Give your product a competitive advantage.

The Australian Grand Dairy Awards symbol is awarded for quality, excellence and innovation. It's a symbol that's awarded to a product only after a panel of technical experts and food professionals have judged it to be the best in its class.

It's a symbol that will give you marketing advantage by adding distinction and recognition to your product. It's a symbol you have to earn by being the best of the best.

Could your product be eligible? If your product has already won gold at state competitions, such as the Royal Melbourne Fine Food Awards, it may be eligible for entry to the Australian Grand Dairy Awards.
