Message from the CEO

Melbourne Royal® is delighted to publish the results of the 2021 Australian Distilled Spirits Awards, and in particular acknowledge and congratulate the medal and trophy winners.

The Melbourne Royal Australian Distilled Spirits Awards recognise the long tradition of distilling in Australia and the emergence of the new generation of spirits, liqueurs, aromatics and vermouths to provide Australian distillers with an essential benchmarking and networking opportunity.

Since first being held in 2015, the Australian Distilled Spirits Awards have experienced incredible year-on-year growth. This year we received a record 760 entries from 191 exhibitors. This is a:

- 27% increase in exhibitors
- 23% increase in entries
- Record whisky entries: 88 entries up from 68
- Record gin entries: 388 entries up from 328
- Record vodka entries: 67 entries up from 51

This year's growth in entries has been extraordinary, as distillers seek the unrivalled feedback and recognition that comes from winning a Melbourne Royal medal or trophy.

I particularly want to thank and acknowledge our Industry Advisory Group for their ongoing advice, counsel and support. The commitment, enthusiasm and passion of **Seb Costello**, Head Judge along with our other industry advisory group members **Stuart Gregor** and **Sebastian Reaburn** continues to be instrumental in ensuring the success of these awards and Melbourne Royal is most grateful for your involvement.

Due to Covid-19 and in particular interstate travel restrictions and social distancing measures in place throughout the year in Victoria, we were unsure that the 2021 Awards would proceed. With encouragement and support from our Industry Advisory Group, we proudly navigated our way through the challenges to innovate and conduct the judging online. By judging online, we were able to maintain the integrity of the Awards and

ensure the entries were assessed by the best judges from all around Australia.

In total 41 judges, including Seb Costello as Head Judge provided their skills and expertise across four days of judging, including the trophy round. This required the bottling of 4,500 samples to be shipped to the judges all around Australia. The judging panel included experts in distilling, spirits retailing and writing from Victoria, New South Wales, South Australia, Tasmania and Queensland.

I sincerely thank all our judges for being an integral part of the success of these Awards and volunteering your valuable time to judge online.

With record entries this year, it is not surprising that the judges awarded an amazing 90 gold, 241 silver and 269 bronze medals.

To win a medal or trophy is an amazing achievement and wonderful recognition for all your hard work and commitment. Medal and trophy winners have earned the Melbourne Royal seal of excellence and have opportunities to leverage the success and market medal-winning products. Melbourne Royal trusts that you will enjoy great value and benefit from your success.

It would not be possible to conduct the 2021 Australian Distilled Spirits Awards without the wonderful and generous support and assistance of our valued partners and sponsors. I would like to recognise and thank our sponsors Dan Murphy's, Cryer Malt, Plasdene Glass-Pak, Bintani, MCC Labels along with that of Supporting Partner, the Australian Distillers Association.

Finally, thank you to the 191 Australian distilleries who entered the 2021 Australian Distilled Spirits Awards and congratulations to all the medal and trophy winners. We look forward to celebrating and promoting your achievements with you over the coming months and to the Australian Distilled Spirits Awards continuing to grow and prosper with you in 2022.

Message from the *Head Judge*

2021 has been another incredible year for the Melbourne Royal Australian Distilled Spirits Awards.

We have seen further growth in Australian made spirits, not only in volume, but also in variety, with record entries and the highest ever number of distilleries involved in the Awards.

As the industry matures, we are seeing the emergence of an Australian flavour profile across the categories. We've also seen increasing consumer demand in some spirit markets, so we have reflected these changes in the judging categories by adding wine gin, cane spirit and vermouth.

Once again, we were only weeks away from judging when Victoria went into lockdown, but with the dedicated staff at the Melbourne Royal, the judging went ahead, albeit a little later in the year and not in person as we had hoped.

Total entries again rose from 619 last year to an incredible 760 this year. A fantastic effort by distillers across the country.

41 judges this year took three days (up from two) to assess each entry carefully and professionally. To all the judges, I am very thankful for your professionalism and time in such a trying environment, especially the people who were judging at the Australian Distilled Spirits Awards for the first time. It is really important to grow the skills to independently judge spirits, and I found the overall skill and dedication of this group to be exceptional.

I would also like to take this opportunity to thank the panel chairs Sebastian Reaburn, Jenna Hemsworth, Geoff Fewell, Orlando Marzo, Julian White, Fred Siggins, Shaun Byrne, Tim Gniel, Sam Bygrave and Ollie Margan for keeping the panels on track.

The effort and skill to pull off the logistics for this judging to go ahead was an immense effort, including the decanting and postage of more than 4,500 samples. I would like to thank all of the Melbourne Royal team, especially Brad Jenkins, Damian Nieuwesteeg, Ania Ligas, Oskar Long and Andrew Toms. Their dedication to the Australian Distilled Spirits Awards is second to none.

It was a real privilege to be involved.

Sebastian Costello

2021 Australian Distilled Spirits Awards proceeded due to packaging solution from Plasdene Glass-Pak

Now in its seventh year, the Melbourne Royal Australian Distilled Spirits Awards (ADSA) is Australia's first and largest national spirits competition highlighting the innovation and excellence of Australian-manufactured spirits, liqueurs, aromatics and this year, vermouths.

Due to the ongoing challenges of COVID-19 impacting how events can be conducted, and from the learning of the successful virtual judging delivered in 2020, Melbourne Royal took a proactive approach to ensuring the ADSA could be held in 2021.

Having proved highly successful last year, the ADSA was once again judged remotely from Wednesday 13 – Friday 15 October, with entries being dispatched to judges around the country who assembled online to taste and critique each product as a panel.

Melbourne Royal is grateful that the ADSA virtual judging was made possible by Plasdene Glass-Pak. A long-term ADSA partner, for the second consecutive year they generously supplied thousands of unmarked sample bottles as a dispensing solution.

Jayne Pearson, General Manager, Plasdene Glass-Pak, was thrilled to once again support Melbourne Royal in adapting to virtual judging in 2021.

“Plasdene Glass-Pak is proud to support the Australian distilled spirit industry. We greatly value our long-term partnership with the Australian Distilled Spirits Awards, Australia's first and leading national spirits competition,” said Ms Pearson.

“As a proudly Australian family-owned and operated business, it has been our passion and commitment for more than 34 years to work together with our clients and brand partners, through our global sourcing capability, service and supply excellence and quality packaging options. Whether at project conception, emerging brand or established business stage, we strive to deliver the most innovative, highest quality packaging solutions for Australian spirit manufacturers, and master craft distillers.

“We're delighted to be a small part of such a dynamic industry, and to have helped so many businesses build their brands. To us, their success is our greatest achievement,” concluded Ms Pearson.

Damian Nieuwesteeg, Manager, Awards Programs - Food, Beverage & Horticulture at Melbourne Royal was grateful for the ongoing support of Plasdene Glass-Pak and all of the sponsors that supported the Australian Distilled Spirits Awards in 2021.

“The 2021 Australian Distilled Spirits Awards received a record-breaking 760 entries and with the judging once again moving to a virtual format, the support of Plasdene Glass-Pak meant we could proceed in a COVID-safe way and ensure the integrity of entries remained at the highest possible standard.

“Under sterile conditions, all entries were carefully decanted into 4,500 non-branded small spirits bottles in late September, before being safely couriered to the 41 judges throughout Australia,” said Damian.

“Melbourne Royal is grateful that the innovations required to deliver the 2021 Australian Distilled Spirits Awards virtual judging were made possible by the contribution of Plasdene Glass-Pak and thank them and all of the sponsors for their support and assistance,” concluded Damian.
