SPEED & STRENGTH

CRACKING GOOD SHOW

Accuracy and precision are vital when a whip is flying through the air at more than 100km/h. See the incredibly talented whipcrack competitors of all ages compete for a share of \$3000 in prizes in the Australian Whipcrackers and Plaiters Association Victorian Championship on Tuesday, September 27.

You will be amazed by the brilliant sounds and exciting visual demonstrations by some seriously skilled competitors.

WOOD! CHOP!

**MIGHT AND MUSCLE,
FEATS OF STRENGTH
WILL LEAVE THE
AUDIENCE AWESTRUCK!**

Chips will fly as Australia's toughest woodchoppers and axe men and women battle it out for the top title in a display of might and muscle.

Watch as some of the strongest and fittest Show athletes take on the standing block, tree felling, sawing and underhand events.

Tree fellers compete in arguably the most difficult woodchopping event,

testing skills, strength and accuracy. Competitors must race their way up the tree pole and cut the log at the top while standing on a board 1.82m in the air. A truly thrilling spectacle that will have you on the edge of your seat.

There is also the axe-throwing, which sees competitors stand about 6m from a target, aim and throw! If the axe remains in the target and cuts into a

scoring area, points are won. A test of skill, strength and perhaps a little luck.

Woodchopping has been a popular event at the Show for more than 100 years. Head to the Woodchop Pavilion to see what all the fuss is about.

SENSE OF COMMUNITY!

The Royal Melbourne Show is Victoria's largest community event and works to support, enhance and provide for the community through a number of initiatives.

SUPPORTING THE COMMUNITY

The Royal Melbourne Show is conducted by The Royal Agricultural Society of Victoria (RASV), a not-for-profit organisation committed to providing opportunities for local farmers and producers. By attending the Show, you are supporting the many programs and initiatives conducted by RASV to help promote and celebrate our agricultural industry.

The RASV also actively supports charities and community groups through the donation of tickets, commercial space and funds. The organisation also invites schools to attend the Show before it opens.

PROTECTING THE ENVIRONMENT

The RASV is continually developing sustainable initiatives at the Royal Melbourne Show to limit the impact on the environment including:

- ★ Introduction of a three-stream waste system, resulting in 72 per cent of all waste from the Show being recycled in 2014, with that percentage increasing year on year.
- ★ 100 per cent of all animal bedding is recycled from the Royal Melbourne Show, for garden mulch and similar products.
- ★ Visitors can fill up water bottles for free from drinking water taps at two specifically installed trailers.
- ★ Refurbished toilet blocks use grey water for flushing.
- ★ Rainwater tanks capture 300,000 litres of rainwater for

lawns, while garden beds feature native and drought-tolerant plants that require little to no watering.

- ★ Introduction of paperless ticketing (tickets can be scanned on mobile phones).
- ★ Provision and encouraged use of convenient public transport.
- ★ Low-energy indoor and outdoor lighting installed, as well as skylights in buildings to utilise daylight.

SMOKE-FREE EVENT

In a new initiative to help protect the community from exposure to and illness resulting from second-hand smoke, the Royal Melbourne Show is now a smoke-free event.

This will also help support those who have quit or are trying to quit smoking, remove litter from cigarette butts and reduce fire hazards from the site, providing a clean-air environment for Show visitors.

VICTORIA & CHINA

AN HISTORICAL PARTNERSHIP

The state of Victoria and the agricultural industry in particular, has a long and celebrated history of connecting with China through trade, immigration, cultural exchange, education and friendship.

The Chinese community, which has played an important role in building Victoria from its foundations, continues to be a significant contributor to the state's culture, economic growth, tourism and development.

Through cooperation, engagement and friendship, Victoria and China's partnership continues to grow for mutual prosperity.

GUEST NATION

CHINA

EXPERIENCE THE CULTURE, FOOD AND ARTEFACTS OF ONE OF AUSTRALIA'S NEAREST NEIGHBOURS AS THE 2016 ROYAL MELBOURNE SHOW HOSTS CHINA AS THE GUEST NATION.

The China Pavilion features cultural performances, product and service displays, tourism and traditional food, giving the Royal Melbourne Show an international flavour promoting the partnership between Australia and China.

With producers, artists and performers from all over China, the

Pavilion will also include exhibitors from Shanxi Province, which is known for its expansive collection of historical and regional relics.

Enjoy the culinary delights, delight in traditional and folk dancing and buy amazing handmade products and artefacts to enjoy long after the Show!

DAILY • 10AM-7PM

HEILONGJIANG PROVINCE (HARBIN)

The capital of Heilongjiang Province in northeast China, Harbin is also the largest city.

Formerly a small rural settlement, Harbin now covers an area of 53,000sqkm and has a population of 3.4 million.

Known as the "Ice City" due to its long winters and short

summers, the annual Harbin Ice and Snow Festival attracts visitors from home and abroad.

Culturally, Heilongjiang Province is well known for Yangko folk dancing, Chinese classical music and traditional art styles, which include garden art and ice sculptures.

SHANXI PROVINCE

One of the birthplaces of Chinese civilisation, Shanxi Province – famous for its many cultural sites and ancient structures – is often called the "Chinese Ancient Architecture Museum".

Occupying an area of 156,000sq km (about two-thirds the size of Victoria), Shanxi Province is home to 36 million people, at least 12 million more than the population of Australia.

It is known for its historical relics, including pottery, jade, stone and bronze artefacts, and culturally for its drama, shadow play, opera and lion dancing.

The region's cuisine includes soups, noodles and fried flatbread (or *da bing*) – eaten with Shanxi's famous vinegar.

TASTE, TRY & BUY

The China Pavilion will showcase traditional artefacts and products including glassware, textiles, porcelain, lanterns, homewares and art – to see and buy. View the latest in electronics and lighting, with the newest innovations on show.

Visitors can also enjoy lion dancing, a traditional Chinese dance – usually performed by two people – during which performers in a lion's costume mimic the animal's movements.

China is famous for its delicious traditional food, and Showgoers can enjoy the very best the East has to offer, with mouthwatering noodles and dumplings available to buy and taste.
