Message from the *CEO*

Melbourne Royal is delighted to present the winners of the 2022 Australian International Coffee Awards.

The Awards provide coffee roasters with the unparalleled opportunity to have their products professionally critiqued, as well as the chance to establish their credentials in the Australian and international coffee industry.

This year, the Australian International Coffee Awards received 709 entries from 174 exhibitors representing 11 countries. Judging took place at Melbourne Showgrounds with a dedicated and talented team of 22 judges, 10 baristas and 18 stewards that brought the Awards to life over three days of judging.

We are thrilled to announce and present the trophy winners at the 2022 Melbourne Royal Show on International Coffee Day, Saturday 1 October. This year judges awarded two Champion trophies, along with nine Category trophies.

I thank members of our coffee industry advisory group for their involvement and, in particular, the ongoing advice, counsel and support that they provide to the Melbourne Royal team in delivering the Australian International Coffee Awards. The commitment, passion and enthusiasm of our Head Judge Melissa Caia from the Coffee Academy at William Angliss Institute along with Georgia Major, Adam Metelmann and Dean Slade ensures that Melbourne Royal Australian International Coffee Awards continue to remain relevant and highly valued by the industry.

It would not be possible to present the Melbourne Royal Australian International Coffee Awards without the support and assistance of everyone involved including our stewards, judges, volunteers, suppliers, sponsors and of course the roasters who enter the awards. Your assistance and support is highly valued and greatly appreciated; thank you.

I thank and acknowledge major partners, Synesso & COMPAK, our Industry Partner, Xtracted, our milk suppliers, Riverina Fresh and The Alternative Dairy Co. along with all our equipment suppliers. Thank you to all the officials, volunteers, suppliers and, of course, those who enter. We are most grateful for your support.

Finally, congratulations to all the medal and trophy winners. We trust that you will enjoy great value and benefits from your success in the 2022 Melbourne Royal Australian International Coffee Awards.

Brad Jenkins
Chief Executive Officer

Message from the *Head Judge*

Judging of the Australian International Coffee Awards is a wonderful time of the year, where a talented group of coffee professionals, industry peers, roasters and baristas all come together to celebrate the Australian and international coffee industry.

This year, 22 judges from across the country assembled at Melbourne Showgrounds to share their knowledge and expertise in critiquing over 700 entries during three days of judging. Special thanks to you all for your contribution and for generously donating your time.

Of course, the Awards wouldn't be possible without a dedicated and proficient team of baristas, and I thank Adam Metelmann, our Head Barista, for leading that team and to the baristas for carefully brewing the entries to specification.

A special mention to the team of 18 stewards for making countless laps from back to front of house to promptly deliver the coffees; thank you. And thank you also to the extra hands that made this event possible, as well as the Melbourne Royal team; Damian, Jane, Oskar and Lily who worked behind the scenes to prepare and plan the Awards and support my role as head judge.

Thank you to my fellow Industry Advisory group members, Georgia Major, Adam Metelmann, and Dean Slade for all your support and hard work these past two years as we navigated the Awards through COVID.

Finally, congratulations to all the trophy winners. All winners were well deserved and truly represent the best of what the coffee industry has to offer.

Melissa Caia
Head Judge
