The upper door of the horse box outside pavilions shall remain open at all times during which the Show is open to the public. A stabling fee of $16 per night (incl. GST) will apply for each exhibit entered and the exhibitor will be billed according to allocations. A bedding fee of $36.30 (incl. GST) per stable will apply. A stable bond of $25 per stable will apply, to be refunded **ONLY** after box is checked as being cleaned out by superintendent prior to departure. These monies will be forwarded after the completion of the Show. Please ensure you bring suitable equipment for mucking out and transport of waste to bins.
Local horses may not be provided with stables in the initial allocation, however, every endeavour will be made to accommodate these exhibits should withdrawals permit.
Accommodation shall not be provided for exhibits entered in miscellaneous classes only.
Alternative stabling is available at the Werribee Park Equestrian Centre, phone (03) 9741 7672.
Exhibits arriving other than at the stated times, may have their stall or box re-allocated without notice.
104. An Exhibitor and/or person in charge of an exhibit shall only stable a horse in a stable as directed by the Society.
Any Exhibitor and/or person in charge of an exhibit who fails to observe any such direction shall be guilty of a breach of the Society's Regulations and may be dealt with accordingly.
The Society shall also be entitled to move or direct the removal from the Showgrounds of any exhibit which is stabled contrary to the direction of the Society.
105. No Exhibitor, or person in charge of an exhibit, or other person, shall enter the stable of another exhibitor without the authority of such Exhibitor or the person in charge of an exhibit.

Vehicles used for the transportation of such exhibits may be parked in this area for the day and the exhibits led into the grounds. Entry tickets may be purchased at the gate for exhibitors entitled to use this area.
Exhibitors attending the Show on a day basis are requested to parade where possible and should marshal in the Western Area as directed by the Horse Superintendent.
***Exhibitors in Sections where accommodation is available (except Clydesdales) may, on application, be permitted to bring in their exhibits on a daily basis. The Society may in its sole discretion accept or reject such application without assigning any reason for its decision and without giving the exhibitor concerned or any other person the right to be heard on this question.**

SHOW HUNTERS

Judge: Ms Elizabeth Haworth

Show Hunters have more substance than the modern fine Hack/Pony but still maintain quality. They are expected to move freely at all paces. They may at any time be expected to gallop for the judge. They are not expected to jump.
The turnout for Show Hunters is more subdued than that of usual saddle classes. There should be no coloured brow bands on Show Hunters, or multi-coloured hair ribbons and flowers on child riders. Junior riders should not wear top boots.
No class will be held up for any rider or any horse competing in any other section.
Show Hunters are eligible to compete in all SPECIAL classes in the Saddle Section.
Show Hunters are **ineligible** to compete in Open Saddle Hack/Galloway/Pony classes.
SHOW HUNTER PONY CLASSES PROUDLY SUPPORTED BY THE AUSTRALIAN PONY STUD BOOK SOCIETY VICTORIAN BRANCH.

QUALIFYING COMPETITIONS

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch Inc.) and each Country Show Society affiliated with the Victorian Agricultural Societies Association is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 YEARS AND UNDER 15 YEARS OF AGE on the day of its show.

2. Each Society conducting qualifying competitions is required to notify the R.A.S.V. of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given to the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions", and the R.A.S.V. to provide suitable certificates for presentation to the winners.

4. The holder of an R.A.S.V. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. (a) The competitors shall be judged solely on their riding ability - mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

(b) Competitors must ride using an ordinary snaffle, single jointed in the centre, the mouthpiece must be smooth and of the one metal, with or without a caveson noseband. A gear check may take place. Please note: straight bar snaffle and drop nosebands are not allowed.

CHAMPIONSHIP COMPETITION

6. Only holders of 2003 qualifying certificates will be eligible to compete for the Challenge Trophies at The 2003 Royal Melbourne Show. No entry fee will be charged.

7. (a) The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his or her award, shall require his or her six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back.

(b) Equipment used must be as for the Qualifying Competition as specified in 5 (b) above.

8. The names of the winners will be engraved on the Challenge Trophies.

9. Suitably inscribed Championship Sashes will be presented to each successive winner of the challenge Trophies.

10. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

11. The R.A.S.V. may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

12. All entries must be lodged with the Society by 5.30 p.m. on Thursday, September 4, 2003.

AGE OF EXHIBITS

118. The breeding year commences on the 1st August in each year.

HEIGHT OF EXHIBITS

119. Where height is stipulated the exhibit must be measured unless otherwise stated by the Society. All exhibits shall be measured at the highest point of the wither. An exhibit over or under the specified measurement shall be transferred to its appropriate class. The measurer may at his discretion request the removal of shoes from any exhibit and re-measure the horse without shoes. No allowance will be made for grass tips.

121. Should the Society have appointed more than one measurer then an exhibit having been measured and its height recorded by one of such measurers shall not be submitted for measurement or re-measurement to one of the other measurers.
122. Except as provided in the next rule the decision of the measurer shall be final.
123. The judge of a class may request any exhibit to be re-measured in which case the exhibit shall be re-measured in the presence of the Steward in charge of the class and the height then decided upon by the Steward shall be final.

TESTS AND SWABBING

126. The Society may make or cause to be made any test of any exhibit to determine whether any drug or stimulant has been administered to the exhibit and may take possession of any such exhibit for any of the aforesaid purposes and detain such exhibit for such period as is deemed necessary.
Drug means any substance capable of affecting the performance or behaviour of an exhibit by its action upon the central or peripheral nervous system, the cardiovascular system, the respiratory system, the elementary digestive system, the musculo-skeletal system, or the urogenital system and shall include analgesics, anti-histamines, anti-inflammatory agents, blood coagulants, diuretics, hormones and their synthetic counterparts, cortico-steroids, anabolic steroids, local anaesthetics, muscle relaxants and tranquillisers and vitamins administered by injection.

When any exhibit which is on the Showgrounds for the purpose of taking part in a class or event at the Show is found to have had administered to it a drug as defined above, the owner and any other person who was in charge of the exhibit and the exhibit may be dealt with in accordance with the applicable regulations. Any person who at any time administers or causes to be administered for the purpose of affecting the performance of an exhibit in any event or class at the Show any drug as defined above or has in his possession any electric or galvanic apparatus or improper contrivance may be dealt with in accordance with the applicable regulations. Procedures for the testing of Prohibited Substances will involve both "random" and "spot" tests on exhibits. At the discretion of the Society there will be blood testing of exhibits prior to competing and/or blood and urine testing at the end of the competition.
Competitors should be aware that particular attention will be paid to the detection of the sedative and tranquilliser drugs but analysis for all classes of prohibited substances will be included. The collection will always include urine collection for post competition testing and may also include taking blood from the jugular vein. For the latter procedure if urine cannot be collected within 15 minutes an additional 60ml blood sample may be taken in its place.
The Society may also select any exhibit for examination for desensitised limbs. Any exhibit found to have a limb or part of a limb desensitised by any means will be considered to have competed under the influence of a drug and penalised accordingly.
