 1/2 cup water  
 125g butter  
 1/2 teaspoon bicarbonate of soda  
 1/2 cup sherry  
 2 eggs, lightly beaten  
 2 tablespoons marmalade  
 1 cup Self raising flour and 1 cup Plain flour  
 1/4 teaspoon salt

## INGREDIENTS:

5 x 55gm eggs  
 3/4 cup castor sugar  
 1 cup Self Raising Flour, sifted 1 - 2 times  
 3 tablespoons water

## METHOD:

Whisk egg whites until they are quite firm and will hold peaks when bowl is turned upside down. Add sugar, a little at a time, beating until dissolved. Lightly whisk egg yolks and stir in. Using the back of a large metal spoon, lightly fold in the flour until all flour is incorporated. Quickly fold in the hot water. Pour mixture equally into 2 lightly greased and flour dusted 20cm x 5cm sponge pans. Bake in pre-heated moderate oven for 22 minutes or until sponge springs back when lightly touched with fingers or starts to shrink away from sides of the pan. Turn out onto a clean

tea towel lightly sprinkle with castor sugar. (This prevents the cake cooler marks on sponge.) Immediately turn sponge half right way up to cool.

### BEEF CATTLE BREED GROUPS

Beef Cattle Breeds are placed into groups at the discretion of the Society based on the number of animals exhibited at the two previous Royal Melbourne Shows.

Other requirements of the Royal Melbourne Show may also be considered by the Society in making this decision.

All animals entered in the Beef Cattle Section must be registered in a recognised Herd Book of their breed and have a background of at least four recorded generations of their breed with the exception of **Braford** and **Brangus** which must be registered in a recognised Herd Book of their breed only.

The following regulations shall apply in the case of particular individual breeds.

In the case of **Beef Shorthorns** - no heifer born twin or triplet with a bull will be eligible for exhibition until such time as she produced a calf, and dehorned animals will be eligible for exhibition. In the case of **Hereford** and **Devon**, all females not of age for adult registration must be the progeny of registered sires and dams and duly recorded as progeny.

In the case of **Shorthorns** all cattle shown should be either naturally polled or dehorned at the time of entry.

In the case of **Poll Herefords** all entries will be subjected to a six generation check for genital abnormalities known to the Breed Society and animals which do not meet the standards necessary to obtain the Australian Poll Hereford Society's Seal of Approval will be ineligible for exhibition. Animals with scurs will be eligible to compete provided the scurs are loose at hairline and recorded with the Society.

In the case of **Murray Greys** only animals which comply with Rule 10 "Exhibition of Stock" in the Rules of the Murray Grey Beef Cattle Society Inc. shall be eligible to compete.

In the case of **Belted Galloways** only animals of at least 93.75% (15/16) breeding purity be accepted for exhibition.

In the case of **Santa Gertrudis** all females 22 months and over shall be certified in calf or have a calf at foot.

In the case of **Charolais**, only animals which comply with Regulation 13 "Show Conditions" in the Regulations of the Charolais Society of Australia Ltd shall be eligible to compete.

### PERFORMANCE CLASSES

One Performance class each will be available in the Angus, Hereford, Poll Hereford, Simmental, Murray Grey, Limousin and Shorthorn Breeds, provided animals entered are registered with Group BreedPlan and have been entered and exhibited in their respective age class.

Performance classes will be judged at the conclusion of the Supreme Exhibit Award in each individual breed.

Additional information distributed on Performance figures of exhibits during judging will be the responsibility of relevant Breed Society technical officers or suitably qualified breed representatives.

EXCELLENCE IN AGRICULTURE

From Australia, with pride.

# Give your product a competitive advantage.

The Australian Grand Dairy Awards symbol is awarded for quality, excellence and innovation. It's a symbol that's awarded to a product only after a panel of 20 technical experts and food professionals have judged it to be the best in its class.

It's a symbol that will give you marketing advantage by adding distinction and recognition to your product. It's a symbol you have to earn by being the best of the best – only 19 are awarded each year.

Is your product good enough? If your product has already won gold or silver at state competitions, such as the Royal Melbourne Dairy Show, it may be eligible for entry to the Australian Grand Dairy Awards.

For more information on product eligibility contact Naomi Crisante at the Australian Dairy Corporation on (03) 9694 3714 or refer to the ADC website at [www.dairycorp.com.au](http://www.dairycorp.com.au).

The Australian Grand Dairy Awards is a joint initiative of the  
Australian Dairy Corporation and the Dairy Industry Association of Australia.
