Message from the CEO

Melbourne Royal takes pleasure in presenting the medal and trophy winners for the 2022 Australian International Beer Awards.

The Melbourne Royal Australian International Beer Awards celebrates and recognises the best brewers across the world with up to 35 trophies presented to the champions of each category, including the overall Champion Australian Beer and Champion International Beer.

These awards are the largest annual beer competition in the world assessing both draught and packaged beer. This year, the awards attracted a record-breaking 2630 entries from 20 countries. Thank you to all the 355 breweries who entered the awards this year, with a special mention of the 245 Australian breweries.

It is fabulous to see a positive uptick in Australian and international entries in spite of the ongoing global challenges of the past 12 months as well as the natural disasters that occurred across the north-east of Australia. This is the 29th year the Australian International Beer Awards have been held and they continue to offer an incredible opportunity to benchmark your beer against industry standards.

Melbourne Royal works closely with the experienced and talented Industry Advisory Group, made up of Tina Panoutsos, Billy Ryan, Craig Bowen, Justin Fox, and Warren Pawsey, who provide their support, counsel and commitment to help Melbourne Royal deliver this successful awards program. Warren, Tina and Justin were also our head judges this year.

I welcome the input that industry and our Advisory Group continue to provide that upholds the integrity of the awards and ultimately provides consumers with a better beer drinking experience.

I thank all the judges who travelled from across Australia to participate in the four-day judging process. Four days of judging beer sounds like a dream – it is fun, but it is also meticulous work. Special thanks to our Chief Steward, Craig Bowen, and the steward team who volunteered their valuable time. I am sure they enjoyed being part of

the awards and I hope they were able to take away some valuable beer knowledge, and a beer or two.

It was fantastic to hold the Trophy Presentation dinner in Victoria Pavilion at Melbourne Showgrounds again in 2022. It is a great night in an incredible venue where the industry comes together to celebrate the champions and to have fun.

My hearty congratulations to all the medal and trophy winners on the night. I trust that you will enjoy great value and benefits from your success in the 2022 Australian International Beer Awards. I encourage you to make good use of the newly branded Melbourne Royal Australian International Beer Awards medals and labels. They are stylish, highly valued and a true mark of excellence and success.

It would not be possible to conduct the Awards without the wonderful and generous support of our Australian International Beer Awards partners. Thank you to presenting partners Barrett Burston and Cryer Malt, major partners HPA and Dan Murphy's, and the trophy sponsors Bluestone Yeast, Brews News, CHR Hansen, The Crafty Pint, Weyermann Specialty Malts, Joe White Maltings, Crafted ERP, Yakima Chef Hops, NZ Hops, KONVOY, Kegstar, and BevChain and Hellmann Worldwide our logistics partners.

The Australian International Beer Awards receive marvellous support from the beer industry and we thank our industry sponsor GABS Festival, the Independent Brewers Association, the Brewers Guild of New Zealand and the U.S. Brewers Association.

Melbourne Royal will continue to work with our Industry Advisory Group to ensure that the award categories reflect industry trends, production techniques and consumer interest.

On behalf of Melbourne Royal, I wish you all the best for a successful year of beer and brewing excellence. Cheers.

Brad Jenkins
Chief Executive Officer

Message from the *Head Judges*

The 29th Melbourne Royal Australian International Beer Awards saw competition entries again reach record numbers with 2630 exhibits entered. With 900 kegs among the hopeful entries, the 2022 awards definitively remain the largest annual beer competition in the world, assessing both draught and packaged beer.

Over 350 breweries awaited their results, 245 of them here in Australia, all hoping to claim one of the 35 trophies presented. Their beers were evaluated and scored by a panel of 65 judges from across Australia, who gave their time and expertise over four days of judging here at the Melbourne Showgrounds.

In 2022, the role of head judge was reinstated, with each of us stepping into the role for one day of judging. The primary focus of this role is to ensure the competition maintains and builds on the consistency, quality and integrity of our judging panels and processes. Working with the table captains, we are also committed to guiding and supporting our associate judges across the week to ensure we nurture and embed the next generation of judges.

The calibre of the assembled judging panel was again first class, with representation from all corners of our industry. Each judge brings unique skills, industry perspective, sensory strengths, and a positive willingness to both improve and impart their own knowledge. It was fantastic to welcome back judges from across Australia, and we hope to return to inviting international judges in 2023.

Beers are evaluated by a sub panel of at least 4 judges, scoring the exhibit out of 20 points across specific style and technical criteria. All beers are presented to judges with a double-blind identifier for anonymity.

To win an AIBA trophy, a beer must first receive a gold medal to progress to the trophy panel. All gold medals of a specific class are re-poured and assessed side by side to determine the trophy recipient. These are the best of the best and this year's winners deserve all our accolades.

An AIBA gold medal represents a beer of the finest quality, presenting accurate representation of style, being free of faults, exceptional balance, and of course undeniable drinkability. The golds are those beers you just can't put down!

Silver medals bestowed upon fantastic beers, missing an element of distinction, carrying a subtle taint that sets them just short of perfection. Make no mistake, the silver medal beers are hard to put down as well and those who brewed them should be proud of their work.

Bronze medals are awarded to beers of sound backbone, yet displaying opportunities for improvement, thus challenging the brewer to refine and adapt in the ongoing pursuit of perfection.

For those entrants who failed to medal, take heart in the knowledge that the brewing industry is abound with both opportunities and challenges, and this result marks another day in your road to excellence in beer.

The conduct of the volunteer stewards was exceptional throughout, dispensing beers with precision, and perhaps for the first time in a decade failing to drop a tray! On behalf of all the judges, we thank each of you for your time, professionalism, patience, and good banter throughout the competition. These awards would not be possible without your support.

To our chief steward, Craig Bowen. Your tireless efforts behind the partitions never cease to impress. Thanks for making 2022 a logistical success, your enduring support of these awards over the last decade and of course for keeping the cogs turning and the judges' glasses full of beer!

To our competition manager, Damian Nieuwesteeg, you are an incredible asset to the beer industry in Australia and abroad. The success of these awards is a product of your passion and dedication and on behalf of the judges, the brewers and the beer lovers, a deep thanks for all your hard work. To your wider team at Melbourne Royal, including Oskar Long and Jane Wong, we extend our thanks to you all for the expertise and commitment you each bring to the competition.

Assessment of the final 21 beers to determine the Champion Australian and International Beers left no doubt in the minds of the 15 selected judges, that these awards celebrate and award truly spectacular beers. Congratulations to the winning brewers and breweries, we raise our glass to you.

Tina Panoutsos, Warren Pawsey and Justin Fox

IT'S MORE THAN A BOX OF HOPS

IT'S NURTURING A HEALTHY PLANET

At Yakima Chief Hops, we have a deep respect for the land that provides a bountiful harvest each year and pride ourselves on being advocates of a sustainable, healthy planet. With every hop purchase, you help to support environmental stewardship efforts, such as 134,500 square feet of solar panels, a CO2 recovery system reducing our greenhouse gas emissions by more than 50% and impactful nonprofit partnerships.

Sustainability is a journey, not a destination. There is still more work to be done. Follow our journey in our annual Corporate Social Responsibility report at [YAKIMACHIEF.COM/CSR](https://www.yakimachief.com/csr)

Hi! Don't forget we need an ad for AIBA. We want to really impress the Aussies and let them know we have an AU office now. Oh, and send them to CraftedERP.com for more info. 😊

No worries mate! Crafted ERP is a fair dinkum ripper!

Uh....ok. You'll make sure they know Crafted is designed for brewers, by brewers to streamline production, improve data visibility and ignite growth, right?
