SCHEDULE OF CLASSES, PRIZES AND REGULATIONS
HORSES IN ACTION

CONDITIONS OF ENTRY

101. The General Regulations appearing in this Schedule form part of the conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.
102. Notwithstanding General Regulation 2.7 exhibits in this section may be entered in any class or classes for which they are eligible.

STABLING

103. Exhibits shall be placed where directed by the Society and where a stall or box is allotted the exhibit shall be in occupation of such stall in accordance with instructions to be issued by the Society from time to time.
The upper door of the horse box outside pavilions shall remain open at all times during which the Show is open to the public. A stabling fee of $30 shall be paid by the exhibitor for each exhibit entered and must be paid at the time of lodging entries.
Accommodation shall not be provided for exhibits entered in miscellaneous classes only.
Exhibits arriving other than at the stated times, may have their stall or box re-allocated without notice.
104. An Exhibitor and/or person in charge of an exhibit shall only stable a horse in a stable as directed by the Society.
Any Exhibitor and/or person in charge of an exhibit who fails to observe any such direction shall be guilty of a breach of the Society's Regulations and may be dealt with accordingly.
The Society shall also be entitled to move or direct the removal from the Showgrounds of any exhibit which is stabled contrary to the direction of the Society.
105. No Exhibitor, or person in charge of an exhibit, or other person, shall enter the stable of another exhibitor without the authority of such Exhibitor or the person in charge of an exhibit.
Any Exhibitor, person in charge of an exhibit, or other person who enters a stable without the authority above mentioned shall be guilty of a breach of the Society's Regulations and may be dealt with accordingly.
106. Exhibitors not entitled to accommodation may not bring transports or floats on to the Showgrounds. The vacant land between the western extremity of the Grounds and the V.R.C. "Hill Entrance" will be available on each day of the Show for the unloading of exhibits for which accommodation has not been allotted or which are not entitled to accommodation. Vehicles used for the transportation of such exhibits may be parked in this area for the day and the exhibits led into the grounds. Entry tickets may be purchased at the gate for exhibitors entitled to use this area at a fee of $6.00 per day per vehicle.
Exhibitors attending the Show on a day basis are requested to parade where possible and should marshal in the Western Area as directed by the Horse Superintendent.
***Exhibitors in Sections where accommodation is available (except Clydesdales) may, on application, be permitted to bring in their exhibits on a daily basis. The Society may in its sole discretion accept or reject such application without assigning any reason for its decision and without giving the exhibitor concerned or any other person the right to be heard on this question.**
Notwithstanding the foregoing, exhibitors should note that in Sections where Champion Prizes are awarded, the best of each sex will not be required to stay for the duration of the Show.

STANDARD OF EXHIBITS

107. Unless otherwise specified all animals competing in sections 1 and 2 shall be entire. Female animals competing in sections 1 and 2 shall not be speyed. In this regard the decision of a Veterinary Surgeon appointed by the Society shall be final and shall not be open to question in any proceeding.
108. Exhibits which in the opinion of the Society are not in reasonable show condition or standard shall not compete in the classes entered for and may at the direction of the Society be removed from the Show Grounds without refund of entry fee.
109. Exhibitors should note that the General Regulations contain a number of provisions concerning veterinary inspections, the health of exhibits and associated matters. As those conditions apply in addition to the foregoing conditions, exhibitors should make themselves familiar with their terms.
