## The Royal Agricultural Society of Victoria

---

Notice is hereby given that the Annual General Meeting of members of the Royal Agricultural Society of Victoria will be held in the Council Room, Administrative Building, Plummer Avenue, Royal Showgrounds, Epsom Road, Ascot Vale, on Tuesday, the 9th March, 1971, at 12.30 p.m.

### BUSINESS

1. Minutes of previous Annual Meeting.
2. To receive the Annual Report and Balance Sheet.
3. To elect members to fill the vacancies on the Council.
4. To appoint two Auditors.

Dated the 9th day of February, 1971.

H. T. C. WOODFULL. O.B.E.  
Director.

For list of nominations see back.

## LIST OF NOMINATIONS

---

### MEMBERS OF COUNCIL

(Eleven to be elected)

---

- CUNNINGHAM, L. S. K., 5 Hollingsworth Avenue,  
Hawthorn, 3122.
- GREAVES, W. McL., "Warrook", Monomeith, 3983.
- HUNTER, Robert, "Northwood Park", Seymour, 3660.
- JOHNSON, C. C., M.B.E., "The Camp", Whorouly  
South, 3735.
- KELLY, J. W., Caramut North, Caramut, 3274.
- McARTHUR, Col. M. H., O.B.E., Melrose Farm,  
Wollert, 3750.
- MOORE, C. Owen, "Chechingurk", Mornington, 3931.
- NICHOLAS, L. G. C., "Cooring Yering", Lilydale,  
3140.
- STEELE, P. J. R., Flat 7, 38A Kensington Road, South  
Yarra, 3141.
- WARD, J. W. D., "Old Mitford", Musk Creek Road,  
Flinders, 3929.
- WILCOX, The Hon. V. F., M.P., 76 Broadway,  
Camberwell, 3124.

NOTE:—The nominations not being in excess of the vacancies, there  
will be no poll.

# ROYAL AGRICULTURAL SOCIETY OF VICTORIA

## PRESIDENT'S REPORT TO MEMBERS

Ladies and Gentlemen,

On the Council's behalf, it is my pleasure to present to you the report of the Society's activities for the year ending December 31, 1970.

Your Society has made substantial progress over the past 12 months in improvements to the Showgrounds, and work for breed societies and allied organisations.

Improvements, alterations and additions to the grounds have cost the Society in the region of \$250,000, and this figure has been matched in new buildings and alterations by commercial and other organisations.

Electrical supply and distribution has been improved and surfacing of roads and footpaths continued; an addition made to the equipment deck which adjoins the Mitchell Stand, and a new ceiling in the Dairy Pavilion, besides general improvements in most pavilions.

New buildings were erected by the Australia New Zealand Banking Group; the South African Trade Commission and the Victorian Agricultural Societies Association. Extensive alterations were made to the Royal Luncheon Rooms block and McClures catering complex.

### THE 1970 ROYAL SHOW

For overall interest and strength, the 1970 Royal Show which was held from September 16 to 27, must rank as the Society's best.

In spite of cold conditions on a number of days, threatened rail strikes and the finals of the Victorian Football League, the Royal Show was still able to create a new attendance record of 810,233, which exceeds the 1969 record by 30,094.

This is the fourth successive year in which attendance records have been broken, and the third successive year to pass the 750,000 mark, making the Royal Show unquestionably the greatest "outdoor" attraction in Victoria.

His Excellency, the Right Honourable, Sir Paul Hasluck, G.C.M.G., G.C.V.O., K.St.J., Governor-General of Australia, and Patron-in-Chief of the Society, officially opened the Royal Show on Friday, September 18.

Other members of the Official Party were:—Lady Hasluck; Sir Henry Bolte, Premier of Victoria, and Lady Bolte; The Hon. J. D. Anthony, Minister for Primary Industry; The Rt. Hon. the Lord Mayor, Councillor E. W. Best, and the Lady Mayoress; Major-General C. E. Long, C.B.E., G.O.C. Southern Command, and Mrs. Long, and the Chief Commissioner of Police, Mr. Noel Wilby.

A most entertaining programme was provided in the arena, and special features included Kiteman, Bill Moyes; the Autoaction Precision Car Driving team, and interstate teams of polo-crosse players and tent-peppers.

A new and popular innovation was the chairlift which functioned throughout the Show and transported patrons from the Farm Machinery area in McCracken Avenue to Centenary Hall.

Change was made in the format for judging the Country Show Girl Competition this year. V.A.S.A. Groups held eliminations and 11 finalists travelled to Melbourne and were guests of the Management of the Southern Cross Hotel over the final judging period from Tuesday, September 15 to Friday, September 18, with the winner Miss Julie Alexander, staying for the whole period of the Show.

The Society is indebted to the Sun-News Pictorial, and the Management of the Southern Cross Hotel for their support, and also to Mrs. W. McL. Greaves who acted as chaperone to the girls.

A further feature of note was the Australian Meat Board meeting with industry. In this instance the Chairman, Col. M. H. McArthur, was able to bring together members of his Board, producers, butchers and beef cattle breeders. Closed-circuit television was used to cover this discussion.

Generous co-operation was again given to the Society from Government, semi-Government, agricultural, commercial and industrial sources, and this continuing support is much appreciated.

The displays and exhibits organised and conducted by these bodies have become a most important part of our Show.

This year the Society reintroduced a farm produce display which had as its theme the bi-centenary of Captain Cook's discovery of Australia. The display met with the full approval of the show-going public and it is intended to continue with a similar display at the 1971 Royal Show.

## ENTRIES

It is pleasing to report that the total entries for the 1970 Royal Melbourne Show created an all-time record of 27,292, which bettered the previous record of 27,243 created in 1965.

The Governor-General Sir Paul Hasluck Opening the Royal Show.

Produce Display — Cook Bi-Centenary Theme

Photo — ATV0 (Ray Hand)

The horse entry of 5,306 was 356 above last year with the entry in riding competitions the best yet recorded. Unfortunately, lack of accommodation again forced the Council to restrict numbers in this section.

Never before has the Society experienced such interest in the beef cattle entry. On judging day all judging rings were filled to seating capacity and the overall exhibits were the best ever presented at a Royal Melbourne Show.

No less than seven breeds of beef cattle showed all-time record entries; these were:—Herefords, Poll Herefords, Angus, Santa Gertrudis, Galloways, Murray Greys and Brahmans. All other breeds had increased entries on last year with the new breed of Braford's on show for the first time at our Royal Show.

Fat cattle entries passed all previous records. As with the Beef Cattle entry, tremendous interest was also shown in the Fat Cattle classes. The entry was accommodated in the Sheep Pavilion in tubular steel pens which permitted free access and inspection of all exhibits. In the dairy cattle section there was an overall increase of 91 entries on last year, with an all-time record entry in the Friesian Classes. Increased entry numbers were also recorded for Jerseys and Guernseys.

The total sheep entry was 25 more than last year with seven breeds showing an increase, and the new breed of Perendales recording 16 entries in the first showing.

Viticulture, apiculture, farm gadgets, cats and kittens all had increased entries on last year with the last named section having an all-time best entry of 747.

Arts and Crafts with 3,111 entries had the best entry since 1967.

Further increases were shown in the Trade Lamb classes, pig classes, eggs, poultry and pigeon sections.

The Dog Section recorded still another all-time high with 4,242 individual dogs in an overall entry of 4,895.

## JUDGES AND STEWARDS

Seven overseas judges accepted invitations to judge at the 1970 Royal Show.

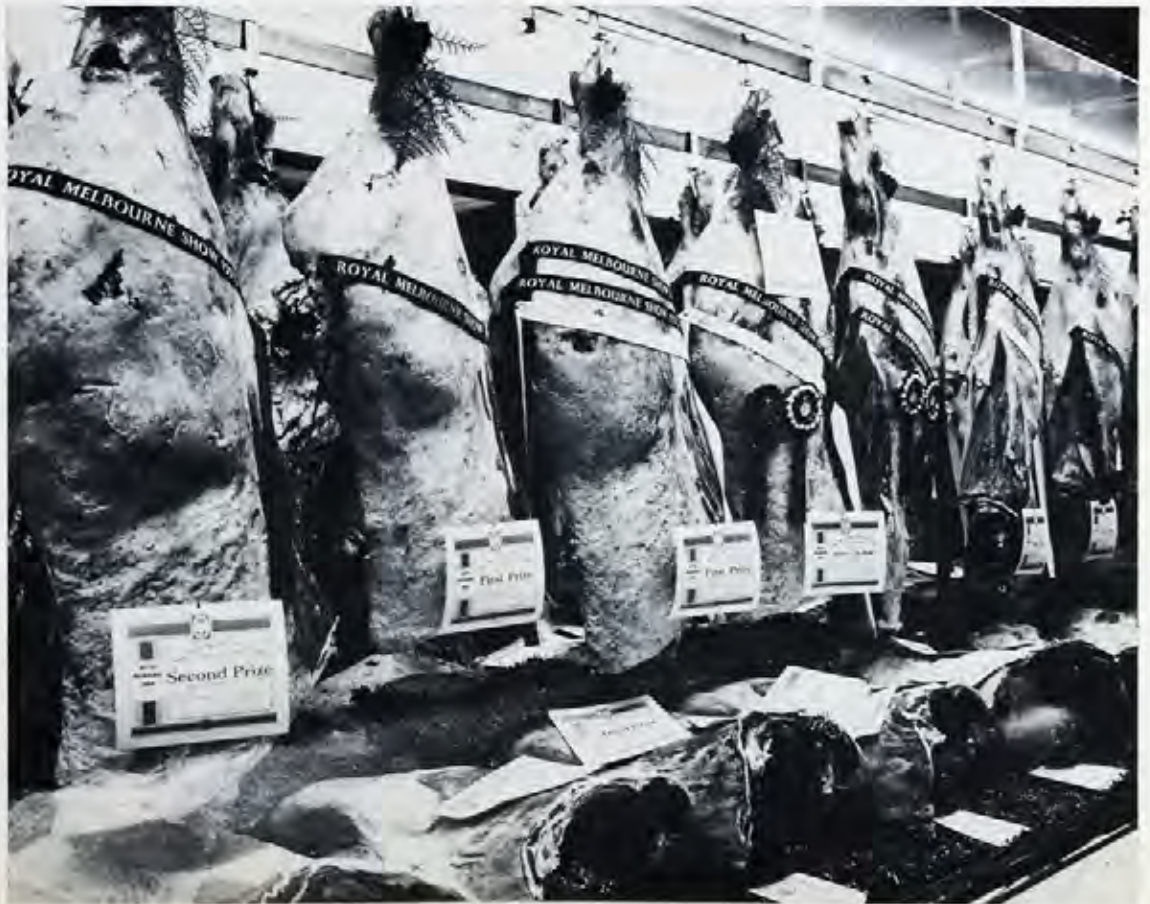

Professor Herman Purdy, of the Pennsylvania State University, Penn., U.S.A., adjudicated no less than four sections, namely, Beef Shorthorns, Angus, Fat Cattle and Poll Dorset Sheep. Besides these, he also obliged the Society by giving a judging exposition and being a member on the panel for the Australian Meat Board's meeting with industry.

One of the Beef Cattle Judging Rings on Judging Day.

Photo — Alan D. Arnold

Part of the huge Carcass Display

Photo — ATVO (Ray Hand)

Mr. R. W. Cowan, of Rewa Rewa, New Zealand, judged the Poll Herefords; Mr. Alan Weir, of Matangi, N.Z., judged the Ayrshire cattle; Mr. T. J. Fourneau, Hastings, N.Z., judged the Jerseys, and Mrs. M. Grady, Auckland, N.Z., judged the classes for Longhair and Siamese Cats. Canadian, Mr. G. Innes, of Ontario, judged the Friesians, whilst Mr. Leslie C. James, of Gayton, Northampton, United Kingdom, judged the record entry of dogs.

All these internationals were most ably supported by many skilled judges from all States of Australia.

I extend my sincere thanks and appreciation on behalf of the Council and Members of this Society to our judges, honorary stewards, stewardesses, and other officials for their outstanding contribution to the success of the Royal Show this year.

## OTHER ROYAL AGRICULTURAL SOCIETY ACTIVITIES

### 1. COMPETITIONS.

#### a. Farm Competitions Association.

The Society administered this Association for the past 12 months, and although difficulties are being experienced in the cereals industry, the annual crop competitions were well supported and of a very high standard.

#### b. Pasture Improvement and Fodder Conservation Competition.

This competition has been declining in entries over the past years, and as the Department of Agriculture has now ceased to supply judges, the Council has resolved to discontinue the project.

The officers of the Department of Agriculture consider that the competition has more than fulfilled its purpose in making farmers conscious of the need for pasture improvement and the conservation of fodder.

#### c. The Victorian Farm Management, Production and Improvement Competition.

This competition goes from strength to strength, and this year had the best ever entry of 69 properties. We again express our thanks to the Commonwealth Banking Corporation for support in sponsoring, and the Victorian Agricultural Societies Association for its co-operation in the conduct of the competition.

#### d. **The District Fleece Competition.**

Like the cereal industry, the wool industry is experiencing difficulties, but this has not detracted from this competition, which along with the Australasian Lambs' Wool Competition, has a large following at our Show.

It is not generally known that the proceeds from the sale of the District Fleeces has been donated to Legacy for many years.

May I take this opportunity on your behalf to again express the Society's thanks to all sponsors, judges, and supporters of these competitions, and in particular, to the officers of the Victorian Department of Agriculture and country agricultural societies for their assistance and co-operation in conducting the competitions.

#### **Breed Societies**

In the past twelve months the Society has added two new organisations to bring the number of breed societies and like organisations to a total of 40 for which secretarial duties are administered.

A welcome is extended to members of the Red Angus Society and the Welsh Pony and Cob Society of Australia.

As foreshadowed in the report last year, the additional costs involved in breed society administration by way of increased salaries and other expenses, have made it necessary for the Society to increase Secretarial fees. In spite of this there still remains a large deficit which has to be met by the R.A.S.V.

#### **Journalists' Tour**

Sponsored by the Shell Group of Companies for the thirteenth successive year, and organised by the R.A.S.V., the four-day Journalists' Tour was conducted through the Mornington Peninsula and the South and West Gippsland areas during the first week in August.

It presented an opportunity for journalists to meet many Royal Show exhibitors and view some of our top animal exhibits in course of preparation for the Show — besides inspecting some outstanding properties.

The organisers of the exhibition of livestock at the Berwick Showgrounds deserve special mention for the manner in which they presented the display of champion stock for the benefit of the Tour members.

R.A.S.V. Vice-President, Mr. P. B. Ronald, was the Tour Leader and with the assistance of Mr. Mac Greaves did much to enhance the Society's image with hosts and Tour members alike.

## CHANGES IN COUNCIL

Over the past year there have been several changes in Council. We have been pleased to welcome Councillor E. W. Best and Mr. C. B. Gardiner to the Council.

Cr. Best fills the vacancy created by the elevation of Mr. G. Howell to Life Councillor and Mr. Gardiner takes the place of Sir Kenneth Luke who has also attained the status of Life Councillor.

We offer congratulations to Mr. W. J. T. Clarke on his election to Trustee of the Society.

It is, however, with deep regret that I record the death of Mr. A. C. Fisker during the past year and to say that the Council has lost one of its most valued and capable members.

The late Mr. Fisker joined the Council in June, 1944, and was elected a Trustee in January, 1959. He served this Council faithfully and well in many fields and was highly respected in many avenues of life. His death will mean a great loss to this Council and to the areas of primary industry in Victoria.

## ACKNOWLEDGEMENTS

The Society would be very restricted in its functions if it were not for the assistance freely given by many organisations and individuals and accordingly on behalf of the members of the Society and the Council, I wish to express our sincere appreciation to the Premier of Victoria, Sir Henry Bolte, along with members of his Cabinet, and particularly the Minister of Agriculture, The Hon. G. L. Chandler, C.M.G., M.L.C., for their co-operation and continued assistance; the Director of Agriculture and officers of his Department; members of the Australian Wool Board, the Australian Meat Board and the Victorian Egg Board, the Chairman and members of the Milk Board and officials and members of the Meat and Allied Trades Federation.

Further, I would also express thanks to the numerous Government and semi-Government Departments and Boards which have been generous with their co-operation and support over the past year.

In connection with vehicle parking facilities during the Show and assistance in organising our free bus service — I wish to record our appreciation to the Victoria Racing Club.

Special thanks is again expressed to the Press, Radio and Television personnel for the excellent reporting of our Show.

We are also most grateful to our many donors, sponsors, standholders, exhibitors, public and private bodies for continued support and want them to know that their help and support is of immense value to our Society.

I express my thanks and gratitude to the members of Council for their continuing service in such an efficient and enthusiastic manner in furthering the interests of the Society, and for the loyal and solid support given to me. Our Vice-Presidents, Messrs. J. M. Gardiner, P. B. Ronald and G. R. Starritt, are deserving of special thanks for their co-operation and assistance over the past year.

I take this opportunity of recording my warmest appreciation to the Director, Mr. H. T. C. Woodfull, and to the staff for their efficient and co-operative attention to the Society's affairs.

### FINANCE

Due mainly to our increased attendances the Society's Revenue rose to an all time high of \$850,364. We still however face large increases in costs and the undertaking of any major structural works must therefore be viewed with caution. It is however the desire of the Council to continue to improve our Showgrounds whenever our finances permit.

G. P. H. Wilson,  
President.
