

This year we celebrate the 150th anniversary of the founding of the Royal Agricultural Society of Victoria with our most important Show in over one hundred years.

Continuing it's tradition of innovative business focus, the 1998 Royal Melbourne Show will highlight Quality Assurance as well as introduce several new events and programs.

We invite all exhibitors to celebrate this, our 150th year by being our business partners in the Professional Farmers Royal Melbourne Show.
