QUALIFYING COMPETITIONS.

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch) and each Country Agricultural Society in Victoria is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors under 15 years of age on the day of its show.

2. Each Society conducting qualifying competitions is required to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions," and the Royal Agricultural Society of Victoria to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability—mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the same mount (with snaffle bridle) which will be selected by the Society's referee, from horses ridden in this competition.

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies, and they will be entitled to hold them until 31st August in the year following their success.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

13. All entries must be lodged with the Society by 5 p.m. on Wednesday, 18th September. Note: Winners of Good Hands Championship Competitions are ineligible to compete in Consolation Riding Competitions.

DEFINITIONS, GENERAL RULES AND PENALTIES

OBSTACLE KNOCKED DOWN:

1. An obstacle is considered as having been knocked down when through the fault of the horse, or rider:

(a) Any part, or the whole, of it is knocked down, even when the falling part is arrested in its fall by any other portion of the obstacle.

(b) When at least one of its ends is dislodged from its support.

(c) Any framework intended to maintain the solidity of the obstacle, and forming an integral part of its support falls. Touches and displacements, in whatever direction, do not count.

2. (a) When an obstacle, or part of an obstacle, is composed of several elements placed one on top of the other and in the same vertical plane, the dislodging of the top element alone is penalised.

(b) When an obstacle to be taken in one jump is composed of several elements not fixed in the same vertical plane (oxer, brook, triple bar, water jump or

JUMPING

ditch, preceded or followed by another obstacle, etc.), the fall of one or more elements or foot in the water is counted only as one fault, irrespective of the number and position of the elements knocked down.

(c) If an obstacle that has been knocked down does not actually fall until after the horse has left the arena, it will not be penalised.

(d) If any element of an obstacle that has been knocked down prevents the horse from jumping the next obstacle it must be removed. The time required for doing this is deducted from the total time of the round.

(e) All obstacles with water (with the exception of the water jump which is subject to special rules) must be marked by a lath both on the take-off side and on the landing side.

DISOBEDIENCE:

3. The following are considered as disobediences and are penalised as such:

Rectified deviation from the course.

Refusal.

Run-out.

Resistance.

Any form of circle or series of circles, in any part of the course for any reason, except that a horse may circle once or more without penalty to re-take the track after a run-out or a refusal. In a course that is not marked by a continuous line, unless there is any indication to the contrary on the plan or notified by the Jury, any circle (whereby the horse crosses its original track), wherever it may be on the course, is penalised as a disobedience. Approaching an obstacle sideways, or zig-zagging, or turning sharply towards it, do not constitute a disobedience, provided the horse has not passed the obstacle.

DEVIATION FROM THE COURSE:

4. There is a deviation from the course when the horse does not follow the plan for the course as shown on the diagram posted up, as when the rider:

(a) Disregards a flag to indicate the course to be followed.

(b) Does not clear the obstacles in the prescribed order.

(c) Jumps an obstacle outside the course, or misses one on the course.

5. (a) To rectify a deviation from the course the rider must resume the course from the spot where the error was committed.

(b) A deviation from the course rectified before clearing an obstacle is penalised as a disobedience.

(c) A deviation from the course not rectified, or rectified only after taking an obstacle, whether this forms part of the course or not, incurs the penalty of elimination. Officials or others in the arena are never allowed to warn the competitor of his error.

REFUSAL:

(a) A refusal consists of stopping in front of an obstacle to be jumped, whether or not the horse knocks it down or displaces it.

(b) Stopping at an obstacle without knocking it down and without reining back, followed immediately by a standing jump, is not penalised.

(c) If the halt is perceptible, or if the horse steps back even a single pace, voluntarily or not, or retakes the track, a refusal is incurred.

(d) If a horse, having knocked down an obstacle in stopping, jumps this obstacle before it has been re-erected, he is eliminated.

(e) If a horse slides through an obstacle, the officiating judge must decide immediately whether it is to count as a refusal or as an obstacle knocked down. If he decides it is a refusal, the bell is sounded at once and the competitor must retrace his steps and re-jump the obstacle. Should he fail to do so and jumps an obstacle, other than another of the same combination, he is eliminated. Should the Judge decide it was not a refusal, he will not ring the bell and the competitor must continue his round. He is then penalised as for an obstacle knocked down.

(f) The action of showing an obstacle to the horse after a refusal and before resuming the course is penalised by elimination.

RUNNING OUT:

7. It is considered as running-out and the horse must be brought back to jump the obstacle again, failing which he is eliminated, when:

(a) The horse, not being properly under control of his rider, avoids the obstacle he should have jumped.

(b) He jumps the obstacle outside the boundary flags which mark it.

RESISTANCE:

8. It is considered to be a resistance when the horse, wherever he may be, refuses to go forward (stops, runs back, turns round more or less completely, rears, etc.).

All horses are eliminated that:

(a) Resist their riders for a period of sixty consecutive seconds during the round.

(b) Take more than sixty seconds to jump an obstacle, except in the case of a fall.

(c) Have not passed the starting line sixty seconds after being given the signal to start.

FALLS:

9. (a) A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way as to necessitate remounting, or vaulting, into the saddle.

(b) A horse is considered to have fallen when the shoulder and quarters have touched either the ground, or the obstacle and the ground.

10. (a) A fall is penalised wherever it takes place within the course and whatever the cause. After a fall the rider must continue the course from the point where he fell, or from any other point, provided he does not reduce the length of the course.

(b) The penalty to be imposed for a fall is set out in Table "A", "B", or "C".

(c) When the horse or rider falls in knocking down an obstacle the penalties for both occurrences are added together. The same applies to a fall following a disobedience.

UNAUTHORISED ASSISTANCE:

11. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is unauthorised assistance and is forbidden under penalty of elimination.

JUMPING

The judges have full powers to decide whether the rider will be eliminated or not.

Bringing back a runaway horse after a fall or helping the rider to re-adjust the saddlery, or to remount, is not considered as unauthorised assistance. The course must be re-taken at the exact spot where it was interrupted.

Handing his whip to a rider who has dropped it during the round is unauthorised assistance.

DOUBLE, TREBLE AND MULTIPLE OBSTACLES:

12. A double, treble, or multiple obstacle is one composed of two, three or more fences or parts, with a minimum inner distance between each of them of 23 ft. (7 metres) up to a maximum inner distance between them of 39 ft. 5 ins. (12 metres), (with the exception for the Hunting Competitions where the distance may be less than 23 ft.), which must be taken in two, three or more successive jumps. The distance is measured from the base of the one fence on the landing side to the base of the next fence on the take-off side.

In double, treble and multiple obstacles, each fence or part of the whole must be jumped separately, on penalty of elimination. When there is a refusal, run-out, or fall, the rider must take the whole obstacle again, or he will be eliminated. Exception is made for completely closed obstacles.

All the faults for mistakes and resistances made at each fence and during the various attempts are counted separately and added together, but should a refusal be due to a fall between two fences it will not be penalised.

BANKS, SLOPES AND RAMPS:

13. Banks, slopes, ramps and sunken roads, irrespective of whether they include any sort of fence and whatever the direction in which they should be taken, will be regarded as double, treble, multiple or closed obstacles. Each part must be jumped separately and faults will be penalised as for these obstacles.

The Jury must decide before the competition whether the obstacle is to be considered as closed or as a double, treble, or multiple obstacle. This decision must be included on the plan of the course.

14. A bank or platform (-butte-) without the addition of a fence, or with only one pole, can be taken in a flying jump. This way of jumping does not incur any penalties.

OBSTACLES COMPLETELY CLOSED:

(15). (a) If an obstacle is completely closed (such as in-and-out, square or hexagonal) the rule for rejumping the whole obstacle does not apply.

(b) In such cases, if the horse leaves the enclosure on the wrong side, he is considered as having jumped an obstacle that is not part of the course and he is eliminated.

(c) If, on the other hand, once in the enclosure, there is a refusal or fall, the rider is obliged to leave the enclosure by jumping out of it in the correct direction. If he is unable to do so within 60 seconds or after several attempts, making in all three refusals during the round, he is eliminated. He has not the right to displace, or cause to be displaced, or to modify any of the elements of the obstacle.

TIME:

(a) Unless otherwise stated in the conditions of the Class the "Time Allowed" for the course will be announced before each event.

(b) THE "TIME LIMIT" IS TWICE THE "TIME ALLOWED".

(c) FAULTS FOR TIME:—FOR EVERY SECOND OR PART OF A SECOND EXCEEDING THE "TIME ALLOWED" $\frac{1}{4}$ FAULT. EXCEEDING THE "TIME LIMIT". ELIMINATED.

JUMPING-OFF:

In jumping competitions judged under Table A, the winner will be decided by one of the following methods (to be indicated in the competition concerned).

Table "A1". In the event of equality of faults for first place in the second Jump-off the prize will be divided.

Table "A2". In the event of equality of faults for first place in the second Jump-off time will decide.

Table "A3". In the event of equality of faults for first place in the first Jump-off time will decide.

Table "A4". In the event of equality of faults for any award in the first round of the Competition time will decide. In the event of equality of faults and time for first place there may be one Jump-off at the discretion of the Judge.

DEFINITION OF JUMPING ARENA:

The Jumping Arena will, when practicable, be entirely enclosed, but if not, will be clearly marked with flags or some other easily recognised indicator. At all times the Trotting Track will be taken as off the Jumping Arena. It will be the responsibility of all competitors to acquaint themselves with the extent of the arena and its markings before competing.

THE COUNCIL RESERVES THE RIGHT TO INTRODUCE A STANDARD AT ANY TIME.

CRUELTY TO HORSES is forbidden either in the arena, exercise area or elsewhere. A competitor found guilty of committing a definite act of cruelty will be disallowed from taking part in any further competitions at the Show where the offence was committed. The decision rests with the Judge and no appeal will be considered.

GROUP A

Competition in classes in this group is open only to horses over 14.2 hands whose past performances, in the opinion of the committee, warrant their inclusion in the group.

From the entries received, the Council will select the horses with the best performances (up to a maximum of 20 horses) to compete in PART I, and the next best (up to a maximum of 20) to compete in PART II.

JUMPING

272. THE "COLES STORES" FAULT AND OUT.

F.E.I. Rules.

Speed: 436 yards (400 metres) per minute.

SPECIAL PRIZES: \$200 (which is presented by G. J. COLES & CO. LTD., MELBOURNE).—First prize, \$80; Second prize, \$50; Third prize, \$30; Fourth prize, \$20; Fifth prize, \$12; Sixth prize, \$8.

CONDITIONS

This competition takes place over medium-sized obstacles, each of which is numbered (combinations are not permitted) and is timed. The competitor's round finishes with the first fault incurred, whatever it may be (obstacle or flag knocked down, any disobedience, a fall exceeding the time allowed, etc.).

The competitor is required to jump as many obstacles as he can within 60 seconds. If all the obstacles of the course are jumped before the expiry of the time allowed, he will start the course again.

Two points are awarded for each obstacle jumped clear and one point for the obstacle knocked down.

An obstacle is not considered to have been jumped until the horse's fore-feet have touched the ground on landing.

When an obstacle is knocked down, or when the time allowed is reached, the bell will be sounded. The competitor must then jump the next obstacle and the clock will be stopped at

JUMPING

the moment the horse's fore-feet touch the ground, but no points will be scored for the obstacle jumped after the bell is sounded.

When the fault constitutes a disobedience, or fall, or when for some reason the rider is eliminated, or does not take the jump at which the clock should have been stopped, the bell will be sounded. The competitor will then be placed last of those gaining an equal number of points.

Classification: The winner is the competitor who scores the greatest number of points. In the case of equality, the times will be taken into account. Should there be equality of both points and time for first place only, a Fault and Out jump-off is compulsory, over a limited number of obstacles.

For Ponies and Galloways and horses. In the first round the obstacles will be set at a minimum height of 3 feet 6 inches and a maximum of 4 feet. In the event of equality for first place there will be a jump off over a course of which certain obstacles may be enlarged. If after this jump off there is still equality for first place, there will be a second jump off in which the obstacles may be further enlarged. In the event of equality of faults in the second jump off, time will decide. The winning team will be that which has the least number of faults adding together the faults of the best three horses in the team. All four horses to jump.

For teams of four riders under 17 years of age on the first day of the Show, nominated by a Pony Club affiliated with the Pony Clubs' Association of Victoria and the Equestrian Federation of Australia.

At the discretion of the nominating Club, one or two members of the team may be Associate members.

However, should a Club be unable to field a team of four, it shall be permissible for a team of three (which may include one or two Associate members) to compete.

In this case the three scores are added to give the team's score. Unless the three members complete the course, the team concerned is eliminated.

Riders to be members of the Pony Club which they represent and to have regularly attended rallies as members of that Club since 1st October, 1967, or since becoming a member of the Club.

CONDITIONS OF ENTRY AND EXHIBITION, ETC.

(See also the conditions at the head of each Breed Section)

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. At time of entry and until after exhibition, all exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that Section must be the bona-fide property of the exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The breeding year for Dairy Cattle dates from 1st July in each year.

Entries are accepted on the distinct understanding that stock may not be removed from the Showgrounds until after 11 p.m. on Saturday, 28th September.

The conditions governing the number of entries permitted will be found at the head of each breed section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle sections must be in the hands of the Director, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, 3032, on or before the time stated at head of each cattle section.

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms, or, if not available at that time, must be in the hands of the Director no later than 14 days prior to the opening day of the Show.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 19) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the grounds. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

CATTLE

ARRIVAL AND DEPARTURE OF EXHIBITS

Exhibitors are required to deliver their Cattle (except Fat Cattle) to the Show Grounds in time to ascertain from the Cattle Superintendent where their exhibits are to be placed and to have them in their allotted positions by 9 a.m. on Wednesday, 18th September.

The entry of cattle, fodder, bedding or equipment to the Show Grounds prior to the Friday preceding the first day of the Show, is not allowed without special permission being granted by the Society.

Exhibitors will not be permitted to remove their stock until 11 p.m. on Saturday, 28th September.

NECK NUMBERS

Numbers corresponding to the exhibit numbers in the catalogue must be worn by the exhibits when appearing before the Judge.

Neck numbers must be obtained by the exhibitor from the office of the Superintendent.

"IN MILK" CLASSES AND DISPOSAL OF MILK

A Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging, or vice versa.

Cows and heifers, in milk, except Dairy Shorthorns, Jerseys and A.I.S., must be fully milked out in readiness for "stripping out" by the Stewards at 5.00 p.m. on Wednesday, 18th September.

Dairy Shorthorn cows and heifers, in milk, must be in readiness for "stripping out" at 8.00 p.m. on Wednesday, 18th September.

Jersey and A.I.S. cows and heifers, in milk, must be in readiness for "stripping out" at 5.00 p.m. on Sunday, 22nd September.

The owner or his representative must be in attendance when females are being stripped out, and the exhibits which are to receive such attention must be in readiness in the stalls allotted to them.

Before entering the Judging Ring exhibits in the "In Milk" Classes will be checked with the Milk Stewards' reports to ascertain that they have been fully milked out in compliance with the conditions.

Entries of milking stock (Sections 25 to 31 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns, less dairy costs, will be forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

Exhibitors must provide their own receptacles for the delivery of milk to the Society's dairy on the Show Grounds.

JUDGING

Judging will be in catalogue order and will take place at the time stated at the head of each breed section.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of \$10.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society, and the showing of a name or names on the wearing apparel or about the person of the attendant is prohibited. This regulation will be strictly enforced.

AGE, DEFORMITY AND USE OF HORMONES

The Society's Veterinary Surgeon's decision regarding age shall be final.

If, in the opinion of the Director, exhibits in these Sections be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

In all Cattle Sections any animal entered which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

INSPECTION OF STOCK

Exhibitors in the stock sections shall, if requested by the Steward-in-Chief of the Section or by the Director or his agent, submit his exhibits in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show. See also regulations at head of Beef and Dairy Cattle Sections.

SECURITY OF ANIMALS

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1967, and all male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. All bulls exhibited in the Dairy Sections shall be tethered by the nose ring in addition to the headstall or neck rope.

All females must be provided with effective halters and be thoroughly broken to lead. Exhibitors will be liable to a fine of \$4 for every infringement of this regulation.

CATTLE

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall. All exhibitors of Beef Cattle must provide neck straps or neck ropes, as well as halters for tethering their cattle. Every poll bull and every wholly or partially dehorned bull entered in Beef and Dual Purpose Sections, must be securely tethered by an effective head-stall in addition to a nose ring or neck strap or neck rope.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

PARADES

All prize-winning cattle must be taken on parade in accordance with the printed programme.

Exhibits of Jersey and A.I.S. cattle must be taken on parades conducted prior to judging of exhibits in these Sections. The numbers paraded are to be commensurate with the prizes offered in each of the ordinary classes for these breeds.

After judging, only the prize-winning cattle, except Fat Cattle—will be permitted to be taken on Parades. Exhibitors shall be subject to a fine of one dollar in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

In the Beef Cattle Sections no bull shall be sold whilst at the Show Grounds, either by public auction or private treaty, for less than 400 dollars and no female for less than 300 dollars.

A commission of 1 per cent. shall be paid to the Society in respect of all stock sold on the Show Grounds.

- (i) Keep each stall allotted to them and their stock in a clean and proper condition throughout the Show.
- (ii) Clean out their stalls or boxes before 8 a.m. each day.
- (iii) Refrain from leading exhibits from their stalls to water troughs between the hours of 8 a.m. and 5 p.m. each day of the Show.

Failure to comply with this rule shall render the exhibitor liable to a fine not exceeding \$10 for each separate offence.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of one dollar.

The placing of bales of straw along the passage-ways is not permitted.
