2. **Each Society conducting qualifying competitions is required to notify the R.A.S.V. of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given to the "runners-up" to compete in the Championship Competitions.**

(a) disqualification;
(b) suspension;
(c) a fine;
(d) order the Exhibit or the Exhibitor, his or her family, invitees and Agents be removed from the Showgrounds; or
(e) any other penalty.

Without limiting the above, the Society may forfeit an award, and upon forfeiture, the Exhibitor must return any ribbon, money, prize card or other evidence of that award to the Society within seven days of receiving notification of the forfeiture.

Nothing in this Regulation limits Regulation 8.

7.2 Compliance by family, invitees and Agents

An Exhibitor must ensure that his or her family, invitees and Agents are familiar with and comply with the rules and regulations referred to in Regulation 2.3.

Without limitation, directions and requests of the Society may apply to the entry of the Exhibit, the Exhibitor himself or herself, the conditions of the Event, the conduct of the Exhibitor, the conduct of the Event, the decision of the Judge, or the award of prizes.
(b) Without limiting sub-regulation (a), upon a request from the Society, an Exhibitor must make a statutory declaration in the form and with respect to matters the Society in its discretion requires.
(c) Without limiting sub-regulation (a), upon a request from the Society, an Exhibitor must submit his or her Exhibit for inspection by a Veterinary Surgeon.

The Society may recognise, act upon and enforce any penalty imposed by a Body on an Exhibit or Exhibitors at any time.

7.9 Further Proceedings

The Society may conduct further proceedings in relation to any matter concerning an Exhibitor, an Exhibit, a potential Exhibitor, or a potential Exhibit, and impose any suspension, fine, disqualification, withdrawal of an award, handicap, reprimand, warning or any other penalty, irrespective of whether a Body has already imposed a penalty.

7.10 Reciprocal Arrangements

The Society may enter into reciprocal arrangements with a Body in relation to any matter concerning an Exhibit or an Exhibitor.

8. POWERS OF SOCIETY IN RESPECT TO CONTROL OF THE SHOW

8.1 Power to refuse to accept an Entry, Exhibit or Exhibitor

The Society may, in its discretion, refuse to accept an entry, an Exhibit, and an Exhibitor or any of them.

8.2 Power to cancel or alter

The Society may, without assigning a reason:

(a) alter the Closing Date for an Event, or the Closing Date for receipt of any particular entry;
(b) remove any Exhibit from the Showgrounds or cause any Exhibit to be removed from the Showgrounds;
(c) amend an entry to, without limitation, substitute an alternate competition or class for the competition or class in which the Exhibit was entered;
(d) alter the conditions of any Event;
(e) refuse to display an Exhibit;
(f) rule that an Exhibit or Exhibitor may not compete or is ineligible to compete;
(g) alter the date, time or place on or at which any Event is scheduled to take place;
(h) alter the Judge scheduled to judge any Event; or
(i) cancel any Event.

The rights set out above apply notwithstanding:

(b) inclusion of an entry in the Show Catalogue;
(c) the issue of an exhibit ticket; or
(d) the issue of any other document.

9. VETERINARY SERVICE

9.1 Treatment upon Illness or Injury

If an Exhibit, being an animal, is ill or injured, a Veterinary Surgeon may in his or her discretion attend to or treat the Exhibit in the absence of authority from the Exhibitor, or contrary to that authority.

9.2 Destruction or Removal

Where, in the opinion of a Veterinary Surgeon, an Exhibit, being an animal, should be destroyed or removed from the Showgrounds, the Veterinary Surgeon or the Society may destroy or remove the Exhibit from the Showgrounds, or both. Alternately, the Society may require the Exhibitor to immediately destroy or remove the Exhibit from the Showgrounds or both. Any costs incurred by the Society pursuant to this Regulation must be reimbursed by the Exhibitor. Nothing in this Regulation limits Regulation 8.2.

9.3 Veterinary Surgeons

Where an Exhibitor wishes to employ a private Veterinary Surgeon not appointed by the Society, he must first inform

the superintendent of the stock concerned. The opinion of this private veterinary surgeon will not be considered in any decisions made by:

1. the Veterinary Surgeon appointed by the Society; or
2. by the Society itself; or
3. the judge of the Event in which the Exhibit is entered,

unless such a supplementary opinion is officially requested by the Veterinary Surgeon, Society or Judge.

9.4 **Decision of Veterinary Surgeon**

The decision of a Veterinary Surgeon appointed by the Society, a decision of the Society itself, and a decision of the Judge of an Event are final;

1. in the inspection or competition process of an Exhibit; and
2. regarding the age of an Exhibit,

regardless of whether or not the opinion of a private veterinary surgeon has been obtained and considered.

10. LIABILITY AND INDEMNITY

10.1 **Release**

Entry to and remaining on the Showgrounds is entirely at the risk of the Exhibitor and to the maximum extent permitted by law, the Exhibitor releases the Society (which term includes in this clause the Society's officers, employees, members and agents), from all claims and demands of every kind resulting from any accident, damage or injury occurring at the Showgrounds, and without limitation, the Exhibitor acknowledges:

(a) the Society has no responsibility or liability for any loss, damage or injury to or caused by any Exhibit;
(b) the Society has no responsibility or liability for any loss, damage or injury to or caused by any Exhibitor, his or her family, invitees and Agents;
(c) the Society has no responsibility or liability for any loss, damage or injury to a Motor Vehicle or any of its contents whilst it is located on the Showgrounds; and
(d) without limiting sub-regulations (a) and (b) above, the Society has no responsibility or liability for any loss, damage or injury resulting from the sale, treatment, failure to treat, destruction, disposal or other dealing with any Exhibit, or for loss, damage or injury to any personal belongings, equipment or property brought onto the Showgrounds.

10.2 **Indemnity**

To the maximum extent permitted by law, the Exhibitor must indemnify and keep indemnified the Society and its officers, employees, members and agents from and against all actions, claims, demands, losses, damages, costs, expenses and liabilities including without limitation, consequential loss and loss of profits for which the Society is or may be or become liable in respect of or arising from:

(a) loss, damage or injury to any person in connection with the Exhibit or the relevant Event;
(b) without limiting sub-regulation (a), loss, damage or injury to any other Exhibit or Exhibitor, his or her family, invitees, Agents, or to the property of the Society, or its members, or to the general public, caused or contributed to or by any act or omission of an Exhibit of the Exhibitor or by the Exhibitor, his or her family, invitees or Agents; and
(c) without limiting sub-regulation (a), loss, damage or injury to the Exhibit, or the Exhibitor, his or her family, invitees, or Agents caused or contributed by an act or omission of an Exhibit of the Exhibitor or by the transportation, feeding or housing of an Exhibit of the Exhibitor.

10.3 **Removal from Showgrounds**

Without prejudice to any other provision in these Regulations, where the Society, its officers, employees members or agents removes an Exhibit, or causes an Exhibit to be removed from the Showgrounds, the Exhibit is removed or caused to be removed entirely at the risk of the Exhibitor. The person or persons removing the Exhibit will be deemed to be the agent of the Exhibitor, and his or her acts and omissions will be deemed to be the acts and omissions of the Exhibitor.

11. INSURANCE

The Society will arrange compulsory Owner's Liability insurance cover for all Exhibitors of Exhibits being animals. The Exhibitor is bound by the terms and conditions of this insurance and by Statutory Duties under the Insurance Contracts Act. Details of the Compulsory Owner's Liability insurance are set out in the Relevant Schedule.

12. ACCOMMODATION

12.1 **No obligation to provide Exhibit space or accommodation**

The Society is not obliged to provide space for an Exhibit or accommodation for an Exhibitor, his or her family, invitees or Agents. For the purposes of these Regulations, "accommodation" includes provision of a space for a person to sleep.

Where the Society, in its discretion, allocates space for an Exhibit or accommodation for an Exhibitor, his or her family, invitees or Agents, only the allocated areas may be used, and only for the purpose designated by the Society.

12.2 **Personal effects**

The Society has no responsibility or liability for any loss or damage caused to personal belongings, equipment or property which is brought onto the Showgrounds by an Exhibitor, his or her family, invitees or Agents.

13. FIRE REGULATIONS

13.1 **Flames**

Smoking, cooking, or heating water by any means whatsoever and the use of any device involving naked flames is strictly prohibited in or near any animal pavilion, stall, pen or locker.

13.2 **Electrical Interference**

It is strictly prohibited to:

(a) subject to 13.3, use mains powered electrical devices in or near any animal pavilion, stall, pen or locker; and
(b) alter or interfere with any electrical wiring, switch, plug or socket whatsoever on the Showgrounds.

13.3 **Exceptions**

Nothing in Regulation 13.2(a) shall prohibits the use of main powered electrical appliances which are, in the opinion of the Society, essential to animal care, or the use of a light-bulb in a locker if the light-bulb is fitted in the socket provided.

14. VEHICLE PARKING

14.1 **Loading and Unloading**

With the Society's permission, Motor Vehicles may enter the Showgrounds for the purpose of loading or unloading only. Motor Vehicles must not remain on the Showgrounds, and must be removed immediately upon completion of loading or unloading.

14.2 **Caravans**

Unless the Society gives prior written approval, caravans will not be permitted to enter or remain on the Showgrounds.

14.3 **Tow Away**

Any Motor Vehicle located on the Showgrounds in contravention of the rules and regulations referred to in Regulation 2.3 or of any other parking rules and restrictions, may be removed from the Showgrounds by the Society and stored. Stud names are permitted but must be confined to the bounds of the pen and to a height of 1500 mm. **Display/Promotional Alpacas will not be permitted.** Display of Show ribbons from another venue is prohibited. Decoration of pens is encouraged.

INSPECTION OF EXHIBITS

All Alpacas must be registered with the Australian Alpaca Association Inc. and carry an approved brass tag showing the Alpaca's IAR number. A copy of the pedigree certificate of each Alpaca entered, (both sides) (excepting unregistered wethers) must accompany the Entry Form. Wethers may be registered or unregistered Alpacas. No wether may have any visible genetic faults.

An animal, whether male or female, shall not be eligible for exhibition if it is not entire. All genitalia shall be complete, properly formed and proportioned for normal reproduction (wethers excepted). The Australian Alpaca Association Inc. shall appoint a person or persons as an Inspector or Inspectors who shall inspect all Alpacas for genetic faults, colour class and IAR number.

The Inspector or Chief Steward will classify all entries for colour, and has the power to transfer an exhibit to the class which, in their opinion, should have been entered. The Chief Steward will combine or split classes as he / she sees fit.

The inspection of all Alpacas will take place from 10.00 am on Friday, 27th September.

Alpacas not in their allotted pens and available for inspection at the official times may be disqualified by the Chief Steward. Exhibitors must be in attendance at time of inspection.

Exhibits of Huacayas must carry a minimum fleece length of 50 mm and a recommended maximum length not exceeding 130 mm. The minimum fleece length for Suris is 75mm and fleece length will be assessed by the Judge.

Any animal found to have lice infestation must be removed from the Show Grounds immediately along with any other Alpacas present that belong to the same Exhibitor.

NOTE: If there is no IAR tag present in the ear of an exhibit, official Australian Alpaca Association Inc. confirmation, in writing, must be provided by the owner or his / her authorised agent to the Chief Steward during inspection that the ear tag has been recently lost and that a new tag has been ordered and paid for.

The only person or stud eligible to exhibit an animal is the owner listed in the AAA Register or the agent of the registered owner.

PROTESTS

Only an Exhibitor may lodge a protest against another Exhibitor or a Show official. The protest shall be lodged in writing together with a deposit of $50, which shall be refunded if the protest is upheld.

The sole grounds for a protest shall be a breach of the Show Rules.

Protests shall be lodged with the Chief Steward or Show Convenor within one hour of the alleged incident occurring.

The Chief Steward or Show Convenor shall set up a Protest Committee prior to the commencement of the Show. The Committee shall comprise the Chief Steward as the Chair and two ordinary members not associated with the alleged incident. A meeting will be convened within 30 minutes of the protest being received.

The Protest Committee shall immediately investigate the protest and if found to be valid initiate appropriate action.

EXERCISING OF ANIMALS

Alpacas are to remain in their pens during the day and exercising is only allowed at specified times (out of public hours, before 8.00 am and after 10.00 pm.)

JUDGING

Judging of Huacayas will commence at 12.00 noon on Saturday, 28th September and Championship and Sire Progeny at approximately 7.00 pm.

Judging of Suris will commence at 11.00 am on Sunday, 29th September.

The Judge's decision shall be final and has the power of withholding prizes from any Exhibitor not deemed worthy of that prize.

All Exhibitors shall, on the day of the Show, obtain their pen position and class numbers from the Shed Steward. Exhibitor class numbers of the exhibit must be worn

and clearly displayed by the handler whilst in the Show Ring and must show age of animal in months.
All handlers showing animals must be competent in the handling of their exhibit, or removal from the Ring may be requested by the Judge. It is recommended that small children not exhibit large animals that they cannot control.
All Exhibitors must place their animals in the pens allotted by the Show Stewards and must not be moved or removed except by order of the Chief Steward.

COMPANION ANIMALS

No companion animals are permitted, Crias accepted.

DRESS CODE

Black slacks/trousers or ladies may prefer a black skirt. White shirt / blouse with black tie and black shoes. White coats to be worn in the Grand Parade only.

The Chief Steward may disqualify an Exhibitor for incorrect attire.

FLEECES

Fleeces are to be lodged with the Fleece Steward at the Show Grounds by 9.00 am on Friday, 27th September. Judging will commence at 12.00 noon on Friday, 27th September. Only one fleece that has been shorn in the 18 months prior to the Show may be shown from any one animal. It is recommended that fleeces be placed in bags, made of satin or similar material, or heavy duty plastic. Plastic garbage bags should be avoided.
All fleeces being shown must be the bona fide property of the Exhibitor.
Exhibitors, when submitting fleeces at the Show, must attach to the fleece, the number supplied for that class (no names).

MOST VALUABLE FLEECE (HUACAYA)

Any fleece may be entered in this class. Any fleece may also be entered in its standard age group/colour class AND the Most Valuable Fleece Class, provided that it is clearly marked with two separate entries on the entry form, and two separate entry fees are paid. If desired, a fleece may only be submitted for entry to the Most Valuable Fleece Class, or alternatively, it may only be submitted for entry to its usual age group/colour class.
The class will be judged on a commercial basis for overall dollar value of each fleece, based on current prices that can be obtained on local/international markets.
The valuation is calculated taking into consideration - fineness, length, overall excellence (style), faults, yield (impurities) and fleece weight.
No fleece weight annualisation will take place in this class as the fleece is judged solely on how it presents for commercial processing.

CORRECT ANIMAL COLOUR CLASSIFICATION

An Alpaca is to be shown in the appropriate colour class, when it is **predominantly that colour.** Any colour variations will be assessed at the Judge's discretion.
A fancy Alpaca is to be shown in the fancy class if it has an unusual or striking distribution of colour e.g. different colour saddle markings.
A predominantly grey Alpaca (grey, rose grey/roan) is to be shown in a grey class, whether or not it has any other coloured spots present, and any colour variations will be assessed at the Judge's discretion.

AGE OF ALPACA

Alpacas must be entered into the correct class at their age on the actual day of judging, e.g. Huacayas Saturday 28th September, 2002.

SIRES PROGENY CLASSES

Regulations Relative to WOODCHOPPING CONTESTS

(The Woodchopping Contests are registered with the Central Victorian Axemen's Association Inc. and held under the guidance of Australian Axemen's Association Inc. Rules).

CONDITIONS

101. The rules appearing in this Schedule form part of the Regulations and conditions of entry to an Event at the Show. In the event of any inconsistency between the Regulations and these rules, the Regulations shall prevail to the extent of the inconsistency unless the Regulations provide otherwise.

102. Scratchings must be notified to the Woodchop Handicapper by 5 p.m. on the day prior to the event. Competitors not notifying scratchings will be fined $50.

103. The logs and billets will be any variety of timber and any length approved by the Stewards in their absolute discretion. The diameter of all logs will be as uniform as possible.

104. ALL COMPETITORS, must state on the entry form their last win and handicap and a list of their last five performances anywhere, irrespective of Association or State, together with the name of the backmarker. An entry will definitely not be accepted unless the last win and the last five performances for each class of event entered, are stated on the back of the entry form. This applies to ALL Australian and New Zealand competitors.

105. The contest will be chopped in heats and a final, according to the number of entries.

106. All logs and billets will be numbered, and will be drawn for by the Stewards.

107. The first and second competitors in each heat unless otherwise stated, shall compete in the semi-final or final. At the absolute discretion of the Stewards, when there are two semi-finals, they may take one, two or three placegetters to start in the final.

108. No competitor will be allowed to make any axe marks on his log or to the foot holes or dog holes before his handicap starting time as allotted by the Handicapper.

109. No persons, other than competitors and officials, will be allowed in the arena during the contest.

110. Axes must entirely sever logs in two parts; competitors who sever logs with the aid of pushing or pulling will be automatically disqualified.

111. Competitors must be at their places prior to the advertised time of starting. Events will be commenced at their advertised starting time notwithstanding the absence of any competitor.

112. Each competitor shall wear long white trousers, white boots or shoes and a singlet or shirt which must be of a colour considered by the Steward-In-Chief to be appropriate to the State in which he resides or appropriate to the particular event in which the competitor is competing.

A competitor's wearing apparel must at all times be kept in a clean and tidy condition throughout the period of the Show. Competitors in finals should not leave the arena between end of final and presentation of awards and they must remain in the same uniform.

No advertising matter of any kind shall be displayed or be visible on the wearing apparel of any competitor, without prior approval of the Steward-In-Chief, except that the insignia or Coat-Of-Arms for Countries, States or Association Show Societies, Clubs or other bodies may be worn on the singlet or shirt front subject to the prior approval of the Steward-In-Chief.

113. In any Association or Club teams race, the Association or Club uniform coloured singlets are to be worn.

114. Any axeman who holds the right to compete in novice events, forfeits the right to compete in a novice of the particular event when he/she has won a single handed open handicap event anywhere in Australia. This rule applies Australia wide and is irrespective of prize money. A competitor who claims to be a novice may be required by the Steward-in-Chief to make a statutory declaration to this effect.

115. The Society may appoint a Disputes Committee for the Wood Chopping Contests and any decision of this Committee shall be final in all respects whatsoever save only for any decisions or directions of the Society. No decisions, directions or determinations made by the Disputes Committee, or the Society for the purposes of the Wood Chopping Contests shall be called into question in any manner or in any proceedings whatsoever.

116. Competitors must use clamps as supplied by the Society in all Standing Block Events.

117. A Competitor who wins an event after the posting of marks may be re-handicapped for any subsequent event or events. The Society reserves the right to re-handicap a competitor before an event has commenced.

118. Every care must be exercised to keep axes and saws covered. Axes and saws MUST NOT be carried among the general public unless so covered. Competitors should note the terms of rules 10.1 and 10.2 of the General Regulations. **All axes shall have a pin (minimum size 3mm) placed through the axe as near as possible to the centre of the handle area.**

119. Logs situated in a reserved area adjacent to the Dressing Room will be provided to enable competitors to test their axes. Competitors shall not be permitted to test their axes in the main arena.

120. In the Underhand events all axemen must finish on their logs.

121. In a Tree Felling event any axeman chopping in a previously cut board hole will be automatically disqualified.

122. Under no circumstances are axemen permitted to enter the Log Enclosure without the permission of the Log Steward.

123. In all sawing contests saw cuts shall be started as close as possible to the front end of the log and shall not be more than 100mm in from the edge of the top side. Oil may be used on the saw immediately prior to the commencement of the contest. In sawing contests the saw must saw through the log from one side only.

124. In sawing contests the wedger shall stand behind the log and if any wedger in any way touches or guides a saw or touches or guides that portion of the log which is being cut off, the competitor or team concerned shall be automatically disqualified. The wedger's wearing apparel must conform with regulation 112.

Definition: "Behind the log" in this regulation shall be interpreted to mean the opposite end of the log to the saw cut.

125. In the 400mm diameter butchers blocks one member of each team shall open a scarf and cut the log approximately half way through, the first cutting member of the team on ceasing to cut shall retire to his neutral area and visually indicate to his partner, in a manner prescribed by Stewards, that the other team member is to complete the cut by opening a scarf on the opposite side of the log. The wedger's wearing apparel must conform with regulation 112.

126. Save only as provided in regulation 115, any decision of a Steward with respect to any matter related to the Woodchopping Contests shall be final and any regulations, conditions, rules or guidelines, which may be expressed to apply to the Woodchopping Contests shall in no way be construed as limiting the discretion of the Stewards to conduct the Contests in such manner as they think fit.

127. Inscribed Sashes and Ribbons, presented by the Society will be awarded to the first, second and third prize winners of events Nos. 1 to 43 inclusive.

128. Woodchopping contest times and dates will be announced in the Catalogue.

NOTES ON WINE JUDGING

Exhibits are judged on a point score with a maximum of 20 points.

On the judging sheet`s this is divided into:

1. 3 points for colour and condition, often wines with poor colour are rejected for defects on both nose and palate.
2. 7 points for nose.
3. 10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

18.5 – 20 = Gold Medal

17.0 – 18.4 = Silver Medal

15.5 – 16.9 = Bronze Medal

All exhibits are judged "on the blind". Judges do not handle the bottles.

In Melbourne, the judges are arranged into six panels, each consisting of three judges. The Chairman of Judges divides the classes to be judged between the panels, he also gives guidance, clarification and in the case of any disputes he will adjudicate.

Each class is set up and poured by associate judges and stewards. The judges assess the wines, allocate points and then medals are awarded. The points listed in the results section represent the total of the three judges' assessments.

Judges are generally selected from those who work in or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society of Victoria Limited and are given experience as associate judges. New judges are selected from the best performers. No exhibitors can be Senior Judges.

The following definitions of the various wine types are offered for the guidance of exhibitors.

Varietal wines should comprise at least 80% of the specified variety for 1993 and earlier vintages and 85% of the specified variety for later vintages.

Our Ref:

Congratulations

The wine industry is a great source of pride for all Victorians. We have individuality and diversity, we have quality and we have so many winemakers committed to excellence throughout the State. In fact, every region of Victoria has wineries, which not only contribute to the overall economy, but also provide a wonderful drawcard for tourists.

With 350 wineries spread across Victoria's 23 wine regions there are exciting opportunities for everyone, from boutique wineries and small producers to large scale operations marketing wine to the national and, increasingly, to the international market.

Our reputation as one of the world's great wine centres is highlighted by the fact that Melbourne is the only Australian city to be a member of the international *Great Wine Capitals Global Network* along with Bordeaux, Florence, San Francisco, Cape Town, Porto, Santiago and Bilbao.

My Government is working with the wine industry to promote its continuing sustainable growth and development, through education and training, research, winery tourism promotion, international marketing, and of course, Victorian Wine Week.

I am proud to be part of the Royal Melbourne Wine Show, Australia's biggest, with the Premier of Victoria's Gold Trophy, an award to the Exhibitor of the Best Victorian Wine. It recognises excellence in the Victorian wine industry, an industry with a history of achievement and an unlimited future.

I congratulate De Bortoli Wines Pty Ltd a company committed to excellence in wine production, on winning the 2002 Premier of Victoria's Gold Trophy. Like Victoria's wine industry it represents another success story for our State.

Steve Bracks.

2001 VINTAGE AND OLDER

Class 29 - DRY WHITE

From highly aromatic, floral varieties (such as Traminer, Frontignan, Riesling, Traminer Riesling) and blends of these varieties. The variety(ies) to be specified on the entry form.

Gold and silver recipients exhibit freshness with bottle development, many of the remainder lacked fruit and were flat, moving toward oxidation.

1999 & 1998 VINTAGES

Class 42 - DRY RED, Cabernet Sauvignon

A good class and fairly even. A pleasing lack of obvious winemaking faults, although a few wines were too stalky or under ripe. Occassional over oaking.

MORRIS

THE BENCHMARK FOR

FORTIFIED WINES

MORRIS

Powerful.

Kubota's BX1800 sub compact tractor is the most unbelievable lawn and garden product ever released in Australia. With an 18 hp 3 cylinder diesel engine and 4WD, it has the power to get any job done.

Durable.

An extra thick, full length steel frame and cast iron front axle gives the BX1800 plenty of strength for years of reliable service.

Adaptable.

Because the BX1800 is both a ride-on mower (54" cut) and a sub compact tractor, it is suited to a variety of applications. The 3pt hitch/PTO suits attachments such as rotary hoes, sprayers and posthole diggers. A front end loader with over 200kg capacity is also available.

Comfortable.

Driving the BX1800 is a breeze. The power steering and hydrostatic transmission enhance manoeuvrability while the quiet engine and roomy operators area add an extra degree of comfort. There is even a seatbelt and roll over frame for safety.

Unbelievable.

See the BX1800 sub compact tractor at your local Kubota dealer today and you will become a believer.
